## NOTE TO THE READER

For several years, and particularly in recent years, many private revelations have been reported in various countries of Africa. We have heard about the apparitions of Jesus or of the Blessed Virgin Mary, but none of these apparitions and revelations have been researched into and brought to the notice of the wider public. I have been wondering why this is so.

For the past five years, I have been studying most of these apparitions (Otukpor, Enugu, Kibeho in Rwanda and Cairo). I found most of them enlightening. I have, therefore, after the most careful consideration, undertaken to edit and send for publication the revelations made to a 25-year-old Kenyan girl, now a professed Sister. The following points ought to be carefully noted:

1. I am aware that some people might shudder at these revelations, and might be saying to themselves, “How can this come from an African girl?” However, I do not think the question need arise, for in listening to the testimonies of people about their various experiences of God, what matters is what is said and not who said it.
2. It is important also to reflect on the fact that Anna Ali is a girl of limited education (she reached Form 4 in a secondary school). Her studies were interrupted by ill health. When she was eventually healed, she travelled to Rome with the sole purpose of giving her life to God within a religious congregation.
3. While at school, Anna had always wanted to be a religious but did not confide her desire to anyone as she thought that a sick person could not be a religious. As she said, “You cannot be a sick girl and go into the convent.”
4. If there is serious doubt about Anna Ali’s claims to have seen Jesus, the messages she has received from him containing such theological insights that surpass her level of education make her claims plausible. I do not wish to comment on the Messages. I leave that to the reader.

5. It should be noted that this is a private revelation. It is the Holy Catholic Church who has the final say on Anna Ali's claims. However, by editing it for publication, I am simply presenting what I consider to be a re-affirmation of the truth which should demand the attention of persons interested in the issues regarding the Holy Eucharist; the whole focus is on the renewal of the traditional Eucharistic devotion.
6. When the Lord complains about His consecrated souls, He is talking about some and not all the consecrated souls and ministers of the Word and the Sacraments. This can be asserted without any doubt, for it is unthinkable that every consecrated soul or minister in the church is guilty of sacrilege or is immoral. This becomes clearer in the Lord's statement, "The good ones do not understand Me as I am" (Divine Appeal 55, 15th December 1987).
7. On the whole, the indictments and appeals by the Lord are meant to call us to conversion; a person of wisdom does not argue a clarion call to conversion. The Lord said to Sr. Anna, "My word is a command. It serves to save humanity" (Divine Appeal 12, 5th October 1987).
8. Messages which express regret on the moral condition of the church of our times have been omitted as it is felt that they are not directly relevant to the central theme of the book, namely, Eucharistic devotion.
9. Messages calling on the Catholic Church to return to Eucharistic devotion and "drugged" humanity to metanoia are highlighted.
10. Traditionalists would certainly rejoice to read here the Lord's Appeal to a return to Eucharistic devotion (see also Code of Canon Law 934-944).

# **1. INTRODUCTION**

All of this ‘Section 1:Introduction’ is the edited version of the text written by Reverend Jude Mbukanma, O.P.

## **1.1 An Interview with Sister Anna Hadija Ali 9th September 1991**

AA = Anna Ali

JM = (Reverend) Jude Mbukanma O.P.

Sr. Anna made her first religious profession in the Pious Union of Jesus the Good Shepherd in the Chapel of Visitation Sisters of Mother Claudio Russo on 7th September 1991 Rome. The Founder of this Pious Union received the vows. Sr. Anna Ali is one of the first sisters to be received into the Union.

On 9th September 1991, I had an interview with Sr. Anna on her experiences with the Lord. What I have written here was all that she could discuss with me. In talking to her I was guided by the statement of the Bible:

“It’s a good idea to keep a King’s secret, but what God does should be told everywhere so that he may be praised and honoured” (Tobit 12:7).

*JM: I would like to record some information about your life and experiences.*

*AA: Perhaps this is the right time after my religious profession as I am now a Sister. (Anna always called her religious profession the “secret” or the “dream” of her life).*

*JM: When and where were you born and who were your parents?*

*AA: Date of Birth: 29th December 1966 Place: Kipkelion in Kericho District Country: Kenya*

*JM: In Africa most parents give their children names at birth and choose a saint’s name for such children at baptism. Is this the case with you?*

*AA: Yes. I had my Muslim and then baptismal name. I was named Hadija (I am known as Hadija at home); at baptism I took*

Anna. Father's Name: Ali Abdulrahmani Mother's Name: Priscah Nyambura

*JM: How many brothers and sisters do you have?*

AA: Two brothers – Emmanuel Abdul Ali [a Muslim now converted to the Catholic faith] and Anthony Njoro Amisi [Catholic]; and two sisters – Caroline Asha and Mariamu Wairimu [Catholic]. I am the first born.

*JM: When were you baptised and when did you first receive Holy Communion?*

AA: I was baptised on 15th April 1979 at Kipkelion Catholic Church and received First Holy Communion at the Easter Vigil in 1979. I was baptised by Abbot Bernard Kaboggoza, a Ugandan Trappist.

*JM: What was your experience on that occasion?*

AA: I felt inner joy and peace in a way I cannot explain.

*JM: By whom and where were you confirmed?*

AA: I was confirmed by Bishop Raphael Ndingi at Kipkelion Parish. My confirmation name is Scholastica.

*JM: What school did you attend and what qualifications did you obtain?*

AA: I attended Kipkelion Primary School and Koru Girls Secondary School (run by the Sisters of Mercy). I studied until Form 4 and obtained a Form 4 Certificate.

*JM: What kind of work did you originally want to do?*

AA: I wanted to be a catechist and pastoral worker in our parish.

*JM: Did you ever think of becoming a religious sister?*

AA: Yes, I had the urge to become a Reverend Sister. It was the 'dream' and 'secret' of my life. But I realised that I could not be a Reverend Sister if I was ill. So I needed healing.

*JM: When did you first think about God in your life?*

AA: I was brought up as a Muslim child. My father was a devout Muslim but he left my mother to practice her Catholic faith.

JM: *When did you first come to know Jesus?*

AA: After my first Holy Communion. I cannot describe my feelings then.

JM: *Had you any childhood experiences of Jesus?*

AA: None.

JM: *Is it true that you had visions of Hosts?*

AA: Yes. I saw them on various occasions in our small bedroom at Porta Angelica, Roma. I saw the Host in the air close to the wall. This was in May 1987.

JM: *How many times did you see them and what did you do when you saw them?*

AA: As I said before, I saw them on several occasions. Then I reported the matter to my Father-Founder. It was suggested that I take photographs. I did and when they were printed they came out real. (The Kodak camera with which she took the photographs of the Sacred Hosts was the very camera Sr. Anna used to take the photograph of the Adorable Jesus).

JM: *Was anyone present when the Hosts appeared? And at what time did they appear?*

AA: Sr. Regina Mwamba was there most of the times but I do not know if she saw them. As for the time the Hosts appeared I saw them during the day.

JM: *Is it true that you saw Our Lord Jesus?*

AA: Yes.

JM: *Where and when?*

AA: In the same apartment at Porta Angelica Rome. I saw Him in early August 1987. He came around 2.30a.m. - 3.00 a.m. He came another time (Corpus Christi Thursday 1988) in tears of blood. (Sr. Anna Ali sheds tears of blood. This became

a regular phenomenon from the solemn feast of Corpus Christi 1988.)

*JM: How would you describe His Presence?*

AA: He came with His own light. He was enveloped in light, which was of the same hue of the sky when it is deeply blue. His presence illuminated the whole room. He wore a red tunic (the colour of blood) with wide sleeves. He has shining dark hair.

*JM: What did He say when you saw Him?*

AA: He gave me a message and on His instruction I started writing down the messages.

*JM: Do you still remember the day He appeared and when you first started writing down the messages?*

AA: The first message was written on 8th September 1987. But He came first early August 1987 and then on Corpus Christi 1988 (Sr. Anna Ali shed tears of blood. This became a regular phenomenon since the solemn Feast of Corpus Christi 1988. A comment on this phenomenon of tears of blood has been made in this book) –the two occasions I took His picture. He always came at night.

*JM: What was His mood when He spoke to you?*

AA: He talked to me in a pitiable tone and still does each time He appears. He talks as if He is a beggar.

*JM: You took pictures of Jesus. How did you come to do this stupendous thing?*

AA: When I reported to my Father-Founder that I was seeing the Lord every night he asked me to do a sketch. I cannot sketch. So I prayed and my Father-Founder got the idea that I should use my camera. When Our Lord came again that night I took my camera and took His picture. This was early August 1987. He also appeared to me on Corpus Christi 1988. On this night He was weeping tears of blood. All these appearances took place in the parlour of the apartment

(The Portrait of Jesus in tears of blood was one of the results of the early attempts of Sr. Anna to take the photograph of Jesus) at Porta Angelica and in my room in the apartment.

*JM: Was anyone in the parlour with you?*

*AA: No one. Some of my fellow postulants were in California doing a short course on evangelisation during the first appearance in August 1987. Also there was no one there the second time (Corpus Christi 1988) when I took His photograph.*

*JM: At what time of the night did He appear?*

*AA: He came around 2.00 a.m. – 3.00 a.m.*

*JM: Does He still come and at what time?*

*AA: He comes between 2.00 a.m. – 3.30 a.m. (between midnight of Wednesdays and early hours of Thursdays).*

*JM: Has He ever come during the day?*

*AA: No*

*JM: With whom does He come?*

*AA: He comes alone.*

*JM: In appearance does Jesus look like any other human being?*

*AA: He is a human being but He is different. You look miserable before His holiness. When I saw a Jewish person one day it reminded me of Him. He is of average height. You cannot describe Him. In His presence you cannot speak – you are lost.*

*JM: When Jesus comes to you does He appear sad, gentle, serious, happy?*

*AA: When He is giving a message His voice is pitiable; so He is sad but it is a sadness of love. On one occasion He came in tears of blood.*

*JM: Why was He weeping?*

*AA: He was in great pain because of the way those to whom He*

entrusted souls are treating Him. Some of them abuse Him in the Holy Eucharist and want to destroy Him there. They want to abolish the sacrifice of the Holy Mass. He is also unhappy about the spiritual life of souls consecrated to Him and those whose salvation is in danger and also for many souls for whom His blood is in vain.

*JM: When you first saw Jesus how did you feel?*

*AA: I cannot explain. It was if I was in a slumber.*

*JM: Were you full of fear or joy after Jesus had left you?*

*AA: I kept on thinking about Him. I was not sad or joyful. I was thinking.*

*JM: Does Jesus still come to you and which days does He come?*

*AA: He still comes. He comes on Thursdays at night.*

*JM: What does He say each time?*

*AA: He often asks me to pray for those to whom He has entrusted souls (priests). When I go into prayer I use many prayers but I cannot remember them when I am not yet in prayer (One such prayer is to be found here).*

*JM: How long does Jesus stay with you when He comes?*

*AA: I cannot tell. When He comes I get caught up by His Holiness and when He leaves it takes me time to come back to myself. I cannot explain further.*

*JM: Thank you for sparing the time.*

*AA: Thank you Father*

According to Sr. Anna, in view of our Lord's apparition in tears of blood on the feast of Corpus Christi 1988 and subsequent apparitions on Thursdays, the feast of Corpus Christi and Holy Thursday (the Institute of the Priesthood and Holy Eucharist) have become significant in her life. She hopes her young Congregation will adopt these feasts as significant in the Congregation.

## 1.2 A Comment on Anna's Childhood Illness

She became ill at the age of 9 and got healed through prayer in 1983. These childhood afflictions were preparations for her mission of being a victim of reparation. The paradox of God allowing a child to go through afflictions in preparation for her specific mission in life is resolved when viewed from the revelations made to St. Gertrude who herself was also a Eucharistic soul. According to St. Gertrude, the trials of persons with a special mission in life take over occasions of fall (page 200). It is not without reason then that Sr. Anna Ali was afflicted from childhood. It is difficult to say and believe that afflictions can be a divine way of ensuring that a chosen instrument remains in the divine plan. But that is what happens sometimes.

While Sr. Anna's finger and toes no longer bled, her right hand became weak (almost paralysed) in late 1990 to such an extent that she was unable to take down messages which Jesus dictated. The problem was further worsened when she was in Perugia from July to August 1991 to study an Italian language course together with her religious sisters. At the place where they were accommodated, she fell down and dislocated her right elbow. At the time of this interview (9th September 1991) she was still suffering from this injury which she sustained from the fall. Chosen souls and in fact all friends of God will remain targets of the "Red Lucifer" (Rev 13:17).

What is Sr. Anna's specific mission? As far as we can ascertain, each recognised visionary within the Catholic Church has a particular message for his/her particular time. The answer to this question comes from the Divine Master Himself.

We read in Divine Appeal 73, 20th January 1988, of Sr. Anna's vocation: *"This work has to be a movement of continuous prayer for reparation and conversion of souls. Do not be afraid. Pray a great deal and cloister souls in your heart. In each face see My countenance as you must live in deep humility for love of souls. Do the will of My Eternal Father and completely surrender yourself. I enlighten you. Calm down in everything. This is what I want of you."*

And in Divine Appeal 92 dated 22nd February 1988: "I use you to show that I love every littleness and absolute nothingness."

I am hardly surprised that Sr. Anna's trance is disturbingly prolonged. Those who live with her know that she is a victim soul. The Lord told her on 16th April 1987 at the beginning of the apparitions:

*“Be a servant of love. Don't hide my glory. Pray for the scandals in the world. Glorify My Name every day. Don't be afraid to say My Name. The Devil will come to trouble you. I want your life to be a prayer for the Church and poor sinners for the many who are suffering as I was suffering.”*(Recorded by Sr. Regina Mwamba while Sr. Anna was speaking in a trance).

Today Sr. Anna lives according to this exhortation. She goes into prayer at 10.00 p.m. every night praying until dawn (a period of about 7 hours) and then goes to morning Mass. She remains strong and robust and never shows any signs of fatigue.

Her one concern is the holiness of priests and the reverence and adoration of the Holy Eucharist.

### **1.3 Why Did Jesus Allow Himself to be Photographed?**

The answer is given by the Lord Himself:

- i. *“Listen to Me. I am above this earth. I allow Myself to be seen after many warnings.”* (12.15 am, 3rd April 1988)
- ii. *“I make Myself visible in order to bring back souls.”* (10th April 1988)
- iii. *“I love mankind and I make Myself visible in order to give My warnings of mercy<sup>i</sup> .”* (12th April 1988)
- iv. *“Many do not listen to Me because they do not believe in My reality.”* (23rd April 1988)

I find the four reasons to be of theological importance. Jesus wants to evoke faith in His person for many do not believe in a historical Jesus of Nazareth. They have no faith! In His caring love Jesus permitted himself to be photographed.

---

<sup>i</sup> Note the distinction between “Warnings of Mercy” and “Warnings of Justice’ in all of the messages.

The hidden God who once came in the flesh (Jm. 1:14; Gal. 4:4) and walked on the streets of Palestine has now begun to make Himself visible once again so that those who doubt His reality will no longer doubt but believe that He is the Living One (Rev. 1:18). He cares. He loves and saves. Countless times He said to Sr. Anna, “I do not want anyone to perish.”

Having listened to Sr. Anna Ali’s stories I will now examine a phenomenon associated with her life and that is the phenomenon of effusion of tears of blood.

#### **1.4 Sr. Anna’s Effusion of Tears of Blood**

Sr. Anna starts her night vigil of prayers at 10.00 pm every day. From midnight of Wednesday and the whole Thursday she shed tears of blood. This phenomenon of effusion of tears started on the Feast of Corpus Christi 1988 after she had seen an apparition of Jesus in tears of blood. Our Lord said to Sr. Anna, “My daughter, speak when you are amid tears. Pray and make others pray, sacrifice, atone. In this way God’s anger will be appeased.”

In his examination of the cause of “Tears of Blood and Bloody Sweat”, Jordan Auman O.P. states that the effusion of blood from the pores of the skin especially on the face and forehead or a bloody effusion from the eyes after the manner of tears may have a medical explanation. In medical terms bloody sweat is called hematidros<sup>ii</sup>. But according to Dr. Gino, this phenomenon is different from that of “tears of blood.”

There are all sorts of theories as to the cause of this bloody sweat. However, Fr. Auman (Auman 1980) believes that it must be admitted that the bloody sweat can be caused by natural or supernatural powers. Fr. Auman does not ascribe, in general, either natural or supernatural causes to the phenomenon of bloody sweat. His cautious position is proper. A good judgement can only be made after a thorough study of each case. The phenomenon could also have a diabolical origin. What can the devil not do to the human body! One should be aware

---

ii Hematidros, blood from the pores of the skin, is different from “bloody tears”. Dr. Gino De Blasi describes the blood from the eyes as “the haemorrhage from eyes” See his testimony in this book.

of this as one examines the issue of tears of blood.

Most thinkers, I imagine, may argue that such a phenomenon in some ways seems closely connected with other states of mind; in other words, it may have a dubious psychological and physiological origin.

In the book *Religion and Medicine: The Moral Control of Nervous Disorder* (Worcester et al. 1908), it is stated that mystical phenomenon of the sort are simply due to auto-suggestion. By auto-suggestion here is meant “a ‘hint’ offered by the self to the self”. Out of this arises a mental state of heightened suggestibility. Thus by this view, the transcendental visions of Swedenbourg, “his angels and demons, heavens and hells” are but elaborate and profound auto-suggestions.

According to Dr. Samuel McComb (Worcester et al. 1908), the stigmatization of St. Francis of Assisi, St. Catherine of Sienna and Louise Lateau are clearly cases resulting from self-suggestion; a phenomenon inexplicable to psysiology.

Dr. McComb’s explanation of the cause of mystical phenomena was fashionable in his time. Sigmund Freud at this time too brought psycho-analysis into his analysis of religion. Incidentally there are psycho-analysts who still hold the views of Dr. McComb today but their theory apart from being dogmatic is fallacious for they pick a few cases wherein mental states affect bodily states to propound the theory that mystical phenomena are results of self-suggestion.

In his book ‘Uses and Abuses of Psychology’, H.J. Eysenck (1955, pp.236-237) has similarly pointed out that Freud was guilty of over-generalization in his psycho-analysis for “he thought to have divined universal truth from an extremely unrepresentative sample of human beings... Malinowsky has shown with a wealth of detailed illustrations that Freudian theories are very strongly culture-bound and have to undergo considerable modification if they are to be applied in any way to other groups and before findings are extended beyond the group on which they were originally established there must be acceptable proof that such extension is warranted.”

Dr. McComb’s theory must be at least false in many cases of religious

experience for it cannot, for example, explain how the mysterious figure Sr. Anna saw several times in the night was able to transmit into the memory of this young girl of limited education the content of this book.

According to Sr. Anna, “the Lord simply dictates the messages to me and then walks away leaving me to write down what I heard from Him.” Swedenborg’s visions of eternal dimensions might have been due to auto-suggestion but Sr. Anna’s visions of the Blessed Hosts and Jesus and the photographs which are evidences of these apparitions render the theory of auto-suggestion if not wholly false at least antiquated and incapable of explaining varieties of religious experience.

Sr. Anna sheds tears of blood from the midnight of every Wednesday and during the whole of Thursday. Psychologically one might be quick to conclude that the effect of her visions of Jesus in bloody tears was so profound in her imaginative faculty that it is now the cause of her own effusion of tears of blood – a psychological theory of suggestibility can easily be evoked here to dismiss a genuine cause of Sr. Anna’s case.

But the regularity with which her tears of blood have occurred every midnight on Wednesday to the end of Thursday for the past four years puts a question mark on the theory of suggestion.

Here we must ask a psychological question (thanks to Padre Pio’s humour about his stigmata): If a person looks at the horn of a bull and is overly emotional and taken aghast that a living animal would carry what seems like woods on its head, would the resultant psychological state produce bull horns on the man’s head? Why would suggestibility not work in this respect? Why can’t a person grow horns on his head by the sheer process of strong imagination?

We can imagine a woman depressed on account of the death of her dear son but it is not possible that the woman will be sad every week at the exact time the child died and for the same duration of time she was first sad. It is this weekly character of Sr. Anna’s effusion of blood of tears for some years now that removes the phenomenon from the sphere of psychology. Furthermore it is not possible for a

person to lose that quantity of blood every week and still remain healthy. This can only happen by a special arrangement of Divine Providence.

When I asked Dr. Gino De Blasi, the medical doctor of Sr. Anna, to give me a report on Sr. Anna's effusion of bloody tears he decided instead to write a testimony of another phenomenon which he and many other persons have observed in Sr. Anna's room particularly between Wednesdays to Thursdays. This phenomenon is that of "a very intense fragrance, very fresh". The sweet perfume often pervades her room and the apartment where she lives. Before I make a summary of the messages, here is Dr. Gino De Blasi's testimony in his own writing.

### **1.5 Summary of the Messages**

- i. That we should realise the infinite treasure in the Eucharist. What is this treasure? It is that Jesus who is inexpressibly in love with us is truly and really present in the Eucharistic Bread and Wine, "In My Eucharist I am ever there in the tabernacle waiting with boundless love" (Divine Appeal 108).
- ii. That the Ministers of this Sacrament of Love should have faith in and reverence for it. The Lord feels badly disturbed that this is not the case with some of His ministers.
- iii. Reward awaits those who visit the Blessed Eucharist reposed in the churches, "As I am exposed I will pour the treasures of my Infinite Mercy into human souls" (Divine Appeal 184).
- iv. That consecrated souls should no longer offend the Lord (He is terribly hurt by them). They should be humble and repent their sin, "Both hatred and emptiness have fettered them to evil. They do not think that they cause me so much pain" (Divine Appeal 29).
- v. Freemasons and their apostate priest-collaborators who are committing the sins of sacrilege against the Eucharist should repent now. This applies to all those who steal the Eucharist for diabolic purposes i.e. for black masses, "Just like Judas

- they sell me...” (Divine Appeal 24). “Whoever frees his mind from mundane affairs and returns to My heart will have My forgiveness” (Divine Appeal 19).
- vi. “So many from their childhood years are heading to perdition through the fault of their parents who no longer want to hear about the Eternal Father’s existence” (Divine Appeal 45).
  - vii. There is a warning: time will reap what it sows – the Lord’s “Divine Mercy” will be followed by “Divine Justice.” The entire New Testament echoes this hard truth.
  - viii. The Eucharist (“the Sacrament of My Love”) remains the human person’s infinite treasure. It should not be toyed with. For the sins against the Eucharist “I want souls to calm the wrath of my Eternal Father. Like a beggar I ask for prayers and atonement” (Divine Appeal 102). “I suffer the pain of seeing souls falling into perdition each and every minute” (Divine Appeal 103).
  - ix. “Satan has darkened the spirits which had already been turbid. Evil turns against itself like a horrible serpentine monster that unconsciously coils around souls. What a pain my warnings are not heeded!” (Divine Appeal 105) “This perverse world is like a persecuting dragon” (Divine Appeal 108). “Everyone prepare yourselves, both good and bad, adults and children, priests and nuns, all humanity. I love them and grant them time” (Divine Appeal 34).
  - x. “I do not want anyone to perish in eternal fire” (Divine Appeal 18). “I wait for them. My mercy is immense. If they accept, their repentance is sufficient. I ask for faith, intimacy and confidence (Divine Appeal 1).

## **1.6 The Substance of the Entire Revelations**

The following constitute the substance of the entire revelations:

The Sovereign Lord said to Sr. Anna, “In the Sacrament of My Love I am profaned, denied, and so much blasphemed” (Divine Appeal 150). Jesus now calls for atonement. He calls for Masses of restitution, an organised chain of prayers and exposition of the

Blessed Sacrament. Repeatedly He said to Sr. Anna, “As I am exposed I will pour the treasures of My infinite mercy into human souls” (Divine Appeal 184).

1. “I am very present in every consecrated Host. By replication of my presence in each particle all over the world, I dwell and abide sacramentally. This is the very and universal presence of My Divine Love. To the souls consecrated to Me, I am a stranger. Many come before my Tabernacle, while in front of Me and I looking at and loving them, they turn their mind and attention. Many possess the devil willingly within them. They come before My mystery, receive Me, then cast Me at the feet of the devil to whom they have consecrated themselves. As I am exposed I will pour the treasures of My infinite mercy into human souls. I give My blessing.” (14th July 1988 - Divine Appeal 184)
2. “In the Sacrament of My Love, I represent Myself completely in the form of a banquet. In each particle of the Blessed Host, I am very present just as I am at the right hand of the Eternal Father. I leave Myself in this mystery in order to give souls a good and blessed chance to practice true faith; so that souls may know my mysteries, so stupendous! It is my great love for mankind that keeps Me in this form and exposed to all the humiliations. As I am exposed I will pour the treasures of My infinite Mercy into human souls.” (26th July 1988 - Divine Appeal 189).
3. “Write down what I tell you” (13th April 1988 - Divine Appeal 119). In Divine Appeal 143 of 11th May 1988 they are called “words of Mercy towards mankind.”
4. “My Words..... will be printed and read and I will grant special graces that through them souls may be transformed” (7th February 1988 - Divine Appeal 79).
5. “Listen to Me, My daughter, do not be afraid of writing My words. I, Myself, dictate to you. You cannot put anything down by yourself” (19th June 1988 - Divine Appeal 168).

## 1.7 Concluding Remarks

A paraphrase of each day's messages with theological commentaries would have been one way to avoid the boredom which one is likely to experience in reading through the text. Admittedly the repetition of the core messages is boring to read but it underlines the importance of what is revealed. The Lord said to Sr. Anna, "My heart is broken." One way to console Him is to read and listen to what He has to say in the messages. The entire messages are hereby presented as given to me. I have only added punctuation marks where necessary in order to make the reading comprehensible.

The reader will observe that unlike the revelations made to St. Gertrude or St. Catherine of Siena in which one finds them asking the Lord some searching questions, what we have here is not a dialogue but dictation to Sr. Anna. For this reason one does not see Sr. Anna's questions/remarks in the entire text. She was only told, "My daughter, ... do not hide what I tell you" (11th October 1987 - Divine Appeal 18); "...make My Word echo throughout the whole world" (22nd November 1987 - Divine Appeal 40). And again, "my words will be printed and read and I will grant special graces" (7th February 1988 - Divine Appeal 79).

The whole message has an apocalyptic undertone in the Pauline sense of the word: "The Lord is coming soon" (Phil 4:5). Divine Appeal 29th October 1987 observes "this is the apocalyptic hour." Whether the text should be read in this light or not depends on what one thinks about "the end" (1 Cor. 15:23-24).

Although the revelations contained in this book were made in a European milieu where most Catholic churches are in use only on Sundays, there is no reason however to suggest that the Lord's complaints and appeals are made only to Catholic churches in the continent of Europe. There are, for example, many Catholic churches in Africa and America that are open for prayers only on Sundays. It is this kind of situation that the Lord complains about: "I am so lonely in so many empty churches". Jesus in the Tabernacle wants to be visited and adored (Divine Appeal of 15th and 25th December 1987; 23rd January 1988; 1st July 1988 - Divine Appeals 55, 57, 75, 174).

Sr. Anna's visions followed a sequence:

First she had a series of visions of Blessed Hosts at Porta Angelica, Rome. On each occasion a miraculous Host appeared suspended in the air parallel to a wall of the room.

The second apparition of Jesus remains the most remarkable for its unique and stupendous nature.

The visions of the miraculous Hosts were followed a year after by the appearance of Christ in tears of blood.

A detailed account of these pictures will be given in a subsequent publication.

Throughout the messages the Lord talks about His "broken Heart" and attributes the cause of His tears of blood to sacrilegious communions – irreverent handling of the Holy Eucharist practiced all over the world. The early Christians were warned about the consequences of this abuse of the sacred Eucharist (1 Cor. 11:28-32; St. Catherine of Sienna Dialogue).

For the purpose of easy reading, each message is numbered beginning with Divine Appeal 1. Crucial statements are highlighted in the messages but the reader is encouraged to read and reflect on the various issues raised by the Lord.

I thank Sr. Elizabeth Wangui, Mrs. Susan Bancheti and Miss Melanius Collaco for typing the manuscripts.

## DIVINE APPEAL 1

*“I am Jesus Crucified... Humanity, like Judas, betrays Me and drags souls down to perdition to chase blindly after sinful loves: money. Satan has darkened the spirits which had already been turned against themselves.”*

**T**his time I was not asleep and I was not praying. I just had my eyes closed in the dark. I heard a pitiful voice near my ear saying: “Be attentive to what I am telling you.” I opened my eyes and from outside I saw a ray of light. Through it, I saw the Lord kneeling on the right side of my bed.

“My daughter, I am so crucified and abused, blasphemed and denied as I continue to love, serve and heal My poor ones. Under this immense suffering I wish to speak to you and explain something to you. I have waited for you so that you could share this anguish with Me.”

“The time has ripened in so many years of sufferings. I have given Myself to your heart. Offer Me everything continuously, living with Me in the same Host! You must live like a tabernacle at My disposition and that of humanity in reparation for sins. This is My command to you. You cannot reject them: learning from my servant you must be able to approach My poor ones even though this will cost you anguish and tears. See every person in My afflicted countenance. Assure everyone that I love them and forgive them. I am ‘Jesus Crucified’.

“I wait for them. My mercy is immense. If they accept, their repentance is sufficient. I ask for faith, intimacy and confidence. Cloister everyone in My Heart! I want you to be universal. You know what I want: take time for the exposition of My Divine Body, do penance and receive Me in atonement. My daughter, humanity does not want to listen to Me. The devil has taken possession of their souls instilling in them that My Eternal Father does not exist.”

“I no longer ask for anything but rather I will take everything with all the force of My Eternal Father. The... do not change their lives and become humble and charitable, detached from the vanity of the world, will perish in My Divine judgement. They do not believe in My afflicted appeal. I pour tears and blood over humanity. Like a beggar I ask for meditation and consolation on the evil which is being provoked in the presence of God My Eternal Father.”

“All the regions of Italy have the communist<sup>1</sup> seal. My Mother has given continuous messages. These are not now simple words but rather an afflicted and painful appeal to all mankind. Humanity, like Judas, betrays Me and drags souls down to perdition to chase blindly after sinful loves: money. Satan has darkened the spirits which had already been turned against themselves. Evil turns like a horrible serpentine monster that unconsciously coils around souls.”

“My daughter, the time is grave. My warnings are not heeded. This is a terrible anguish! If people repent and pray the wrath of My Eternal Father will be appeased.”

“Take time before My Love in My Sacrament. Be pleased and atone for the crimes before Me as I love and wait day and night in My tabernacle waiting to embrace all. Pray and do penance. My daughter, allow Me to use you. Surrender yourself without thinking what will happen to you. Tell mankind to abandon evil ways. Devote yourself to prayer, meditate in the silence of recollection and listen to the voice of My mercy and love. I want to save you. Listen to My afflicted weeping. This is satan’s hour! With a small number of the chosen children I will build My kingdom.”

“The devil has imprisoned souls... I have seen My Eternal Father looking severely at the earth and saying these words: “In a few minutes I will destroy this earth of mire, blasphemy, scandal, sacrilege and insults. I will destroy everything if the world is not converted.”

“Deny yourself and make yourself strong to be a servant of My Love. Live as I want you to and do not fear. My loved ones suffer a lot. I have offered you a good chance. My daughter, allow Me to use you without thinking what will happen to you. It is My Joy and Will that you be My living Tabernacle.”

“I bless you. Love and make many pray.”

## DIVINE APPEAL 2

*“The first blow is drawing near.”*

**W**ith a painful voice, as usual: “My daughter, I want everybody to know that the first blow is drawing near. An unforeseen fire will descend over the whole earth. A great part of humanity will be destroyed. There will come a fearful moment when I will speak with My Judge’s voice. My Eternal Father is offended so much! If I were to tell you the number of sins which are committed each day you would die of pain. The forces of evil are prepared to lash out against the whole world with heavy violence.

“Good people will suffer; those who are persecuted by injustice and the just souls have nothing to fear because they will be separated from the impious and obstinate—they will be saved.”

“Do all that My servant tells you. You must live like My tabernacle. You will be guided by My servant. Deny yourself and make yourself strong for what I want.”

“With love I bless you.”

### **DIVINE APPEAL 3**

*“Humanity, with its diabolical behaviour, brings down upon itself punishment and scourges...”*

“**M**y daughter, many souls have denied My name and believe in the devil. Humanity with its diabolical behaviour brings down upon itself punishments and scourges. My Mercy is great if they repent and do penance. But they have chosen to walk by satan’s side.

My daughter, pray very hard for the scandal of the world. My left hand points to the warning and My right hand to a miracle. I want you to be universal. Leave aside your worries; offer your personal sufferings for the sake of humanity.

Pray hard. The devil has infiltrated... Get courage to persevere in the humiliations. Do not be afraid. It is I who want it this way. Pray and live as My tabernacle in My exposition. I am at your side. No one can harm you.

I bless you.”

3.00 a.m., 22nd September 1987

#### **DIVINE APPEAL 4**

*“The devil is making every effort to abolish the Holy Sacrifice of the Mass.”*

“**M**y daughter, I want you to listen to Me. Pray a great deal for humanity; the world is growing from bad to worse. The devil is making every effort to abolish the Holy Sacrifice of the Mass. Divine Justice is prepared to act with My eyes fixed on Heaven.”

“It will be terribly frightful as if it were the end of the world. But the end has not yet arrived. My daughter, after so many messages with painful events they remain indifferent as if it were an idle call. I want My Voice full of affliction to fly to the very ends of the earth saying over and over again: “Be attentive... the time to settle accounts has arrived! Blessed are those who listen to My Voice.”

“I bless you.”

3.00 a.m., 23rd September 1987

## DIVINE APPEAL 5

*“What is corrupt will fall and will never again rise up.”*

“**M**y daughter, pray a great deal. I listen to you. Humanity does not know how to return to God by means of rectifying its ways. Pray for its ways. Pray for the Church. The time for great trials will come. (Cardinals) will oppose (cardinals), (bishops) against (bishops). Satan will walk amid their ranks like avid wolves. There will be changes... What is corrupt will fall and will never again rise up!”

“I bless you.”

3.30 a.m., 24th September 1987

## DIVINE APPEAL 6

*“My Heart is broken in pain.”*

“**M**y daughter, cry out to My consecrated children who have betrayed Me and abused My Sacraments. My heart is broken in pain.”

“Do not worry about where to pray. Pray as you do your daily duties for it does not matter: I listen to you. Only give Me your mind.”

“I bless you.”

2.45 a.m., 25th September 1987

## DIVINE APPEAL 7

*“If people repent and pray, the wrath of My Eternal Father will be appeased.”*

“**M**y daughter, pray and do not be tired. Make small hosts and atone for the crimes which are committed every day before My Divine Sacrament.

If people repent and pray, the wrath of My Eternal Father will be appeased.”

“I bless you and I love you.”

2.45 a.m., 26th September 1987

(Later our Lord appeared and delivered the following message.)

## **DIVINE APPEAL 8**

*“I have come personally for change of lives.”*

**T**his time I was asleep. I felt distracted by a touch of a hand. Then immediately I woke up. From outside a very red and sharp ray of light was pointing into my eyes. The light was too strong and it blinded me. At once I heard a voice:

“My daughter, I have to talk to you. A time will come when men will no longer listen. They will not want to listen to the salutary doctrine but rather follow their own desires. I have come personally for a change of lives.”

“I am so abused, blasphemed and denied in My Divine Sacrament. Understand this immense suffering. You may be like a tabernacle at My disposition. This is My command to you.”

3.15 a.m., 26th September 1987

## DIVINE APPEAL 9

*“Godless nations will be the scourge to punish humanity.”*

“**M**y daughter, listen well to what I tell you. Do not worry. I have chosen you to be as an instrument. Don't you realize it? Don't you want to listen to Me? Write what I tell you and pass it on.

Godless nations will be the scourge to punish humanity. Mankind should be converted through prayer and my Divine Sacraments, Holy Masses of atonement, confessions and rosaries. There are many offences and too many freemasons.”

“I love you and bless you.”

27th September 1987

## DIVINE APPEAL 10

*“Satan continues his march... maddening and capturing souls. My churches are reduced to languid meeting places even though they are called fraternal encounters of prayer.”*

“**M**y daughter, I am bent over all humanity. Almost all of humanity abuse My Divine Body—the Sacrament. Satan continues his march in them. If humanity comes to God asking for forgiveness (all of those children who will come back to me) I will save them. Satan stalks<sup>2</sup> the world in fury, maddening and capturing souls.”

My daughter, do not be afraid. Every time you pray I hear you. I am very pleased by the two days, the way that you have lifted up to Me poor sinners. My mercy is great if they repent. My churches are reduced to languid meeting places even though they are called fraternal encounters of prayer. The obstinacy of some centuries ago continues to exist and dominate.”

“With My blessings.”

3.45 a.m., 28th September 1987

## DIVINE APPEAL 11

*“Sinning humanity does not repent. I am calling all priests... to form cenacles for prayer of atonement.”*

“**M**y daughter, humanity does not want to believe, but the Eternal Father is sending many punishments, many epidemics so that mankind might pray and be reconciled with Me. They do nothing to improve and the sinning humanity does not repent. God’s anger is cast down on this world! Pray a great deal.

The devil is destroying all of humanity and the calamity of evil envelopes all humanity. I am calling all priests to pray, do penance, and form cenacles for prayer of atonement.

If mankind wants to be saved it must pray and do penance for all the offences, curses and blasphemies against Me and My Eternal Father. This is a serious moment and humanity does not believe. What more could I have suffered for mankind to be saved?”

“I bless you.”

3.00 a.m., 4th October 1987

## DIVINE APPEAL 12

*“Almost all humanity abuse Me in My Divine Sacrament.”*

“**M**y daughter, put yourself always in My Presence. I am pleased to accept any sacrifice that you offer for humanity. The work you have to do is very important. My word is a command. It serves to save humanity. Men have lost God’s life. They are dominated by the spirit of Satan. God’s justice weighs over a slime-splattered humanity. The Godless will be destroyed.”

“My daughter, pray a great deal. Italy will suffer great upheavals and will be purified by a great revolution; only a part of it will be saved. Obstinate sinners do not want to have anything to do with God My Eternal Father. His wrath is upon them. There will be calamities – earthquakes, contagious diseases, hurricanes (which will swell the seas and rivers to the point of overflowing), mountains will be swallowed by the earth.”

“My daughter, almost all humanity abuse Me in My Divine Sacrament, despising Me, not believing in Me. The dictators of the earth, truly infernal monsters, will destroy churches and My sacred tabernacles. In this sacrilegious struggle, do not be afraid. Continue to speak to everyone. These are hours of terrible abandonment!”

“I bless you.”

3.00 a.m., 5th October 1987

## DIVINE APPEAL 13

*“I am continuously receiving crowns of thorns... passing through the milling crowds with bowed head...”*

“**M**y daughter, pray. Do not tire. Do what I am asking you without wanting to know how and when. I will take care of everything. I will guide you. It is I who am making use of you. Do not be afraid.

God’s anger is overflowing. The devil has imprisoned the souls of...

Divine Justice is prepared to act. Will it be within some months? Within a year? Only My Eternal Father knows. It is such a difficult enterprise!

My daughter, after so many messages with painful events they remain indifferent as if it were an idle call. What more can I do for mankind? All are silent, paralysed, as if the Almighty does not exist. I want My Voice full of affliction to fly to the ends of the earth saying over and over again to be attentive... the time to settle accounts has arrived. I ask this of... Let them all know that this is the dangerous hour. Everyone prepare yourself, both good and bad, adults, children, priests, and nuns, all humanity wake up from your apathetic slumber! Let them know clearly that ‘blessed are only those who listen to My Voice and prepare themselves.’ My daughter, pray a great deal. Speak to the children of darkness.”

“My daughter, I am continually receiving crowns of thorns passing through the milling crowds with bowed head because of the many sacrileges which are committed day and night against Me especially My Divine Body in the tabernacles. For My sake suffer and do penance. Be calm. Listen to what My servant tells you. My Eternal Father wants it this way.”

“I bless you.”

3.00 a.m., 6th October 1987

## DIVINE APPEAL 14

*“The first blow is near... those who will repent will find protection and God’s mercy in My power while all who refuse to repent will perish from their sins. Sinful humanity has transformed the earth into a scene of crimes.”*

“**M**y daughter, pray. The flock is about to be dispersed. Many signs never before seen will occur in the world as a warning to humanity. There will come a fearful moment when I will speak with My Judge’s voice and pronounce the verdict over an anxious and drugged humanity to shorten the lives of creatures who will receive their sentence.”

I want many to know that the first blow is near.

If mankind does not turn to Me and repent this will be a time of despair for the impious. With shouts and satanic blasphemy they will beg to be covered with mountains. They will try to seek refuge in caverns but to no avail. Those who will repent will find protection and God’s mercy in My power while all who refuse to repent will perish from their sins. Sinful humanity has transformed the earth into a scene of crimes. So many scandals lead to ruin; so many souls to corruption. In this sacrilegious struggle much of what has been created by man will be demolished.<sup>3</sup>

“Finally, incandescent clouds will appear in the sky and a flaming tempest will fall over the whole world. I have suspended Divine Justice. My heart is broken in pain. What more could I have suffered for this humanity! Heavy earthquakes will bury cities and villages especially in the places where the children of darkness are. The world has never before needed prayer as in these tragic times.”

“My daughter, learn and be strong. Be aware of My Presence and avoid many conversations. I need your heart and silence so that I

get a good chance to reveal to you what I want. Live as I want you to and do not fear. Those who are persecuted by injustice and those just souls have nothing to fear because they will be separated from sinners. They will be saved.”

“With my infinite love I bless you.”

3.00 a.m., 7th October 1987

## DIVINE APPEAL 15

*“In My Divine Body, the Eucharist, I am abused and blasphemed. I need your consolation, sacrifice and atonement. Treasure my Blood together with your sufferings. Offer them to My Eternal Father in order to implore His Mercy for mankind.”*

“**M**y daughter, listen to what I tell you. Pray a great deal. Do not be frightened, neither presume to know the dates nor look to know how much it will take. Humanity has divorced itself completely from Me. In My Divine Body, the Eucharist, I am abused and blasphemed. I need your consolation sacrifice and atonement. Treasure My Blood together with your sufferings. Offer them to My Eternal Father to implore His Mercy for mankind.

If there is no prayer and My afflicted word is not heeded, continuously kidnappings will take place. There will be bloodshed and streets covered with corpses. The souls are allied with satan. If ministers do not listen to My anguished call they will lead humanity to great sufferings. If magistrates do not do penance and fulfil their responsibility they will perish one after the other. A diabolical hand threatens the whole world. The time of great trial will come for the Church.

Everyone must pray and do penance with Holy Mass and confessions. No sacrilegious communions! I have given messages in all parts of the world with tears of blood and yet humanity is not conscious of the terrible reality. These are dark days. My Mercy is great to all those who will repent.”

“I bless you.”

8th October 1987

## DIVINE APPEAL 16

*“I would like to save all humanity and I would not want anyone to be condemned through his own fault. For no one goes to hell without his own consent. How many at such an early age are approaching damnation no longer wanting to be concerned with the fear of the Lord.”*

“**M**y daughter, listen well to what I will tell you. Do not lose your precious time. You must meditate and pray for humanity. God My Eternal Father sends inexorable punishments. I can no longer detain the arm of My Father’s Justice. These are the great warnings obtained from My Divine Mercy through the anguish of My Heart because I would like to save all humanity and I would not want anyone to be condemned through his own fault. For no one goes to hell without his own consent.

How many at such an early age are approaching damnation no longer wanting to be concerned with the fear of the Lord. Woe to them who do not want to listen to My suffering call.

“Pray to Me in My Most Blessed Sacrament. I will do all things for you. I want humanity to repent. Otherwise it will cast down innumerable souls into the eternal fire. I want you to accompany Me. There is no response given to the Voice of the Holy Spirit. As I have asked you, unite yourself with Me in all that you do. Let yourself be in My Presence.”

“With My Love and My Blessings.”

3.00 a.m., 9th October 1987

## DIVINE APPEAL 17

*“Souls are allied with satan because of the great sins of all kinds. A great punishment will befall mankind. If ministers do not listen to My anguished call, they will lead humanity to great suffering. According to My desire everyone must come to pray for the mitigation of the evil in mankind.”*

“**M**y daughter, listen well to what I tell you. You must surrender yourself to My Will. You must follow Me along the Way of the Cross so that you can make restitution for the sins of mankind. Be a fervent soul, light and salt of the earth, by means of your life of simplicity and humility so that you might be able to make fervent souls flourish. Unite your soul to Mine; follow Me to the point of your complete immolation. Pray and forgive. Pray a great deal. Humanity has given itself to satan.

If there is no prayer and My afflicted Word is not heeded, continuous kidnappings will take place. Souls are allied with satan. Because of the great sins of all kinds a great punishment will befall mankind. If ministers do not listen to My anguished call they will lead humanity to great suffering. According to My desire everyone must come to pray for the mitigation of evil in mankind.

Do not be afraid. It is I who want it so.

“My daughter, do not waste your precious time in unkind conversations<sup>4</sup>. Put aside all this. Put yourself in My Presence. Seek your direction from My servant. I need you to pray for souls. Now the times are grave; you must take advantage to pray for them before it is too late. There is still time to stop the Hand of My Eternal Father.”

“I bless you.”

3.30 a.m., 10th October 1987

## DIVINE APPEAL 18

*“Italy, the nation favoured by God! All its regions have the communist seal. I love humanity and I want it to repent. Otherwise it will cast down innumerable souls into the eternal fire together with satan who suggests to them that God does not exist. My Eternal Father has been attacked in all His powers.”*

“**M**y daughter, listen to what I must tell you. I want you to accompany Me. You must make restitution and be with Me. I want humanity to know the seriousness of the state of the world and to understand the inexorable Justice of My Eternal Father. I love humanity and I want it to repent.

Otherwise it will cast down innumerable souls into the eternal fire together with satan who suggests to them that God does not exist. My Eternal Father has been attacked in all His powers. The moment is nearing when I will no longer ask for anything else but rather I will take everything with all the force of God!<sup>5</sup>

Italy, the nation favoured by God! All its regions have the communist seal. She betrays My Heart and drags souls down to perdition and chases blindly after My children who want to follow Me.

My daughter, do not be afraid and do not hide what I tell you. I can no longer hold back My Hand. My Eternal Father has repeated many times that many nations will disappear off the face of the earth. Godless nations will be the scourge chosen to punish disrespectful and unscrupulous humanity. Communism will rejoice for a time because of the Godless. Many will perish.

Freemasonry is in the churches... their ignoble hearts offend Me and My Father. Red brigades<sup>6</sup> who infiltrate the government are accomplices in violence. The devil directs them to perdition. Pray a great deal. It is urgent for men to become conscious of this terrible

reality. I do not want anyone to perish in eternal fire.

With tears in My Heart I am calling everyone to pray and make others pray.”

“My daughter, pray without losing time. I bless you.”

3.00 a.m., 11th October 1987

## DIVINE APPEAL 19

*“Freemasonry hurls itself against the Church... The times demand accelerated action. My pain is immense! Humanity has not become aware of the scourge that threatens it. Satan wants victory, treachery against... Great offences will befall... I have many graces in My Hands ready to offer all who will return to me.”*

“**M**y daughter, listen attentively to what I tell you. The times demand accelerated action. My pain is immense! Humanity has not become aware of the scourge that threatens it. Pray a great deal. With the Church among... there will be many deaths. Blood-Spattering. Satan wants victory.

Freemasonry hurls itself against the Church. Great offences will befall... I have many graces in My Hands ready to offer all who will return to Me. I must assure this to mankind. I want them to repent and come back to My sheepfold, to the truth and the light. I am calling with love. Whoever frees his mind from mundane affairs and returns to My Heart will have My forgiveness. I will forgive their sins. I want them all to return to My Heart. I became Eucharist for you so that you too can then be Eucharist for many. I must accomplish many things in you.”

3.00 a.m., 12th October 1987

## DIVINE APPEAL 20

*“I would like to save all mankind and I would not want anyone to be condemned through his own fault. How many at such an early age are approaching damnation, no longer wanting to be concerned with their Creator... The Church, My sacrament, and God must be respected.”*

“**M**y daughter, pray a great deal for humanity. God My Eternal Father is merciful but humanity has lost its senses: drugged and Godless.<sup>7</sup>

I cannot hold back My Eternal Father’s Justice. Scandals have all accelerated the punishments. Do penance My daughter, offering to God the crosses of each day both great and small. Do not misuse any suffering as you must appease Divine Justice. Great calamity is being prepared. Men are blind, refusing to listen to My painful appeal. The world grows worse and worse. In the Church there are many freemasons. Churches will be ransacked, there will be earthquakes, hopeless diseases, revolutions and terrible gales: a radical transformation of the whole world.

The great cataclysm which will simultaneously come upon the earth will be terribly aghast as if it were the end. But the final hour has not yet arrived even though it is not far away. All those who want to believe and who await the moment of Divine Justice must retreat from worldly diversions.

I speak this: I want to save mankind. Insist on this to them; it is important to those who persist in doubting My painful admonitions. Unite yourself to Me. Prepare yourself for what I want with you with great faith and love. These are great warnings obtained from My Divine Mercy through the anguish of My Heart because I would like to save all mankind and I would not want anyone to be condemned through his own fault.”

“My daughter, do not lose your precious time. Leave aside all the worries. Pray in whatever you do. Offer all what you do to My Eternal Father. Your little offerings will help this mankind. My Heart bleeds for all the sins against My Presence in the Church. The Church, My Sacrament, and God must be respected. Too many blasphemies and I am apostated.

The good people live their lives amid many adversities which they have not the strength to overcome. Many think only of their own comfort. What a pity! And the bad ones live in the most heinous corruption. The inevitable and suffering modernisation has also upset the stability of the good people. Instead of living the constancy of grace and sanctity they choose mediocrity.”

“I bless you.”

3.30 a.m., 13th October 1987

## DIVINE APPEAL 21

*“Look, the good people live a lethargic life among so many bushes which they have not the strength to overcome. With an exaggerated freedom and without any scruples, the devil instigates them. They do not believe anything exists; my daughter, how much bitterness!”*

“**M**y daughter pray and atone. My Eternal Father is profaned also in sacred places. He has been forgotten by many souls. Look, the good people live a lethargic life among so many bushes which they have not the strength to overcome. With an exaggerated freedom and without scruples the devil instigates them<sup>8</sup>. They don't believe anything exists; my daughter, how much bitterness!

I give so many messages to the whole world but the world rejects them. It is horrible to fall in God's Hands<sup>9</sup>. There will be floods, earthquakes, demolition, eruptions, homicides, plagues and famine. My daughter, do not be frightened of this. With many prayers and sacrifices you still have time to detain My Eternal Father's Hand. The Red Lucifer works in... with strong infernal legions. You have to be an ambassador of order and peace. Save souls. Your prayers are pleasant to God's Heart. He hears you.

“Pray a great deal. ...is in danger! The evil ones march beside the devil. The sinning freemasonry, what a pain! All this will cause humanity to fall into more errors.”

“I bless him<sup>10</sup> and you.”

3.00 a.m., 14th October 1987

## DIVINE APPEAL 22

*“My mercy is great if they repent.”*

“**M**y daughter, pray a great deal. Atone for the crimes which are committed every day especially against My Divine Sacrament. How much bitterness! My Church will be adjudicated. This sinful love of money and illicit diversions! Satan has darkened the spirits which had already been turbid. I pursue them when they are at a distance. I wait for them to come and repent. How cold this humanity!

They do not want to believe. My Mercy is great if they repent. Do penance, pray, receive My Mystical Body in the Holy Mass and go to confession. Humanity hurls torrents of blasphemies and lies against my Church. My beloved servant has to shout out to the world. Pray for the Vatican and the Pope... These are black days my daughter. The plague of the nations and the great blasphemies cover my figure and My Heart bleeds from pain.

I am denied and profaned. They neither believe in My Mystical Body nor do they want to believe. The Churches will be devastated and ransacked; My Sacred Hosts trampled... underfoot... are now like enraged lions. They no longer want to serve My Eternal Father. Because of all this I come to beg for prayers.”

“I bless him and I bless you.”

## DIVINE APPEAL 23

*“Blessed are those who hear my Words and listen to them.”*

“**M**y daughter, I want you to listen to Me. Pray and atone. It is what I want of you. The world is growing from bad to worse. The devil is making every effort to abolish the Holy Sacrifice of the Mass. My Divine Mercy still grants My holy ministers (time) to make amends and meditate. My daughter, I want you to offer everything to Me. Only listen to My unique Voice which is My Will.

Open your heart widely for Me. My daughter, follow Me along the painful way to Calvary where I am. Adore it and offer it so that My Eternal Father’s anger will be appeased. Yes, I am happy to accept all prayers. Blessed are those who hear My Words and listen to them and put them into practice.

“My daughter I am continuously receiving crowns of thorns passing through the milling crowds with bowed Head because of the many sacrileges which I receive. Suffer and do penance. Be faithful. Listen to what I command you. These are grave moments. Do not be afraid. I love you. You are an instrument in My Hands and I want your complete abandonment. Pray and be prepared.”

“I bless you.”

## DIVINE APPEAL 24

*“My Divine Sacrament is always stolen by them. Just like Judas they sell me.”*

“**M**y daughter, the hour is drawing near. The Red Lucifer has already made known that his time is very short. Pray and put yourself in My Presence at all times. I order you to be very serious and to be alert. The evil one knows what I want. He is terrible angry. In all things he will try and prevent you from Me. He will trouble you as well without your awareness. Yesterday<sup>11</sup> you did not write all what I told you<sup>iii</sup>. The evil one was very angry that souls were taken from him by the power of the Mass so he will not get rid of them again. This is why he tries to take revenge my preventing you and confusing your mind. He took away My Words from you. Do not worry. Be strong.

My daughter, I order you after writing My Words not to keep it to yourself. The evil one is now very much against you because through you I have started converting souls in a very private way; for this reason if you keep My Words yourself it will be very dangerous. The evil one will try to use one of your own in order to destroy My Messages through you. So I command you not to keep them to yourself. This is what I want.

My daughter, I have come to exhort sinners to change their lives because punishment is near; the earth will burn with smoke; blood is covering the streets. A war threatens humanity. The devil claims victims; thieves join ranks with demons. My Divine Sacrament is always stolen by them. Just like Judas they sell Me yet I came to save them. What more could I have suffered for mankind !

“The hour is drawing near. (In Italy a political revolution will take

place. The Church will be crazed with the pride of violence). My Eternal Father's justice will be inexorable with all those magistrates who live without remembering God because they do not live My life. The fallacies in their brutal conceptions of life will constitute their sentence. They tragically cut the innocent into pieces and those who are faithful to Me.

## DIVINE APPEAL 25

*“I, Jesus, have personally come to this earth to beg you to change lives.”*

“**M**y daughter, do not fear. Pray a great deal. I must repose sacramentally in your heart. Every second you must be all Mine. You must embrace the whole of humanity. I want your complete will. The blasphemers, the drugged, the image of the worldly man, the action of his diabolical spirit brings destruction and ruin. Abused and crucified, I am in the midst of the people, whipped and spat upon.

You have only to obey My Will because God, My Eternal Father, has His designs for you and you must abandon yourself completely. There is a satanic power which walks...

They are commanded by that legion and they destroy everything that falls into their hands. Evil has grown and God's Hand weighs over their head. The world will be in ruin like the deluge that swallowed entire nations. Many important people are accomplices; spies who tumble governments, churches... The time is coming when men will no longer be listened to. They do not want to listen to the salutary doctrine but rather follow their own desires.

Rome will be... an immense scourge: it will be worse than Babylon! The damnation of souls! I, Jesus, have personally come to this earth to beg you to change lives. In the final hour the earth will tremble and the world will be darkened with great thunders and flashes of lightning, floods, mountains that split open. It will destroy bridges and rapid volcanic eruptions bringing death and ruin. If they repent and come back, out of My great mercy, I, Jesus, will pardon them and love them.”

“I bless you.”

## DIVINE APPEAL 26

*“The souls I love so much... Both hatred and emptiness have fettered them to evil.”*

“**M**y daughter, pray a great deal. I need your company at this particular time. Keep awake with Me. The souls I love so much do not understand that the tyrant has stolen their hearts, locked them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. They do not think that they cause Me so much pain. My Gaze does not penetrate them. They do not want to humble themselves and repent and to beg forgiveness for the Blood which I shed for all of them. I came to seek, to save what was lost<sup>12</sup>.

I would shelter them with My mantle of mercy if only they would repent; if they continue to live in corruption there will be no mercy but rather tears in all the nations, mourning, punishment, earthquakes, floods and sickness of all kinds. This poor humanity is blind and deaf to My call of love. I would like to insist on this and ask, “Why don’t they pray more?” The air is contaminated; everything is full of sin. What a pain!

My daughter, humanity has united itself completely with the devil. The priests are tranquil and worriless. They step all over Me and permit everything. I now ask them to open their eyes before it is too late. Let them know that My Arm falls inexorably and I only grant them time to reflect and repent. I ask again and again that all men may listen and come back to Me. I am stretching forth My Hands waiting to embrace any who will come to Me repentant.”

“I bless you.”

## DIVINE APPEAL 27

*“I allow myself to be seen after so many warnings. I give many signs. My Heart is overflowing at the same time as God’s anger! The Chalice is filled. Good people are scarce. They do not pray.”*

“**M**y daughter, pray for the whole of humanity. I want them to listen to Me. I am above this earth. I allow Myself to be seen after so many warnings. I give many signs. My Heart is overflowing at the same time as God’s anger! The Chalice is filled. Good people are scarce. They do not pray... I give you My Word to speak. I command you to hear what I tell you.

“I tell you, I am very pleased with My servant for starting the Mass of atonement<sup>13</sup>. It is time to pray and to speak to people and reach their consciences. I am warning them because I love them.

“My daughter, I want to speak again and again without tiring: more prayers and sacrifices are needed to prevent the destroying of the Church and... Trampled upon, prayer and penance will save. I feel more consoled by you. The world is full of terror. The devil has taken possession of souls and this sinful humanity does not repent. This is why I really need to proclaim My Messages in all parts of the world. It has already been done but I still need them to hear that this is the grave hour. Do not be afraid. I have chosen you to hide Me in your heart. I will still reveal My love to you. Be an example. Suffer. I assure you that sufferings elevate to eternal life. Look! The light discerns good from evil.

“My daughter, pray especially in this secret hour. The freemasons, led by the Red Lucifer, their master, are trying to plan all the evil so that they do harm. But I tell you, I am all powerful enough to carry out My purpose beyond human understanding. All their evil will be in vain.”

“I bless you.”

## DIVINE APPEAL 28

*“I want all to be saved. It is My Desire –pray and atone.”*

“**M**y daughter pray and never tire. Abandon yourself completely to My call so that I am able to act as I want in you. I will reveal My desire to you. I have saved the world through sufferings on the Cross. Sin is an infinite offence against My Heart. Offer your sufferings united to My Heart’s merits for restitution, for the scandals of others. The world cries when suffering but I tell you the souls that follow Me by the narrow paths are very few<sup>14</sup>.

I have come to you all of a sudden and am afflicted by the sins of this humanity. Many hearts are still distant from Me and My Divine Will. Nevertheless I love them all. Even those who hate Me I love them. My great pain is to see My own... spitting on Me as if I did not come in the world for their salvation. Woe to those who disdain My Words! They have a serious responsibility on their shoulders. Look at the world with My Own Light. You will understand that pride<sup>15</sup> and egoism are the causes of all destruction. If hatred, prejudice and reproach are in their hearts as well, what can I do with them? I want all to be saved.

It is My Desire –pray and atone. Above all accept the trials that come your way reminding yourself that everything has an exact purpose which is to prepare you. Accept whatever could humiliate you; above all, trials that place you in contradiction with the world and with all who surround you.”

“I bless you.”

## DIVINE APPEAL 29

“**M**y daughter, pray and atone. I give you strength to pray always. I am pierced by many swords but I will forgive all those who will come repentant. Do not worry about what to do. Follow what I tell you. Prepare yourself. My Blood flows and wants to cover this corrupt world. I warn this world, full of horrors, for which a tremendous punishment is prepared. The thin line that separates it from the precipice will break; there will be no other way to salvation<sup>16</sup> because there are many who do not want to hear My Call.

The souls I love very much do not understand that the tyrant has stolen their hearts locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. They do not think that they cause Me so much pain. My Gaze does not penetrate them. They do not want to humble themselves again and repent. It is a great pain for Me to see many of My consecrated ones abusing Me anyhow. If they want to be saved they have to accept the forgiveness from the Blood which I shed for them. I want to release them from their sins.

I will shelter them with My Mantle of Mercy if only they repent.

If they continue to live in corruption there will be no mercy but rather tears, mourning, earthquakes, floods, and sickness of all kinds. These poor people are blind and deaf to My call of love. The air is contaminated and everything is full of sin. Men's hands are armed and a great punishment will befall them. I love them; this is why I warn them before it is too late for them to repent. They should pray more.”

*“... many marriages without sacraments... This is sad for Me.”*

“**M**y daughter, write down what I tell you. With all My Love I appeal to this humanity. My Heart is pierced by mortal sins and blasphemies of all kinds! The world has united itself to Satan. I want these sins to be appeased by prayer and penance! The world is destroying itself! Italy will be crippled by her assassinations. Rome is readying itself to be destroyed by the surge of godless consciences; corruption has reached the limit! ...<sup>17</sup> are held responsible for many marriages without sacraments because they have made allowances for this liberty. This is sad for Me.

Small fires have been set alight everywhere like a contagious plague which inundates souls and enslaves them to everything. The Romans themselves will betray Rome and all of Italy. Many spies and traitors deny their own fatherland. I am abused and spat upon by My Own consecrated ones. I am denied and profaned! They neither believe in My Mystical Body nor do they want to believe. What a pain! My daughter! Pray a great deal. My Churches will be devastated and sacked and My Sacred Body trampled underfoot. They no longer want to serve My Eternal Father being without grace.”

“I bless you.”

## DIVINE APPEAL 31

*“There are too many enemies, militant atheists who want to obliterate fraternal love in the world...”*

“**M**y daughter, pray a great deal and atone for humanity. Many do not want to believe or to heed My Words. Their hearts are invaded by satan and there are no signs of repentance! Mercy is allowed by Divine Justice. There are too many enemies, militant atheists<sup>18</sup> who want to obliterate fraternal love in the world substituting it with division and bloody wounds. The void provoked by them must be completely filled by Faith, Charity and Humility. My Word is addressed to everyone to do penance and pray. Pray and do penance to save humanity and you will obtain God’s predilection.

The world is in ruins. This sin brings ruin and death, floods, earthquakes, hunger, and famines. The deadly weapons will not only exterminate the armies but also the holiest and most sacred things. People induce the evil forces and are ready to set them loose over the world. They no longer hide their objective. Man is submerged in the muddy tide of corruption which tries to drown the world. The devil will cast its evil powers into the nations and in a given moment will destroy the best part of My flock. My consecrated ones who have lost all love only abuse Me and spit on Me. The roaring lion will advance on... to diffuse his errors. These hurt Me more than sin.

The devil has unleashed the most terrible battle against Me and My Eternal Father. What a pain to Me! He has dragged many souls to the life of perdition. My desire is to save.

What you do is not of you, you remain as if you were asleep and I act in you. This is why you are in a state of slumber<sup>19</sup>.”

## DIVINE APPEAL 32

*“Unclean spirits have taken over three parts of mankind. As God’s Word has been abandoned, the devil has taken possession of the souls which have deserted the ways of the Creator.”*

“**T**hese are the great warnings obtained from My Divine Mercy. Through the anguish of My Heart, because I want to save mankind. I would not want anyone to be condemned. Pray a great deal for souls. With great faith unite yourself in all sacrifices, prayers, and Masses offered to me. You will have time to pray for the lost souls and to convert them quietly.

I pity humanity. It is horrible to fall into the Hands of the Living God. Because of the evil of mankind, unclean spirits have taken over three parts of mankind. As God’s word has been abandoned, the devil has taken possession of the souls which have deserted the way of the creator<sup>20</sup>.

My daughter, you must atone for this Godless humanity.

I abandon Myself in your heart. You have to live moments of desertion. With your humility you must bring souls to My Heart. Do not be frightened. If humanity prays much and returns to Me then the punishment could be avoided. What more could I have suffered for them!

I have given messages and warnings but they still do not listen<sup>21</sup>. Satan will try to distract my work in you. Because of them you will have to fight and suffer but do not despair, offer it; the just souls have to suffer while still on this earth.”

*“The Apocalyptical hour.”*

“**B**e prepared for what I expect of you. Pray and atone. With tears in My Heart I am calling everyone to pray. This is the apocalyptical hour... If they do not repent they will know only desolation.”

“I bless you.”

(Later our Lord appeared once again and gave the following message.)

## DIVINE APPEAL 34

*“Adore My Divine Sacrament and offer it to My Eternal Father so that it may serve the salvation of souls.”*

“**D**o not be frightened. Great offences will befall... and ... will be a victim at the perfidious hands of those consecrated to Me. I tell you the times demand accelerated action. My pain is immense and humanity has not become aware.

“My daughter, participate in the Holy Sacrifice of the Mass together with Holy Communion; atone, do penance. I want complete obedience from you. I want you to listen to My unique Voice with the intention of paying the debts of sinners and whenever you hear of offences against My dynamic Presence call Me – I will be near you.

“My daughter, the devil torments you. In My Name be calm and strong for it is I who ordain the work which you will accomplish. Adore My Divine Sacrament and offer it to My Eternal Father so that it may serve the salvation of souls. I speak with you amid tears. Pray! In this way My Eternal Father’s anger will be appeased. Firstly, with the Sacrifice of the Cross and then with that of the Altar for the continuous renewal of what I fulfilled on Calvary. ...great cataclysm which will simultaneously convulse the earth will be terrible, frightening as if it were the end of the world. But the end has not yet arrived. However it is not far away. Those who want to believe and whose lives are prepared for the moment of Divine Justice must pray so that they get strength to endure and survive<sup>22</sup>.”

What a pain to Me! After so many messages with painful events still mankind remains indifferent as if it were an idle call. I tell My servant to ask them this, “Who will esteem My Tears of Blood?” I want My Voice full of affliction to fly to the very ends of the earth saying over and over again: ‘be attentive’. Everyone prepare yourselves, both

good and bad, adults and children, priests and nuns, all humanity. I love them and I grant them time. That is why I came that they may wake up from their apathetic slumber. Blessed are those who listen to My Voice and prepare themselves.

My daughter, I am continuously receiving crowns of thorns passing through the milling crowds with My bowed Head. Just like Judas, after receiving Me they sell Me, abuse and spit on Me. Woe to them all! Do not be afraid.”

## DIVINE APPEAL 35

*“I have come to call humanity from their sinful ways...”*

“**M**y daughter, pray and atone for this sinful humanity which has denied and abused Me. Pray for the many lost souls and many of My Own consecrated ones. The devil is using them in order to abolish the Sacrifice of the Holy Mass. An anarchy will break loose. Time is nearing when I will speak with My Judge’s Voice. I am still in the time of My Divine Mercy. I have come to call humanity from their sinful ways. I love them all. I would not like anyone to be condemned for his own faults. No one goes to hell without his own consent. With tears of blood I am asking them to repent and return to My Heart... before it is too late! Woe to those who do not want to believe!

I have given many messages through many souls. I am being abused and spat upon by My Own... What a pain in My Heart as I remain day and night with love calling everyone to repent. I will not hold My Eternal Father’s Justice if men will not return. Satan has put in their minds that God does not exist. Woe to them! Great punishment will befall mankind. They have all remained obstinate. It is terrible to fall into God’s Hands<sup>23</sup>.

The..., the most favoured place, is where the Red Lucifer is ruling ... has become the centre of the evil one. The... is surrounded by dangerous people who claim to be My followers, yet they are My oppressors.

Pray a great deal for... who is faithful to Me. I will take care of him. No one will escape My Eternal Father’s Justice. We can no longer stand in the ‘mistrust’ land. They have attacked the powers of My Eternal Father.

“My daughter pray and make others pray. I have to insist on this

to them, that the flock is about to be dispersed; the time is coming when no man will be listened to. My Eternal Father will use the evil humanity to punish sinful mankind. This humanity is worse than that of Nineveh! Never has the world needed prayers like this present time. From My tabernacle I am only receiving abuses, ingratitude and very many outrages. My great pain is to see that these are received from My own... I still grant them time to come back but if they do not listen to My warnings then it will be too late! They claim to be preaching Me but they are all against Me led by the Red Lucifer.”

*“The Freemasons abuse My very Gospel! Their iniquity is repugnant! They are executing themselves with their own hands.”*

“**M**y daughter, pray a great deal and atone. My heart is pierced with sufferings because humanity does not repent. There is only avarice in acquiring new lands to dominate them like thieves and wolves. I am very much abused. The world is in pain. Desolation and deaths are coming. The whole world will be at war. Ruin and deaths are coming. The deadly weapons will not only exterminate armies but also the holiest and most sacred things—children, the aged, and the infirm. What a sorrow My daughter! These iniquitous rules of nations have all broken God’s Law. The devil will cast his evil powers in the nations and in a given moment will destroy the best part of the flock. I am in agony over... Leaders are responsible for all humanity either to save the world or to destroy it.

The Freemasons abuse My very Gospel! Their iniquity is repugnant! They shout ‘we do not want God.’ Yet many in the... satan has chained their souls. My daughter, unite your hearts to My Tears of Blood. Look at Me! What sorrow grieves My Heart! They are executing themselves with their own hands and eternal fire awaits them. Do not be afraid of anything.”

## DIVINE APPEAL 37

*“Those who repent will be saved, but for others who refuse to repent the earth will open up beneath their feet and they will be swallowed up.”*

“**M**y daughter, God My Eternal Father is pleased by your offerings because you recognize your misery and you are always ready to accept your sins. You must sanctify yourself and offer yourself for the conversion of souls even with tears. In each face see the countenance of myself crucified.

You must die for all and live in deep humility. I implore you to pray more and more. It is only through prayer that a part of the world can be saved. Those who will repent will be saved, but for those who refuse to repent the earth will open up beneath their feet and they will be swallowed up.

I tell you through tears and my words I speak to this sinful and unscrupulous humanity. What a pain to see My own ... leading souls to perdition. Blindfolded they do not see that with their own hands they are destroying the world. There is a satanic power which walks in their midst. They are commanded by a satanic legion and they destroy everything that falls in their hands. Evil has grown and God's hand weighs over their heads. The world will be in ruin like the deluge if many prayers are not offered. Listen to my urgent call to pray before it is too late.

Humanity is fatigued and corrupted by blasphemies and sins of all kinds. They do nothing but commit crimes. My daughter beware. The devil instigates many that My Eternal Father does not exist; that there is no hell. This is all confusion to make mankind not to repent yet with My Mercy I am calling and waiting to embrace anyone who returns to Me. Blessed are those who at this moment believe and come to me. My daughter, pray and obey blindly following My

beloved servant. Speak and heed his words in your heart. He will enlighten you. I guide him.”

“With My infinite love I bless him and I bless you.”

### Prayer to the Adorable Jesus<sup>iv</sup>

**O**h Jesus, most humble, adorable, present in the Blessed Sacrament of your Divine Love. Here on your concealed Sacred throne I prostrate my soul and whole self before you. Out of my nothingness and sins I implore you to accept my poor prayers, acts of reparation and adoration to quench your thirst for souls and obtain full pardon for the many profanations, ungratefulness, and outrages which you receive each and every moment from the countless number of us miserable sinners.

It was your everlasting Mercy towards mankind that moved you so deeply to the point of veiling yourself to remain in love on our altars and tabernacles all over the earth.

Oh Jesus, by Your Soul, Body and Divinity, present in the most Holy Eucharist, accept the tears of my soul that these very precious souls to you (mention here those you wish to pray for) may not lose their Eternity forever.

The Everlasting ages belong to you. So we entrust our total selves in your loving care and gaze now in life and death. Amen.<sup>24</sup>

3.00 a.m., 4th April 1991

---

<sup>iv</sup> This prayer was dictated to Sr. Anna Ali by Jesus in their convent in Porta Angelica on 4th April 1991. See Section 4 for the guidelines on the use of this prayer of atonement.

## **Notes on Jesus' Prayer of Atonement**

1. The last paragraph is a clear reference to Jesus in the Tabernacle. Jesus gazes at us both in the picture and in the Tabernacle. So we pray to Him thus, "We entrust ourselves in your loving care and gaze now in life and death."

2. This is basically a prayer for the salvation of persons but "we entrust our total selves" in His "loving care and gaze" takes up all the request which the petitioner would put before him.

3. There is a link between He who gazes from the portrait and He who is concealed in the "Sacred throne" (His presence in the tabernacle); it is the same living Jesus who is in the Eucharist on the altar in the tabernacle and in the portrait. So as we adore Him in the portrait we should at the same time see ourselves present before Him who is invisibly seated on a throne in the tabernacle. Kneeling before this portrait of the Adorable One we entrust ourselves in His "loving care and gaze."

## DIVINE APPEAL 39

*“A terrible flaming scourge is prepared. What is evil will perish. It will be a purification.”*

“**M**y daughter, keep awake and watch with Me. I need your company. Stay with Me in ‘My Sacrament of Love.’ Give Me rest in your heart. I remain so lonely at nights in many tabernacles all over the world. My soul is sorrowful because so many ridicule Me for no reason. The sins of mankind continuously pain Me bitterly. My Own ... have forgotten Me. They step on Me. Spend this time to implore My Mercy for My abusers and to appease Divine Justice. I am calling them all to come and repent. In the Sacrament My Love I am full of mercy for mankind but the time is coming and finally I will speak and face the world with My Judge’s Voice.

This is the only time for man to return. I see the sins of the world and I implore mankind to amend their lives before it is too late. If they listen to My warnings and return to Me, My mercy to them would be great and they would find protection and salvation; if not, a terrible flaming scourge is prepared. It will purify the world of many grievous sins which envelop it like a dark obfuscation. But the good who suffer and are persecuted by justice and the just souls have nothing to fear as I will save them. These times are worse than those of the great deluge! The sky will be covered with a dense fog during that time and the earth will be shaken by horrible earthquakes opening deep abysses and destroying cities and provinces. What is evil will perish. It will be a purification.

“Pray a great deal to appease the anger of My Eternal Father. Do what I command you. It is for the good of many souls.”

“In My Own Name, I bless you.”

*“There is too much hatred in today’s society. There are too many enemies... What a great desolation. Children who rebel against their parents, innocent souls who are killed, divorce, communists and all sinners!”*

“**M**y daughter, I am the Lord of Revelation. Listen to Me. Unite yourself to My suffering Heart. Pray for atonement and detain the anger of My Eternal father. The world advances towards the precipice from one day to the next. Reflect upon what is happening in ... and in all humanity.

There is too much hatred, there are too many enemies of My Eternal Father. The freemasons and all the other devil worshippers want to obliterate fraternal love in the world substituting it with division and blood wounds.

I tell you My daughter, make My Word echo throughout the whole world. I am calling everyone to do penance and pray. Do not be afraid. The cross borne with love My daughter, will give you the way to Paradise. Pray and do penance to save humanity and you will obtain My Eternal Father’s predilection. I also assure you of this too. Pray. My Eternal Father and I will crush the infernal dragon’s head. If only mankind would return to My Heart of love and mercy!

On the contrary, flames will be cast down from heaven which will destroy all sinners and the work of the evil one: abysses mountains and flaming lava will swallow up entire villages. Earthquakes, floods, electrocutions, tempestuous seas, suicides, drugs, and illnesses of all kinds.

What a great desolation—children who rebel against their parents, innocent souls who are killed, divorce, communists and all sinners<sup>25</sup>. A just rigour weighs down on them.”

*“Today’s penance and prayer must be more than that.”*

“**M**y daughter, listen to Me and write down all. It is for the good of souls. The present world is worse than Nineveh when through Jonah I threatened mankind with the punishment they deserved. By this I mean that today’s penance and prayer must be more than that. Woe to those who do not sincerely detest their faults! They must know that the light shines in the darkness.

I speak with tears in My Heart. My daughter, offer your personal sufferings for the sake of mankind. I want you to be universal. Leave aside your worries. Do not lose this precious time. I want you to abandon yourself totally to Me. I need your simplicity and freedom from every earthly attachment for Me to be able to transform your soul.

“**M**y daughter, listen attentively to what I tell you. The times demand accelerated action. My pain is immense. Humanity has not become aware of the scourge that threatens it. They are godless. Many do not know Me. My Own consecrated ones deny Me, abuse and step on Me. It is urgent. Atone and pray more. I love you and you must obey My afflicted call.

From the ocean of My Mercy I am calling everyone to listen to My Voice to convert and return to My Heart. I want to save all. I have many graces in My Hands.

Endeavour to entreat with faith. I hear all and I love all. How can I save mankind if they do not listen to Me? I want them to return to Me. They have to look around at all the darkness and hatred which envelop mankind and repent, come back to My sheepfold, to the truth and the light. This is the time for saving souls. From My Love and Mercy I warn. If mankind does not repent the earth will open under its feet and there will be no mercy. I will speak with My Judge's Voice. Prayers must be offered more to appease the anger of My Eternal Father. Mankind moves hastily with raging diabolical evil.

*“My presence is being refused and abused.”*

“**M**y daughter, stay and spend this time with Me. Give me your company and implore mercy and pray to appease the anger of My Eternal Father. In the Sacrament of My Love My own consecrated ones have abused Me and they spit on Me. I only receive pain. I beg you to keep Me in your heart. In these dark hours I am so lonely full of love and mercy waiting to embrace all who come to Me. I am forgotten by My own... The evil one is using them to destroy the Holy Sacrifice of the Mass. My presence is being refused and abused.

Each day I am more despised and forgotten. My daughter, in these dark hours keep awake and watch with Me. In My Mercy I never sleep. With tears of sorrow I am watching beneath the sacramental veil in many tabernacles seeing no one there. With tears I bow down My head after gazing on My own ministers who are celebrating. In this lonely hour I am so much pressed as I remain in My vigil for all mankind. I am dripping tears of blood to see... worshipping satan. In saving mankind how better could I have proved My love? I suffered all for the salvation of mankind. To what further extent could I have made My Sacrifice complete for the salvation of mankind?”

“My daughter, I come to beg for your prayers to atone for the many offences against My Eternal Father. Follow Me to the point of your complete immolation. Bear your cross, suffer out of love for Me and forgive. With your prayers you will open the doors to many souls who are lost especially... who do nothing but disturb My presence in My Sacrament of Love.

They pain Me with their treasons and indignity with many sins. The true apocalypse! These are dark days! My Eternal Father is so merciful but mankind has lost its sense, drugged and godless. Souls

are aligned with satan. All the great evil concerns are in the hands of freemasons. They have all agreed to attack My presence and the Church. Satan marches triumphantly in the midst of their ranks.”

*“Paganism is triumphing. The devil is making every effort to abolish the Holy Sacrifice of the Mass.”*

“**M**y daughter, pray a great deal and keep watch with Me. Do not be afraid. I want to erect an altar in your heart. Do not be tired of praying. Do what I ask you without wanting to know how and why. I will take care of everything. I want you to listen to what I tell you. I beg you never to be weary to keeping awake with Me.

Paganism is triumphing. The devil is making every effort to abolish the Holy Sacrifice of the Mass. I call all to return to My love. I bless My work and I will reveal Myself in many ways. I want mankind to be saved and I will reveal Myself in many ways. I want mankind to be saved and for no one to be condemned through his own fault. Nobody goes to hell without his own consent. So many<sup>26</sup> from their childhood years are heading to perdition through the fault of their parents who no longer want to hear about the Eternal Father’s existence. Such are the many that I will convert through the prayers of the faithful ones. The demon is disposed to mislead souls. In My Church he is moving, labouring hard to flatter everyone with his lies. Through the Prayers of Atonement many of them will reach My Mercy in My power and protection while all who refuse will perish in the sea of the fire. Truly, I will never frustrate anyone who will lock My Name in their heart.”

*“These times are my difficult hours when the devil is making every effort to abolish the Holy Sacrifice of the Mass.”*

“**M**y daughter, pray without ceasing. Keep awake and watch with Me in these dark hours when satan is directing and seducing many minds, making them capable of destroying humanity. It is a grave hour. Keep Me company in My vigil for sinners; hold Me tightly in your heart and never waste any of these precious times. Do not be afraid. Always be peaceful; do not bewail the general cataclysm of this generation. Blessed are they who are captivated only by My Eternal Father and My presence. Persevere in prayer and penance without fear. I desire all mankind to be saved. Do not be afraid of remaining in the highest spirit of contemplation. It is a task I have given you. I must accomplish many signs in your heart.

These times are My difficult hours when the devil is making every effort to abolish the Holy Sacrifice of the Mass. Pray and atone, particularly in the Holy Sacrifice of the Mass for Atonement. I tell you truly, the time has come for the world to repent; a universal change is near such as has never been from the beginning of the world to now and never will it be again. Pray, pray for those who ridicule, abuse, condemn and more than in the past, step on Me in order to abolish My Presence in the Sacrament of My Love. I desire that they be saved. My Mercy is infinite. That is why I came to call sinners.

My warning is strict; it is not a order to condemn the world. On the contrary I want to save souls by My messages in many different parts of the world. The moment has come when I must warn mankind in order to avoid a catastrophe. Those who do not want to follow My Mercy will perish at the end. The only things which can still save are prayer and penance<sup>27</sup>.”

Attend to My Words which inflame your heart and enlighten your mind.

Listen to My Voice. I have great plans for you. It is for the good of souls. Do not be worried. Be calm. Abandon all to Me. Watch with Me and pray. Lift up souls to Me. “**M**y daughter, be patient and listen to Me. You know what I request of you: prayers, penance. Keep awake and keep expositions of My Divine Sacrament. These are difficult hours for Me, as dark as they are, satan works with ... in order to corrupt them, instilling in them that the Holy Sacrifice of the Mass should be abolished. The devil is very astute.

What suffering to Me! Weary of My vigil for mankind, day and night, I remain waiting through My sacramental veils. I love mankind. I have come to call them. I desire that all may be saved. I want them to realise the terrible truth. The Freemasons have abused Me totally. This is the dark hour when they are trying to abolish My Presence. They abuse My very Gospel. Their iniquity is repugnant! They shout ‘we do not want Christ’ as they turn Me upside down. Satan has chained their souls.

My daughter, unite your heart to My tears. Look at Me in My Divine Sacrament. What great sorrow! How do I make them understand that I love them all? This is why I allow Myself to be seen.

The freemasons are executing themselves with their own hands. Hell awaits them!<sup>29</sup> Pray a great deal without ceasing. Do not be afraid. I have given you many signs of My presence. You must always be obedient, serene and humble; be prepared for everything.

I must repose sacramentally in your heart. I want to strengthen you and give you new light. You must embrace the whole of mankind. You must be strong with this supreme proof of obedience and love. You pray and do penance. Expose me to souls. The blasphemers, the image of worldly man, the action of his diabolical spirit, brings destruction and ruin. Pray. Through prayers I will call the attention of many souls.

What hurts Me most is My own ... who betray and attack Me on both sides. They are traitors in perdition. God, My Eternal Father, will do justice for all these iniquities. Beware, it will be worse than Babylon! Judgement is coming. The dealers will perish because they have drunk satan's poison. They have turned against My Eternal Father. This is My painful hour when they are labouring hard to abolish My Holy Sacrifice of the Mass. They all oppose Me. My Eternal father has shown Me and has told Me 'this is all the earth! Diseased in part. So few are the chosen ones!' The good do not pray! Many nations will disappear off the face of the earth. I, the Lord of revelation, order you to assure them that I appeal to their consciences, to the whole of humanity.

Pray, do penance, receive Me more and more. I want them to repent. Many do not listen to Me because they are not aware of this terrible reality. My Mercy is great if they repent!”

What more could I have suffered for mankind! The devil is using My own ... The good ones do not understand Me as I am.

Many love Me for the sake of the reward which I have promised. They do not allow Me to make use of My rights over them. I have given Myself in this Sacrament. *“The souls I love so much do not understand.”*

“**M**y daughter, spend these terrible hours with Me. Watch and implore mercy for sinners. The souls I love so much do not understand. These are grave moments. Pray and atone without ceasing. In the Sacrament of My Love I never sleep. I am so much abused by My own... The world is in ruins and desolation. What a pain My daughter! I warn mankind because I want it to be converted. The devil will cast its evil powers on the nations. In a given moment he will destroy the best part of My flock. I am agonizing over souls. Pray and do penance to save souls and you will obtain God’s predilection.

I feel great pain to be neglected and ridiculed by... Keep awake for the sake of sinners. Pray and cloister all in your heart.

Do not be afraid. You have to realise My will. I want you to console and appease the wrath of My Eternal Father. Put yourself in the high spirit of contemplation.”

*“My Heart is in great pain.” (see Divine Appeal 2nd16th and 17th January 1988)*

“**M**y daughter, pray and do penance. Listen to what I tell you now and always. Don't you realise that I have chosen you as an instrument? Even if it will cost you many tears, you must listen to Me and write down messages for Me. This is My work.

These are times of overwhelming violence. I need to give My warning before it is too late. You have to pray and accompany Me. Implore Mercy for sinners. My heart is in great pain. The souls I love so much do not understand. The tyrant has stolen their hearts, locking them in the prison of scandal and all kinds of malicious corruption. All devilish work; when labouring hard before My Holy Altars to abolish the Holy Sacrifice of the Mass.

More than ever, immerse yourself in the most high spirit of contemplation. Cloister mankind in your heart. Pray, watch and atone. After receiving Me do not leave Me alone just like Judas. I am still sold and abused in the Sacrament of My Love. Heed My words and stick to what I tell you. Do not abandon My living words. Through My beloved servant I erect an altar in your heart. Pray without losing any time. I am pleased at the Masses of Atonement.”

“With my infinite Love I bless you.”

*“I never sleep.”*

“**M**y daughter, watch and pray. These are My difficult hours. Do not abandon My words. Implore mercy for sinners. Do not lose any of these precious times. In the Sacrament of My Love I am so much blasphemed and ridiculed. I implore you to watch in order to console Me. Make reparation and obtain mercy for sinners. I never sleep.<sup>34</sup>

I am always watching and calling souls back to My sheepfold. I feel great pains to see My own... labouring hard to abolish the Holy Sacrifice of the Mass. More than ever they are leading many souls to perdition. It is My desire that everybody be saved. No one goes to hell without his own consent. I am agonizing over souls.”

*“I am calling again and again. I am never weary of calling sinners back.”*

“**M**y daughter, pray and keep awake and give me your company. These are grave moments and difficult hours for Me when My own... are labouring hard to abolish the Holy Sacrifice of the Mass. More than ever I am blasphemed, ridiculed, abused, condemned and spat upon. The times demand accelerated action because My pain is immense. The world is in a swampland of muck and mire. I assure you truly, never before has the world needed prayers like in these tragic times. If prayers and penances are not offered the powers of evil will break loose. I implore mercy for sinners. Cloister them in your heart.

I call them all back to My sheepfold. These times are worse. The good do not pray. Behold I offered my whole self to the Father for all. What a pain that everyday I am more forgotten and neglected, in the fore front my own... As I continue to love mankind, I am forced to walk in the midst of the milling crowds with My head bowed down. In the tabernacles I remain day and night waiting and calling to embrace all.

I desire all to be saved. I am calling again and again. I am never weary of calling sinners back. Souls are only falling into perdition. I love them all.

I pour My infinite mercy in human hearts and I let them see My saving power. Pray and atone. For My sake accept all the hardships on your way. Everything has an exact purpose for good.”

*“I am overwhelmed with pain and derision.”*

“**M**y daughter, spend these dark hours with Me. Watch with Me, pray and atone. Implore mercy for sinners. Make reparation for all the pains I receive and pray to appease the wrath of My Eternal Father. The pains that I receive continuously pierce My Heart. I remain in the Sacrament of My Love seated with outrages in My mystery. I assure you I am overwhelmed with pain and derision.

Give Me company. The souls I love so much do not understand. I am eager and ready to receive all sinners if they should come back to My sheepfold. I preserve the life of grace and sustain it. I am agonizing over souls.

My mercy is a great appeal to them. The action of mankind brings destruction and ruin to the world. Pray a great deal. Through prayer I will call the attention of many lost souls. What hurts Me most is My own... They attack Me on all sides. They continue to be traitors to perdition. Their iniquity is repugnant. They shout that they do not want Me. I want them to realise this truth. Pray and do penance. Cloister mankind in your heart. You have to be obedient, serene and humble for the good of souls.”

*“I keep awake day and night in the Sacrament of My Love. So many have forgotten and whipped Me. More than ever they continue insulting and abusing Me. Their ingratitude pains My Heart greatly. I remain so lonely and afflicted in tabernacles. I keep watching on My destroyers.”*

“**M**y daughter, pray and atone. Watch with Me at these dark hours. I want to save mankind. I grieve to see many souls approaching damnation. Blessed are those who listen to My word and prepare themselves. The anger of My Eternal Father is overflowing. The world has lost its senses.

I am bending down over humanity. I call them all to transform their hearts. In the light of My truth My own... pierce My Heart with swords. I still grant them time to amend. It is terrible to fall in the hands of My Eternal Father.<sup>35</sup> These are times of overflowing violence. The chalice is filled.

Their ingratitude pains My Heart greatly. I remain so lonely and afflicted in My tabernacles. I keep watching at My destroyers. Pray a great deal and implore mercy for sinners. With love and mercy I am calling them all to repent and come back to My sheepfold.”

*“My left hand points to a warning and My right to a miracle.”*

“**M**y daughter, pray, watch and atone. Listen to My Voice of mercy and love for mankind. Pray more for the scandals of this world. My left hand points to a warning and My right hand to a miracle. I speak with tears in My Heart. I am so ridiculed and spat upon by My own... What a pain to me! Time is approaching when My Church will be devastated and sacked. My own... have become like enraged lions. There are very many sacrileges committed against My Presence in the tabernacles. Many have lost their dignity and light of reason. The devil has chained their hearts. Led by him they labour hard to abolish the Holy Sacrifice of the Mass. The chalice is filled.

My Eternal Father’s justice is so powerful and will exterminate what is rotten... I want him to make My word echo in souls. My word addresses everyone to do penance and pray. They have to abandon sin. Never before has the world needed prayers like in these tragic times. If there are no prayers the power of the evil one will win. What a pain! The souls I love so much do not understand me. I am in agony over souls.

I am so abused and denied. With My Head bowed down I am forced to walk through the milling crowds. From all this I ask for prayers and atonement. I am so much afflicted. In My Vigil for sinners I never sleep. I am ever watchful beneath My sacramental veil.”

*“The Freemasons are abusing Me in the tabernacles and in My very Gospel. The iniquity is repugnant. Evil concerns are in the hands of the freemasons. They have all agreed to abolish the Mass.”*

“**M**y daughter, spend these terrible hours with Me; I need your company. Watch, pray and atone. Implore mercy for sinners. Do not tire. The freemasons are abusing Me in the tabernacles and in My very Gospel. The iniquity is repugnant. Unite your heart to My tears of blood. These are the moments they are labouring hard to abolish My Holy Sacrifice of the Mass. My Eternal Father is so offended. What a sorrow! With their own hands they are executing themselves. They only desire to see the Church in ruin.<sup>38</sup>

Evil concerns are in the hands of the freemasons. They have all agreed to abolish the Mass. What a pain! Satan is in the midst of their ranks. I assure you that souls are allied with Satan. My great love for mankind keeps me day and night in the Blessed Sacrament. How much pain do I receive from their treason and indignity. With many sins, revenge cries out on My Eternal Father’s behalf. I desire mankind to be saved. No one goes to hell without his consent. I am calling all back to My sheepfold. The world has lost its senses.”

*“My desire is that humanity be converted through prayer and the sacrament. Mankind, like Judas, betrays My Heart and drags souls to perdition.”*

“**M**y daughter, listen to Me. Pray a great deal and watch with Me. Humanity must be converted. With tears in My Heart I am calling everyone to pray. My desire is that humanity be converted through prayer and the sacrament. Mankind, like Judas, betrays My Heart and drags souls to perdition. They chase blindly after their brutal conceptions of life; this will constitute their own sentence. What a pain to Me! In the front line is My own...; they tragically cut the innocent into pieces and those who are faithful to Me. The world is desolated because of iniquitous evil.

My daughter, I want sinners to be converted. In the Sacrament of My Love I am so lonely and afflicted without any visitors for many hours. In My tabernacles I am forgotten and rejected by very many souls. Give Me company and pray a great deal.

This is the only way to save the part of this world which has lost its senses. I love mankind and this is why I make Myself visible and assure this to you. Listen to My anguished Voice.

This work has to be a movement of continuous prayer for reparation and conversion of souls.<sup>39</sup> Do not be afraid. Pray a great deal and cloister souls in your heart. In each face see My countenance as you must live in deep humility for love of souls. Do the will of My Eternal Father and completely surrender yourself. I enlighten you. Calm down in everything. This is what I want of you.”

*“The Chalice is filled.”*

“**M**y daughter, spend these dark hours with Me. These are My difficult hours. Bitter ingratitude has wounded My Heart. What a pain to Me! Mankind does not want to listen to My call of tears. Their hearts are invaded by satan. My Mercy is followed by Divine Justice. The souls I love so much do not understand to what extent I suffered all the pains for mankind. What more could I have suffered!”

“The Chalice is filled. Time is approaching when I will speak with My Judge’s Voice. These are grave moments. Pray a great deal and do what I ask you without wanting to know how and when. The Cross is the joy of paradise. Mankind must know that the light shines in the darkness. I love them all and I need them to be docile to My warnings of Mercy. Pray and do not lose these precious times.

I would like My Voice full of affliction to fly to the ends of the earth saying over and over ‘be attentive’. In the Sacrament of My Love I am continually receiving abuses; passing through the milling crowds with bowed head because of the many sacrileges against My Divine Sacrament in the tabernacle.

I am calling everyone to pray and atone. I will pour My infinite mercy in human hearts. More and more I will draw them to Myself. Everyone should come to the ocean of My mercy before it is too late.”<sup>40</sup>

“**M**y daughter, spend these dark and terrible hours with Me. Give Me company. Pray and atone for mankind. Souls are allied with satan. Implore mercy for them. More and more I am despised and abused in the Sacrament of My Love. The world advances towards the precipice from one day to the next. If mankind listens to My warning and comes back to Me then My mercy will be great to them. With tears and mercy I bend over humanity. What a pain to see My own... in the frontline labouring hard to abolish the Holy Sacrifice of the Mass. I remain so lonely and abused in many tabernacles of the world. I am calling souls to come back before it is too late. Time is approaching when I will no longer speak with mercy, rather the Divine Justice will work. From all these pains, I am continuously passing through the milling crowds.

The anger of My Eternal Father is overflowing. With tears in My Heart I am agonizing over souls. It is terrible to fall in the justice of My Eternal Father.<sup>41</sup>

*“This is My grief.”*

“**M**y daughter, pray and console Me. Innumerable are the sins committed and innumerable the souls that are damned. But what wounds Me above measure is the abuses and blasphemies that I receive from... From all this I ask you to hide Me in your soul.

What agony I endure when treated with such indignity...! It is these very souls whom I love so especially who treat Me so. This is My grief. Make reparation, satisfy the Divine Justice with it. I am in pain. Share it with Me. It is yours also.

Many receive Me with joy in Holy Communion but very few receive Me when I visit them with My Cross.”

## DIVINE APPEAL 77

*“In My vigil for sinners I never sleep.”*

“**M**y daughter, pray a great deal. I want you to be little and humble. Suffer with great love and never cease to bring Me souls through your prayers. Pray hard that they may allow grace to penetrate them. If souls knew the excess of My love they would not disregard it. This is why I go seeking them and spare nothing to get them back.

Contemplate Me in the prison where I spend days and nights loving and waiting for mankind. In the prison of My tabernacle I am enduring solitude and desertion. I lack the shelter of love. How often should I wait for souls to visit Me in the Divine Sacrament and receive Me in their hearts. They would comfort Me in my sorrow by their repentance. I exult in forgiving sins. I ask you to bring Me souls. I forgive them. It was My love for mankind that made Me to suffer the most ignominious contempt and horrible tortures.

I want souls to know Me and desire My chosen souls to make Me known to those I place in their care. Instead... mistreat and abuse Me.

In My vigil for sinners I never sleep.

What a pain to Me! Satan has been able to enter... provoking great confusion.

Pray a great deal. I am agonizing for many. Souls are falling into perdition.

I plead with you to stay awake and hold mankind in your heart. Keep Me company in these dark and terrible hours. Pray to appease the wrath of My Eternal Father.

I need your obedience and humility. I make myself visible to you in order to call back many lost souls to My sheepfold with love. I do not want anyone to perish.

As I am exposed, I will pour My infinite mercy into human souls. I came into the world to give the life of grace to mankind but many have rejected and abused it. What more could I have suffered for mankind! Pray and atone. Do not lose this short and precious time. Days are approaching when I will speak with My Judge's Voice. *“I have two measures for every soul. First is of Mercy and it has overflowed. The second is of Justice, it is approaching.”*

“**M**y daughter, I speak to you amid tears. Save My pains. The pain is almost forcing My justice to act. The sins of mankind wound me deeply but not nearly so much as those of... I have two measures for every soul. First is of Mercy and it has overflowed. The second is of Justice, it is approaching. Pray for more souls, watch and atone.

You shall be the victim of My Presence in the Divine Sacrament. Through a bitter dislike for all that is not of Me I want to use you to save many souls. They have cost Me so dear. For the sake of souls do not refuse Me anything. I beg you not to desert Me. When I leave you prey to anguish your suffering wards off Divine Justice when it is about to strike many sinners.

I have come to reveal to you the feeling of My Heart. Draw near to Me. When you see Me submerged in grief, rise and go with Me. Give Me company. Contemplate Me in the prison of My tabernacle. I endure cold, sleeplessness, hunger, thirst, pain and desertion. Pray for the soul that receives Me. How many days and nights should I spend longing for souls to come back? Shout out and assure them that I am thirsty for them. I love them all. I am calling them all into My sheepfold. These are grave moments. I am in the state of ignominy. What a pain from... blow after blow is discharged by the blasphemers. The Freemasons with whips and fretted cords strike me with such violence that My very bones are shaken and I am torn with innumerable wounds.

Pray and console Me. Implore mercy for souls. Let yourself be guided by grace and by the desire to console Me. My grace will help you to do whatever I ask of you. Do not fear. Give Me all the

freedom over you. See the pains that I receive from My own...

Pray and cloister them in your heart. Put yourself in the high spirit of contemplation. I love mankind.”

*“Hope obtains innumerable graces for self and souls.”*

“**M**y daughter, pray a great deal. Watch and atone. Listen to Me and write. Fathom the pain that I receive in the Sacraments of My Love. My own deny Me. The world revolts against Me and so many souls pour scorn upon Me.

I speak to My beloved servant and I assure him that grace will accompany my words continuously as he speaks them and truth will triumph. I am agonizing over souls. What a pain to see My own... They treat Me as one very far from them. They do not want to understand My feelings.

Pray a great deal and atone. Hope obtains innumerable graces for self and souls. I desire this to be understood so that My mercy may be revealed to the poor souls who have gone astray on the way to perdition.

I want them to know how greatly I long for them. I am calling souls before it is too late. I want souls to be saved. It is My will to reign in the souls through reparation that I ask (made by many and through small hosts).

Through the small hosts My words will be known to many and they will be printed and read and I will grant special graces that through them souls may be transformed. Let Me plunge your soul into My bitterness. I need you to dress the wounds that are caused by My own... Do it for Me through your prayers. Do not be afraid.

Give Me freedom to share My feelings. In the Sacrament of My Love I feel great pain. My own... are labouring hard to abandon the Holy Sacrifice of the Mass. Pray a great deal. Cloister souls in your

heart. Follow My words to my beloved servant and heed them. As he lifts Me up I will pour My infinite mercy in the human souls.”

## DIVINE APPEAL 80

*“Prayer is the key that opens every door.”*

“**M**y daughter, pray, keep awake and in the light. I want you to learn to be generous. Do not fear sufferings. They will pass but merit is eternal. Do not lose sight of Me. Pray that souls may learn and accept to despise the pleasures of this world in order to acquire those that are eternal. I desire and long for the entry into many lost souls.

Pray and do not be tired nor fear to be importunate for prayer is the key that opens every door. Pray now that you may see My sufferings for souls that I love so much. Lose yourself in Me always for the sake of souls. My Divine Sacrament is here every day and night full of tenderness, waiting and longing for souls.

What a pain to see souls on the way to perdition! Many believe in Me but few believe in My love. There are too few who rely on My mercy. I want to reign over souls. I address My appeal to all. My own persecute Me in the Sacrament of My Love. They have wounded Me and they still continue to. They have despised My graces continuously. I am left alone in empty churches. Led by the devil they labour hard to abolish the Holy Sacrifice of the Mass. My heart takes comfort in forgiving. I have no greater desire, no greater joy than when I can pardon a soul. Pray a great deal and implore mercy for souls. I want you to fulfil My plans by the docility with which you allow yourself to be handled. Do not leave Me alone. Many souls do not think of My feelings. I want them to know how much I love them. They celebrate and assist at the Holy Sacrifice of the Mass for their own interest. Pray a great deal. Implore mercy for them. Cloister them in your heart.”

“I give My blessing.”

3.00 a.m., 8th February 1988

## DIVINE APPEAL 81

*“I thirst for souls.”*

“**M**y daughter, never mind, let Me speak to you. Offer yourself as a victim in such a way as to make reparation for all the pains I receive from many souls. I hope to find consolation from you. Open your whole souls to Me. I shall be the Divine torment of your whole being. I make you a victim of My Love. Being a victim you shall suffer. I will join all fidelity of other souls to yours.

In the Sacrament of My Love I remain so lonely and abused by My own. What a pain to Me! Many souls think that love consists in saying ‘Lord I love you’. Not this way. Love is good and it begets because I love. Keep My love in pain, in rest, in prayer, in comfort, as in distress. If souls would really understand My love they would be able to follow My path of truth and justice.

In your sufferings I shall come and ask you for the love that many of My own refuse Me so that you may understand My sorrows. Give Me rest in your heart. I want you to be one of those helping Me to snatch souls from the evil one. Suffer in silence.

Love very much without introspection. I love you. Do not be afraid. I will not abandon you to death. I want you to leave Me a current between your heart and Mine.

I need souls to know that weakness will never surpass My strength. As I am exposed, I will pour My infinite mercy into human souls. I want them to repent. I address myself to souls. The souls that I love so much pay no heed to My call of Love. Instead they pay heed to the evil one. Consider how I suffer from loneliness, rejected by My own loved ones. Come closer to Me.

In My Divine Sacrament defend Me from the abuses and insults. My soul is devoured while praying for the souls that have whipped Me.

They only think of abolishing My Presence. What a pain!

Share My agony. When I raise My eyes with tears to them, let Me find yours looking at Me in My prison. I thirst for souls. Pray for them and cloister them in your heart. Receive My share of pains.”

*“I hunger for souls. I come down to them with joy, stretching My Hands to embrace them.”*

“**M**y daughter, pray and spend these dark and terrible hours with Me. Take part in My previous pains. Do not fear. I will make you share My bitterness. Pray a great deal and implore mercy for souls. What a pain to me that in the Sacrament of My Love My own... wound Me bitterly. Offer all you do for them. Give Me rest in your heart. If souls knew the excess of My love they would not disregard it. For this I am seeking them. Suffer with grief.

My love for mankind is so great that I am consumed with desire to help all but what a pain for Me to see many lost. Many need someone to obtain grace. I hunger for souls. I come down to them with joy stretching My hands to embrace them.

My Heart is full of pain to see the world rushing headlong to ruin. I am consumed with desire to pardon. Understand My grief. Come near and comfort Me, repair and obtain mercy for many souls.

In the Sacrament of My Love I am abused, insulted and abandoned. They seek to deal out death to Me. Why do My own do this to me thus? What more could I have suffered for them? When I called them many of them responded but now they trample Me underfoot and ridicule Me, frustrating the designs of My Love on them. Give Me rest. So many souls are led to perdition. I love them with a boundless love.

As I am exposed I will pour My infinite mercy into human souls. I will make known that the measure of My Love and great mercy for fallen souls is limitless. I am ever here waiting with boundless love to forgive them.

In the prison of My tabernacle I spend days and nights longing for

souls to come back to My sheepfold. In the tabernacle it is those who call Me Lord that abuse and treat Me... I am in a state of ignominy. Keep Me before you. I am agonizing over souls.

My own... cause Me intense grief. Pray a great deal and cloister souls in your heart. Great is the coldness of souls. Do not fear for that which you feel. I share the anguish because I come to comfort.

Souls greatly wound Me. Pray and atone.”

*“Help Me in the undertaking of Love. I am in search of Love. I love souls. I am looking for a response. Look at Me in the Sacrament of My Love. Where shall I find relief for My pains?”*

“**M**y daughter, pray, spend these dark hours with Me. Give Me your company in the Sacrament of My Love.

Many entertain Me and when I visit them in Holy Communion, few pray. Help me in the undertaking of Love. I am in search of love. I love souls. I am looking for a response. Look at Me in the Sacrament of My Love. Where shall I find relief for My pains?

I come here seeking shade and consolation in order to forget all the pains I receive from mankind, especially My own... Prostrate yourself to the very ground and adore My Divine Sacrament in order to console Me. I let you spend these hours united with My feelings. I want to forgive souls and yet they only seek to offend Me.

My great love for mankind keeps Me day and night a prisoner in My tabernacle. I live in the midst of sinners that I may be their life and in return they forsake Me. I am now calling them back to my sheepfold.

Assure them that I will not reproach them if they repent. I will not cast their sins in their face but I will wash them in My Blood that I poured out for them. They need have no fear because the power of the evil one is not greater than mine. My Heart is filled with Love and Mercy.

My great pain is that which I received from My own... In the Sacrament of My Love I only receive abuses and insults. I am in the midst of outrages and infamous treatment, alone, and in great pain. I am agonizing over souls that I love so much. I allow Myself to be

treated this way in order to save souls. Pray a great deal and cloister souls in your heart. Contemplate Me in My sorrows. I am thirsting for souls. Give me souls. *“The sins of mankind wound Me.”*

“**M**y daughter, pray and atone. I hold you a prisoner in Me. I ask you for acts of reparation for offences inflicted on Me by My own...

In the Sacrament of My Love I am ever waiting in the tabernacle with boundless love until souls come back to Me.

Many of My own... do not understand how much I love them. They do not know I yearn to draw them back to Myself. I am calling souls. I want to forgive. My Heart is overflowing with Love and Mercy waiting for souls. Pray a great deal and never be tired. The souls that I love so much despise Me. I am thirsting for souls. Give Me souls in your prayers. What a pain for Me to see that souls are eternally lost. Souls wound Me pitilessly. I desire them to know how much I love them and wait for them.

The sins of mankind wound Me deeply but not nearly so much as those of My own... What a pain to Me to see many led and many labouring hard to abolish the Holy Sacrifice of the Mass. I have two things for every soul: Mercy and the other Justice. Contemplate Me in the state of ignominy. Implore mercy for souls. Do not waste any of these precious times. Sooth My anguished heart. I beg for prayers.

Many believe in Me but few believe in My Love. I address My appeal to all souls. I want to reign over them. Led by My..., many souls are on the way to perdition. Many of them do not think of my feelings. The souls I love so much do not heed My love. My love towards them is so great that I am consumed with desire for them all. “**M**y daughter, pray a great deal. Implore mercy for sinners.

I want to make your heart an altar. When you are in pain I rest and I rejoice to converse with you. My visits will never harm you. I want you to surrender yourself to be ready to undergo torments of the evil one indifferently. Do not fear. My Heart is all Love and it embraces all souls. I desire souls to unite themselves to Me in all their ways. I am thirsting for souls. I love souls so dearly that I have sacrificed Myself. Love can no longer contain its devouring flame. For the love of souls I gave out My Divine Sacrament of Penance whereby in this Divine Sacrament of Penance I am only longing to forgive souls. I remain here calling sinners to come back to My sheepfold. I want to pardon and reign over souls. I love those who after going astray come back to My forgiveness.

My peace must be extended over the entire universe. My appeal is to all. To each one of them I came to say if they desire they will find It in Me. It is My will to reign through reparation made by souls.

My words are light and life for an incalculable number of souls. I will impart special graces by which souls may be enlightened and transformed.

I want them to form a league of love<sup>42</sup> in order to teach and publish My Love and Mercy and how urgent it is. I want and need reparation to be told and grow among the faithful souls. For the world is full of sin and at this present moment nations are arousing the wrath of the Eternal Father.

## DIVINE APPEAL 86

*“Let the callous and indifferent know that I am thirsting for them. I am the source from which water flows inexhaustibly in abundance.”*

“**M**y daughter, pray and spend these dark hours with Me. Help Me by praying and loving. I am thirsting for souls. Bring Me souls. Speak in your own words as they come into your mind.

Give Me your company – I am so lonely in the empty churches. It is My great love for mankind that keeps Me day and night in the tabernacles. I am in agony over souls. Pray a great deal and do not lose a single minute. Time is short for saving souls. Take My pains to help them in your prayers.

Never shall I weary of repentant sinners. In the Sacrament of My love, greater is the welcome. This is why I wish all to know that.

I speak to My... I want him to let the callous and indifferent know that I am thirsting for them. I want to forgive. What pains for Me to see the world buried in sensuality! No longer is its sweetness known.

Pray a great deal and atone; bring Me souls. Offer yourself in union with Me. In the Sacrament of My Love offer Me at each moment to My Eternal Father for the purpose of saving souls. I am waiting for souls as I remain a prisoner in the tabernacle. I am the source from which water flows inexhaustibly in abundance. In your prayers bring souls. I wish them to know that life eternal is at hand if they would accept it.

Here is My mercy. Time is short. I am very near to souls but they reject Me and prefer their own ways. These are grave moments.

What grieves Me most is... Many doubt Me even though they have

given Me their lives but their hearts remain closed. I call them all back to My sheepfold.

My desire is that souls be saved. As I am exposed I will pour My infinite Mercy in the human souls. These are grave moments. Pray without ceasing. Never before has the world needed prayers than at this present time. The Chalice is filled. These times demand accelerated action. My pain is immense. I speak to you amid tears. With love I am calling and I would not like anyone to perish.

Pray and cloister souls in your heart.”

## DIVINE APPEAL 87

*“My heart is wounded by sin and torn by grief.”*

“**M**y daughter, pray a great deal. Bring Me souls. I want to forgive. I want souls to know that My heart is overflowing with love and mercy.

My own... cannot realise how greatly they relieve the sorrow of My Heart by giving Me a place in their own hearts. Many accept when I visit them in Holy Communion but few welcome Me when I visit them with My Cross.

What a pain to Me that the world is full of perils. Many souls are dragged towards sin and constantly they need visible or invisible help. Many do not know how much they can do to draw near to Me. My Heart is so much wounded by sin and torn by grief.

I am thirsting for souls. It was My great love for mankind that made Me suffer the most ignominious contempt and horrible tortures.

In the Sacrament of My Love I remain day and night as a prisoner in the tabernacle for love of repentant sinners. Pray a great deal. Do not complain about your sufferings. I desire you to suffer silently. Let Me work in you and save souls silently. Forget everything and above all forget yourself for the sake of saving souls. Many abuse and spit on Me in My Divine and Living Sacrament.

Pray a great deal and cloister souls in your heart.

I am thirsting for souls.”

## **DIVINE APPEAL 88**

*“I am Love and Mercy.”*

“**M**y daughter, pray and bring Me souls. My appeal is addressed to all those living in the world: the good, sinners and those consecrated to Me. To those who obey and to those in authority I say: ‘I AM LOVE AND MERCY.’”

To My consecrated ones I want the need and desire for reparation to be re-awakened and grow among the faithful souls for the world is full of sin. More than ever I am very much abused and blasphemed in the Sacrament of My Love. The world is full of sin and at present nations are arousing the wrath of My Eternal Father. I want souls back to My sheepfold and peace to prevail. I am agonizing over souls.

Pray and watch with Me. Do not leave Me! I am like a terrified child begging not to be left alone.

In My Divine Sacrament I am only poor, full of distress even though I remain there day and night. No one will ever understand the depth of My desolation. Adore My love and My hunger for souls.

Adore the supremely delicate manner in which I share My secret thoughts and reveal my desires to you. I desire you to be simple as I am for you. It is My joy to offer gifts in silence.

I am thirsting for souls that I love so much. For the love of souls I remain a prisoner in the tabernacle. I never weary of sinners. I want to rest in souls. What a pain for Me to see so many souls on the way to perdition. Pray a great deal and share My bitterness. I come here seeking shade and consolation. In My Divine Sacrament I am so lonely in empty churches.

Many entertain Me only when they receive Me in Holy Communion.

Share My anguish and the loneliness of My Heart.

Pray a great deal. Do not lose any of these precious times.”

“I leave you prey to anguish. I want you to be ready to console Me with your pains.”

## DIVINE APPEAL 89

*“I raise My eyes with tears towards My own.”*

“**M**y daughter, pray a great deal and spend these hours with Me. Keep Me company. Implore mercy for sinners.

You will be My victim. Offer yourself in union with Me. Offer yourself in each moment with the purpose of bringing Me souls. Forget everything. Achieve the grandiose of this grace.

In the Sacrament of My Love it is My desire that many souls may know My clemency. Pray a great deal for souls. I want you to repent. My joy is to forgive and to save souls. The great love for mankind keeps Me day and night a prisoner in the tabernacle.

I am agonising over souls. What a pain for Me to see many among My own... who treat Me as one far away and unable to understand My feelings towards souls that I love so much. I come to call the lost souls back to My sheepfold. Never shall I weary of repentant sinners.

Be in My pain for the sake of souls. Give Me this token of kindness. It is an offering for souls.

In the Sacrament of My Love I am so lonely in the empty churches. Pray to console Me and implore mercy for souls. These are grave moments. Never before has the world needed prayers as at this fragile time. Be gracious to souls.

In the Sacrament of My Love I am so ridiculed and insulted. I raise My eyes with tears towards My own... Receive My share of pain. What more could I have suffered for mankind? Pray and atone. Do not waste any of these precious times.

I am always watching beneath My Sacramental veils, waiting for souls to come to Me.

What a pain for Me to see so many souls on the way to perdition.

With humility and concern, pray for souls.”

## DIVINE APPEAL 90

*“Innumerable are the sins committed innumerable the souls that are damned.”*

“**M**y daughter, spend these hours with Me. Pray a great deal and cloister souls in your heart.

My great love for mankind keeps Me day and night a prisoner in the tabernacle. What a pain to Me! So many of My own... pour scorn upon Me. They treat Me as one far away from them.

Pray and atone. Innumerable are the sins committed and innumerable the souls that are damned. Pray and implore mercy for souls. I ask you to hide Me in your soul. Do not be tired or fear to be importunate. I remain in the tabernacle full of tenderness thirsting and longing for souls. Bring Me souls in your prayers.

Do not leave Me alone. I am like a terrified child begging not to be left alone.

The ingratitude of My own... continuously pains Me. I am so lonely and afflicted in so many tabernacles of the world. With My voice full of supplication I want to fly to the very ends of the earth saying again and again ‘repent!’

I love mankind. I am never tired of My vigil for sinners. Pray a great deal for souls. Many of them are heading for perdition. With love I call all back to My sheepfold before it is too late.

These are grave moments. I am agonising over souls. The world advances towards the precipice from one day to the next.

Pray a great deal. As I am exposed I will pour my infinite mercy in human souls.”

“I give My blessing.”

## DIVINE APPEAL 91

*“As I am exposed, I will pour My infinite mercy in the human soul.”*

“**M**y daughter, spend these dark hours with Me. Watch and pray. With love and mercy I am calling. I do not want anyone to perish.

Pray and bring Me souls. Let nothing else count for you any more apart from what grieves Me.

Never suffer outside My Love but let your sufferings be like new accents of love for Me. You know that I love you. Stay with Me. Do this for the sake of souls. Do it as though it were in your power to give Me every living person in a single instant. You can quench My thirst with it.

For the sake of souls let your ears always be on the alert to listen to Me. Look how alone I am in the empty churches. You will be My victim and offer yourself in union with Me. I feel that need of being surrounded by all My beloved ones. Adore My love and My hunger for souls. Pray with me. Now that you have seen how deep is My love.

I do assure souls that I am calling them all to repent. These are tragic times. The evil one already knows that the time is short. The children of darkness calumniate Me because they will never see My Truth. I accept this offering of sufferings.

As I am exposed, I will pour My infinite mercy in the human souls. My great love for mankind forces Me to remain lonely in the tabernacle.

Give Me your heartfelt adoration. Pray more. Do not blame yourself as if you were responsible for your happenings. I do not want you to be imprudently sad for I tell you whatever you do you will have sorrow. This is why I want you to be wisely aware of the state of penance in which you always dwell. Take it for souls.”

In weariness and sickness your prayers are pleasing to Me. Do not

waste any of these precious times. Bring Me souls. As a traveller seeks a shelter where he may rest along the way, you are such a shelter for Me. You are suffering because you are a victim for Me.

Pray a great deal.”

“I give My blessing.”

## DIVINE APPEAL 92

*“I want to make it known that My work rests on nothingness and misery.”*

“**M**y daughter, spend these hours with Me. You will suffer to gain souls as you are a victim. Do not fear because I will not allow anything to harm you. I am asking you to comfort Me in the Sacrament of My Love.

I want to make it known that My work rests on nothingness and misery. Such is the first line in the chain of love I have prepared for souls for all eternity. I use you to show that I love every littleness and absolute nothingness. Your soul must remain in peace even in the midst of pain. In the Sacrament of My Love what a pain to Me that My own... are blaspheming and cursing Me bitterly! How can I describe My feelings on knowing how much I love mankind. I am ever there waiting with boundless love until souls come to Me. I know the very depths of souls.

I want to forgive. I want the world to know through My chosen ones that My Heart is overflowing with love and mercy and I am waiting for sinners. The world is full of perils. I feel a great pain to see very many poor souls being dragged towards sin and constantly need visible or invisible help. I so much want souls to understand how I love them. I am all Love and I embrace all souls.

I long and I ardently desire souls to fix their eyes on Me and never turn them away. Souls that see themselves overwhelmed with miseries attribute nothing good to themselves.

The world is full of sin at this present moment. Mankind is arousing the wrath of My Eternal Father. I desire reparation. I want the world to be saved. Pray a great deal. I call all to My Mercy. It is My will to forgive and give peace to souls.”

“I give My blessing.”

## DIVINE APPEAL 93

*“I am Love and Mercy.”*

“**M**y daughter, spend these dark hours with Me. These are My most difficult hours. It is My great love for mankind that keeps Me day and night a prisoner in the tabernacle. I come to beg for prayers and penance.

I speak with you amid tears. Offer your personal sufferings united to My heart for the restitution of scandal. You have to bring souls to Me. It is I who want it this way.

Keep Me company in these hours when My Heart bleeds for all the abuses and blasphemies which I receive from My own... consecrated ones. I continuously love mankind. The souls I love so much do not understand that the tyrant has stolen their hearts locking them up in the scandal and all kinds of malicious corruption. All these have suffered evil. With great mercy I am calling them back to My sheepfold before it is too late... Mercy for souls. I am thirsting for souls. The ingratitude of My own... continuously pains My Heart.

My pain is intense. The Freemasons hurl themselves against the Church. Satan is labouring hard and he wants victory using My own... to abolish the Holy Sacrifice of the Mass.

As I am exposed I will pour My infinite mercy into human souls. My mercy is great. I call all the souls that are lost. With pain I am forced to walk in the midst of crowds with My Head bowed down. More than ever I am in this scene of suffering. In My vigil for sinners I never sleep. I remain watching and waiting for souls to come back. To each soul I say: “I am Love and Mercy. Cloister them in your heart.”

## DIVINE APPEAL 94

*“In the Sacrament of Penance, I want souls.”*

“**M**y daughter, adore My thirst for souls. Bring Me souls in your prayers. Pray a great deal and implore mercy for souls.

For the love of souls I remain watching in the Sacrament. This love keeps Me a prisoner in the tabernacle. For a very long time I have dwelt here veiled under the species of bread and concealed in the small white host bearing, through love, blasphemies, sacrileges, contempt, and outrages.

In the Sacrament of Penance I want souls longing to wash away their sins. My appeal is addressed to all. It is My joy to forgive. I want to reign over souls. I desire your salvation.

My reign is of peace and love. All human miseries are known to Me and My Love and Mercy is great. I ardently desire souls to be in the state of grace.

Souls do not understand to what extent I love them. What a pain for me to see many souls believe that true love consists in saying ‘Lord’. Suffer to gain souls for Me. Time is short and many souls are on the way to perdition. I do not want anyone to perish but what more could I have suffered for mankind? My own... have whipped and abused Me on all sides. Satan has imprisoned their souls.

I call them all back to My sheepfold before it is too late. Time is approaching when I will stand and speak with My Judge’s Voice. I want you to pray and console Me continuously. I am receiving abuses and acts of ingratitude from My own... Pray and atone. These are tragic moments.

Heed My words. Do not leave Me alone. Never waste any of these precious times. I tell My servant this in order to reveal the excess of

My love for souls.”

## DIVINE APPEAL 95

*“I am like a terrified child and I come here to beg for prayers and consolation.”*

“**M**y daughter, pray a great deal. Watch with Me. Implore mercy for sinners.

**M**My own... have whipped Me. Many among them do not understand My painful feelings. They treat Me as one unknown to them. I committed to them the care of My children through their ministry.

Pray a great deal. I am calling you to console and repent. Press the wounds that are caused by them everyday. I long and thirst for souls. I call them all back to My sheepfold. For the sake of mankind surrender yourself. Pray and do penance for many souls who are on the way to perdition.

Look and see with great sorrow the outrages I receive. Day and night as I remain a prisoner in the tabernacle I desire them to understand My feelings. Pray for souls with compassion, treating them with My mercy.

Pray a great deal. Do not leave Me alone. Few among the souls that are consecrated to Me do not understand My Love. I want them all to know how greatly I desire them to renew their intimacy with Me. I refuse them nothing that is good for their souls. But they do not want Me. They only abuse and step on Me. I assure you I am like a terrified child and I come here to beg for prayers and consolation. I have no shelter in the ones that I choose and entrust souls. Pray a great deal. Implore Mercy for souls.”

*“My Love for souls is like fire that suffers when its consuming flame is diminished.”*

“**M**y daughter, pray with Me. Help Me. Help souls, pray as best as you can. Spend these dark hours for souls and My consolation.

I desire the consolation of leading you. Walk with prayerfulness and seek souls for Me. I thirst and hunger for souls. My love for souls is like fire that suffers when its consuming flame is diminished. My desire is that the whole of mankind be saved. Do not be afraid.

Nothing in you escapes Me. Pray a great deal. Time is short for saving souls. In the Sacrament of My Love I live in the midst of sinners, that I may forgive and heal them. In return, in the forefront, my best loved forsake, abuse, and despise Me.

Day and night I am watching for you all in the tabernacle. I grieve for the many souls who always leave Me deserted in My tabernacle and many do not receive Me in My Real Presence. Do not leave Me alone. Comfort Me and bring Me souls in your prayers. Pray to appease the wrath of My Eternal Father.

Do not fear. You are a victim. Keep your heart in this desire of seeing Me loved.

The ingratitude of My own... keep Me in this painful state. Many souls are eternally lost. I make you share My sorrows so that you may console My Heart and bring me souls. The souls I love so much do not understand. I so much want souls to know My love.

I come here to seek shade and consolation. Heed My words and listen to My servant. I need your obedience. I guide you through him. It is what I want. Implore mercy for souls.”

*“I have two measures for every soul: the first is Mercy and it has overflowed. The second is Justice and it is approaching.”*

“**M**y daughter, spend these dark moments with Me. Pray and atone. Bring Me souls. My pain is immense. The offences of mankind wound Me bitterly. I have two measures for every soul: the first is Mercy and it has overflowed. The second is Justice and it is approaching. What a pain for Me to see souls falling into perdition! Anyhow I do not want anyone to perish.

For the sake of souls do not refuse Me anything. You are a victim. I beg you not to desert Me when I leave you as a prey to anguish. I have come to obtain shelter and to preach to you My feelings.

Keep Me company. I am thirsting for souls that I love so much. It is this great love that keeps Me in My vial for mankind. In your prayers bring Me souls.

Do not be afraid of suffering. My visits will not harm you. Share My agony when I raise My eyes with tears. In the Sacrament of My Love I only receive wounds from My own... Pray a great deal and defend Me. The weight of insults and abuses presses on Me. Pray and put yourself in the high spirit of contemplation.

Implore mercy for souls before it is too late.”

*“I am like the hunter who would let himself be wounded to death in order to lure his coveted prey.”*

“**M**y daughter, pray a great deal. Keep going. Do not stop. I kept going on the road to Calvary and in spite of such agony, I got there. Gaze on Me and find courage. My love knows no seasons. I am the changeless one. Give Me even the rhythm of your breathing and not only of the body but of your stream of your thoughts. I always accompany my faithful ones and give strength and comfort to those who suffer for Me. You are in My Heart though you feel you are far from Me. Hide Me in your heart as though in this way you could save Me from wounds, insults, blasphemies and abuses. For I receive them above all in My Divine Sacrament from... to whom I entrusted my children.

There is your heart to console Me with your sufferings. Do not get the idea that it is only prayers that console Me. Rest on Me. Do not grow weary of looking at Me. Do not waste any of your precious suffering. Bring Me souls. I suffer and thirst for souls.

I am like the hunter who would let himself be wounded to death in order to lure his coveted prey... I tell him to go with My living words continually and find sinners for Me.

Never before has the world needed prayers as at this tragic times. My Heart is full of tears to see many innocent souls on the way to perdition. My Eternal Father's anger is flowing. Pray and atone to appease His wrath and console Me. Drenched with blood I am walking through the multitudes of souls. My Mercy is followed by Divine Justice.

Pray and cloister souls in your heart. Implore mercy for them. Do not fear to suffer. Rest in Me.”

## DIVINE APPEAL 99

*“In the Sacrament of My Love, I am submerged in an ocean of grief.”*

“**M**y daughter, I stay in the tabernacle that all may come and find consolation and find all they need in My Love. It is this great love which keeps Me day and night a prisoner in the tabernacle. Pray a great deal. Spend these dark hours with Me. Give Me company. Outrages and all the nameless abominations are committed against Me, passing before My eyes from My own... With tears, My heart is in search of souls. These are My feelings. I desire you to dress the wounds caused in the body of My Eucharist by My own...

Let Me plunge your soul in bitterness. Have no fear. The power of the evil one is not greater than Mine. Do not worry. Let Me help you and pour out all the feelings of My heart. Give Me yourself and make reparation for the sacrileges that I receive from My own... I am here to reveal to you the painful feelings of My Heart. In the Sacrament of My Love I am submerged in an ocean of grief. Share My agony.

Time is approaching. I assure him that many will turn away from Me. Many will hear My call and they will not listen. My sacred places will be blasphemed. Never before has the world needed prayers like the present time. I must speak to the souls before it is too late. Contemplate Me in this state of ignominy. Look at My pains and let yourself be guided by grace and by the desire to console Me. I am so lonely.

What more could I have suffered for mankind! The souls I love so much do not understand Me. I willingly endured all the pains in order to draw mankind to follow My way and have eternal life. Pray more and bring Me souls.

My daughter, spend these dark hours with Me. Pray and atone for souls. Contemplate Me in this state of ignominy. Give Me your adoration and reparation. I am thirsting. Bring Me souls. My great love for mankind keeps Me always watching beneath My Sacramental veil. I am so lonely like a terrified child with no one to hold on to. I am in search of love and consolation.

The souls I love so much do not understand Me. The ingratitude of... continuously pains Me. Abused and blasphemed I remain in the tabernacle. Led by the devil... labour hard to abolish My presence. I am calling them all back to My sheepfold. If they do not they will only know desolation. The anger of My Eternal Father is flowing. I come to seek shade. I let you spend these hours with My feelings.

I do not want anyone to perish. I feel pain to see very many souls on the way to perdition. In the front line,... Satan wants victory over all souls. These times demand accelerated action. Freemasons hurl themselves against the Church using My own...

These are grave moments. What a pain! The majority of... have degraded the nobility of their ministry through living superficially and not holding fast to the greatness of the works they have received. Bending over the world, I pity the souls that I entrusted to them. I wish to pour My Mercy in their hearts. Pray and implore mercy for them.”

What a pain to Me! I thirst for souls. I do not want anyone to perish. My Divine Mercy is followed by Divine Justice. Pray and atone and bring Me souls. Do not waste any of these precious moments. Bending over My Church, I pour tears. What more could I have suffered for mankind! Paganism is at the centre. The devil is labouring hard using souls to abolish the Holy Sacrifice of the Mass. This is a grave moment. Watch with Me in My prison. I am hungry and thirsty. I want you to be a victim of My Presence in the tabernacles. Do not be tired of praying. You will suffer to gain souls for Me. I want you to make reparation in the Sacrament of My Love. I am so abused and blasphemed. I am wounded mostly by the consecrated souls. What more could I have suffered for this mankind! Pray a great deal. Time is short for saving souls. The souls I love so much do not understand. *“In the Sacrament of My Love I am pierced...”*

“**M**y daughter, pray a great deal. Spend these dark hours with Me. Pray more for the scandals of the world. Listen to My afflicted weeping in the Sacrament of My Love. I come here to seek shelter. This is My work, I ordained it.

In the Sacrament of My Love I am pierced by all the sins of My... and blasphemies of all kinds. Souls have united themselves to satan! What a pain to Me! With love I appeal to all of humanity. What a suffering for Me to see this! Pray a great deal and bring Me souls. Time is short for saving souls. I want you to be a living tabernacle. Exposed to continuous sufferings you must atone for souls. You must do what I ask of you. Be a fervent soul by means of a life of simplicity. Pray and restore light to souls, especially the consecrated ones... like Judas, betray My Heart and drag souls down to perdition to chase blindly after sinful love of money and illicit diversions. Satan has darkened the spirits which had already been turbid. Evil turns against itself like a horrible serpentine monster that unconsciously coils around souls.

What a pain My warnings are not heeded! This is a terrible anguish. I pour tears and blood over humanity, firstly on consecrated souls to whom I have confided My Church. In the Sacrament of My Love I do not have any rest. I walk in the midst of the milling crowds. Do not leave Me alone. Pray a great deal.”

## DIVINE APPEAL 106

*“Do not be afraid of My visits, share My feelings. I am on the search for souls.”*

“**M**y daughter, pray a great deal and spend these dark hours with Me. These are My most difficult hours in the Sacrament of My Love. Do not leave Me alone. The souls I love so much do not understand to what extent. It is this great love for mankind that makes Me swell day and night in the tabernacle veiled under the species of bread, concealed in the small white host bearing blasphemies, abuses and insults. I come to seek shelter in the Eucharist. I gave all of Myself to mankind that they may take Me. I pour My tears over mankind. What a pain! Souls are only following the way to perdition.

Waiting and longing for souls, I remain so lonely in the empty churches without any souls around. I thirst for souls. Bring Me souls. Do not be afraid of My visits. Share My feelings. I am on the search for souls. Pray a great deal. Do not waste any of these precious times. It is very short for saving them. In the tragic moments you are a victim. I want you to be a fervent soul for the sake of so many lost souls.”

“I bless you.”

## DIVINE APPEAL 107

*“The devil is labouring hard to destroy all souls.”*

“**M**y daughter, pray a great deal and spend these dark hours with Me in the Sacrament of My Love. Give Me company. Do not waste any of these precious times to save souls. I am thirsty. Bring Me souls. Do not fear to suffer in order to gain souls for me. I need every soul as if it is the only one on earth. The devil is labouring hard to destroy all the souls. Pray a great deal and atone for souls.

Pray for My consecrated ones. I need you to dress the wounds that they cause Me day and night as I remain there a prisoner, waiting and longing to embrace souls and to save them. It is this great love for mankind that keeps Me veiled under the species of bread. What a pain My warnings are not heeded by those whom I entrusted with souls! I do not want anyone to perish. My Divine Mercy is followed by Divine Justice. This is the hour for mercy.”

“I give My blessing.”

3.00 a.m., 2nd April 1988

## DIVINE APPEAL 108

*“I am above this earth. I allow Myself to be seen after many warnings.”*

“**M**y daughter, pray a great deal. Spend with Me this dark and terrible hour. Listen to Me. I am above this earth. I allow Myself to be seen after many warnings. I shed tears of blood over all of humanity. The world is full of terror. The devil has taken possession of souls. Pray and bring Me souls. Time is short for saving souls. I saved the world through suffering on the cross. I accept these sufferings so as to unite them to My heart’s merits. Listen to Me. Do not leave Me alone in the Sacrament of My Love. Give Me company. I come to seek shelter. You will be horrified.

My Holy and Divine Sacrament under both species will be profaned. Pray and reflect deeply on this tragedy. What a pain to me! All these caused by souls consecrated to Me. This is a serious moment. With an anguished heart I beg for prayers; that you may atone for souls before it is too late. This perverse world is like a persecuting dragon. I do not want anyone to perish. I love each soul as if it were the only one on earth.

By coming here I reveal to souls the excess of My Love. I make it known that the measure of My love and mercy for fallen souls is unlimited. In My Eucharist I am ever there in the tabernacle waiting with boundless love. Many of the consecrated souls do not understand My Presence. What a pain! The world is full of perils!

Time is very short for saving souls. Do not waste any of these precious times. Heed My words.”

“I bless you.”

12.14 a.m., 3rd April 1988

## DIVINE APPEAL 109

*“My ministers... step over Me and allow everything.”*

“**M**y daughter, listen to Me. Spend this dark hour with Me. Pray a great deal. Bring Me souls. The spirits are plunging deeper into darkness. My ministers are tranquil. They step over Me and allow everything. Cloister souls in your heart. Even those to whom I entrusted souls cause Me more pain. I am shedding tears of blood over mankind. My Eternal Father’s anger is overflowing.

I assure you, in the Sacrament of My Love I am profaned and so much blasphemed. My Eternal Father is sending many epidemics so that mankind may pray and be converted before it is too late. I order you to pray. This is a serious moment. In the Sacrament of My Love you are a victim. Pray a great deal and keep Me company in atonement for all the offences, abuses, and insults against My Presence in the tabernacle. It is My great love for mankind that keeps Me there as a prisoner. Many words pierce Me from My own... Because of all this My Eternal Father’s anger is cast down on this world. Pray a great deal to appease the wrath of My Eternal Father. The Chalice is filled. Pray and atone.

I need the desire of reparation. I come to seek shelter. I want souls to dress the wounds caused by the souls I love so much. For the sake of souls put yourself in the high spirit of contemplation. Pray a great deal. I will pour the treasures of My infinite mercy into human souls.”

“I bless you.”

3.00 a.m., 4th April 1988

## DIVINE APPEAL 110

*“I want My consecrated souls.”*

“**M**y daughter, listen to Me. Pray a great deal and cloister souls in your heart. This is the time for reparation. I want everyone to be saved. Time is reaping what has been sown. Listen to Me. It is not in vain. The souls I love so much do not understand to what extent. They do not know that the tyrant has stolen their hearts locking them up in the scandal of all kinds of malicious corruption...

Both hatred and emptiness have fettered them to evil. They do not think of how much pain they cause Me.

As I remain in the Sacrament of My Love, My love does not penetrate them. They do not want to humble themselves again and repent. I want to wash them from their sins. I am calling them back through My messages. I will shelter them with My mantle of mercy if only they would repent. There will be no other way to salvation because there are many lost souls among My own... who do not want to hear My call of mercy.”

3.00 a.m., 5th April 1988

## DIVINE APPEAL 111

*“I am always with you in all the tabernacles of the world.”*

“**M**y daughter, listen to Me. Pray and atone. I need you to dress My wounds. I am always with you in all the tabernacles of the world. Listen well and listen to what I tell you. I order you even in spite of your affliction to pray more in this secret hour. In the Sacrament of My Love My desire is for you to hide Me in your heart. Do not be afraid because you are a victim. I counsel you so that you may pray for souls.”

“I bless you.”

6th April 1988

## DIVINE APPEAL 112

*“I thirst for souls.”*

“**M**y daughter, pray a great deal and give Me company. My mercy is great if mankind repents. I thirst for souls. Bring Me more souls. Time is short for saving souls of the consecrated who hurl torrents of blasphemies and lies against My Church. I am calling you to pray. Dress the wounds that they cause Me in the Sacrament of My Love. Participate in the Holy Sacrifice of the Mass to repair. I am rejected and abused. Listen to Me and give Me your company. I want you to rest peacefully in My Presence.

Look at Me in the Eucharist and you will understand to what extent I love mankind. Whenever you call Me I will be in you in order to fill you with love. I only want you to listen to My Voice. Take My Heart and offer it. I want you to allow Me complete freedom.

I am receiving crowns of thorns passing through the milling crowds through many insults and sacrileges which are committed against Me in the Sacrament of My Love by souls I love so much. My Divine mercy grants them a short time to make amends. What a pain to Me! After so many messages with painful events they remain indifferent as if it were an idle call. Who will esteem My tears? These are great warnings of immense Divine Mercy to be obtained through the anguish of My Heart. I don't want anyone to perish. The flock is about to be dispersed. Pray a great deal and bring Me souls. Reflect on how I am blasphemed in the Sacrament of My Love. Pray and do penance to save souls.

As time goes on you will obtain predilection.”

“Pray, pray, I give My blessing.”

7th April 1988

## DIVINE APPEAL 113

*“My Heart bleeds for all marriages in which My Sacraments have been suppressed.”*

“**M**y daughter, listen to Me. I want souls to be saved. I want them to recognize My Love and mercy towards them. These words I tell you will be the light and life for an incalculable number of souls. I give My grace that by this Word souls may be enlightened and be converted. Bring Me souls. What a pain to Me! Souls are buried in sensuality! I wish that above all souls may understand My Divine Mercy.

In the Sacrament of My Love, I am over there waiting for souls with open arms like the most affectionate parent in order to impart life and take joy in the children.

I come to say: repent before it is too late. The souls I love so much do not understand. I am so abused and profaned as I remain in My prison. Do not be afraid even when you receive sufferings. Only in this way, you will win battles of your apostolate to call lost souls and to repair, to dress the wound caused to Me by My own... If they pray they will find source of light and love. I counsel them not to create any obstacles of incertitude. In this hour in My Divine Sacrament My Heart bleeds for all marriages in which My sacraments have been suppressed.

I do not have any rest in this prison. Pray a great deal. Do not waste any of these precious times for saving souls. Put yourself in the high spirit of contemplation.”

“I give My blessing.”

## DIVINE APPEAL 114

*“I love mankind so much, as you see Me there in My tabernacle apparently lifeless. I do not want anyone to perish.”*

“**M**y daughter, pray a great deal. Spend this hour with Me and make amends. In the Sacrament of My Love I am so much consoled when you make acts of reparation. I love mankind so much as you see Me there in My tabernacle apparently lifeless. It is this love that keeps Me so lonely, always hidden beneath the Host. The veil covers me and the species of bread chains Me there as a prisoner. Pray more and do penance. Do not leave Me alone. I need you to repair the pains I receive when many receive Me in Holy Communion and then they leave Me horribly.

I am very thirsty for souls. I do not want anyone to perish. This is a grave moment. I want souls to know that My Heart is overflowing with mercy and love. The world has lost its senses. Pray a great deal and cloister souls in your heart. Time is short for saving souls. Do not waste any of these precious times.”

“I bless you.”

## **DIVINE APPEAL 115**

*“My joy is to forgive.”*

“**M**y daughter, listen to Me. I come to seek shelter. Keep Me in light and silence. Pray a great deal and hold mankind in your heart. I need prayers to repair and appease the wrath of My Eternal Father. Humanity with its diabolical behaviour brings down upon itself punishments and scourges.

My mercy is great if they repent. What a pain! Souls who are consecrated to Me keep on betraying Me! In the Sacrament of My Love I am so lonely. Listen to My Voice. With tears in My Heart I call. My joy is to forgive.

Christians must renounce sins. Souls must contribute to My appeal. In the Sacrament of My Love I am so abused and profaned. My own... offer Me the holy Sacrifice of Mass and many do not believe in My mystical body. Their dishonesty is diabolical.”

“Pray a great deal and give Me company. What tremendous suffering to Me. I thirst and long for souls.”

## **DIVINE APPEAL 116**

*“I make Myself visible in order to bring back souls.”*

“**I** order you to pray and atone. This is a work of redemption to save souls before it is too late. Pray a great deal. My Eternal Father’s justice is powerful. It will exterminate what is rotten.

My Heart is afflicted because souls do not listen to My Merciful warning. I make Myself visible in order to bring back lost souls. Pray a great deal. Mankind is fatigued and corrupted by blasphemies and sins of all kinds. This grieves My Heart with pain. Souls go to perdition and they do not want to hear My anguished call. Pray more.”

## DIVINE APPEAL 117

*“I am thirsting for souls.”*

“**L**isten to Me in the Sacrament in My Love. See My wounds and let yourself be guided by the desire to comfort and dress My wounds. Pray a great deal. Do not be afraid. I assure you of the secrets of My heart. I long to be given souls. I am in search of souls. I only wish souls would realise how I wait for them in mercy. I want the world to know that My Heart is overflowing with love and mercy. My joy is to forgive. I am thirsting for souls. I want to use you to reveal more to souls. Pray a great deal. Cloister souls in your heart. Time is short for saving souls.

My appeal is for all. Time is approaching for the hour of justice. Pray a great deal. I need you to pray. Never before has the world needed prayers like at this tragic time. Bending over the world I pour My tears. Souls live in the obstinacy of sin and yet they do not want to listen to My warnings.

I do not want anyone to perish. What a pain to Me! My flock is about to be dispersed. Pray a great deal and bring Me souls. In the Sacrament of My Love you are a victim.

My own... have whipped Me. I want you to mortify yourself corporal, receive the suffering with joy and with no fear because it will repair for the mortification of many souls who could be lost in perdition. I order you to pray, pray.”

“I give My blessing.”

## DIVINE APPEAL 118

*“The devil has taken possession of souls.”*

“**M**y daughter, spend this dark hour with Me. These are My terrible hours. I seek some shade here. In the Sacrament of My Love I am very sad and full of pain. Freemasonry hurls itself against the Church. They only believe in their malicious work. How much bitterness! Whoever frees his mind from this affair will have My forgiveness. Led by their master they labour hard to abolish the Holy Sacrifice of the Mass. What more could I have suffered for mankind. It is My great love that keeps Me a prisoner in the tabernacle. Pray a great deal. Give Me your company because of the evil of mankind. Unclean spirits<sup>43</sup> have taken over three parts of mankind as My work has been abandoned and the devil has taken possession of souls which have desired My way.

As I am exposed I will pour infinite mercy in the hearts of many human souls. I abandoned Myself in the hearts of those who want Me. Pray a great deal as never before has the world needed prayers like at the present moment. I order you to bring Me souls. Do not waste any of these precious times to save souls. Pray a great deal.

Many among the consecrated souls do not understand My feelings. They treat Me as one unknown to them. I like them to know how much I desire perfection. My love for mankind goes far (to) draw treasure out of mere nothing. Pray a great deal. It was My great love for souls that made Me embrace all the miseries of human nature. I love mankind and I make Myself visible in order to give My warnings<sup>44</sup> of mercy. Bring Me souls. For their sake put yourself in the high spirit of contemplation.”

I have chosen you to kneel before My Presence<sup>47</sup> in the Divine Sacrament to repair for the offences and dress the wounds I receive from all the world where I remain a prisoner in the tabernacle for the sake of mankind. *“... the powers of evil will break loose more for those who do not sincerely detest their faults.”*

“**P** rayer for atonement will do.”  
“My daughter, I speak to you by the means of My Presence in the Divine Sacrament. I beg you to pay debts of lost souls. In My Name be calm and strong. Keep in mind that this is My difficult hour. I tell you truly the time has come for the world to repent. My warning is strict<sup>48</sup>. It is not in order to condemn the world. On the contrary, I want to save souls by My words. I must warn mankind in order to avoid catastrophes. More than ever I am so much blasphemed and abused. These times demand accelerated action because My pain is immense. I come here to seek shelter.

If prayers and penances are not offered, the powers of evil will break loose more for those who do not sincerely detest their faults. Consummate yourself and transfigure yourself in Me that you may be able to pray a great deal. Do not be afraid.

My daughter, do not be frightened of what I assure and reveal to you. A just soul has to go through pains and hardships. Learn to persevere. The devil is rolling over in order to get rid of souls. He already knows that his time is short. He will cast his power in the nations and in a given moment he will destroy the best part of the flock.

... Sin has blindfolded and covered their eyes. Nothing can prevent this harm. Prayers of atonement will do. Pray a great deal and do penance. Offer your sufferings united to My Heart's merits. Abandon yourself completely in My call so that I may be able to act exactly as I want in you. I reveal My desires to you. I need you by all means to pray and finally all the evil ways will be in vain. In the sacrament of

*“I stoop down to your level so that you may not be overpowered by My immensity.”*

“**M**y daughter, listen to Me and watch with Me in this difficult and terrible hour. Look at Me and give me the oblation of yourself. Do not be afraid. I beg you to serve My cause. I am always thirsting for souls; you always say to yourself it is hard to satisfy Him. I am waiting for souls in each and every moment.

Do not be tired of praying. The effort of your will is My delight. I want you to grow and have your being in Me for the good of souls. In the Sacrament of My Love I allow you to enter into My distress. Pray a great deal and bring Me souls I love so much. I need your desire for reparation and company. In the Sacrament of My Love I want you to see the way to console Me. I give you a very keen pleasure in which you recognise Me and this fills you with joy to serve Me and bring Me souls. I stoop down to your level so that you may not be overpowered by My immensity<sup>50</sup>.”

I do not wish anyone to perish. Bending over the earth I shed My tears of blood over mankind. Day and night souls are falling into perdition and they are eternally lost.

What more could I have suffered for mankind. It was My great love for mankind that went out to meet all the torture. I paid for the right to have the whole of mankind saved. What a pain to me My own... keep Me thirsty always! Those consecrated to Me! Pray a great deal. It is time to save souls.”

*“In the Sacrament of My Love, I collect miseries and make glorious things out of them... I love mankind.”*

“**M**y daughter, listen to me. Spend with Me this dark and lonely hour. Bring Me souls. Let your intentions be free to serve Me. I am thirsty for souls. I am in search of Love. In the Sacrament of My Love I collect miseries and make glorious things out of them. So bring Me every kind of soul. I want you to use your smile so that those who will come near you may come near Me. Who can bring Me closer to souls if not Me hidden in a soul like yours. I beg you to hunt souls for Me.

Days are approaching when I will stand on this earth and speak with My judge's voice. In the Sacrament of My Love, as I am exposed, I will pour the treasures of My infinite Mercy in human souls. I give and bless My word. I love mankind. My Eternal Father wants to send punishment to mankind because it has refused to repent. From My Divine Mercy I bring My warnings.”

*“My Heart is bleeding for the marriages in which My Sacrament has been suppressed.”*

“**M**y daughter, watch with Me in this dark and terrible hour. The souls I love so much do not understand to what extent. With an anguished heart, I come to beg for prayers. I give My warnings to mankind. I need them to know that in the Sacrament of My Love I am in search of souls. It is My Love towards mankind that made Me embrace all the miseries of human nature. What a pain My own consecrated souls treat Me as one unknown to them. They do not understand My feelings. I want the world to know that My Heart is overflowing with mercy. I only wish souls would realise that.

My Heart is bleeding for the marriages in which My Sacrament has been suppressed. Too many insults and abuses. I have no rest in the prison of My tabernacle yet I do not want anyone to perish. This is My warning from My Divine Mercy. Pray a great deal. I need more prayers to appease the wrath of My Eternal Father.

My flock is about to be dispersed. For the sake of souls devote yourself in prayer and silence. Listen to Me weeping. I need you to dress My wounds. Evil turns against itself. Bending over the world I cannot stand to see souls falling into perdition. I come here for shelter. I need your company. Do not be tired. I want the world to be saved...”

“**M**y daughter, come with Me. The devil is in all ways wounding you. Do not allow yourself to be in his possession. Listen to Me. I lead and direct you.

When you pray for souls nothing is lost. You cannot see it but I see it. Watch with Me in the Sacrament of My Love. I am very thirsty. Hunt souls for Me. My thirst is more than the thirst of mankind. Pray a great deal. Time is short for saving souls. I do not wish anyone to perish. When a soul goes to perdition it is eternally lost.

In the Sacrament of My Love, I need the desire of reparation from the souls of good will. As I am exposed I will pour the treasures of My infinite mercy into human souls. I am forced to walk in the midst of the milling crowds with My tears of blood. I am a prisoner of My tabernacle. I feel a stranger to the souls I love so much. Pray and atone to appease the wrath of My Eternal Father.

Mankind has lost its senses. From My Divine Mercy I give My warnings which will be followed by Divine Justice.”

*“I pour My tears of blood over mankind. I want to bring it back but it refuses My words.” “The devil has no kindness.”*

“**M**y daughter, listen to Me and write My words. I am thirsty. I collect miseries and make glorious things out of them. Pray a great deal. Spend this dark hour with Me. I am so lonely. I come here to seek shelter. I assure you I am very thirsty, more than how the desert burns. Pains and wounds are caused in My Presence more by the souls I consecrated. What more could I have suffered for mankind! For the sake of souls I lead you in silence and solitude so that you may bring Me more souls in your prayers. Bring Me everything. From My great love for mankind I give My warnings. I am patiently waiting for souls. Bending over the world I pour My tears of blood over mankind. I want to bring it back but it refuses My words. I am agonised to see souls falling into perdition, in the frontline are those consecrated to Me. I speak to My beloved servant. I bless him so that he is able to continue to reach out to souls. I hide Myself in him in order to speak out and assure souls before it is too late. Blessed are those who hear My words and return to the shelter of My Love. It was My great Love for mankind that keeps Me a prisoner in the tabernacles. I need the desire for reparation.

I am so much blasphemed and ridiculed mostly by the souls consecrated to Me. I do not stay where I am not welcomed. Pray a great deal and atone for souls. Give Me company in My lonely prison. I remain patient longing for souls. I come here to seek shelter and I find My rest. For the sake of souls put yourself in the high spirit of contemplation. Heed the words from My servant. Do not be afraid. Pray and atone. Encourage yourself in Me. The devil has no kindness<sup>51</sup>. Be brave. I give you all the strength to pray. Take time for Me. Dress the wounds caused by consecrated souls.

Pray a great deal.”

*“When I instituted the Sacrament, I knew that a day would be reached when I would be so much blasphemed and abused by the souls I love so much.”*

“**M**y daughter, listen to Me. Pray a great deal. I come here to seek shelter. As you hear My voice always, the quietness which follows is in Me. Never grow weary of Me. When you call Me I am always here listening in the Sacrament of My Love. I am a stranger in the prison of My tabernacle. I remain day and night waiting for souls. I am always thirsty for souls. Bring Me souls in your prayers. In your sufferings learn from My courage in the Sacrament of My Love. When I instituted the Sacrament I knew that a day would be reached when I would be so much blasphemed and abused by the souls I love so much. In My Mercy you will find the source of light and love. Pray a great deal. Atonement. My Heart bleeds in this grave hour. Do not be afraid. I beg you to carry out My direction and give Me the hours that I beg for the good of souls. Listen to My suffering call. Do not lose any of these precious times. Write My words and pray. I can do all things. Never doubt. With an anguished heart I come here to seek shelter. I am calling everyone to be converted.

In the Sacrament of My Love I am so lonely and blasphemed. Like Judas the souls consecrated to Me betray Me day and night. With unlimited tears in My Heart I give the warning from My Divine Mercy. Souls are to be converted through prayer and my Sacrament. The demon is disposed to mislead souls. Pray a great deal. Bring Me Souls. I am thirsty for souls that I love so much.

In this sacrilegious struggle, much of which has been created by man will be demolished due to both savage impulses and aggrandisement. My Heart is broken in pain because I am so much abused in the

Sacrament of My Love. I have no rest. Keep Me in silence.

Good people suffer and are so much persecuted by justice. They have nothing to fear because one day they will be separated from the impious and obstinate sinners who persecute them. What a pain for Me to see so much bloodshed in the world. It is a great desolation. Pray a great deal. In the Sacrament of My Love you are a victim. I close Myself in waiting and longing for the souls to come and repent before it is too late. How can I save the souls if they do not listen to Me? Look at My pains! I am reduced to such a state of pitiable disfigurement for the souls of mankind. Pray and quench My thirst.”

I am thirsty. I care for you. Look at Me in prison. I am so lonely and blasphemed.

My daughter, bring Me souls. Each soul is a part of My Love. I gave all of Myself for mankind. Bring Me more souls. My Love is not a global love. I do not wish anyone to perish. This is why I bring My warning from My Divine Mercy. Time is short for saving souls.

The world has lost its senses. The good do not pray. The consecrated souls have whipped Me and abused Me on all sides of My Presence. I wait and long for each soul as if it was the only one on earth. For the sake of souls look at Me always and give Me your oblation. Do not lose any of this precious time for saving souls. In the Sacrament of My Love keep Me in silence and give Me company. *“I am Jesus who loves souls so tenderly.”*

“I cannot stand seeing souls eternally lost.”

“**M**y daughter, listen to Me, I am in search of souls. My saving power must be extended over the entire universe. In Me there is the throne of mercy and the most wretched are the best welcomed. I want you now to come deep into the Sacrament of My Love and make reparation. I have so many consecrated to Me and they forsake Me. I love them so much and in return they only give Me their ingratitude. I come to seek shelter. Give Me souls in your prayers. In the prison of My tabernacle I am steeped. Souls abuse Me and trample Me underfoot. What a pain to Me! I am very thirsty and consumed with the desire to forgive souls. Souls throw themselves to perdition and after that they are eternally lost.

Pray a great deal.

Time is short for saving souls. The world is rushing to ruins. My Heart is agonising over My Church. It is full of perils. Every soul is dear to Me. I bear them because I suffered so much for them and I do not wish anyone to perish. Pray a great deal. Atone for souls. Abandon yourself to My dear service of bringing Me souls day and night. I am waiting for souls. It is My great love for mankind that caused Me to embrace all the miseries of human nature. It made Me suffer the most ignominious contempt and horrible tortures. This is why I pour My tears of blood over this world. I cannot stand seeing souls eternally lost.

I am Jesus who loves so tenderly. I never cease calling and thirsting for them. Pray and cloister souls in your heart. I draw you to pray and let you spend time united to My feelings. Many souls seek to offend Me. I long to forgive them yet they do not come. Finally they

“My daughter, listen to My words of mercy towards mankind. I am thirsty. Bring Me souls in your prayers. Pray a great deal and atone. I come for shelter here. I am so lonely and wounded in the Sacrament of My Love. I cannot stand to see the souls that have cost My life to be eternally lost. What a pain to Me! The souls I love so much I draw you strongly to pray for. I want your prayers and sacrifices to draw souls to Me. Reflect on how the world treats Me in the prison of My tabernacle by consecrated souls. I am wounded pitilessly. I live in the midst of souls with all My Love. I remain day and night that all may come to the fountain of love and mercy. My grief is that many of the consecrated souls leave Me so much blasphemed and abused in the tabernacle. I pour tears of blood to see My own... labouring hard to abolish the Holy Sacrifice of the Mass. I so much want them to know that I love them. I do not wish anyone to perish. I suffered all the pain that I could have suffered for mankind. It is high time for My Divine Mercy which will be followed by Divine Justice. Pray a great deal to appease the wrath of My Eternal Father. Do not fear to suffer. Never before has the world needed prayers like in these tragic times.

Time is short for saving souls. I beg you to take care of Me in the Sacrament of My Love. My thirst for souls is ever new. Hunt souls for Me. My Love is always the same. I need the world to know that time is approaching when I will stand with My Judge's Voice. It will be a voice of Divine Justice after Divine Mercy. “**M**y daughter, listen to My cry for souls. I thirst for the souls of mankind that I love so much. I want you to understand and annihilate yourself so that My Eternal Father may reign not only in you but to many more souls which you bring to Me.

Pray a great deal for the souls unknown to you. I come here to seek shelter. I beg you to devote this day in adoring My Divine Sacrament outraged by the torments of wounds received from the consecrated souls. I ask for your adoration and reparation every minute. For the love of mankind I keep Myself a prisoner in the tabernacle. Consider how much I suffer from loneliness! My own have abandoned Me. Come and penetrate Me deeply.

Speak out My words to the very souls who have wandered away from Me. They are on the way to perdition. This is the only time for mankind to be saved. I address My appeal to all. Souls must know Me. The world has lost its senses. Keep Me in silence and light. In the Sacrament of My Love I am a stranger.”<sup>52</sup>

For the great love of mankind I am above this world. Listen to Me. I have a very important message. It is only prayers that can save this world. My Eternal Father’s anger is cast down on this world. These are terrible days. Do not be afraid of seeing many flagellations. With My tears of blood I want to cover this corrupt world.

This earth is full of terror and the devil has taken possession of souls. What a pain! Mankind does not want to repent! Pray a great deal. Do not fear to tell Me the things that you know will bring Me harm in the Sacrament of My Love. I am here sensitive to your tenderness. I ask you to keep silence at the delicate way in which I give you My secret thoughts. I love you to the point of doing the good I want to do for the good of souls. I am in great need of saving souls. Keep silence. I have nothing more precious than souls of mankind. I beg you to be humble. Loosen yourself for the sake of souls.

*“Mankind is submerged in the muddy tide.”*

“**M**y daughter, in My Presence I am so much abused and blasphemed. Pray a great deal. This is a serious moment for mankind. The world is in ruins. Desolation and death are coming. Those who do not want to repent will throw themselves into perdition. Many nations will disappear from the face of this earth. Sin brings ruin and death, earthquakes, hunger, and famines. Pray a great deal and keep Me company in My lonely hours. I will always draw you strongly to prayer. This will cause you many tears and humiliations. You will have to follow My painful path for the good of souls.

What a sorrow! Mankind is submerged in the muddy tide. Corruption tries to drown the world in tears of blood. I beg you to pray and suffer for souls. Sacrifice yourself however painful it is. I assure you, if enough prayers are not offered, time is approaching. The devil will cast its evil powers into all nations and in a given moment it will destroy the best part of My flock. They have united themselves to the devil. My ministers are worriless and tranquil. They do not defend Me. Instead they step on Me and allow everything. My arm falls inexorably. Many of them do not believe My words.

Days of darkness will cover the earth. It will tremble because of its own sins. It will bring you from one end of the earth to the other so that you may preach My message. I am warning mankind. I give you the words to speak and I give you light to see their consciences. I counsel you so that you may act before those days are reached whereby churches will be destroyed and the... will be trampled upon. I want to save the souls of humanity. ## DIVINE APPEAL 152

*“Souls are racing to perdition.”*

“**M**y daughter, listen to My warning from My Divine Mercy. Like a beggar, I ask for prayers of atonement. Souls are racing to perdition. My Divine Mercy is followed by Divine Justice. Bending over the world I pour tears of blood over My Church. Pray a great deal. Do not fear the devil. Bring Me souls. He will always torment your body. Never will he be on your side but I will not abandon you to death. The devil will always labour hard to destroy you in order to prevent you winning souls for Me and repairing. Even then do not be tired. Quench My thirst. When a soul falls into perdition it is eternally lost. This is a grave moment. Adore My Presence in the Blessed Sacrament. I beg you to respond to My Love in your life. I have chosen you as a victim to kneel before Me on earth in order to pray. Console Me and bring Me more souls. Do not be afraid to lose your personality.<sup>55</sup>

Small fires have been lit everywhere like contagious plagues which inundate souls and inflames them to everything. The great blasphemies have covered My figure and My heart bleeds from pain. Pray more and sacrifice all... before it is too late.”

*“Nowhere are more cruel affronts heaped upon Me than in My Sacred Tabernacle where abounds the mercy of My Love.”*

“**M**y daughter, listen to My words. I have nothing more precious than souls. Pray a great deal and atone for souls. I am in search of souls. What a pain to Me! I pour My tears over My Church. I come here to seek shelter. Nowhere are more cruel affronts heaped upon Me than in My sacred tabernacle where abounds the mercy of My love. While they possess the devil in their hearts, they sacrilegiously receive Me and then they cast Me at the feet of satan who sits enthroned in their hearts. The freemasonries! My Divine Mercy is followed by Divine Justice since everlasting ages are mine.

At present, I pour My tears of blood. I bear these pains for the love of mankind, whom I love more than I am offended by sinners, for whom I mercifully continue to reside here in the Sacrament of My Love. Pray a great deal. *“The Church is in ruin.”*

“**M**y daughter, pray a great deal. I am in search of souls to lead the world to me. It is My great love for mankind that keeps me a prisoner. I reveal My sad feelings. I have no rest or comfort in the midst of My ministers and consecrated souls to Me. More than ever they torture Me continuously.

My body and blood is an agony to Me. Did I shed it in vain for souls? What more could I have suffered for this mankind? These are My words from My Divine Mercy.

I call them all to watch and pray, fight their evil inclinations and suffer them not to grow into bad habits. The grass in the meadowlands has to be mowed every year. The ground needs to be ploughed, manured, and freed from weeds. My Church is in ruin. Great work must be carried on. Prayer must be carried on in souls. Many souls are blinded. They do not know what the truth is.

Grace loses its power. Sin increases and finally souls end up in hell. I pour My tears of blood over My church. Pray a great deal. In the Sacrament of My Love you are a victim. I assure you that you can cleanse My defiled and disfigured countenance.”

*“Many times they push Me and let Me fall on the ground helpless.”*

“**M**y daughter, I thirst for souls. I am infinite Mercy. Do not leave Me alone. Look at My numbed and wounded body caused by the souls I love so much. Day and night I wait for souls to visit Me in My prison. There are many times when they push Me and let Me fall in the ground helplessly. I implore you to assuage My thirst. ## DIVINE APPEAL 159

*“My Heart is overflowing with Mercy.”*

“**M**y daughter, listen. Pray more earnestly. Bring Me souls in your prayers. I come to seek shelter. In your fears and troubles, My Sacrament of Love should impart the grace of perseverance. In this Sacrament I give Myself to you where... the majesty of the Divinity seems to be debased. Mankind has many miseries, but if they rely on Me from the treasure of My Mercy I enable them to rely on Me in safety. My heaven on earth is in the souls who accept Me. How few they are. I pour My tears of blood over this world. The souls I love so much do not understand to what extent.

The souls consecrated to Me have whipped and abused Me.

Behold the fountain of all blessing in the Sacrament of My Love. Day and night I am watching and waiting for souls. Consider how I have humiliated Myself to remain a prisoner in the tabernacle for the love of mankind. My ministers are worriless and tranquil and through them many souls have fallen into perdition. What more could I have suffered for this mankind?

As I am exposed I will pour the treasures of My infinite Mercy in the hearts of human souls. Pray more and cloister souls in your heart. My heart is overflowing with mercy and love for each and every soul. I am in great need to save the world. I need the desire for atonement to appease the wrath of My Eternal Father.

My Divine Mercy will be followed by Divine Justice. In this sacrilegious struggle much of what has been created by man will be demolished due to impulsive and enraged resistance.<sup>56</sup> I call on each soul to come back to My sheepfold before it is too late. Pray a great deal. The demon is disposed to mislead in the centre of My Church.”

## DIVINE APPEAL 160

*“The earth is crumbling.”*

“**M**y daughter, I speak to you. I am using you to warn souls before it is too late. The earth is crumbling like quicksand. In the centre of My Church more than ever satan is marching in order to get rid of all souls. He stalks the world with fury maddening and capturing souls. I implore you to speak to everyone even though they do not believe you. My hand will be very severe with those priests who have abused Me and do not believe in My words of Mercy to mankind.

It is satan’s hour to capture souls. Listen to My call of mercy to this mankind. It is My great work of redemption. I will bring you few beloved souls of mine who will help you in this work as I have willed. Give My words to the small hosts. I need the desire to pray for the appeasement of the wrath of My Eternal Father. Make My merciful warning known to all and tell them I need them to be saved from their sins which lead to perdition.”

“I bless you.”

## DIVINE APPEAL 161

*“I refuse nothing.”*

“**M**y daughter, pray a great deal; I want sinners to be converted. I shed tears of blood because the majority of priests have degraded the nobility of their ministry through living in superficiality and they have denied what I am to them. I am abused and blasphemed by many through them. Everlasting ages are mine. My Eternal Father’s Justice will be inexorable. I have come to exhort sinners to change their lives. The hour is drawing near. Pray a great deal.

More than that, among the few who believe in Me, too few rely on My Mercy. Many know My Eternal Father as their God and creator but few trust in Him as their Eternal Father. In the prison of My tabernacle I implore you to assure souls that I long, thirst and look at their guilt but they do not want to look at Me.

When in the first line, the souls consecrated to Me pour scorn on Me. From them I find nothing apart from loneliness and desertion. I need you to tell souls that all of them are in the midst of perils. They have to be on their guard now before it is too late. These are grave moments. Bring Me souls in your prayers. I refuse nothing. I love and accept each soul as if it was the only one on earth. The devil knows how short his time is.”

“I bless you.”

## **DIVINE APPEAL 162**

*“I agonise over My Church.”*

“**M**y daughter, I am bleeding from pain and My Heart is torn into pieces by this sinful mankind. In the frontline My own... Almost all of mankind abuse and insult Me in the prison of My tabernacle where I dwell for the great love of mankind. I have been in desolation for a long time. I warn mankind. I am in search of souls.

Pray a great deal and bring Me souls – those who do not want Me, those who seek Me, consecrated souls who do not listen or obey My Servant John Paul II. I agonise over My Church.”

“I bless you.”

*“I want mankind to repent.”*

**“M**y daughter, listen. I want mankind to repent and to know the seriousness of the state of this earth and the inexorable justice of God if they do not pray and heed My Words given from My Divine Mercy. A great punishment will befall mankind. You must pray a great deal.”

## DIVINE APPEAL 164

“My Divinity is present in the Consecrated Host.”

“**M**y daughter, listen to my words. My Divinity and humanity is with you. I now call you into My Divine Mercy which I expose in My Holy Sacrament of Love. Pray a great deal and contemplate the vastness of My Divine Mercy towards mankind. I embrace all. I cast off no one from Me. My great love for mankind keeps Me a prisoner in the tabernacles waiting and thirsting for all sinners. I offer them sufficient grace for their conversion. My grace extends itself to all the miseries of any kind that it finds through this earth. However terrible it is, direct or indirect, I turn it into salvation. Here I show My marvellous inventions.<sup>57</sup>

What I now make known to them is My sacred mystery. I recognise what appeared at the same time. I stay in the glorious triumphs in heaven while still on earth. In this mystery I give Myself not to mankind as a whole but to each and every individual in a simple way. I represent Myself, I am whole. My Divinity is present in the Consecrated Host in every small particle. I am so lonely in the Sacrament of My Love. I thirst for souls. Time is short for saving souls. What more could I have suffered for mankind?

What a pain for Me to see souls eternally lost!

I have nothing more precious than the souls of mankind. I beg you to serve My cause before it is too late. The souls consecrated to Me have whipped and denied Me. I have no rest. Give Me love for mankind. I stoop to this level.”

“Pray, pray. I give My blessing.”

## DIVINE APPEAL 165

*“I thirst, longing to cleanse all their sins in My Blood.”*

“**M**y daughter, pray a great deal and cloister souls in your heart. It is My great love for mankind that keeps Me a prisoner in the tabernacles. From My Divine Mercy I instituted the Sacraments of penance so that I may forgive souls not for a time but as often as they need to recover grace;<sup>58</sup> there I thirst longing to cleanse all their sins in My Blood. In many ways I have revealed Myself to mankind from ages past.<sup>59</sup> The souls consecrated to Me have always whipped and denied Me. I have suffered all the pains of mankind. What more could I have suffered? Veiled under the species of bread and concealed in a small white Host, I dwell bearing solitude, blasphemies, sacrileges and contempt.

As I am exposed I will pour the treasures of My infinite Mercy into human souls. I want mankind to know My love. In My childhood I endured cold, hunger and persecution for the love of mankind. Today My great love for mankind still keeps Me in this same situation as I dwell day and night in the Sacrament of My Love. There in the tabernacle I hunger and thirst and I am still persecuted.

I do not want anyone to perish. I bought souls at the price of My Life. My great desire is to free all from the tyranny of sin. I have nothing more precious like the souls of mankind.

The obstinacy of guilty souls wounds Me deeply because I call souls day and night, and many refuse and abuse My Love towards them. I need the desire of reparation. I thirst and long for souls; it is not only their return that I seek but their confidence in My Divine Mercy that they may never doubt My Love and forgiveness. What a pain to Me! I cannot stand seeing souls falling into perdition.”

“I give My blessing.”

2.30 a.m., 17th June 1988

## DIVINE APPEAL 165

*“All nameless abominations are committed against Me in the lonely days and long hours of thirst.”*

“**M**y daughter, pray a great deal. I want you to repair for the souls in peril. I come here to seek shelter. My grief is for the many souls consecrated to Me who always leave Me deserted and they never believe in My presence in the Eucharist. All nameless abominations are committed against Me in the lonely days and long hours of thirst. I remain all alone before the altars. Their profanation serves their condemnation. Let Me speak to you and pour out My words of mercy towards souls. Do not be afraid of the power of the devil, it is not greater than Mine. I am so consoled that you cry out to Me.

I am a prey to sadness. I am still enduring more deadly grief. My Heart is crushed by the heavy weight of offences especially those of the souls consecrated to Me. I implore you to appease My anger with your prayers. Time is short for saving souls.”

“I bless you.”

2.00 a.m., 18th June 1988

## DIVINE APPEAL 167

*“I am thirsty.”*

“**M**y daughter, listen to My cry. Do not let it be enough to pray at certain times. I ask you to pray and I beg you not to grow faint. I call you today to strive with diligence. I want you in the holy habit of praying. Behold the very dawn found Me at prayer. Even in My labours, I lifted Myself to My Eternal Father. Everywhere you will find difficulties outside and within, both secret and in the open. When you are tempted, do not be shaken.

“I am thirsty, bring Me souls in your prayers. The souls I love so much do not understand to what extent. This is My word. I ask souls to come back to My sheepfold. Take a long look at My Face full of pain.

Now that you understand Me better in the Sacrament of My Love, do not go away from My Loving look. I want you and call you to make amends for so many glances of souls especially those who are consecrated to Me. Do not leave Me alone. Great is My thirst for souls.”

“I bless you.”

## **DIVINE APPEAL 168**

*“I dictate to you.”*

**“L**isten to Me, My daughter, do not be afraid of writing down My words. I, Myself, dictate to you. You cannot put anything down by yourself. Slowly by slowly you will see the results. Do not be amazed to see your faculties alight.

For the sake of souls, keep silent, as though you are picking a flower for Me. I love you to the point of doing good for the souls of mankind. I want you to be full of indulgence and compassion for lost souls. Take care of them through your prayers.”

## DIVINE APPEAL 169

*“I am pierced by sacrileges of all kinds.”*

“**M**y daughter, listen to Me. Pray more and heed My words. I come here to seek shelter. My Divine Sacrament is profaned, abused and blasphemed so much. I spill tears of blood for all this corruption and almost all of mankind is destroyed by the devil. Pray a great deal. I need them to hear and know that it is mankind who brings upon itself punishments, famine, war, and the threat of Divine Justice.

The world is destroying itself. I am pierced by sacrileges of all kinds. The priests and many of those consecrated to Me do not believe in My afflicted appeal. I pour tears of blood over mankind. I come to beg for souls. The majority are racing towards the precipice of perdition. Pray a great deal. I am thirsty. Bring Me souls.

I do not want anyone to perish. Be at My disposal. Spend these dark and terrible hours with Me...

Time is short for saving souls. When only one soul is lost it is eternally lost. By means of My Presence in the Blessed Sacrament repair whenever you see Me. I want mankind to repent otherwise it will cast down innumerable souls into perdition. Time is approaching and the everlasting ages are mine.”

*“As I am exposed I will pour the treasures of My Mercy into human souls.”*

“**P**ray, My daughter, and watch with Me in these dark and terrible hours. In the Sacrament of My Love you are a victim. I am present in the Consecrated Host in each and every particle. It is Me, the one who “It is Me who was dead. I now live forever.” What a pain to Me! To the souls consecrated to Me, I am like a passing stranger. I have nowhere to lay My Head. My Divine Mercy is followed by Divine Justice. Pray a great deal to appease the wrath of My Eternal Father. My great love for mankind continuously receives abuse and insults in the Sacrament of My Love.

Pray a great deal, day and night. Souls are running to hell. Abandon yourself completely to My call so that I will be able to work out My plan for souls.”

## DIVINE APPEAL 171

*“I do not want anyone to perish.”*

“**M**y daughter, pray a great deal. Do not be afraid and do not doubt. The evil one is ever roaming labouring hard against My salvation and power. I know his malice. I call you to pray a great deal and give Me your company. I pour My tears of blood over mankind. Do not be saddened so much. In your prayers bring Me souls. Rejoice with Me. My daughter, I want you to know that happiness is not only an object of care, for since I am risen to a life of glory, I die no more.

It is My great love for mankind that keeps Me a prisoner in the Sacrament of My Love. I have nothing more precious to Me like the souls of mankind. I do not wish anyone to perish. This is why I bring My warning from My Divine Mercy.

At the centre of My Church the demon is disposed to misleading souls, capturing each one of them and driving them to perdition. In this sacrilegious struggle, much of what has been created by man will be demolished.<sup>60</sup> Pray a great deal. Follow My directions.”

“I bless you.”

## DIVINE APPEAL 172

*“My Church will be obfuscated.”*

“**M**y daughter, pray a great deal and cloister souls in your heart. My daughter, My Church will be obfuscated. The souls consecrated to Me hurl torrents of blasphemies and lies against the Church. Many of them have rejected Me and they only believe in malicious work.

What a pain to Me! Mankind with its diabolical behaviour brings down upon itself punishments, scourges, cosmic cataclysms. From My Divine Mercy I bring My warning.

I pour My tears of blood over this mankind... The devil directs souls to perdition while in the Sacrament of My Love he leads them to step on Me. They use violence. Together they carry other souls to perdition. What more could I have suffered for them. I suffered all the pain. Souls must be converted. This plague of sins and the anger of My Eternal Father must be appeased with prayers and penances. My own... will perish by Divine Justice if they do not change their lives. Like a beggar I ask for prayers. How much evil is being provoked in My Presence! Pray without tiring. I guide you.”

## DIVINE APPEAL 173

*“I am sad.”*

“**M**y daughter, you do not realise how much prayers are needed. Listen to what I tell you. These times demand accelerated action. Mankind has not become aware of the scourge that threatens it. I pour My tears of blood. My pain is immense. Pray a great deal. We are in times of violence. Great offences will befall... I am sad and My heart is pierced by very painful swords.

...hurls itself against My Church. Satan wants victory through... In the Sacrament of My Love I am very much blasphemed and neglected. I call you to understand Me at this moment. Keep Me in silence and keep Me company. I call you to follow Me along this painful way. The devil torments you. Be calm and strong. I want you to pray a great deal for priests and consecrated souls. The evil one has imprisoned many... Pray in these secret hours.”

*“I need them to know that I am their Brother and Eternal Priest.”<sup>61</sup>*

“**M**y daughter, listen to Me. I pour My tears of blood over humanity. Bring Me souls in your prayers. You know that I pay attention to what you ask from Me. Do not be afraid of anything.

I lead you... do not question yourself. My thoughts are mysterious; they are beyond your understanding. Led by My servant, bring Me more souls. I need mankind to know that they are the reason for My birth, living and dying a horrible death on earth.

Pray a great deal and cloister souls in your heart. I appear even when you are unaware such as those times when you do not see Me and when you stammer at your feelings.

I ask you to reflect as you are giving Me a helping hand. When you are praying for souls I take all the souls you give Me. You will not know now but later on you will find unknown souls you saved by your prayers. I love every gesture you make with the intention of consoling Me. It is from My ocean of love that...

I instituted the Sacrament of My Love so that mankind may share all that I am on earth and after their lives on earth. I remain day and night in the prison of My tabernacle longing for souls in the empty churches. Many of the... do not know that I am there; they refuse to recognize Me. I need them to know that I am their Brother and Eternal Priest.<sup>vi</sup>

## DIVINE APPEAL 175

*“The Angels in heaven are astonished at My great Love which makes Me abide on earth with mankind under the appearance of Bread.”*

“**M**y daughter, listen well. Of the many sacrifices that I want from you, I beg you to give Me all your freedom. It is urgent for mankind to be conscious of this reality: that My will is that they be converted through prayer and the Sacrament of My Love. Even though it costs you pain and tears you must hear Me and pray.

The earth is crumbling like quicksand. I want to save mankind. Mankind is the reason for My birth, living and dying on earth. I have suffered all the pains. What more could I have suffered for mankind?

Do not be afraid if you submit yourself to My Love; it will help you. In the Sacrament of My Love I am so lonely and whipped by the souls consecrated to Me. I come to seek shelter. It is My great love towards mankind that I stay in their midst. In the Sacrament of My Love I prefer to remain under the appearance of bread that mankind on earth may rejoice and share My Divine life in heaven.

I am in agony and I pour My tears of blood as I see souls turning to perdition. In the Divine Sacrament I am very present. The Angels in heaven are astonished at My great love which makes Me abide on earth with mankind under the appearance of bread.

I am thirsty for souls. Bring Me more souls in your prayers. Listen to My Voice and follow it. I guide and lead. Open your heart and give me all your freedom. This is the work I ordained.”

*“I need souls to face their true fatherland.”*

“**M**y daughter, listen to My words of Mercy towards mankind. My Divine Mercy will be followed by Divine Justice. Pray a great deal. Bring souls to Me and appease the wrath of My Eternal Father. Time is short for saving souls. I beg you to contemplate these torments of Mine. I need souls to face their true fatherland. I want them to be animated by the Divine...

I call you above all to My Divine Sacrament. I want you to be more closely united to Me.

Time is short for saving souls. Do not be afraid. I know your misery but My power of grace is greater than that. It is also greater than all the demonic powers. Heed My words. It is for the good of souls. Behold I have poured on to you graces from the ocean of My Mercy. Learn My simplicity and stand firm against the evil one.”

## DIVINE APPEAL 177

*“I came to cast fire on this earth. Assure souls that the perdition of mankind arises in the first place from himself. The devil knows that his time is very short.”*

“**L**isten, My daughter, do not fear the power of the devil. It is not greater than My Love. Hide Me in your heart. I endured without bitterness such undeservedly cruel things. Pray and do not be afraid. I called you for the good of souls. Be ready to undergo anything. In the Sacrament of My Love you are a victim. True love desires to testify effectual its fidelity and tenderness.

Ponder on Me. For the love of mankind I had to be plunged completely... My Heart was burning and crying to open the way of salvation of mankind. I came to cast fire on this earth.

Pray a great deal but do not be satisfied by prayer alone. Go forward in My Name according to the amount of My Grace. Do not let anything on this earth hold your heart bound to itself. I lead you. You have to overcome the stratagems of the devil.

In the Sacraments of My Love, I make known to you all My sorrows and desires. It is a serious moment and time is short for saving souls.

The souls I love so much do not know to what extent I suffered all pain for mankind. What more could I have suffered for mankind? Today in nearly every place I am so much abused, insulted and blasphemed. Led by the devil many labour hard to abolish the Holy Sacrifice of the Mass. What a pain!

Assure souls that the PERDITION OF MANKIND ARISES IN THE FIRST PLACE FROM HIMSELF.<sup>62</sup> The devil knows that his time is very short. Pray and be on watch. If not you will fall into faint heartedness.”

## DIVINE APPEAL 178

*“I am consumed with the desire to forgive. What a pain that My Blood is in vain...!”*

“**M**y daughter, listen to My words of mercy towards mankind. Through My few ones I want the world to know that I am overflowing with Love and Mercy, longing for souls day and night. I am in search of souls.

Today I call you to enter deeply into My Love. Do not think of your misery. I am powerful enough to sustain you. I am consumed with the desire to forgive.<sup>63</sup> Continuously I want to draw comfort from you. Be always alert so that I may get you ready any time I want. I give My Grace. I am very thirsty for souls. I suffer this grief in the frontline from the souls I love, those consecrated to Me. I am only receiving abuses and ingratitude. What a pain that My Blood is in vain, for so many souls are falling into perdition each and every moment!

In My Church I pour My tears of Blood. I see very many souls who have turned against Me. I still see many who will not listen to My call. They only follow the way to perdition. Many will respond for a short time but after that they will say to me: I have been faithful to my duties. I need not endure anymore.

Afterwards they end up getting lost... Assure them how much they torture Me in the Sacrament of My Love. Mankind treats Me so cruelly. I love them all. I suffer much when I see that all the pains I endured will be so useless for so many souls who are eternally lost.

Pray a great deal.”

*“Mankind lives in the obstinacy of sin.”*

“**M**y daughter, listen well. Pray a great deal. I beg you, allow Me to use you completely. I am with you. Do not be afraid. I need you to be strong without any fear of the evil one.

Mankind lives in the obstinacy of sin. In the frontline My own... My Eternal Father's wrath is near and sinful mankind will be punished by great calamities.

Many of the souls in My Church betray, blaspheme and abuse Me. In the Sacrament of My Love I am broken and wounded and in pain. That is why I pour My tears of blood. I assure you in this sacrilegious struggle much of what has been created by man will be demolished on earth. Then finally the power of My... and light will be seen over the power of the evil one.

What a pain! In My Church many... have been transformed into veritable incarnate demons. While they preach love and peace they labour hard leading souls to perdition.”

*“Day and night I have abundant blessings in My Tabernacle ready to give to anyone. No one comes, instead they spit and step on Me.”*

“**P**ray a great deal My daughter. My Divine Justice is shackled by My Mercy.

I have nothing more precious like the souls of mankind. Do not be afraid. I lead and strengthen you. You have to mention My Name more often in all your talks with anyone. Please My daughter, see to it that you do this all the time. Open your heart to receive more. I have to erect an altar in your heart.

In the Sacrament of My Love I am so lonely and abused. Think of the value of the present moment, increase your trust and respond to My Love. When a soul falls into perdition it is eternally lost.

I am very thirsty for souls. I am waiting for them day and night. Understand My thirst for souls. Keep strengthening your belief in My words.

Day and night I have abundant blessings in My Tabernacle ready to give anyone. No one comes, instead they spit and step on Me.

I pour My tears of blood on these very souls.

Pray for souls, in the frontline, the consecrated souls. Do not fear. Speak and listen to My beloved servant. Receive the fount of My grace and power. Open your heart and allow it to overflow in gratitude of Love.

*“Listen, My daughter, to My cry. Many souls are attacking Me in these dark hours.”*

“**L**isten, My daughter, to My cry. Watch with Me in these dark and terrible hours. It is My great love for mankind that causes Me to stoop down. Many souls are attacking Me in these dark hours. Bring Me souls and in the Sacrament of My Love dress the wounds caused by the souls consecrated to Me. My Love for mankind goes so far that My Heart can draw great treasure from mere nothing. The souls I love so much do not understand to what extent.

Time is too short for saving souls and the demon is disposed to misleading souls. Pray a great deal.

From My Divine Mercy I give warning. Many souls are running to perdition and they are eternally lost. My dying on the Cross is in vain for these souls.

I pour My tears of blood over this humanity. Many among the consecrated souls cost Me tears of blood. They despise themselves by whipping Me and stepping on Me. I have nowhere to rest among them.

Respond to My Love. I lead, bless and strengthen you. Seek to console Me. Do not be afraid to lose yourself. Follow Me along this painful path. I am Love and union is Love... My Divine...<sup>64</sup>

*“Never before has the world needed prayers like at the present time.”*

“**M**y daughter, pray and watch in these dark hours. These are hours of terrible abandonment. It is from pain I pour My tears over mankind. Souls do not want to listen to My words of Mercy. Many souls consecrated to Me have whipped and stepped on Me. Pray a great deal to defend My Church.

In My Church Lucifer marches... I want souls to know that I call them all to prayer, penance, Holy Masses... Never before has the world needed prayers like at the present time. Evil grows to monstrous proportions... those who have the work of saving souls; many of them... what a pain!”<sup>65</sup>

Many souls are eternally lost and My blood is now in vain for these particular souls.

Pray a great deal. I weep over My Church. What more could I have suffered for mankind.

From My Divine Mercy I have come to exhort sinners to change their lives before it is too late. Time is short for saving souls.

I want My salvation to prevail in the souls of mankind.

Pray a great deal. Do not be afraid to tell Me all. Do not be scared when My Presence takes hold of you. I want you to be used to My Presence.

I am thirsty for souls. Bring Me souls in your prayers. Consider Me. Open your heart to receive My graces in order that you may get more strength to bring souls to Me. I come here to seek shelter. The souls I love so much do not understand to what extent.

Behold in the Sacrament of My Love I am disposed to save lost souls before they enter into perdition.

My Eternal Father’s wrath is overflowing with anger. Everyone must pray. Never before has the world needed prayers like at this present time. I am everywhere to save souls.

*“Contemplate My Love from My Divine Mercy in the sacrament of My Love, behold what I represent...”*

“**M**y daughter, contemplate My Love from My Divine Mercy in the Sacrament of My Love; behold what I represent, I am very present in every Consecrated Host.

By replication of My Presence in each particle all over the world I dwell and abide sacramentally. This is the very and universal Presence of My Divine Love.

To the souls consecrated to Me, I am a stranger. Many come before My Tabernacle, while in front of Me and I looking and loving them, they turn their mind and attention away. Many possess the devil willingly within them. They come before My mystery, receive Me, then cast Me at the feet of the devil to whom they have consecrated themselves.

Day and night I continue bearing these sacrileges with tears of blood. My Love is greater than their sins. I love mankind more than they offend Me. With love I call them back bearing abuses, insults and blasphemies. If only they listen and respond to My calling! My desire is to save them. I love mankind so much and that is why I did not hesitate to lay down My Life for them. I was dead and now I live forever. The everlasting ages are mine.

I only receive insults. I have nowhere comfortable for Me in the souls I love so much. I have nothing more precious like the souls of mankind. Many souls are running to perdition and they are eternally lost. I do not wish anyone to perish. The world is full of perils. I come to exhort sinners.

As I am exposed, I will pour the treasures of My Infinite Mercy into human souls.”

*“If souls listen to Me and respond to My Call of Mercy, then it will be their salvation and peace. Make people pray more and love one another. I ask many to help souls to return to Me.”*

“**L**isten, My daughter. My will and desire is that mankind be converted through prayer, through the Holy Sacrifice of the Mass.

In the world and My Church there are distractions of all kinds. This is a grave moment. Time is short for saving souls. There are very many diseases as an admonishment.<sup>66</sup> Pray a great deal to atone and appease the wrath of My Eternal Father.

I beg you not to allow My Word to die. If you do not do what I tell you then you will be captured by satan, the Red Lucifer, who is very conscious of this serious moment. These are times of overwhelming violence. Time is approaching and there will come many diseases which will be allowed by My Eternal Father. There will be no physician or medicine to cure them. If souls listen to Me and respond to My Call of Mercy then it will be their salvation and peace. Make people pray more and love one another. My Heart is filled with pain. I ask many to help souls to return to Me.

Lucifer has taken possession of many souls and he tells them that My Eternal Father does not exist. What more could I have suffered for mankind.

“**L**isten, My daughter, to the warning of My Mercy to mankind. I ask you to exert yourself. Acquire the habit of enjoying My Presence. Keep yourself in the true peace as you pray and bring Me souls. I beg you, be at my disposal.

Day and night souls are running into perdition. Pray a great deal. Consider how I love mankind. I thirst and wait for souls. Time is short and the devil knowing this is using other souls to capture souls for himself. Do not be afraid of demonic powers. I keep you under the guidance of My servant. Through him I will make My will known to you. Take heed of his words. Through him I want to erect an altar in your heart for the good of souls. In the Sacrament of My Love I come to seek shelter.

Learn to do good. Let it not be enough for you to pray only; meritoriously, I want you to improve in virtue and prayer. I teach and enlighten you through My servant. Do not allow the devil to defeat you by keeping you in doubt and fears. Do not hide anything from him.”

“There is a struggle which the world cannot see.”<sup>67</sup>

## **DIVINE APPEAL 187**

*“Meditate on how painful I underwent the salvation of mankind, the degree of My sweat... drops of blood trickling down My Face. I want mankind to know the seriousness of this state, I desire them to understand the inexorable justice of the Eternal Father. My Church will not flourish again if those who are responsible for it do not return to love and humility.”*

“**P**ray, My daughter, in this secret and difficult hour. In the Sacrament of My Love you are a victim. Meditate on how painful I underwent the salvation of mankind, the degree of My sweat... drops of blood trickling down from My Face. I want mankind to know the seriousness of this state. I desire them to understand the inexorable justice of My Eternal Father. Time is short for saving souls.

I want priests, the consecrated, to come back to Me. Otherwise they will cast down innumerable souls into eternal fire. In My Church... hurl torrents of blasphemies and lies against My Divine Presence in the Sacrament of My Love. What a tremendous pain for Me to lose souls! Pray a great deal and cloister souls in your heart.

Continue to tell them and assure souls that if they do not repent, My Justice will exterminate what is rotten. The everlasting ages are mine. Pray a great deal. My Church will not flourish again if the ones responsible for it do not return to love and humility.

What a pain! The obstinacy of long ago continues to dominate and exist in My Church. In the Sacrament of My Love I am so much blasphemed. With godless consciences corruption has reached the limit. As I am exposed I will pour the treasures of My Infinite Mercy into human souls.”

“I give My blessing.”

## DIVINE APPEAL 188

*“My love cannot be overcome by any obstacle.”*

“ I love mankind so much.”  
“Listen, My daughter, My love cannot be overcome by any obstacle. I was conceived by love so that mankind may prepare themselves for great mysteries. I love mankind so much and this gives Me great joy to stay among mankind under the form of food. I willed that upon earth souls may share in My sacramental life where I dispose Myself and remain day and night in the prison of My tabernacle. I love mankind so much. I need them to know that love does not rest until it has given and united itself to the object it loves.

The Sacrament of My Love is a mystery which exceeds all powers. I hide my countenance so that many may have a good chance to practice faith. Assure souls that it is My great love for mankind that I expose Myself to all humanity. I call each and every soul to be united to Me in the Church and defend it at this grave moment.

Pray more that souls may be invigorated with the love of My Heart. Time is short for saving souls.”

## DIVINE APPEAL 189

*“I give My Merciful warnings Myself and through My Most Holy Mother.”*

“**L**isten, My daughter, pray a great deal... heap cruel affronts on Me. More than ever I am very much blasphemed.

I have no shelter. I cannot stand day and night calling and every minute seeing souls running and falling into perdition. My precious Life and Blood is now in vain for these particular souls. Time is short and souls are eternally lost. With love I call souls into streams of My Mercy. Time is approaching when I will no longer hold the hands of My Eternal Father. My Mercy will be followed by warnings to mankind. I give My Merciful warnings Myself and through My Most Holy Mother.

... have refused and abused My Divine Power. They only accept in order to destroy My Church. They have united with satan who tells them that I do not exist. In due time they will receive their sentence.

In the Sacrament of My Love, I represent Myself completely in the form of a banquet. In each particle of the Blessed Host I am very present just as I am at the right hand of the Eternal Father. I leave Myself in this mystery in order to give souls a good and blessed chance to practice true faith so that souls may know My mysteries so stupendous! It is my great love for mankind that keeps Me in this form and exposed to all humiliations.

As I am exposed I will pour the treasures of My infinite Mercy into human souls.”<sup>68</sup>

## **DIVINE APPEAL 190**

*“For the few who care for Me, I bless and lead them always in the state of Grace.”*

**“L**isten, My daughter, pray and bring Me souls. I thirst. I saved the world through My death on the Cross. My Face was covered with tears and blood. In the midst of My suffering I was racked by a most violent thirst. It was a more burning thirst for the salvation of mankind. I died in the deepest affliction without any relief so that all human race may have eternal life. What a pain that souls are falling into perdition and My Blood is now in vain for them!

The souls I love so much do not know to what extent. With My tears of blood I call each and every soul to My Kingdom which I have given by My great love. Assure souls that time is approaching when all that is evil will be abolished and everlasting justice will take place.

In the Sacrament of My Love, I stand in the midst of mankind calling and forgiving. The souls close to Me have whipped and denied My Presence.

Bring Me more souls in your prayers. Many times. I give you keen pleasure so that as it fills your heart with love you may recognise Me. I call you to leave yourself to the strokes of the chisel. I love you to the point of doing the good I want to souls.

Do not grow weary of praying and calling souls. I ask you to be attentive to Me. For the few who care for Me I bless and lead them always in the state of grace.

## DIVINE APPEAL 191

*“A soul can only be defended when it is on the way to perdition.”*

“**T**ime is coming when souls will want and long to hear My words but they will not.

Listen to My cry of Mercy towards mankind. I am in search of souls waiting and longing. I thirst. I come to seek shelter. Souls consecrated to Me have chosen mediocrity. What a pain to Me! More than ever they place obstacles of uncertainty before My living words. I need and long for My words to reach souls that torture Me so much. In the Sacrament of my Love I endure... I beg you to pray and reflect deeply on this tragedy. I call you to atone for souls before it is too late. When a soul falls into perdition it is eternally lost. A soul can only be defended when it is on the way to perdition.

I pour My tears of blood over mankind and I cry to the faithful souls to defend many poor souls running into perdition. My great love towards these souls keeps Me subjected to all humiliations. In the frontline... betray Me like Judas. They drag many souls into perdition. They do not heed or listen to any of My warnings given by Myself and through My Most Holy Mother.

I call souls to be docile to My warnings. Time is coming when souls will want and long to hear My words but they will not. Time is short. I call on the small hosts to defend My Church. The... hurl themselves against it. Pray a great deal.

As I am exposed I will pour the treasures of My infinite Mercy into human souls.”

“I give My blessing.”<sup>69</sup>

## DIVINE APPEAL 192

*“Ministers should remain immured from contagion and fight to win souls for eternity.”*

“**M**y daughter, be patient and listen to Me. You know what I beg from you. Pray a great deal. Humanity does not want to listen to My call, in the frontline those consecrated to Me. The devil works in them in order to corrupt souls. He is very astute. What a pain to Me! Behold I speak to you amid continuous tears. Many... betray Me and they lead many souls to perdition. They are bound to Satan. I cannot stand this evil which grows to monstrous proportion by those to whom I gave the duty of saving souls and stopping this desolating course. Time plants weeds and ignominy. Pray a great deal.

My Church is desolate because of iniquitous evil. They refuse the truth. These... ministers should remain immured from contagion and fight to win souls for eternity. I have come to exhort sinners. Souls are lost and many good ones live lethargic lives in bushes of which they are unable to come out. I want you to pray and implore for the mitigation of evil in mankind.

In these terrible hours I pour tears of blood for all the abuses, blasphemies and insults I receive in all Sacrament of My Love from the souls I love so much. Tell souls that they have to take advantage to renew their lives before it is too late. I am appealing to them all. I need them to lift up their souls from the mire and to leave their mediocrity.”

“I call them to My Mercy where they will get all the light to eternity.”<sup>70</sup>

## DIVINE APPEAL 193

*“My plans to work through a soul depends on the freedom that I get from that particular soul.”*

“**M**y daughter, listen to My words of Mercy to you. I beg you to pray a great deal in these dark and terrible hours. In silence make hours of reparation for the terrible blasphemies and abuses that I am receiving day and night in the prison of My Love. I call you to be strong in the faith. Do not be afraid. In order for you to be able to confront whatever comes up when you are tempted, raise your heart to Me.

I pour My tears of blood over souls who are stepping on Me.

Keep yourself in My Grace. My plans to work through a soul depends on the freedom that I get from that particular soul. I want to hide in your heart always if you allow Me.”<sup>71</sup>

## **DIVINE APPEAL 194**

*“Mankind lives in obstinacy of sin.”*

“**I**mplore you to write down My words. Pray a great deal and cloister souls in your heart. The souls consecrated to Me wound My Heart in many ways. They reject and blaspheme Me. They even do not recognise My Presence there in the prison of My tabernacle. There are many souls in My Church yet they live in darkness... have been transformed into veritable incarnate demons. They preach and prepare the most sophisticated armaments<sup>72</sup> for leading souls to perdition. They have created many scandals which lead to ruin.

Mankind lives in obstinacy of sin. With My tears of blood, I call them back before My Eternal Father’s wrath. Pray a great deal. More than ever the thieves in the devil’s rank are claiming many victims. My Mercy is followed by Justice. The everlasting ages are mine.”

2.30 a.m., 14th October 1988

## DIVINE APPEAL 195

*“Happy and blessed is the soul animated with My sentiments, remains faithful, and who after a fall comes back to Me.”*

“**L**isten, My daughter, pray a great deal. There are very many souls... who approach Me while knowingly they possess satan in their lives. Sacrilegiously they receive Me in Holy Communion and after that they cast Me at the feet of satan whom they have enthroned in their lives with an oath. I pour tears of blood over My Church. Time is short and the everlasting ages are mine. My Mercy will be followed by Justice. In good time I give My warning to souls. I have nothing more precious to Me as the souls of mankind.

The demon is disposed to misleading souls. Satan already knows how short his time is. Such a pitiable state. The souls I love so much do not understand to what extent. Happy and blessed is the soul animated with My sentiments, remains faithful, and who after a fall comes back to Me. My Mercy accepts all the pains... all these lead a soul to the height of sanctity and to the last triumph.”

## DIVINE APPEAL 196

*“My reign is a reign of Love.”*

“**M**y daughter, pray a great deal. Awake souls with prayers and sacrifices. The devil is capturing many souls and causing havoc, in the frontline those consecrated to Me. In My Church there is... pride and haughtiness. More than ever souls are going so deep into mud. Pray a great deal and always pardon. My reign is a reign of Love. With My tears over mankind I call and beg you to be so much concerned about the salvation of souls. I have nothing more precious than the souls of mankind.”<sup>73</sup>

## **CONCLUDING MESSAGES OF 1988**

To all souls: I call them all to where I am truly living in the Sacrament of My Love. I am thirsty and I wish to set them on fire with Love.

In the prison of My Tabernacle, day and night, I am waiting for souls good and bad. I want to draw each and every soul to the stream of My Mercy.

## **1991 MESSAGES<sup>74</sup>**

1. It was My great love for mankind which consumed Me to institute the Blessed Sacrament of My Love in order to remain present with them (18th April).

2. Live each day as if it were your last (30th May).

3. Allow Me to be the centre of all your conversations (30th May).

4. Countless number of souls rush to perdition and My Death on the Cross is lost for them.

5. Souls that refuse to accept sufferings are not worthy in My Kingdom (4th July).

6. Revere Thursdays for reparation to My Eucharistic Presence (4th July).

7. Nurture yourself with My Eucharistic Presence (4th July).

### **Note: How to draw graces from these Messages:**

1. Before His Presence in the Tabernacle and Altar, souls are made alive and strengthened. This would be the effect of Exposition of the Blessed Sacrament. Attend Exposition of the Blessed Sacrament at least once a month.

2. “Revere Thursdays for reparation to My Eucharistic Presence”

by participation in the Eucharistic celebration and receiving Holy Communion.

3. Cultivate the habit of visiting Jesus reposed in the Tabernacle and keep company with Him.

4. Recite Jesus Prayer of Atonement i.e. prayer to the Adorable Jesus. Do this often especially before Jesus in the Tabernacle.

5. Do penance for the sins committed against Jesus in the Eucharist.

## **4. NOTES**

## **Divine Appeal 1**

1. Modern communism (the doctrine of community ownership of property) is basically atheistic. As an ideology (a dominant ideal of a few dominating individuals), it has allied with freemasons to subvert the Catholic Church (Cf. Divine Appeal 20).

## **Divine Appeal 10**

2. The word “stalks” used here indicates Satan’s free reign. He goes about in an imposing manner without challenge “maddening and capturing souls”. Christians must confront him with a life of ceaseless prayer, charity, humility and frequent reception of the sacraments.

## **Divine Appeal 14**

3. The statement is not clear, but in the light of the Divine Appeals of 28th June and 7th July 1988 (DA 171 and 179), “will be demolished” would seem to be the conclusion. In connection with disaster and sin, see also Divine Appeal 185 of 21st July 1988. This is not to say that physical disaster is always the effect of sin but here the Lord attributes the coming catastrophe to the wickedness of the world. It is permitted to happen as a punishment for immoral life.

## **Divine Appeal 17**

4. “Do not lose your precious time in unkind conversations” (fruitless communications). This is an important piece of spiritual advice for those interested in spiritual growth.

## **Divine Appeal 18**

5. “With all the force of God” would entail God’s ability to effect a change in the situation by His omnipotence, wisdom and love.

6. Although the Church and State have long been separated, the Lord

who is the Prince of Peace still talks about the political situation in Italy and the consequences of their godless acts. The Red Brigades are specifically mentioned here.

### **Divine Appeal 20**

7. On the effects of modernisation.

### **Divine Appeal 21**

8. The devil acts as if his freedom is limitless; this is an “exaggerated freedom”. In the circles of the godless he acts freely and so would appear to have “limitless freedom”. The truth is his freedom is limited.

9. Heb.10:31 makes the same observation: “It is a terrifying thing to fall into the hands of the Living God.”

10. “Him” refers to Sr. Anna Ali’s Father-Founder.

### **Divine Appeal 24**

11. See similar havoc caused by the evil one in the manuscript of 20th December 1987. Sr. Anna was healed of a disease which plagued her fingers. She was prayed for in 1983 and she recovered. While writing the message those fingers began to bleed profusely thus preventing her from writing what the Lord had dictated to her. In this particular message the Lord is referring to this satanic attack. (See scanned manuscript of 20th December 1987.)

### **Divine Appeal 26**

12. Luke 19:10

### **Divine Appeal 27**

13. Every Thursday, there is the Exposition of the Blessed Sacrament in religious communities. In some, the spiritual exercise begins with

the celebration of the Holy Eucharist first thing in the morning. This is followed by Exposition and Adoration of the Blessed Sacrament throughout the day. The exercise concludes with Benediction. The “Mass of Atonement” referred to here is connected with these spiritual exercises.

The Lord said to Sr. Anna: “I implore to be exposed at least once a week.” DA 71 of 18th January 1988.

### **Divine Appeal 28**

14. Mt.7:13-14

15. The reader should note here what the Lord says are the causes of evil, “pride and egoism”. They are also the causes of self and corporate destruction.

### **Divine Appeal 29**

16. Acts 4:12

### **Divine Appeal 30**

17. Shepherds of the flock....

### **Divine Appeal 31**

18. On militant atheism see Divine Appeal 40, 22nd November 1987.

19. A reference to Anna Ali’s mental state while she writes (See Divine Appeal 177, 5th July 1988).

### **Divine Appeal 32**

20. See Divine Appeal 118, 12th April 1988 on the diabolical infestations.

21. To save the world under the dominion of sin and satan, the Lord calls for prayer consistently in the Messages.

### **Divine Appeal 34**

22. Luke 21:36

### **Divine Appeal 35**

23. Heb.10:31

### **Divine Appeal 38**

24. Messages from 15th-20th November 1987 are not included.

### **Divine Appeal 40**

25. “I am the Lord of Revelation”, see also Divine Appeal 52, 12th December 1987.

### **Divine Appeal 45**

26. Over and over again our Lord complains that “so many from their childhood years are heading to perdition through the fault of their parents”.

### **Divine Appeal 47**

27. Penance involves contrition, a resolution to amend one’s life and confession. In case of imminent death and without the possibility of a priest for the administration of the Sacrament of Reconciliation, contrition for sins committed is sufficient.

### **Divine Appeal 50**

28. The miracle of salvation in the midst of the hopeless state of mankind which will be achieved by God’s everlasting love.

## **Divine Appeal 51**

29. “The Freemasons are executing themselves with their own hands.” This statement may appear harsh but the judgement is based on the view that inevitable consequences of the conscious rejection of Christ is condemnation.

30. “... attentive to him” refers to Sr. Anna Ali’s spiritual Father.

## **Divine Appeal 59**

31. Take note of the two motives for conversion: conversion “because of perdition” and conversion “because of love. “ The first is not generally encouraged but in the circumstances it would seem that the Lord knows that it will serve His purpose. The second is the only genuine reason for conversion.

32. “I am very sad...” see Divine Appeal 12th January 1988.

33. There is no message on 1st January 1988.

## **Divine Appeal 67**

34. Ps. 121:4. “The protector of Israel never dozes or sleeps.”

## **Divine Appeal 70**

35. Heb. 10:31

## **Divine Appeal 71**

36. “I implore to be exposed” – a request for the Exposition of the Blessed Sacrament.

37. John 12:32. He does not draw anyone against His will. They are only drawn to Christ if they themselves wish it.

## **Divine Appeal 72**

38. “With their own hands they are executing themselves”; See Divine Appeal 51, 11th December 1987.

## **Divine Appeal 73**

39. “This work... for... conversion of souls”. Here the Lord proposes a solution to this painful scandal – the abuse of the Holy Eucharist. There should be a movement dedicated to praying and atoning.

## **Divine Appeal 74**

40. Invitation to grace – Is. 55:1-2; Jn. 7:37.

## **Divine Appeal 75**

41. Heb. 10:31

## **Divine Appeal 85**

42. The Lord wishes the formation of a “League of Love” to publish His “Love and Mercy.”

## **Divine Appeal 118**

43. See also Divine Appeal 84, 13th February 1988.

44. See Divine Appeal 116, 10th April 1988. Here Our Lord states that He makes Himself visible to save lost souls. In this message He states that He makes Himself visible to give “warnings of mercy” which basically is the same intention.

## **Divine Appeal 121**

45. The warnings are given that we might be saved: “I give My warnings because I love mankind.” God does not threaten as man does. He threatens to save. Dt. 30:15-20.

## **Divine Appeal 122**

46. Cf. Numbers 23:19; Is. 49:14-16

## **Divine Appeal 127**

47. According to Sr. Anna, the Lord often took her in spirit to several empty churches where she adored Him in the tabernacle. She had never been to those churches before then. I could then understand her long periods of ‘sleep’ during her time in the house at Zagarolo.

## **Divine Appeal 128**

48. Magiste dicit. This Message contains more warnings. The seriousness of the issues involved warrant it. It is a call for repentance.

## **Divine Appeal 131**

49. This complaint is to be found in other Messages. It is one of the causes of our Lord’s agony.

## **Divine Appeal 134**

50. God is Power and Might Dt. 5:24-29; 11:2-3

## **Divine Appeal 138**

51. Scripture points to the devil’s malevolent acts. He is a totally depraved personality;

“roaming around like a roaring lion” I Pt. 5:8; a murderer and a liar.

## **Divine Appeal 144**

52. This message is also contained in Divine Appeal 129, 23rd April 1988; and DA 184, 14th July 1988.

### **Divine Appeal 147**

53. One of the references to the Blessed Mother the Virgin Mary. The Lord may be referring to her numerous apparitions and messages in modern times.

### **Divine Appeal 150**

54. The notebook does not have the customary address in this message of 24th May 1988.

### **Divine Appeal 152**

55. A reference to Sr. Anna's long sufferings – effusion of tears of blood. The Lord states Sr. Anna's vocation: "I have chosen you as a victim to kneel before Me on earth in order to pray."

### **Divine Appeal 159**

56. Cf. Divine Appeals 7th October 1987 and 6th May 1988.

### **Divine Appeal 164**

57. We are reminded here of the Power of God; that He brings good out of evil.

### **Divine Appeal 165**

58. See same lesson in Mt. 18:21-35.

59. Heb. 1:1-2.

### **Divine Appeal 171**

60. Cf. Divine Appeal 159, 7th June 1988.

### **Divine Appeal 174**

61. A special appeal to priests: "I am their Brother and Eternal Priest."

### **Divine Appeal 177**

62. It is not clear why Sr. Anna wrote this statement in capital letters. Knowing that she writes under the impulse of Divine Presence (see Divine Appeal 31, 27th October 1987), the statement would appear to have serious implications. The Lord highlights a point here to be pondered upon. The subject of perdition comes up over and over again in other revelations Cf. Divine Appeal 144, 13th May 1988.

### **Divine Appeal 178**

63. This statement reminds us of Micah's thoughts regarding the Lord's compassionate love, "There is no other god like you.... you do not stay angry forever but you take pleasure in showing us your constant love." Micah 7:18.

### **Divine Appeal 179**

64. It is not clear what happened here. The messages end abruptly as if Sr. Anna was interrupted. It would seem that that was what happened. Sr. Anna often complained about the harm which certain interruptions caused her during moments of prayer. It is for this reason that she often pleaded to be left alone in her room. This interruption, which was something caused by her novice mistress at their convent in Zagarolo, made Sr. Anna move to the Community's house in Milan on 16th August 1989 where she stayed until 7th October 1989. She stayed at their residence in Porta Angelica Rome on her arrival on 10th October 1989. It was here she had her initial experiences of the Blessed Host and Jesus in tears of blood the previous year.

On my visit from London to Zagarolo on 4th May 1991 she was there. She was permitted to live in Zagarolo in order to have a better environment for her prayers.

## **Divine Appeal 182**

65. The editor is responsible for the incomplete sentences.

## **Divine Appeal 185**

66. Note here that the Lord connects the appearance of all sorts of incurable diseases, violence and the worst – perdition – to the presence of sin in the world. The Bible does not always connect sin and sickness (Jn. 9:3); it surely connects sin and perdition (Jn. 5:14) but it is evident that immorality can cause some kind of mental and bodily disease. We need not belabour the point for we are part of the history that is experiencing, for example, the effects of diseases of our time which are due to the recklessness in the use of sex.

## **Divine Appeal 186**

67. This message does not have the customary blessing of the Lord which we have at the end of each revelation. In this revelation there is a serious complaint by the Lord; the devil is using “souls to capture souls” and some of those entrusted with the welfare of souls (as mentioned in many previous messages) are leading these same souls to perdition.

## **Divine Appeal 189**

68. It is not clear why some of these later messages do not end with the usual blessing as was the case with earlier messages.

## **Divine Appeal 191**

69. This Appeal concerns the faith of those “innocent souls” (Divine Appeal 154, 2nd June 1988). They are simple souls who could easily be misled by the clever and learned. Their faith is to be protected. The Church too is to be defended by Friends of Jesus.

### **Divine Appeal 192**

70. The customary blessing is omitted in this Message. From now until the end of 1988 there are a few messages recorded. There was a break. However in 1989, Sr. Anna resumed writing.

### **Divine Appeal 193**

71. The usual blessing at the end is not recorded here.

### **Divine Appeal 196**

73. It is not clear why some of these later Messages do not end with the customary blessing.

### **1991 Messages**

74. The 1991 Messages – the prayer to the Adorable Jesus was given within this period.

## **6. A LETTER TO PRIESTS**

*(Sr. Anna Ali wrote and read this letter to priests at a retreat in Nakuru in the early '90s)*

## **Dear Priests,**

Today there is a craving need which ends up calling for a renewal in our commitment and dedication to the Blessed Sacrament. The Eucharist has a formative character. Through the devotion to the Blessed Sacrament, Priests hand on the love of Christ in all its wealth and diversity.

Conscious of this meaning, it gives me great joy to be able to share the following message with you Priests of the Catholic Diocese of Nakuru during the retreat, at which you intend to resolve to renew your commitment in the service of God.

## **To Christ Entrust Souls**

The Lord says, “Oh how many souls could come closer to me if a Priest would hear the confessions and guide them with patience and understanding.”

Myself, Anna Ali, my heart trembles when I hear you say while in consecration, “This is my Body, do this in memory of me” and then further on “This is my Blood, do this in memory of me”.

When I see a Priest, I only think of Jesus Christ. Even if the Priest is weak, I respect him in my heart. This is one of my secret I reveal to you - the Priesthood is the love of the heart of Jesus Himself. I tell you the truth. Even when I could go to confession to the angels who live with God, they cannot absolve me and they cannot consecrate the Bread and Wine to be the BODY, BLOOD, SOUL and DIVINITY of our Lord Jesus Christ.

Please I beg you, for the sake of Christ Himself, for the souls and for so many poor souls who are only saved through your sacred ministry, acknowledge Him. Take care of yourselves more than

ever. Temptations are very close to you. The devil is very clever and cunning. He, together with his so many demons, is aware that his time is very short. He is fighting you and he will continue without ceasing. At present, more than ever, he is very aggressive. He is very busy trapping souls in his net and throwing them to hell. The Lord says to me, **“This is the Apocalyptic hour in the world. The diabolical army is marching very freely now.”**

Since He has chosen you, He will grant you all support if only you rely on Him alone. The Lord Jesus says this to you priest:

**“As my Father sent me, I send you. He who listens to you, listens to me. He who despises you, despises me.”**

Myself Anna, my heart burns always wishing if only a Priest would understand who he is to God and what Jesus expects of him. Just meditate on your Priesthood. I beg in fact. **Jesus, the Son of the living God**, is very obedient to you. Please take it serious to understand. If you ask God, you can understand but not fully. I have really cried many tears before the Lord asking Him to make a Catholic Priest understand who he is to God and to us poor miserable like me.

Then He answered me this, **“If a Priest relies on Me fully and takes serious his Sacred ministry meditating on each word seriously, he can understand, but not fully. Very few understand.”**

He says:

**“IF A PRIEST HERE ON EARTH UNDERSTANDS HIS SACRED MINISTRY COMPLETELY AND FULLY, THEN HE WOULD DIE OF LOVE.”**

Anyway, for me Anna, I don't have much knowledge of God so I really don't know how to explain what he means when he says, “He will die of Love.”

I personally pray for you all to have zeal in working only for the salvation of souls. I know that the Sacred ministry of a Priest is very hard with loneliness, all types of ups and downs. The evil one does not sleep 24 hours. I advice you to rely entirely on Jesus Himself, the High Priest, and pray with confidence to him who is the source of all goodness. Do not fear the human weakness but allow Jesus to give you all the graces, then in this you will find that you have courage in self sacrifice.

**Remember always, all life is a struggle and Christ says, “You never chose me.” He chose you. His love is greater than sin and weakness.**

**Also I ask you to keep yourselves always under the MANTLE and hands of the Blessed Mother of the High priest. The Blessed Virgin Mary as a Mother understands the problems of her sons in this present world. Never was it known in any age that anyone who fled to her protection was left unaided. So please ask her motherly protection.**

I also pray for you through her intercession. I humbly beg you to join and help me in making reparation to the Lord for so many offenses, sacrileges and outrages done against Him and especially offenses committed against the Sacrament of the Holy Order.

God is omnipotent, if only you can call Him from heaven to the Altar on Earth and He comes very obediently to you; then what more can He not grant you if you ask?

**When you don't rely on God, the devil is very happy then he traps you. All you do besides your office as a priest is lost time, at the end all what will remain is the time that you lived for God saving souls. The world, flesh pleasures and honours will pass away, but Christ will remain for all eternity.**

I hope you are aware that your ministry is not only for Catholics. You save all kinds of souls. In the Eucharistic celebration I do hear you mention these words:

**“Welcome into your Kingdom our departed brothers and sisters and all those who have left this world in your friendship...”**

Anna Ali trembles to hear these words. All souls benefit from that prayer. Muslims, Buddhists, pagans, Protestants, etc. Because you don't say, **“Welcome into your Kingdom only Catholics.”** **Imagine ‘ALL’ those.** So many souls are now in heaven through this prayer. You will be surprised to meet even those worshipping ‘cows’ in heaven through your prayers as a Catholic Priest.

**To Anna Ali there is no human language to explain fully how great a Catholic Priest is.** Please I am telling you this with tears in my heart. It is not a joke. I beg you to uphold and respect your dignity as Christ in the world of today.

Being a Priest Jesus has invested you with His own power that you may absolve our sins, we poor Christians. (Sacrament of Penance).

The Lord Jesus asks me to pray, do reparation, acts of contrition not only for myself but even for my brothers in the Priesthood. He says to me **He is very obedient to the word of a Priest when he summons a call to Him during consecration. He comes immediately to earth and He totally surrenders Himself in your hands. Then you may give us in the Holy Communion; and you also confine Him in the Tabernacle for all of us to visit and adore Him. He remains there for us. With your own hands you may also treat Him unworthily. It is terrible when the one who called Him mistreats Him. So please watch with love.**

The prayer of all prayers is the Holy Sacrifice of the Mass. Without a Catholic Priest in general we would not have the Seven Sacraments which support us on our journey in vale of tears in order to travel

well till we reach heaven. **So through you a Catholic Priest, God is with us in the Tabernacle (EMMANUEL).**

It is sad. Pray also for your Brothers and other Priests. I have found that many fall into the net of the devil against their own wish and will.

**“Satan has started a war against mankind such as has never been before.”** This is noticeable in the attacks and offenses against Priesthood today.

Please I beg in your parishes to help the poor Christians to understand that **Jesus in the Holy Eucharist has veiled Himself in a plain little Host in order to be easily approachable by Christians.** Help them also to prepare for their last hours.

There are so many sinning souls who seek help at death but they can't find it. Let them know the importance of the last moment of their life on Earth.

Please I beg. “Help them to visit Jesus in the Eucharist. May they not pass Him by. He became a prisoner in the Tabernacle, day and night He is there for all people.”

**The presence of JESUS CHRIST in the Eucharist is the most overwhelming manifestation of God in our present world. It is the most embracing presence that we are given to experience. For He reveals Himself to us by unveiling to our senses in faith. He allows himself to be identified in that nature.**

**For us who really believe and adore Him with willingness we shall finally experience Heaven, that is, God's loving presence.**

Also may we always examine the Scripture more closely, in order to be more convinced of the SILENT HAPPINESS that wells up within us when faced with Jesus Christ.

The Church and the whole world is in need of Eucharistic Adoration. Jesus waits day and night in the prison of the Tabernacle.

**He is truly present in the Eucharist as He is in Heaven.**

In the Mysterium Fidei Pope Paul the VI says:

“The Holy Eucharist is a Mystery of Faith.” **So please I beg you my dear Brother Priests to be very serious of the fact you have souls to save and an ETERNITY that awaits you and all of us.**

If one soul of a Priest goes to heaven it goes with a multitude of souls and if it goes to hell it goes with a multitude of souls.

Avoid evil with the grace of God so that one day you will reach heaven. You will be very excited and happy to see so many souls unknown to you saved and reach heaven through your prayers, Mass Sacrifice and your sacred life as a priest.

Pope John Paul II says, **“THE CHURCH’S NEW EVANGELIZATION SHOULD BE BASED ON THE HOLY EUCHARIST.”**

To me the Holy Eucharist is the Most Precious TREASURE OF MY FAITH.

*Conclude with the following Prayer to the Adorable Jesus, while kneeling and gazing at His Face.*

## **Prayer to the Adorable Jesus**

Oh Jesus, most humble, adorable, present in the Blessed Sacrament of your Divine Love. Here on your concealed Sacred throne, I prostrate my soul and whole self before you. Out of my nothingness and sins, I implore you to accept my poor prayers, acts of reparation and adoration to quench your thirst for souls and obtain full pardon for the many profanations, ungratefulness and outrages which you receive each and every moment from the countless number of us miserable sinners.

It was your everlasting Mercy towards mankind that moved you so deeply to the point of veiling yourself to remain in love on our altars and Tabernacles all over the earth.

Oh Jesus, by your Soul, Body and Divinity, present in the most Holy

Eucharist, accept the tears of my soul that these very precious souls to you (mention here the names of those you wish to pray for) may not lose their Eternity forever.

The everlasting ages belong to You. So we entrust our total selves in Your loving care and gaze, now in life and death.

AMEN

## **7.2 THE PRAYER OF THE LAST HOURS OF OUR LIFE**

Ever present and merciful Jesus, I approach you with a humble heart to recommend the last hours of our life to you.

That hour, oh Jesus, when we shall have lost the use of our senses and our souls shall be in agony struggling and feeling the sorrow of death; that very moment when our souls will have to separate from our human bodies and the world, have mercy on us Jesus.

Pardon us and receive the last moment of our death. Yes, Jesus, it is you who came that we may have life in full.

AMEN.

## Brief Biography of Sister Anna Ali of the Most Holy Eucharist

Sr. Anna Ali was born on 29th December 1966 at Kipkelion in Kericho District as the first born child of the late Ali Abdulrahmani and Prisca Nyambura. She attended Kipkelion Primary School and Koru Girls Secondary School where she obtained her Form Four Certificate.

She entered the convent in 1986 in the Pious Union of Jesus the Good Shepherd Congregation. She made her first religious profession on 7th September 1991 in Rome. While in Rome she had her first vision of Jesus in early August 1987. On Corpus Christi Thursday 1988, Jesus appeared to Sister Anna Ali in tears of blood. On both occasions she requested Jesus if she could photograph Him since she could not draw. Jesus allowed Himself to be photographed by Sr. Anna and gave the following reasons: "Listen to Me. I am above this earth. I allow Myself to be seen after many warnings" (12.15 a.m., 3rd April 1988); "I make Myself visible in order to bring back souls" (10th April 1988); "I love mankind and I make Myself visible in order to give My warnings of mercy" (12th April 1988); and "Many do not listen to Me because they do not believe in My reality" (23rd April 1988).

The first Divine Appeal message was written on 8th September 1987 after Jesus instructed her to write the messages. She described that whenever Jesus came, He came with His own powerful light and the room was filled with a sweet fragrance, which remained in the room for a long time.

She left the Pious Union of Jesus the Good Shepherd in 1996 and became a hermit living under the care and spiritual guidance of Rev. Bishop Cornelius arap Korir of the Catholic Diocese of Eldoret. Sr. Anna Ali took private final vows with Rev. Bishop Cornelius arap Korir and took on the title of Sr. Anna Ali of the Most Holy Eucharist as instructed by Jesus in the Divine Appeal message of 15th October 1998. For 25 years till her death, Sr. Anna Ali shed tears of blood every Thursday from midnight of every Wednesday to the whole of Thursday. This phenomena started after her vision of Jesus in tears of blood.

Sr. Anna Ali was born to eternal life on 6th June 2012. Her body was laid to rest on 16th June 2012 at St. Patrick's Catholic Parish, Burnt Forest, in the Catholic Diocese of Eldoret.

---

The message of the Divine Appeals is a message of mercy that calls us to repentance, reparation and atonement for our sins. Jesus asks for sincere prayer for the conversion of humanity. He asks for consolation and adoration in the Most Holy Eucharist. He says, "In the Sacrament of My Love I must be exposed for as I am exposed I will pour the treasure of my Love and Mercy to the souls."

The messages also contain urgent warnings of mercy to mankind. Jesus says, "This is the apocalyptic hour; it is urgent for mankind to be conscious of this terrible reality"; "My Divine Mercy is followed by My Divine Justice"; and "My desire is that mankind be converted through prayers, sacraments, confessions, Holy sacrifice of the Mass and rosaries".
