## **DIVINE APPEAL 7**

*“If people repent and pray, the wrath of My Eternal Father will be appeased.”*

“**M**y daughter, pray and do not be tired. Make small hosts and atone for the crimes which are committed every day before My Divine Sacrament.

If people repent and pray, the wrath of My Eternal Father will be appeased.”

“I bless you and I love you.”

(Later our Lord appeared and delivered the following message.)

## **DIVINE APPEAL 56**

*“It is only through these small hosts that the evil powers that wish to abolish the Holy Mass will be defeated.”*

“**M**y daughter, listen to what I tell you. This is My Voice of Mercy and Love to all mankind. Keep awake and watch with Me. This is My difficult hour of darkness. I need your company. Pray a great deal. Immerse yourself in the most high spirit of contemplation..... for the sake of mankind.”

“Form the cenacles of prayer and small hosts in order to appease the wrath of My Eternal Father. It is only through these small hosts that the evil powers which wish to abolish the Holy Mass will be defeated. I want all souls to atone. These are My Words of warning obtained from My Divine Father. The moment has come when I must warn mankind because I would not let anyone perish unless it is with his own consent. I call them to pray and repent before it is too late.

Offer the Sacrifice of the Mass twice. These are My lonely hours. I never sleep in My vigil for sinners. I keep watching through the veils of My tabernacle without anyone visiting Me. I delight in seeing you pay debts for sinners and whenever you hear offenses and infamy against My Presence in the Blessed Sacrament My daughter, I beg you to pray more for their sake. How I love mankind.”

“I bless you.”

3.00 a.m., 16th December 1987

## DIVINE APPEAL 57

*“I desire all to be saved.”*

“**M**y daughter, give Me your company and pray a great deal. Spend these lonely hours to console and implore mercy for mankind. Look at Me in My tabernacles and you will understand to what extent I love mankind. The souls I love so much do not understand that it is My great Love for them that keeps Me day and night in My tabernacle. From My own ... I am so abused, blasphemed and ridiculed.

Understand this immense suffering in My Heart. To what extent could I have suffered for mankind! I desire you to hold Me tightly in your heart. For the good of souls love and obey.

If they do not repent, the time is coming when I will only speak with My Judge's Voice. From the ocean of My Mercy I am calling everyone to transform their hearts in the shining light of My Truth. More and more mankind is misled by ... to whom I entrusted souls to lead along My Path of Life and Truth ... have abused My very Gospel and finally they have decided to labour hard in order to abolish the Holy Sacrifice of the Mass! Their iniquity is repugnant! The freemasons shout 'we do not want God...'

What sorrow grieves My Heart! Many innocent souls are led to perdition as if I did not come into the world for humanity. In the Sacrament of My Love I am never weary of souls. I desire all to be saved. I am so pleased by small hosts to atone for souls and make reparations.”

“I bless you.”

## **DIVINE APPEAL 64**

*“My left hand points to a warning and My right hand to a miracle.”  
(see Divine Appeal 8th December 1987)*

“**M**y daughter, watch and pray. Listen to My Voice. These are great warnings of mercy. My left hand points to a warning and my right hand to a miracle. These are My words of warning obtained from My Divine Mercy. Pray and implore for the mitigation of evil in mankind. In the Sacrament of My Love I am so sad because My own... are labouring hard to abolish My Presence.

My great pain is that I am only receiving abuses and ridicules. What more could I have done for mankind.

Satan will be able to infiltrate the... What a pain! I continuously pour My mercy in human hearts. Make small hosts which will pray and atone. With the small hosts I ask you to establish the prayer shifts. I desire to continuously pour My mercy in the human hearts. I desire to continue always for the salvation of more souls.”

“I bless you.”

## DIVINE APPEAL 79

*“Hope obtains innumerable graces for self and souls.”*

“**M**y daughter, pray a great deal. Watch and atone. Listen to Me and write. Fathom the pain that I receive in the Sacraments of My Love. My own deny Me. The world revolts against Me and so many souls pour scorn upon Me.

I speak to My beloved servant and I assure him that grace will accompany my words continuously as he speaks them and truth will triumph. I am agonizing over souls. What a pain to see My own... They treat Me as one very far from them. They do not want to understand My feelings.

Pray a great deal and atone. Hope obtains innumerable graces for self and souls. I desire this to be understood so that My mercy may be revealed to the poor souls who have gone astray on the way to perdition.

I want them to know how greatly I long for them. I am calling souls before it is too late. I want souls to be saved. It is My will to reign in the souls through reparation that I ask (made by many and through small hosts).

Through the small hosts My words will be known to many and they will be printed and read and I will grant special graces that through them souls may be transformed. Let Me plunge your soul into My bitterness. I need you to dress the wounds that are caused by My own... Do it for Me through your prayers. Do not be afraid.

Give Me freedom to share My feelings. In the Sacrament of My Love I feel great pain. My own... are labouring hard to abandon the Holy Sacrifice of the Mass. Pray a great deal. Cloister souls in your

heart. Follow My words to my beloved servant and heed them. As he lifts Me up I will pour My infinite mercy in the human souls.”

“I give My blessing.”

## DIVINE APPEAL 160

*“The earth is crumbling.”*

“**M**y daughter, I speak to you. I am using you to warn souls before it is too late. The earth is crumbling like quicksand. In the centre of My Church more than ever satan is marching in order to get rid of all souls. He stalks the world with fury maddening and capturing souls. I implore you to speak to everyone even though they do not believe you. My hand will be very severe with those priests who have abused Me and do not believe in My words of Mercy to mankind.

It is satan’s hour to capture souls. Listen to My call of mercy to this mankind. It is My great work of redemption. I will bring you few beloved souls of mine who will help you in this work as I have willed. Give My words to the small hosts. I need the desire to pray for the appeasement of the wrath of My Eternal Father. Make My merciful warning known to all and tell them I need them to be saved from their sins which lead to perdition.”

“I bless you.”

2.00 a.m., 8th June 1988

## DIVINE APPEAL 191

*“A soul can only be defended when it is on the way to perdition.”*

“**T**ime is coming when souls will want and long to hear My words but they will not.

Listen to My cry of Mercy towards mankind. I am in search of souls waiting and longing. I thirst. I come to seek shelter. Souls consecrated to Me have chosen mediocrity. What a pain to Me! More than ever they place obstacles of uncertainty before My living words. I need and long for My words to reach souls that torture Me so much. In the Sacrament of my Love I endure... I beg you to pray and reflect deeply on this tragedy. I call you to atone for souls before it is too late. When a soul falls into perdition it is eternally lost. A soul can only be defended when it is on the way to perdition.

I pour My tears of blood over mankind and I cry to the faithful souls to defend many poor souls running into perdition. My great love towards these souls keeps Me subjected to all humiliations. In the frontline... betray Me like Judas. They drag many souls into perdition. They do not heed or listen to any of My warnings given by Myself and through My Most Holy Mother.

I call souls to be docile to My warnings. Time is coming when souls will want and long to hear My words but they will not. Time is short. I call on the small hosts to defend My Church. The... hurl themselves against it. Pray a great deal.

As I am exposed I will pour the treasures of My infinite Mercy into human souls.”

“I give My blessing.”<sup>69</sup>

**3.15 a.m.**

*This is the Apocalyptic hour; if mankind don't return to My heart, they will only know desolation. I want it this way. Every one must come to pray in order to obtain heavenly protection.*

**M**y daughter, listen well, with an anguished heart I beg you; be prepared for the Sacrifice which I expect of you; many swords shall pierce your heart. You My daughter must atone and make others atone for the sins which are committed. The majesty of My Eternal Father is outraged, never before has it been in the history of mankind. It is very urgent for mankind to become conscious of this terrible reality. I do not want mankind to perish in the Eternal Fire.

This is the Apocalyptic hour; if mankind don't return to My heart, they will only know desolation. I want it this way. Every one must come to pray in order to obtain heavenly protection.

My word is a command, it serves to save souls, for this I want you and My Apostle of the last days to form a group of small hosts which atone and pray a great deal with fervour and also sacrifice and do penance for so many souls who are on the brink of the pit. They also must keep Me company and watch with Me in the Sacrament of my Love, they must be always humble and teach love, serve and make other poor souls to pray and atone before it is too late for their salvation.

My Apostle of the last days must know that this is very urgent. The group of small hosts will be called "The Servants of Jesus Present in The Blessed Sacrament". They must be formed well and slowly, after long formation they must take seriously and sincerely four vows that is:

Chastity, poverty, obedience and service to Jesus present in the Blessed Sacrament.

Tell My Apostle of the last days that I protect him on this work. I will guide him, bless him and enlighten him on what to do.

I bless him, you My daughter, together with all who pray with you.

*How many of My consecrated men and women pierce My heart day and night! Their dishonesty is a diabolical leaven. They have lost their dignity and their light of reason.*

**M**y daughter, pray a great deal and atone, watch with Me in the Sacrament of My Love. Do not be disturbed by the incomprehension and miseries which surround you. I want your soul to be simple. This is the way your complete surrender pleases Me. My daughter, My Eternal Father is very merciful, but mankind has lost its senses – drugged and Godless!

Time is coming when I will no longer hold back the arm of My Eternal Father. His Divine Justice.

Listen to Me. Do not be afraid of your misery and nothingness. It is I who want this way! You are an instrument in My hands and I want your complete abandon. You have to live for My Church alone. This is My command. Be obedient and the providence will come.

In this grave hour, My heart bleeds. In My mercy, mankind will find source of Light and of Love. Otherwise, find the Eternal fires.

My daughter, I implore you and My Apostle of the last days to form the group of “small Hosts”. I have erected an altar in your heart. They will have a serious responsibility on their shoulders. How many of the souls I entrusted souls are going to perdition! How many of My consecrated men and women pierce My heart day and night! Their dishonesty is a diabolical leaven. They have lost their dignity and their light of reason. I implore My Apostle of the last days to make the “small hosts”; make these poor consecrated return

to Me before it is late. The chalice is filled. He must speak to them in a very serious way.

He has to establish for them the prayer-shifts, night and day, the Holy Masses of atonement. According to My desire, everyone must come to pray in order to save the world and to implore for mitigation of the evil in mankind.

The Holy Hour must be prepared and prayed as also Rosaries, meditation, Adoration and listening to Me in the Sacrament of My Love. Also to keep company. I have it prepared for a long time now. It is I who want it so.

I say to My Apostle of the last days not to be afraid or surprised. I am at his side Myself. The wrath of My Eternal Father must be appeased. I speak to you amid the tears of blood.

I bless My Apostle, you My daughter, together with all the persons who I will send to work and contribute for this work.

*The time is grave. My heart is pierced with great pain bleeding freshly each second – countless number of souls I entrusted souls have left and will still continue to leave their Sacred Ministry; countless of them do not acknowledge the true meaning of My true Presence in the Most Holy Eucharist.*

**M**y daughter, these are dark hours, watch with Me and pray a great deal. Like a beggar – I beg for prayers, acts of reparation.

Cloister souls in your heart, in the first line the souls I have entrusted souls. Do not be afraid of seeing so many flagellations. My blood flows through my tears – I want to cover the corrupt world. The red Lucifer has darkened the Spirits which have already been turbid. Evil turns against itself like a horrible serpentine monster that unconsciously coils around souls.

The time is grave. My heart is pierced with great pain bleeding freshly each second – countless number of souls I entrusted souls have left and will still continue to leave their Sacred Ministry; countless of them do not acknowledge the true meaning of My true Presence in the Most Holy Eucharist.

I implore you My daughter to spend more time with Me in the prison of My Tabernacle. Pray, do acts of reparation and fast not only from food. Repent not only for yourself.

You must heed all the words and direction from My Apostle of the last days. This is My command to you, it serves to save souls; you have to be always obedient to me through him.

With tears of blood, I tell the world to repent. I need My Apostle of the last days to speak out. I am leading him along a lengthy path of pain and toil. He must tell the souls I entrusted souls that I am very humble and obedient to them during consecration, yet they continue to abuse and ignore Me, My Divine Love and My Messages of My Divine Mercy, which will be followed by My Divine Justice.

He must tell them this situation will get worse. They continue to sin and in doing so, lead so many countless number of souls to sin and end up into perdition.

This is a terrible anguish because they do not want to repent or heed My call.

I ask My Apostle of the last days to make “small hosts” to atone for the crimes which are committed each moment by the blinded souls who are already on the brink of the pit.

Scandals due to the fact that there is no prayer, fasting and atonement. They are crazed demons and thieves of all classes. People of high rank! How much pain! I bear.

The diabolical army is marching freely through the whole world. Pray a great deal. My Divine Mercy will be followed by My Divine Justice.

I bless you.

*Mankind must renounce sin! The world is riddled with all kinds of corruption! I can no longer detain the arm of Divine Justice.*

**M**y daughter, watch with Me; these are dark hours. Pray a great deal, amid tears of blood I speak to you. I thirst for souls. My Divine Love and Mercy is great if mankind repent and do penance, but they walk at the Red Lucifer's side.

My daughter, look and see what is happening in this world! Mankind must renounce sin! The world is riddled with all kinds of corruption! I can no longer detain the arm of Divine Justice. Listen to Me patiently, do not be afraid.

I pour My tears of blood over mankind, what more could I have suffered for mankind.

My Churches are reduced to languid meeting places. The obstinacy of some centuries ago continues to exist and dominate. This perverse world is like a persecuting dragon. Mankind hurls torrents of blasphemies and lies against the Church!

Many souls who have denied My name will believe in these malicious works. Among them, there is a diabolical transformation and they scandalize the other nations and mankind.

My daughter pray, pray, pray, do penance, acts of reparation and contrition not only for yourself. Be aware, reflect deeply, these are grave moments. Never has it been like this in the history of mankind.

Mankind with its behaviour diabolical brings down upon itself

punishments and scourges: plagues, famine, war, cosmic cataclysms, threats of divine judgment. These are the images of the deadly weapons!

Like a beggar I plead and beg for souls, almost all of mankind abuses Me. I am bent over them but the times are terrible: I am bleeding from pain and My heart is torn into pieces by this corrupted mankind!

I implore My Apostle of the last days to speak out to these souls. I want from him “small hosts” to atone for the crimes which are committed everyday in the first line by the souls I entrusted souls. In monasteries and convents, tongues and lips which receive me in the Holy Communion are used for very bad unkind words daily. In confession very few repent sincerely. I need My Apostle to speak this, I will give him strength to do so. I will increase my graces in him! Although I will let his suffering be increased. I see that he is using well the grace of total reliance on me. The Red Lucifer knows of this therefore he strives to deprive him of it with all his strength. I am with him! I will sow in his soul the seeds of My graces. I need many prayers and Holy Sacrifices of Masses of atonement for the salvation of these poor souls.

You must obey all what he warns you. I guide him to lead you along your painful spiritual path.

I will not be mocked forever. Pray without ceasing.

I bless you.

*The condescending participation of doctors in the extermination of the defenceless human lives – My Eternal Father’s Majesty is outraged.*

**M**y daughter, I am very hurt because mankind and nations follow the way to perdition.

Pray, pray, pray! The souls struggle with the Red Lucifer who imprisons them. He insinuates to them do not believe, they are lies, do not believe in punishments! Pray and do penance. Listen well My daughter, donations will be given to you in order to build the Holy Place of Reparation where My Apostle of the last days will settle the “small hosts” which atone and pray with fervour. Be prepared for the sacrifice which I will ask from you; many swords will pierce your heart, you must atone and make others atone for the many sins which are committed.

The evil mothers who kill their children in their wombs; the justice of My Eternal Father is awesome and no doctor, no medicine can cure the children, only My Eternal Father can do all things. But the condescending participation of doctors in the extermination of the defenceless human lives – My Eternal Father’s Majesty is outraged.

I suffer the pain of the snuffed out lives of defenceless creatures, so many human lives thrown down the drains that cry out for vengeance before God My Eternal Father.

My daughter, don’t lose My precious time for salvation of mankind. I speak to My Apostle of the last days, he must echo out – speak out. Violence and drugs have destroyed the youth. The Red Lucifer has taken possession of their hearts and instigates them to believe

that My Eternal Father does not exist. They go along the streets like animals without shame and they are blind because of the mire, their souls are possessed by Lucifer's spirits.

My Apostle of the last days has to be prepared to climb up to Calvary. He must tell souls My Divine Mercy is immense. Their repentance is sufficient.

My Divine Mercy will be followed by My Divine Justice.

I bless you.

## **DIVINE APPEAL 269**

*I have given My messages in all parts of the world with My tears of blood. Mankind is not conscious of this terrible reality! It is urgent. My Divine Mercy will be followed by My Divine Justice.*

**M**y daughter, these are dark hours. Watch with Me in the Sacrament of My Love.

Listen to Me – pray a great deal and do reparation for this poor mankind I have come amid.

The spirits are plunging deeper in darkness. Evil is triumphing and everyone is withdrawing into his own shell altogether barren of an unfaltering word.

My daughter, above all accept all whatever which could humiliate you – I alone have the absolute right over you. Do not fear – I want you to keep me awake in the prison of My tabernacle. I am so lonely in so many empty churches. Do not be afraid of being belittled in the eyes of others! I was abused and covered with shame in front of everyone.

I want souls to be saved through the Sacrament of My Love. Heed My Words from My Apostle of the last days. Pure and simple you should be. Be sincere with your manner of speech, pure and simple – your word should express what exactly you have in your heart.

I beg My Apostle of the last days to suffer out of Love of Me; sacrifice and atone. Make Hosts for Me. I have made him a fervent soul, light and salt of the Earth by means of his life and simplicity. He has to follow Me to the point of his complete immolation. He has to bear his cross as I bore mine out of Love of mankind.

My daughter, suffer out of Love of Me in the Blessed Sacrament. Pray and forgive. With your prayers bring Me souls.

I beg My Apostle of the last days to make small Hosts – to do reparation and penance. He must get them to pray. If there is no prayer and My afflicted word is not heeded, continuous kidnappings will take place; with bloodshed and streets covered with blood. The souls are allied with Red Lucifer.

I have given My messages in all parts of the world with My tears of blood. Mankind is not conscious of this terrible reality! It is urgent. My Divine Mercy will be followed by My Divine Justice.

I bless you.

*Mankind must renounce sin! Pray! Pray! Pray! Do acts of reparation and contrition not only for yourself but for so many countless number of souls who are in the brink of the pit.*

**M**y daughter, pray a great deal, watch with Me; these are dark hours. Listen to Me, look and see what is happening in this world!

Mankind must renounce sin! Pray! Pray! Pray! Do acts of reparation and contrition not only for yourself but for so many countless number of souls who are in the brink of the pit. Mankind hurls torrents of blasphemies and lies against My church!

My daughter, how much bitterness! This perverse world is like a persecuting dragon. He will try to trap all those who believe and refuse this idolatry! Many souls who have believed in these malicious works have denied My name. Pray a great deal and do penance. Cloister souls in your heart.

I thirst for souls. Mankind with its diabolical behaviour brings down upon itself punishments and scourges, plagues, famine, war, cosmic cataclysms, threats of Divine Judgment. These are images of the deadly weapons!

I speak to My Apostle of the last days – I have given him My special grace to persevere. I walk along with him. I now order him to echo out, shout to the souls. Make small hosts. He must let mankind know that My Divine Mercy is great if they repent and do penance, but countless number of them walk at Red Lucifer's side.

I have appointed him to reconcile those souls who have and are in

serious difficulty. I want him to insist on My behalf; the Church will not be able to flourish again if she does not return to a life of humanity!

I want and bless My Apostle of the last days – I need him to send this desire of mine to the whole world! By his word and example, he must bestow great peace on their hearts! If they do not repent, it pours blood tears to Me because it is riddled with all kinds of corruption.

Time is coming when I will no longer hold or detain the arm of My Eternal Father's Justice.

Dark and fearful moments are approaching. Rulers, My Apostle must speak about, of peace, mankind will fall in the mire of errors! Mankind have lost My Eternal Father's life. They are dominated by the Spirits of the Red Lucifer. My Eternal Father's Justice weighs over a slime-splattered mankind! The roads are washed in their own blood, many diseases will come, and also hunger, earthquakes, deluges, war!

Together with My Apostle, pray a great deal. Heed his words, I guide him to guide you.

My Divine Mercy is followed by My Divine Justice. I will not be mocked forever.

I bless you.

*I need Masses of atonement. The heavenly Majesty of My Eternal Father is outraged.*

**M**y daughter, pray a great deal, these are dark hours. Keep watch with Me, these are dark hours – cloister souls in your heart and bring them to Me. I thirst for souls.

I am so crucified and abused, blasphemed, denied: My daughter understand this immense suffering. I speak to you amid tears of blood.

I can find you truly alone and able to understand Me in every moment!

The time has ripened in so many years of sufferings. Now you are mine alone! I have given Myself to your heart. Offer Me everything continuously, living with Me in the same Host!

You must be like a Tabernacle; live at My disposition and of all mankind in reparation for all sins of all kinds. This is My command to you!

I speak to My Apostle of the last days. I need him to listen to Me. The spirits are plunging deeper into darkness. Evil is triumphing and everyone is withdrawing into his own shell, altogether barren of an unflinching word.

My Apostle of the last days should tell the souls I entrusted souls that they be sincere with their manner of speech, pure and simple. Yes or no without evasiveness. Their word should express exactly

what they have in their heart, because I hold in abomination those who are hypocrites and deceitful.

I tell My Apostle of the last days not to pay attention to everything he is told! He must heed My words which are of the utmost authority and security in confused times like these – I have given him My precious grace to lead these souls for peace.

He will be horrified! In the Sacrament of My Love both species will be and is still profaned in so many places and churches. People in mortal sin feed on Me.

I am forced to walk through the streets. My head crowned with thorns, My eyes in tears of blood, My heart afflicted and broken.

I beg My Apostle of the last day to make small Hosts and I thirst for souls – I need Masses of atonement. The heavenly Majesty of My Eternal Father is outraged.

My daughter, pray and do penance not only for yourself, say the Rosary. Expiate evil. Heed the words from My Apostle of the last days.

I will not be mocked forever.

I bless you.

*I thirst for souls, like a beggar I beg for souls. I pour My tears of blood over them. What more could I have suffered for the salvation of mankind.*

**M**y daughter, pray and watch with Me in these dark hours. I am bent over all mankind. But times are terrible: distraction where the children of darkness are, all kinds of scandal!

I am bleeding from pain. My heart is torn into pieces by this corrupted mankind! Almost all of mankind abuses Me despising Me, not believing in My Eternal Father. They only know of the most deadly weapons – the dictators of the earth truly infernal monsters, will destroy the Church, Churches and Sacred Tabernacles. In this sacrilegious struggle due to unbridled pleasures, savage impulses and the bloody opposition – everything made by the hand of man will be destroyed. Sparks of fire will rain down from heaven, and every one will be in terror!

I implore My Apostle of the last days to speak out and not to be silent, he has to echo My voice out, because these are the hours of the terrible abandonment! I want him to make “small hosts” and atone for the crimes which are committed everyday; divorces and family scandals due to the fact that there is no prayer in the families.

My daughter, pray a great deal and do penance, acts of reparation. Do confession not only for yourself alone. I thirst for souls, like a beggar I beg for souls. I pour My tears of blood over them. What more could I have suffered for the salvation of mankind. Mankind have lost My Eternal Father’s way. They are dominated by the spirit

of the Red Lucifer. My Eternal Father's Justice weighs over a slimesplattered mankind! The roads are washed in their own blood. Many diseases will come and also hunger, earthquakes, deluges, wars!

Dark and fearful days are approaching. I bless My Apostle of the last days to talk about peace. The sinning youth advance without a pause; thieves, kidnappings! Politicians have taken a mistaken road, dragging with them! Cruel fight!

My daughter, you must be obedient. I have given My Apostle of the last days all the grace to lead and direct you along a holy spiritual way. I use him to warn you, pay attention and obey My call. Do not waste this precious time for the salvation of souls.

My Divine Mercy will be followed by My Divine Justice. I bless you.

## DIVINE APPEAL 274

8th April 2010

3.50 a.m.

*But if mankind repent deeply and pray sincerely, the wrath of My Eternal Father will be appeased; if not the streets will be filled with corpses and death will sweep all parts of the world.*

**M**y daughter, pray pray pray. In the Sacrament of My Love watch with Me, these are dark hours. I thirst for souls. Cloister them in your heart, you must do reparation without ceasing and without thinking what this will cost you. The time is grave. My Merciful warnings are not heeded. This is a terrible anguish because souls do not want to repent. The Red Lucifer has darkened the Spirits which had already been turbid; evil turns against itself like a horrible serpentine monster that unconsciously coils around souls.

My daughter, I speak to you amid tears of blood. The Majesty of My Eternal Father is outraged, do not waste any time. I want you to repent for souls. Do not repent only for yourself, like a beggar – I beg for souls. Do as much acts of reparation.

To My Apostle of the last days, I want him to speak out in a loud voice. He has to make My warnings known to this corrupt mankind, they have to know that if there is no barrier of fortitude, resolute and tenacious to avoid the catastrophe, then there will be punishments of all kinds for all mankind. This cloud will destroy sinning mankind; flames will be unleashed from heaven, fearful hailstorms will swoop down on mankind, signs from heaven; you remain in complete darkness; the seas will rise up causing death and desolation; awful earthquakes; an atomic war, diseases of admonishment. In this way they will repent! But if mankind repent deeply and pray sincerely, the wrath of My Eternal Father will be appeased; if not the streets

will be filled with corpses and death will sweep all parts of the world.

I ask My Apostle of the last days to make “Small Hosts” and atone for the crimes which are committed daily. At every call he must climb with Me up to Calvary. I give him all My Love and grace!

My daughter, I want your sacrifice, your humility, your submission. You must heed all the direction from My Apostle. I want your total obedience, my word is a command, it serves to save mankind. Do not be afraid.

If mankind do not repent, very soon I will put it in its own casket.

I bless you.

*The bad example of parents prepare their families for scandal and infidelity instead of preparing them for virtue and prayer which is almost dead to the lips of many persons.*

**M**y daughter, pray unceasingly, these are dark hours. I implore you to keep watch with Me, cloister souls in your heart. Open it for My Love and Divine Mercy for mankind. Write what I tell you.

In the Sacrament of My Love bring Me souls. I thirst for them. I speak to you amid tears of blood. I have lowered Myself this way for My great Love for mankind. My heart is pierced. I beg for much prayer to appease the wrath of My Eternal Father. His Majesty is outraged. If mankind continue to sin and ignore My messages and My Divine warnings, then they will obtain his predilection.

My daughter, do not lose time, it is very precious. Pray a great deal and do penance before it is too late because the world have lost its senses. This situation will get worse. The world has never before needed prayer as in these tragic times. Suffering is taking place and will still continue. It pierces My heart terribly. Sinful mankind have caused so many innocent victims to suffer and die because of hard and obstinate hearts.

I implore My Apostle of the last days to echo out. Prayers must be said unceasingly, penance, fasting. I want him to make “small hosts” to atone for the world.

The bad example of parents prepare their families for scandal and infidelity instead of preparing them for virtue and prayer which is almost dead to the lips of many persons. It has stained and dried

up the source of sanctity and joy of the home sanctuary! This is the reason why the world is no longer worthy of pardon, but rather fire of destruction and death.

What more could I have suffered for this mankind.

My Eternal Father will not be mocked forever.

I bless you.

*My daughter, pray a great deal and do penance and acts of reparation for the souls I entrusted souls. I am so obedient to them. I am totally theirs at the moment of consecration in the Holy Mass.*

**M**y daughter, pray a great deal and do penance. In the Sacrament of My Love keep watch with Me as I remain a prisoner in the Tabernacles of the world. I am so lonely, longing for souls. As I am exposed I will pour the treasures of My Divine Mercy to souls.

I pour My tears of blood over mankind. The souls struggle with the Red Lucifer who imprisons them. He insinuates to them, do not believe – they are lies. They neither pray or believe.

My daughter, pray a great deal and do penance and acts of reparation for the souls I entrusted souls. I am so obedient to them. I am totally theirs at the moment of consecration in the Holy Mass. I am close beside them in the hardships of their daily life and in their sufferings, yet they step on Me, abuse Me, ignore Me. I love them so much but in return this is what they think – they are more important than Me. I speak to them in silence, loving voice and Divine Mercy, but they do not listen to Me. They plug their ears with the mud of self-love, vanity, contagious pride, pleasures of the world and haughtiness. They have allowed themselves to be blinded by the Red Lucifer. In this way they mislead so many souls on the road to perdition. I am very hurt.

I implore My Apostle of the last days to make “Small Hosts” for atonement. I want him to speak out to these souls I entrusted souls, I guide him, give him grace and words to tell them. I bless him

and as he will always speak, I am beside him. He has to tell them that I know they abandon their vocation and drag down other souls entrusted souls; religious and lay people who offer themselves for their pleasures! Countless number of souls go to perdition because of their dishonesty!

My blood flows and wants to cover the corrupt world. There will be no other way of salvation because there are so many who do not want to hear My Loving and Merciful call. I am pierced by many swords.

My Divine Mercy will be followed by My Divine Justice.

I bless you.

*A world revolution is on the verge of exploding and no mankind arm can stop it. Misery, famine, misfortune, persecutions, illness, earthquakes, chaos, floods, destruction, world devastation, hail-fire, tumultuous seas, blood-washed streets.*

**M**y daughter, pray a great deal and never tire. Pray and do penance in these dark and secret hours. In the Sacrament of My Love watch with Me. I am with you and I want your total obedience and perfection. Write what I tell you. You must heed all the direction given by My Apostle of the last days.

I guide and give him grace to direct you. Do not be afraid. Pray and obey him. In your sufferings quell the plague of sin which contaminates the whole world.

I am shedding tears of blood for the whole of mankind. I have lowered Myself to this level for the Love of mankind. I give you light so that you may see what I show you. Pray without complains and worries. So many souls are on the brink of the pit. My Eternal Father's anger is overflowing. The chalice is filled! Mankind only sees pleasure and evil ways.

My Heart is overflowing with blood. Be very attentive to what I tell you. My word is a command, it serves to save mankind. Time is very short. Pray, pray, pray a great deal, do acts of reparation. A world revolution is on the verge of exploding and no mankind arm can stop it. Misery, famine, misfortune, persecutions, illness, earthquakes, chaos, floods, destruction, world devastation, hail-fire, tumultuous seas, blood-washed streets.

My daughter, I want My Apostle of the last days to speak to the Churches. The Red Lucifer has blinded them. He has to make “Small Hosts” for atonement.

I want him to echo out and let them know it is time to pray. These are grave moments, he has to reach out to their conscience! Blindfolds have covered their eyes. I am warning. Pray and do penance before it is too late. The Red Lucifer has taken possession of souls and mankind does not want to repent.

I shed tears of blood with pain.

My Apostle should not wait. I give the grace in the first line to the souls I entrusted souls. It will be too late when they finally see the evil that envelops them. Bitter ingratitude has wounded My heart. They do not want to believe and do not want to repent. The greater the sins, the greater the punishments, which have already begun. The scandals have offended Me so much. Drenched with blood I am walking through the multitude of souls. My Divine Justice is not afar.

What more could I have suffered for the salvation of mankind.

I bless you.

## DIVINE APPEAL 278

13th May 2010

*It is very urgent the time has run out. Pray, pray, pray, this is the apocalyptic hour.*

**M**y daughter, pray a great deal. In the Sacrament of Love watch with Me, these are dark hours. Do not be afraid and do not waste this precious time for the salvation of souls. Day and night I remain in the prison of My Tabernacle with tears of blood in My heart. I am calling mankind to pray and do penance. My Eternal Father's Majesty is outraged. I do not want mankind to perish in eternal fire.

My daughter, I am calling you to silence, indeed spirit of contemplation. You must cloister souls in your heart. I thirst. I am begging for souls. Countless number of souls are on the brink of the pit.

It is very urgent; the time has run out. Pray, pray, pray, this is the apocalyptic hour. Freemasonry in the churches, prelates without dignity. Mankind have lost My Eternal Father's life. They are dominated by the Spirit of the Red Lucifer. My Eternal Father's Justice weighs over a slimes-splattered mankind. The roads are washed in their own blood. Red brigades infiltrated in the Government! The people accomplices to the violence. Kidnappings, thieves of all kinds! The Red Lucifer directs them to perdition.

My daughter, pray without losing time. Deny yourself and make yourself strong for the sole reason, cloister souls in your heart. In the most high spirit of contemplation immerse yourself, I order you. I need your total obedience, you must heed all the direction from My Apostle of the last days. I lead him to guide. I want it this way.

I implore My Apostle of the last days to speak out. It is urgent, he has to tell souls to convert and return to My bleeding heart. In the Sacrament of My Love I have so many graces but mankind has refused to collaborate with Me. As I am exposed I will pour the treasures of My Love to mankind.

He has to tell these souls to look around and see all the darkness and hatred which envelops them. I call them to repent and come back to My sheepfold before it is too late. This is a serious moment. Mankind is threatened by terrible punishments which it has provoked.

I implore My Apostle of the last days to make “Small Hosts” for atonement. The holy hour must be prayed. Rosaries, meditation, Adoration in the Most Holy Sacrament of My Love. I want all this to appease the wrath of My Eternal Father. The world grows worse and worse. Everyday should be lived as the last day. The word of My Eternal Father and the Church must be respected.

In this grave hour My heart bleeds with pain. Too many blasphemies and I am apostated. Woe to those who do not listen to My suffering call! Repent, Repent! It is so horrible to fall into the hands of My Eternal Father. What more could I have suffered for the salvation of mankind.

I bless you.

## DIVINE APPEAL 280

8th July 2010

*In a few minutes I will destroy this earth of mire, insults, hideous blasphemy, scandal, infamy, infanticide and sacrilege. How much evil. I will soon destroy everything if the world is not converted.*

**M**y daughter, watch with Me, these are dark hours. Pray and do penance. Like a beggar I lower Myself to this level to beg for souls. Do not be afraid. It is I who is making use of you. The Red Lucifer torments you, he is very aggressive because he is very aware his time is short. In this situation be calm and strong. I give special Grace to My Apostle of the last days to guide you in your enterprise.

I implore you to make acts of Reparation. In the Sacrament of My Love keep Me company. I remain in the prison of My Tabernacle day and night for love of souls. With great pain I pour My tears of blood over mankind. Offer your daily sufferings to My Eternal Father so that it may serve for the salvation of souls. So many are on the brink of the pit. My Eternal Father's anger is overflowing. I have seen him with a club in hand and looking very severe glance at the earth and repeat these words:

“In a few minutes I will destroy this earth of mire, insults, hideous blasphemy, scandal, infamy, infanticide and sacrilege. How much evil. I will soon destroy everything if the world is not converted.”

My daughter, pray a great deal and do penance. I speak with you amid tears of blood. Sacrifice and atone.

My Apostle of the last days should make others pray and atone. He should make “Small Hosts” pray for atonement. In this way My Eternal Father's anger will be appeased. Pray a great deal in the

first line for the souls I have entrusted souls. What great pain to Me. The Red Lucifer has imprisoned the souls that live in immorality, the fashion and the Church. Their eyes are covered with mire. My celestial Mother shed tears of blood with terrible pain.

The souls I Love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. They do not think that they cause Me so much pain. My gaze does not penetrate them. They do not want to humble themselves again and repent, to beg forgiveness for the blood which I have shed on the Cross. I want to cleanse them from their sins. My heart cries to forgive. If they continue to live in corruption with no repenting, then there will be no Mercy, but rather tears in all the nations, mourning, earthquakes, punishment, floods, sickness of all kinds!

These poor people are blind and deaf to My Merciful calling! The air is contaminated and everything is full of sin.

My Divine Mercy is followed by My Divine Justice. I implore My Apostle of the last days to make “Small Hosts” to atone for the crimes which are committed every day, divorces and family scandals, due to the fact there is no prayer in families.

Ordain a daily hour of Adoration to be celebrated for the appeasement of the wrath of My Eternal Father and for the consolation of my bleeding heart pierced by all kinds of insults and blasphemies. Drugged and dishonest young girls on the streets like animals with no shame at all! Youth in perdition!

What a pain. Very soon I am going to put the whole world in its own casket.

I bless you.

*The scandals have offended Me so much that I am in great pain, drenched with blood. I walk through this multitude of souls.*

**M**y daughter, pray, pray, pray, watch with Me in the Sacrament of My Love. I want you to offer everything to Me. I speak to you amid tears of blood. I implore you to allow Me complete freedom. Abandon yourself in My Will. I want to erect an altar in your heart on which the fire of My Love would burn continuously. I want it to be pure and untouched by anything that could stain it. Whenever you call Me, I will be very near you in order to fill you with My Love. Whenever you hear offenses and infamy against you, offer them to My Eternal Father for the purity of the souls I entrusted souls. By means also for those consecrated souls! I am very hurt. Countless number of souls are on the brink of the pit. What more could I have suffered for the salvation of mankind.

The souls struggle with the Red Lucifer who imprisons them. He insinuates to them: do not believe. They do not renounce their pleasures, their immoral passion! Drugged and Godless, they use violence like beasts, thieves, mysterious murders of those who are kidnapped, blood flowing in all directions, magistrates accused of dishonesty, poor souls! One after another, their eyes blindfolded, they approach the highest of precipices!

My daughter, participate daily in the Holy Sacrifice of Mass; together with Holy communion atone and do reparation and penance, pray the Holy Rosary and the Stations of the Cross daily. Many swords will wound your heart. They offend you because of My Love. You will be rejected and mortified, but do not be afraid! I want complete

obedience from you. You must listen and heed all the direction and guidance from My Apostle of the last days. I have given him grace to lead you along. You must listen to him with humility and patience.

I implore My Apostle of the last days to make “Small Hosts” to atone for the crimes which are committed daily. I am with him and I will guide him. I have chosen him to exalt him and to take him to all parts of the world. He listens to Me and I guide him to spread the word for the sake of this great work of redemption, I will send him those who will offer donations to enable him carry it out. He must echo out to the Church. This is a serious moment and mankind is threatened by terrible punishment which it has provoked.

I lead My Apostle to follow Me along the painful way to Calvary where I shed blood. He may adore it and offer it to My Eternal Father so that it may serve for the salvation of souls. My Eternal Father’s anger is overflowing. The Spirits are plunging deeper in darkness. Evil is triumphing and everyone is withdrawing into his own shell, altogether barren of an unfaltering word.

The scandals have offended Me so much that I am in great pain, drenched with blood. I walk through this multitude of souls. The world advances towards the precipice from one day to the next.

My Divine Mercy is followed by My Divine Justice.

I bless you.

**22nd July 2010**

**3.15 a.m.**

*The one thing which can still save the world is prayers, penance and reparation.*

**M**y daughter, pray and watch with Me in the Sacrament of My Love.

Listen to Me very attentively. I have a very important message to give you. You must do what I tell you to do. The one thing which can still save the world is prayers, penance and reparation. I pour My tears of blood over mankind. The world is full of terror, the streets are streaming with blood. The Red Lucifer has taken possession of souls and the sinful mankind does not want to repent.

My Apostle of the last days should proclaim My message to parts of the world in the first line the souls I entrusted souls. It is time to pray and do penance. I give him My grace to reach their consciences!

I am warning mankind the Churches will be destroyed. The souls of goodwill who serve, love and speak My Truth will be imprisoned and cruelly murdered. I am above this earth, for Love of mankind I give many signs. My heart is overflowing with blood, and I can no longer hold back My Eternal Father's arm, his anger is overflowing. The Chalice is filled! Mankind only sees pleasure and evil ways. Good people are scarce.

My daughter, I command you to feel what I tell you. I covered you. I give you light so that you might see what I show you. Do not be afraid. Pray pray, pray, and do penance and reparation. Do not confess only for yourself, you must cloister souls in your heart. Bring me souls, I thirst.

These are grave moments. The world is growing from bad to worse; paganism is triumphing, the Red Lucifer is making every effort to abolish the Holy Sacrifice of the Mass, the souls I entrusted souls offend My Eternal Father with their licentious habits. My Divine Justice, they have forgotten. My Divine Mercy still grants them a little time to make amends and meditate. Penance and prayer! Set to work immediately because tomorrow might be too late, because of the grave proportions which iniquity has taken!

I implore My Apostle of the last days to pray with My Mother and never tire. I am with him. I have chosen him as an instrument of My hands for peace to console Me and glorify Me. His heart will always be filled and pierced by so many sufferings of the world. My Eternal Father wants him to hurry in making and erecting the “Small Hosts”, it is a dangerous hour.

The Divine Justice is such a difficult enterprise.

In the Sacrament of My Love, inside the prison of My Tabernacle, I am continuously receiving thorns. I am passing through the milling crowds with bowed head, because of the many sacrileges which are committed. My daughter, I want your complete abandon. This is My command. Be obedient. You have to heed all My guidance from My Apostle. I give him words to lead you. It is I who want it this way. My command serves to save mankind. Be always prepared for the sacrifices which I expect from you. You must pray and atone. This is the apocalyptical hour. It is very urgent. If they do not return to Me, they will only know desolation. The flock is about to be dispersed!

Many signs never seen before will occur in the world as a warning to mankind to tell them that the measure is filled. There will come a fearful moment when I will speak with My Judges voice. I implore My Apostle to echo this out.

My Eternal Father will not be mocked forever.

I bless you.
