APPRECIATION

I would like to appreciate Sr. Anna Ali who accepted to suffer with Christ in reparation for the sins of mankind. With humility she accepted the call of Jesus to be a victim soul despite her own personal afflictions and joined Jesus in shedding tears of blood every Thursday for 25 years till she was called to eternal life. With great suffering she faithfully took down the messages dictated to her by Jesus so that we too may receive these messages of Mercy.

FOREWORD

The message of Divine Appeal as revealed to Sr. Anna Ali and contained in this book is a message of God's Mercy and Love. We are called anew to reparation and atonement for our sins so that we can be reconciled with God. They are also messages of urgent warning asking us to act in haste for Divine Mercy is followed by Divine Justice.

This call is not new. Similar warnings and calls to repentance can be found through out the Bible from the old to the new testament. However, this does not mean that we should take this call lightly, but that we should take it most seriously and act urgently. As we read in the second letter of Paul to Timothy, we can identify that we are living in the last days. And as such, the message of Divine Appeal is for us and our time. Many people today are indeed deceived by materialism and all kinds of sin in the form of personal freedoms and pleasures.

2 Timothy 3:1-5

But understand this, that in the last days there will come times of difficulty. For people will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, heartless, unappeasable, slanderous, without self-control, brutal, not loving good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, having the appearance of godliness, but denying its power. Avoid such people.

Acts 3:19

Repent, then, and turn to God, so that your sins may be wiped out, that times of refreshing may come from the Lord.

Reading through the text of the Divine Appeal messages, you will find warnings of Divine Justice. Again, these are not new as similar warnings are to be found in the Bible. In Romans we see the following warning:

Romans 2:5

But because of your stubbornness and your unrepentant heart, you are storing up wrath against yourself for the day of God's wrath,

when His righteous judgement will be revealed.

We should not be frightened by the warnings. Rather they should move us to act in haste in responding to this call to repentance. We know that God is Mercy and Love and this is also reflected in the Divine Appeal messages. God does not just issue threats, He offers us His Mercy simply at our response to His call to repent of our sins. Just as He says in Jeremiah 18 and as can be seen in Psalm 86.

Jeremiah 18:7-8

Sometimes I announce that I shall uproot, break down and destroy a certain nation or kingdom, but should the nation I have threatened abandon its wickedness, I then change my mind about the disaster which I had intended to inflict on it.

Psalm 86:5

Lord, you are kind and forgiving, rich in faithful love for all who call upon you.

It is clear then that if we trust in the Mercy of God, and repent our sins, we can mitigate the punishment our sins deserve.

In these Divine Appeal messages, we are clearly provided with the means to repent and atone for our sins. They take us to the basics and pillars of our Catholic faith. We are asked to pray with sincerity of heart, to have frequent and sincere Confessions of our sins, to celebrate and participate in Holy Mass attentively, to receive Jesus in the Most Holy Eucharist worthily, to pray the Rosary daily, to meditate on the Way of the Cross, and to adore Jesus in the most Holy Eucharist in reparation for our sins. Again, this is not new, the Catholic Church has echoed this message all through the centuries from its founding and continues to do so today.

The call is to each and every one of us to act. It is personal; everyone must repent and atone for their sins. God is Mercy and Love and therefore let us approach Him with confidence and sincerity of heart.

Hebrews 4:16

Let us, then, have no fear in approaching the throne of grace to receive mercy and to find grace when we are in need of help.

May Jesus in the Most Holy Eucharist show you His Mercy and Love as you read this book.

**1. AN AUTOBIOGRAPHY: SR. ANNA ALI OF THE
MOST HOLY EUCHARIST**

(This is the autobiography that Sr. Anna Ali wrote a month before she passed away in preparation for the Silver Jubilee since she started shedding tears of Blood. It was instead distributed as part of her funeral programme on 16th June 2012.)

1.1 Early Life

I was born on 29th December 1966 at Kipkelion in Kericho District. I am the first-born child of my parents, Mr. Ali Abdulrahmani and Mrs. Prisca Nyambura. I have two brothers, Abdulrahmani – a Muslim (now also known as Emmanuel, he has since converted to the Catholic faith) and Antony Njoroge Amusi, a Catholic. I also have two sisters, Caroline Asha and Mariamu Wairimu, both Catholics.

I was originally named Hadija by my late father who was a Muslim but who allowed my mother to practice her Catholic faith. My mother used to take us to the Catholic Church at Kipkelion where we took catechism classes. I was baptised on 15th April 1979 at Kipkelion Catholic Church during the Easter Vigil of the same year, and I also received my First Holy Communion. I felt great inner joy and peace in my heart, which I had never felt before. From that day on I began dreaming of becoming a Reverend Sister. My secret desire of serving God had begun.

I was confirmed by Bishop Raphael Ndingi at Kipkelion Catholic Church. During my confirmation, I took the name Scholastica.

1.2 Education

I went to Kipkelion Primary School and Koru Girls Secondary School, which was run by the Catholic Sisters of Mercy. I had secondary education up to Form 4 and passed my examination.

1.3 Illness

In my youth I was sick for about seven years. I used to bleed from my fingers and toes. My mother took me to many different hospitals but I was not cured.

However, I heard of a big healing crusade in Nairobi, which was

being led by a Catholic Church bishop. I had travelled to many such crusades before but without success.

So this time also in 1983, my mother gave me permission and money to go to Nairobi. When I reached the church in Nairobi where the healing session was to take place, it was announced that the healing prayer session would be the next morning. I was happy that I was in time for the prayers. I decided to join the choir that was singing that day. When it was announced that those who needed to be healed move forward, the prayers started. At my turn, as the bishop was praying for me, I fell down on the floor and was carried out to a safe place unconscious. When I came to myself, I found that I was not bleeding from my fingers and toes anymore. I had been healed.

1.5 My Religious Life

I entered the convent in 1986 in the Pious Union of Jesus the Good Shepherd Congregation. I made my first religious profession in the Chapel of Visitation Sisters of Mother Claudia Russo in Rome on 7th September 1991. I was among the first sisters from Africa to be received into the union.

But while my fingers and toes no longer bled, my right hand became weak (almost paralyzed) in late 1990 to such an extent that I was unable to take down messages that Jesus dictated. The problem was further worsened when I was in Perugia from July – August 1991 together with my religious sisters to attend an Italian language course. At the place where we were accommodated, I fell down and dislocated my right elbow.

1.6 My Specific Mission – Sr. Anna Ali of the Most Holy Eucharist

As each recognized visionary within the Catholic Church has a particular message for the particular time, for me it is in the Divine Appeals that come from the Divine Master Himself.

At the beginning of the apparitions on 16th April 1987, the Lord told me, “Be a servant of Love, don’t hide My glory. Pray for the scandals of the world. Glorify My name every day. Don’t be afraid to say My name. The devil will come to trouble you. I want your life to be a prayer for the Church and poor sinners; for the many who are suffering as I was suffering, for Me.” This message was recorded by Sister Regina Mwamba while I (Sr. Anna) was speaking in a trance.

On 24th April 1988, the Lord said this to me, “I want you along My painful path for the good of souls. I will make your desire increase to the point where you will always long to leave the world in order to be with Me forever. I want you to be able to recognize Me even in your greatest suffering. This is your work on earth; to make Me realized in the Sacrament of My Love. I will always draw you into this solitude that you may listen to Me and bring Me souls in your prayers. I use you to show that I love every littleness and absolute nothingness! I want to forgive. I want the world to know through My

chosen ones that My heart is overflowing with love and mercy and I am waiting for sinners”.

1.7 Why Did Jesus Allow Himself to be Photographed?

The answer to this question that many ask is given by the Lord Himself:

“Listen to me. I am above this earth. I allow Myself to be seen after many warnings.”

3rd April 1988, 12.00 a.m. (cf 11th December 1987).

“I make Myself visible in order to bring back souls.”

10th April 1988.

“I love mankind and I make myself visible in order to give My warning of mercy.”

12th April 1988.

“Many do not listen to Me because they do not believe in My reality.”

23rd April 1988.

Many too do not believe in a historical Jesus of Nazareth and have no faith in His Loving care.

The hidden God who once came in the flesh (Jn.1:14; Gal.4:4) and walked on the streets of Palestine has made Himself visible once again so that those who doubt His reality will no longer doubt but believe that He is the Living One (Rev.1:18). He cares. He loves and saves countless times. He said to me Sr. Anna Ali, “I do not want anyone to perish.”

1.8 My Effusion of Tears of Blood

I start my night vigil of prayers at 10p.m. every day. From midnight of Wednesday until the early hours of Thursday, I shed tears of blood. This phenomenon of effusion of tears of blood started on the Feast of Corpus Christi 1988, after I had seen the apparition of Jesus in tears of blood. Our Lord said to me, “My daughter, speak when

you are amid tears, pray and make others pray, sacrifice and atone. In this way, God's anger will be appeased."

I only shed tears of blood from midnight of every Wednesday and during the whole of Thursday, but occasionally I experience bloody sweats on my back and effusion of blood from the pores of my skin especially on the face and forehead. During these two days – Wednesday and Thursday – I am tired and weak since I do not eat at all. I only receive Holy Communion.

At the beginning of the apparitions, as I reported to my superiors what I was experiencing in my room, many questions were asked and one of them was that I ask Jesus when He next comes whether I can take photographs of Him. Jesus agreed and my superiors then gave me a camera to take His photographs.

Whenever He came, He came with His own powerful light and the room was filled with sweet fragrance, which remained in the room for a long time. The cameras which were used to take the picture of The Adorable Jesus and the one used during the photographing of Jesus in tears have never taken another picture since the cameras refused to operate and therefore have been stored for the remembrance of the Lord.

In August 1987 in the Parlour at Porta Angelica in Rome, when our Lord appeared to me, I took a photograph of him and He dictated this prayer to me for use by mankind.

1.9 Prayer to the Adorable Jesus

Oh Jesus, most humble, adorable, present in the Blessed Sacrament of your Divine Love. Here on your concealed Sacred throne, I prostrate my soul and whole self before you. Out of my nothingness and sins, I implore you to accept my poor prayers, acts of reparation and adoration to quench your thirst for souls and obtain full pardon for the many profanations, ungratefulness and outrages which you receive each and every moment from the countless number of us miserable sinners.

It was your everlasting mercy towards mankind that moved you so

deeply to the point of veiling yourself to remain in Love on our altars and Tabernacles all over the earth.

Oh Jesus, by your Soul, Body and Divinity, present in the most Holy Eucharist, accept the tears of my soul that these very precious souls to you (mention here the names of those you wish to pray for) may not lose their Eternity forever.

The everlasting ages belong to You. So we entrust our total selves in Your loving care and gaze, now in life and death.

Amen.

1.10 Visions

a) First I saw a series of visions of Blessed Hosts in the apartment of Porta Angelica, Rome. On each occasion, a miraculous Host appeared suspended in the air parallel to a wall of the room (see Photos 2.9, 2.10, 2.11 and 2.12 on pages 29 and 30 of the Divine Appeal, Volume I, 5th Edition)

b) The second apparition of Jesus remains the most remarkable for its unique and stupendous nature. The Adorable Jesus – August 1987. The apparition of the Adorable Jesus was taken in the parlour at Porta Angelica, Rome.

c) The apparition of Jesus in tears of blood (on the cover page of this Volume) was taken in my room at Porta Angelica, Rome on the Feast of Corpus Christi, 1988.

d) Each time I shed tears of blood in the early apparitions, the blood formed crosses on my clothes (see Photos 2.3, 2.4, 2.5 and 2.6 on pages 25 and 26 of the Divine Appeal, Volume I, 5th Edition.)

e) Throughout the messages, the Lord talks about His “broken heart” and attributes the cause of His tears of blood to sacrilegious communion and the irreverent handling of the Holy Eucharist practised all over the world. The early Christians were warned about the consequences of this abuse of the Sacred Eucharist (1 Cor.11:28-32 and St. Catherine of Siena Dialogue).

“Souls that refuse to accept suffering are not worthy in My Kingdom. Revere Thursdays for reparation to My Eucharistic Presence” (Divine Appeal Vol. 1– 4th July 1991).

1.11 The Substance of the Divine Appeals

My opinion is that the substance of the entire revelations revolves around the following:

1. That consecrated souls should no longer offend the Lord. He is terribly hurt by them. They should be humble and repent their sin. “Both hatred and emptiness have fettered them to evil. They do not think of how much pain they cause me.” I am very sad: Divine Appeal 110– 5th April 1988 and many others in 1987.
2. Freemasons and their apostate priest – collaborators who are committing the sins of sacrilege against the Eucharist should repent now. This applies to all those who steal the Eucharist for diabolic purposes such as for black Masses. Like Judas, they sell me. Whoever frees himself from this affair will have My forgiveness. Divine Appeal 19 – 12th October 1987; and Divine Appeal 51 – 11th December 1987.
3. “So many from their childhood years are heading towards perdition through the fault of their parents.” Divine Appeal 45 – 3rd December 1987.
4. There is warning – the entire New Testament echoes this hard truth: “Time will reap what it sows; the Lord’s Divine Mercy will be followed by Divine Justice.”. Divine Appeal 103 – 29th March 1988.
5. “Like a beggar, I ask for reparation and consolation.” Divine Appeal 131 – 23rd April 1988. Reward awaits those who visit the Blessed Sacrament reposed in the churches. “As I am exposed, I will pour infinite Mercy in the hearts of many souls.” Divine Appeal 123 – 15th April 1988.
6. I do not want anyone to perish. The Eternal Father has waited for the repentance of the masses. I love mankind. I wish to pour

My Mercy into human hearts. Blessed are the repentant, for I am Love, Peace and Joy. What a joy for me to see souls returning. “My joy is to forgive.” Divine Appeal 117 – 11th April 1988.

7. “Satan has darkened the spirits which have already been turbid. Evil turns against itself like a horrible serpentine monster that unconsciously coils around souls. What a pain, my warnings are not heeded!” And the perverse world is like a persecuting dragon. Divine Appeal 105 – 31st March 1988. Well then, “everyone prepare yourselves, both good and bad, adult and children, priest and nuns, all humanity. I love them and grant them time.” Divine Appeal 34 – 29th October 1987 and.
8. The Eucharist (“the Sacrament of My Love”) remains the human person’s infinite treasure. It should not be toyed with. For the sins against the Eucharist, Jesus wants souls to calm the wrath of the Eternal Father. Like a beggar, He ask for prayers of atonement. He suffers the pain of seeing souls falling into perdition. Divine Appeal 131 – 23rd April 1988; and Divine Appeal 132 – 24th April 1988.

1.12 Final Vows and Death

(Evidently, this section was not part of Sr. Anna Ali’s original ‘Silver Jubilee’ programme, and has been added to briefly complete her story.)

Sr. Anna Ali of the Most Holy Eucharist described that whenever Jesus came, He came with His own powerful light and the room was filled with a sweet fragrance which remained in the room for a long time.

She left the Pious Union of Jesus the Good Shepherd in 1996 and became a hermit living under the care and spiritual guidance of Rev. Bishop Cornelius arap Korir of the Catholic Diocese of Eldoret. Sr. Anna Ali took private final vows with Rev. Bishop Cornelius arap Korir and took on the title of Sr. Anna Ali of the Most Holy Eucharist as instructed by Jesus in the Divine Appeal message of 15th October 1998. For 25 years till her death, Sr. Anna Ali shed tears of blood every Thursday from midnight of every Wednesday

to the whole of Thursday. This phenomenon started after her vision of Jesus in tears of blood.

Sr. Anna Ali of the Most Holy Eucharist was born to eternal life on 6th June 2012. Her body was laid to rest on 16th June 2012 at St. Patrick's Catholic Parish, Burnt Forest, in the Catholic Diocese of Eldoret.

2. DIVINE APPEALS

The numbering is continued from the Divine Appeals in Volume I

DIVINE APPEAL 197

26th October 1996

3.00 a.m.

You must atone, make sacrifices, do penance and repent for others too.

My daughter, pray a great deal, watch with me in these dark hours. Listen well, I implore you with an Anguished Heart. You must atone, make sacrifices, do penance and repent for others too. My goodness and patience are infinite. My love is calling back mankind before it is too late.

The Majesty of My Eternal Father is outraged. I pour My tears of blood over mankind. My Divine Mercy will be followed by My Divine Justice.

The Red Lucifer stalks the earth in fury, maddening and capturing souls. Mankind has been deceived by earthly, passing and perishing goods. It has forgotten My Love and has allowed itself to fall in monstrous corruption! As a result the whole earth is crumbling like quicksand and grieved by great calamities.

Do not lose time, pray a great deal and do reparation before it is too late. The earth has lost its senses. I assure you the rigours of My Eternal Father's Justice are awful! Blood is shed and will still be shed for so many sins, diseases, earthquakes, tidal wave, family-devastating thieves. The Red Lucifer has sworn to flatter souls with his lies. He continues his march for blood and death!

This is an urgent plea for all mankind; if it refuses My love and clemency and refuses to repent, it will have to face My Divine Justice. I love mankind with unconditional love but the fact remains My Eternal Father will not be mocked forever. What more could I

have done for the salvation of mankind.

Pray a great deal My daughter and cloister souls in your heart; in the first line the souls I entrusted souls.

DIVINE APPEAL 198

1st November 1996

2.43 a.m.

I make an urgent appeal to all the Earth. I call on mankind to Repent for time is near.

My daughter, pray a great deal. Watch with Me in these dark hours. In the Sacrament of My Love keep Me company.

I implore you to abandon yourself in My heart and do what I have commanded you. I ask you for faith, intimacy and confidence.

Pray, offer, suffer and be quiet. Make hours of Reparation, Adoration and Penance. Repent even for other poor souls. I pour My tears of blood over mankind. Countless number of souls are on the brink of the pit.

In the Sacrament of my Love I have lowered Myself to this level for the sake of mankind. The hour is very sad. Countless number of souls are choosing to live in darkness. They think their decision is for a few years in the world for money; but in actuality, they are plunging into perdition. The Red Lucifer counterfeits everything. My love and clemency is perfect.

I make an urgent appeal to all the earth. I call on mankind to Repent for time is near. Pray, pray. I assure you time is coming when the church will be in Eclipse and the earth will be in dismay. The Red Lucifer with a large number of demons are already unloosed from hell, as a result the Earth is struck by calamities of all kinds. No one will succeed in this terrible battle without My help. The Anger of My Eternal Father is mounting.

I will not force any mankind to love Me. Day and night I am giving greatest graces to souls of mankind. Countless number have ignored Me enough. The Majesty of My Eternal Father is deeply offended. They slander My name, they mock. These are grave signs. My Divine Mercy will be followed by My Divine Justice.

With tears of blood I call mankind to turn back to Me with sincere repentant hearts.

I implore you to quench My thirst for souls. Cloister souls in your heart, in the first line the souls I entrusted souls. So many souls consecrated to Me leave intact the plenitude of My graces. They reject My feelings. I see them as they are. What more could I have done? Did I suffer for the salvation of mankind in vain?

I assure you My Love, clemency, forgiveness and patience are infinite; but even though time is coming for My Justice to pronounce itself.

DIVINE APPEAL 199

12th November 1996

My Divine Mercy Is Followed By My Divine Justice

My daughter, watch with Me at these terrible hours. Pray a great deal. Nakuru is asking for vengeance because of mankind. Many convents and cloistered convents are no longer My prayer home but the grazing ground of ASMOSDEUS.

I make an urgent appeal on earth.

One of My Apostles of the last days, my son

My Divine Mercy Is Followed By My Divine Justice.

DIVINE APPEAL 200

12th November 1996

3.34 a.m.

What More Could I Have Done For The Salvation Of Mankind.

My daughter, pray a great deal. Watch with Me in these dark hours. The Everlasting Ages belong to me. What more could I have done for the salvation of mankind?

My Divine Mercy is followed by My Divine Justice.

I will not force any soul of mankind to follow Me. Mankind has decided to destroy himself.

What more could I have done for mankind more than death on the wood which belonged to the criminals...

The Everlasting Ages belongs to Me. Time is short.

To my beloved servant He is among the Apostles of the last days.

Unthinkable to mankind! My time is so clemency.

My Divine Mercy is followed by My Divine Justice.

What more could I have done for mankind?

The Everlasting Ages belongs to Me.

WHAT MORE COULD I HAVE DONE FOR THE SALVATION OF MANKIND.

THE EVERLASTING AGES BELONGS TO ME, LOVE,

CLEMENCY IS ME. If you allow Me...

What more could I have done for the salvation of mankind more than the death of criminals?

MY NATURE IS LOVE.

DIVINE APPEAL 201

22nd November 1996

2.59 a.m.

The days are rapidly approaching when My Eternal Father will put the whole world into its casket.

My daughter, listen well. I call with an anguished Heart. Pray a great deal, watch with Me and in the Sacrament of My Love keep Me company. The times demand accelerated action.

Sacrifice, atone, do acts of contrition not only for yourself but for other many souls on the brink of the pit. The whole Earth is living in a terrible reality. The true apocalypse. Mankind has refused to be conscious of this terrible reality. The days are rapidly approaching when My Eternal Father will put the whole world into its casket.

If mankind does not want My love, clemency and forgiveness, then mankind will not escape My judgment. Because My merciful Love will have to give place to Divine Justice. In the Sacrament of My Love, I have lowered Myself to this level for Love of mankind. I implore you to pray, do penance and make others pray to console Me. The Majesty of My Eternal Father is greatly outraged. He is terribly offended.

The consequence of all this is unthinkable to mankind for he has been blinded by the Red Lucifer, with his demons he is carrying on a great battle. He is now very free to do what he wants and to enslave all those who have freely chosen him.

Time is short. I pour My tears of blood over mankind to see countless number of souls who have been completely blinded by the love of money and earthly things and pleasures which will last for a very short time.

Make hours of Adoration and Reparation, silent prayer and Rosaries. These will decrease in proportion to the fervour which people will pray for sinners. Do not lose any single soul that I have entrusted to you. Cloister souls in your heart; in the first line the souls I entrusted souls. Countless number of them are at the brink of the pit. My Divine Mercy is great if they Repent and do penance.

I give My loving warning to this sinful mankind.

The Everlasting Ages belongs to Me.

DIVINE APPEAL 202

12th December 1996

3.00 a.m.

I pour my tears of blood over mankind because there is no response given to the voice of My clemency.

My daughter, pray a great deal. Watch with Me in these dark hours. Behold the Sacrament of My Love for mankind. Be very attentive to My words. You must make restitution and be on the cross with Me. Pray, suffer and atone. Do acts of repentance even for other souls.

I want mankind to know the seriousness of the terrible state of the world, to understand the inexorable Justice of My Eternal Father. He has been attacked and His Majesty is terribly outraged by the mankind that He created out of love. I have lowered Myself to this level in order to warn mankind to Repent.

I pour My tears of blood over mankind because there is no response given to the voice of My clemency. Time is nearing when I will no longer ask for anything. Rather I will take everything with My Eternal Father's force and put the world in its casket. No one will escape the Divine Judgment.

What more could I have suffered for the salvation of mankind.

Like a beggar I ask for souls to reflect deeply on the Evil which is being provoked in the presence of My Eternal Father. They are racing toward the precipice of perdition. All those who want to believe and are prepared to await the moment of Divine Justice must pray and do penance. The holy hours, Masses of Atonement, Rosaries, Meditation and Adoration of the Sacrament of My Love. All this is to implore for the mitigation of the Evil in mankind.

The souls are allied with the Red Lucifer, with his demons he has infiltrated into My church. Red Lucifer stalks among the Cardinals, the Bishops, the Prelates, consecrated souls and lay people. Among them there is a diabolical transformation.

In convents, I receive terrible whips from the tongues and lips. Always your lips are still bloody after receiving Me in the Sacrament of My Love. Countless number of them have no time for Me. They do everything in their allocated time. Every moment will pass away except the moment spent for Me.

My daughter, I implore you to cloister souls in your heart; in the first line the souls I entrusted souls. Do not be surprised or frightened that you now hear My serious voice and strange in the Abyss of your soul. No one can cross My plans. Place your confidence totally in Me.

Do not regard your misery for when you leave it to Me it gives place for My infinite clemency.

Be always conscious and concerned about poor sinners who need My clemency.

DIVINE APPEAL 203

19th December 1996

3.00 a.m.

I implore you to live as if everyday is your last

My daughter, listen well to My words. Watch with Me in the Sacrament of My Love. Pray a great deal, atone and do penance.

I assure you the time has run out and this is the Apocalyptical hour. If mankind do not return to Me it will only know desolation. Pray without losing any of My precious time. You do not realize how urgent is my call. Amid the tears of blood I speak.

These are times of overwhelming violence. The churches will be persecuted. There will be so many martyrs who will fall on the field of an arduous battle to defend My Holy Church. I call souls to listen to My warning of Love.

In the Sacrament of My Love I have so many graces. Endeavour to entreat with faith. I have lowered Myself to this level in order to call back mankind. My Justice is so merciful yet mankind is fatigued and corrupted by blasphemies and violence of all kinds. Listen to My anguished weeping.

Evil has grown and My Eternal Father's hand weighs over it.

What is terrible is that the Red Lucifer wishes to destroy the faith and trust of My chosen ones.

Pray, do penance, expiate evil and be at peace. Be confident and abandon yourself in My Heart.

Truly, I tell you, in the Sacrament of My Love I am forced to walk through the streets, My head crowned with thorns, My eyes in tears

of blood and My heart afflicted and broken into pieces.

I implore you to live as if everyday is your last. Pray and let every soul to know this. Reflect deeply on the serious tragedy which threatens mankind. What more could I have done for the salvation of mankind.

This is a serious moment and mankind is threatened by terrible punishment which it has provoked. Pray a great deal and do penance even for other souls that I entrust in your soul. I assure you to be aware that mankind is in the process of falling into a progressive self-destruction.

Cloister souls in your heart I implore you; in the first line the souls I entrusted souls. They must know that the Anger of My Eternal Father cannot be averted anymore. I want them to heed My words of love and clemency. In the Sacrament of My Love I remain in the prison of My Tabernacle and My graces are piling up because no one is asking or needing them. Yet the Red Lucifer is making a sweeping conquest among souls. Multitude fall in his net against their will. Pray and do penance. My grace will help you if you strive to be perfect.

My daughter, make sacrifices. I cannot offer you any solace. For the sake of souls you must immerse yourself in My words. Feel with Me.

Time will come when you will hear My consoling voice in the depth of your heart. My suffering for souls is unspeakable. I thirst for souls.

DIVINE APPEAL 204

For love of mankind I have lowered myself to this level. Behold in the prison of My Tabernacle I am with you and the whole of mankind.

My daughter, pray a great deal. Watch with Me in the Sacrament of My Love. Pray and do Reparation for the alleviation of the wrath of My Eternal Father. Prayer is urgent!

Listen to My anguished call. If My afflicted word is not heeded and penance is not done, the wrath will be ghastly! My Divine Mercy is followed by My Divine Justice.

I pour My tears of blood over this mankind. Terrible errors are committed day and night by the obstinate followers of the Red Lucifer. My Eternal Father is so merciful but mankind has lost its senses, drugged and Godless. I assure you to be alert for the Earth is now living in a true Apocalypse. No one will escape from My sight. Multitude of souls are blinded by the Red Lucifer that they can hide from Me. No creature is unseen in My sight. Woe to these very souls.

My daughter, I implore you not to be disturbed by the incomprehension and miseries which surround you. Do not be afraid even if you receive insults. You must pray and cloister souls in your heart; in the first line the souls I entrusted souls. Do not waste any of My precious time for the salvation of souls. You have to atone and do acts of reparation and contrition not only for yourself. Repent for so many souls on the brink of the pit. This is My painful appeal before it is too late. This is a terrible reality. It is unthinkable to mankind. Be aware. Do not misuse any suffering. It is all useful for

the salvation of souls and appeasing the Divine Justice.

For souls I have erected an altar in your heart. You must live moments of desertion. Exposed to continuous humiliations. You must atone for this Godless mankind. Terrible danger threatens it. For love of mankind I have lowered Myself to this level. Behold in the prison of My Tabernacle I am with you and the whole mankind. I busy Myself day and night in My vigil for souls.

It pleases Me to tell you this secret; in My bitter Passion I was grieved so much as I felt My sufferings were so painful and disagreeable to My Humanity. From all this source flowed other dispositions.

What more could I have suffered for the salvation of mankind.

For the sake of souls, I implore you to pray, atone and stimulate yourself courageously.

I thirst for souls.

I guide you with My wisdom. I attend and encompass you with My Love. It well suited Me to make you esteem sanctifying grace.

Behold I am everywhere with you in so much as I am in My Divine Person.

I implore you to revere and embrace My will which pleases Me for a purpose to bring you again and again in bi-location.

I will always give you the reassuring inner feelings. Do not wonder when you find yourself in a repugnance to sufferings.

I only need your response to My Love that will render everything savoury to you. For I assure you that you are one of My Apostles of the last days.

Only prayer, reparation and sacrifices can change the course of history.

My daughter, pray a great deal. Watch with Me in these dark hours. In the Sacrament of My Love I am so lonely in so many empty churches. I implore you to quench My thirst for souls.

Do reparation, acts of contrition and repent even for other souls. The hour is drawing near and My Eternal Father's Justice will be inexorable. The fallacies in their brutal conceptions of life will constitute their sentence! I pour My tears of blood over mankind. Evil grows to monstrous proportions for those who have the duty of stopping this desolating course of immorality. I am so profaned in My church and sacred places. Nature itself is asking for vengeance. Pray and sacrifice to appease the wrath of My Eternal Father.

Cross yourself often with the sign of the Cross. The Red Lucifer together with a large number of demons are loosened from their pit. Slowly by slowly they are blinding souls even those consecrated to Me. Woe to those who do not rely on My grace. Several religious orders will lose all faith and as a result they lose so many souls. Those who hope in Me sincerely will not hope in vain for he who listens to My clemency words and warnings will find salvation.

Countless number of souls pray but live in the world and by the world. They have no place for Me in their hearts. Through this they end up in perdition.

There is a great unrest over the whole Earth. Only prayer, reparation and sacrifices can change the course of history.

I implore you to cloister souls in your heart without fear; in the first line the souls I entrusted souls. I repose Myself Sacramentally in your heart for the sake of souls. I want your complete abandonment and your complete will. You must embrace souls in your prayers. I assure you everything will pass away except what you are doing and will do for the salvation of souls. Only the time spent for Me will remain.

In the prison of My Tabernacles I remain day and night. I have lowered Myself to you and all souls with such a noble gesture. For I am Love Itself.

What more could I have suffered for the salvation of mankind.

Mankind has united itself to the Red Lucifer. Countless number of the souls I entrusted souls are tranquil and worryless; they step over Me and permit everything. My arm falls inexorably and time is very short. Time is at hand when the whole earth will tremble and all mankind will be shaken.

I implore you to pray, suffer and do acts of contrition even for other poor souls in need of My Divine Mercy. I want complete obedience from you. I have lowered Myself to this level for Love of mankind. It pleases Me to bring you from one end of the Earth to the other. Listen to Me attentively and heed My words from My Apostle of the last days. I lead and guide you in him.

Deadly weapons are hidden everywhere in all parts of the world. Evil has grown to the point that mankind has decided to destroy himself. The right hand of My Eternal Father weighs down over them.

Listen to My anguished call. I beg you to quench My thirst for souls. Pray, atone, do much penance and do not tire. Abandon yourself completely in My Love and call. Do not be afraid of the continuous evil powers. For the good of so many souls I let you remain as a living hidden tabernacle to continuous humiliations and desertion.

It is I who wants it so. I pour My tears of blood to see so many souls on the brink of the pit. What more could I have suffered for the salvation of mankind.

My daughter, pray, pray and watch with Me in the Sacrament of My Love. I pour My tears of blood over mankind which does not want to hear My warnings of Love before it is too late. Very sad hours are coming. The whole world will suffer great upheavals. The obstinate sinners do not want to have anything to do with My Eternal Father. As a result His wrath is upon them. My daughter, in the Sacrament of My Love, watch and pray. Keep Me in the light. This is My difficult hour. Abused, blasphemed... and ridiculed, whipped and turned upside down, I am quiet and very patient in My prison of tabernacle.

I want mankind to know the seriousness of this present state of the world. Give Me time to repose sacramentally in your heart. You must be strong with this supreme proof of obedience and love to My Apostle, you must embrace it. You must suffer and learn. I assure you, nothing on earth that you do can please Me more than letting Me speak to you and you listen calmly.

Pray, sacrifice and atone. I call everyone to prayer. I give so many messages to the whole world but the world rejects them. I urgently ask for repentance. My word is a command. It serves to save mankind. If they do not repent, a terrible scourge of fire will descend. Dark and fearful days are approaching.

Rulers talk about peace, and they prepare themselves for war. Mankind will fall in this mire of errors! They have allowed themselves to be dominated by the spirit of the Red Lucifer. My Eternal Father's sentence which is Divine weighs down on them.

I am bent over mankind. Bleeding from pain, My heart is torn into pieces by this corrupt mankind! Pray intensely, atone and cloister souls in your heart; in the first line the souls I entrusted souls. These are grave hours, woe to those who persist in doubting My painful admonitions!

I want mankind to know the seriousness of the state of the world, and to understand the inexorable Justice of My Eternal Father.

My daughter, listen to what I make you write. Be very attentive, I speak to you, write carefully what I tell you.

I need souls who repair and atone, victim souls in holocaust to calm My Divine Justice. I want you and I have chosen you to accompany Me; you must make restitution and be on the cross with My Church. Be a living Tabernacle, I have erected an altar in your heart.

Pray and suffer with My Church!

I want mankind to know the seriousness of the state of the world, and to understand the inexorable Justice of My Eternal Father.

I want mankind to repent. Otherwise, it will cast down innumerable souls into perdition together with the Red Lucifer who suggests to them that My Eternal Father who is God does not exist. Through you My daughter, I speak to My Apostle of the last days. I unmask the deceiving spirits which have infiltrated into the souls, consecrated priests to whom I have confided My Church. There is a struggle that the world cannot see! A struggle between the Spirit of My Eternal Father and the spirit of the Red Lucifer who is our enemy.

My daughter, the moment is nearing when I will no longer ask for anything but rather I will take everything with all the power of God.

The Cardinals, Bishops, Priests and religious if they do not change their lives and become humble and charitable, detached from the vanity of this world, will perish in My Divine Justice. Countless number of them do not believe in My afflicted appeal. Together with My Mother I pour tears of blood over mankind!

You will be rejected and mortified but do not be afraid! I want complete obedience from you. I give light to My Apostle. In him I guide the work I have entrusted to you. You must not think that you are able to accomplish it alone.

Listen to Me for I want your submission and your complete abandonment.

I use you because it pleased Me to do so. Do not waste any of My precious time. It is urgent. These are great warnings of immense Divine Mercy. Very soon I will put the whole world in its own casket. I will not be mocked for ever. The everlasting ages belongs to Me.

DIVINE APPEAL 222

If there is no prayer and my afflicted words of warnings are not heeded (there will be) continuous bloodshed, streets covered with corpses.

My daughter, listen well to what I tell you. In the Sacrament of My Love keep Me company. Pray a great deal. You must be a host soul, a living tabernacle continuously prepared to go up to Calvary.

Sacrifice, pray and atone. I implore you to treasure My blood together with your sufferings. Offer them to My Eternal Father to implore His Merciful Love. Suffer out of Love for Me for souls. Pray, do penance and forgive.

Follow Me to the point of your complete immolation. I call you to be a fervent soul, light and salt of the Earth by means of your life. You may be able to make fervent souls flourish.

Pray and atone, do not be afraid even if you receive insults. If there is no prayer and my afflicted words of warnings are not heeded (there will be) continuous bloodshed, streets covered with corpses.

The souls are allied with Red Lucifer.

If penance is not done and they do not pray, the chastisement will be ghastly. If souls I entrusted souls do not listen to My anguished call, they will lead mankind to great and unthinkable sufferings. You must pray and do not lose My precious time. Be aware of the terrible reality which is urgent.

A diabolical hand threatens the whole world. The time of the great

trial will come also for the church. Cardinals will oppose Cardinals, Bishops against Bishops. The red Lucifer marches triumphantly in the midst of their ranks due to their hubris and lack of charity! There will be deaths everywhere because of the errors committed by the obstinate followers of the red Lucifer.

Prayer is urgent. According to My desire, everyone must pray to implore for the mitigation of the evil in this mankind. The holy hours must be prayed, meditations and adoration to Me in the Sacrament of My Love.

As I am exposed, I will pour the treasures of My Mercy to the souls. I am bleeding from pain.

These are grave moments. You must obey My words and heed them as I guide you in My Apostle. I order you do so. My word is a command. Who will esteem My tears of blood? With My Love I appeal to all mankind.

DIVINE APPEAL 223

It is urgent for mankind to become conscious of this terrible reality. I do not want souls to perish in the Eternal Fire. This is why I have levelled myself to this point.

My daughter, pray a great deal. Watch with Me in the Sacrament of My Love. Be aware that this is the Apocalyptic hour.

Pray, atone, do penance and acts of reparation. Go to confession. Receive Me and do acts of reparation not only for yourself.

Be prepared for the sacrifice which I expect of you. Many swords will pierce your heart. It is urgent for mankind to become conscious of this terrible reality. I do not want souls to perish in the Eternal Fire. This is why I have levelled myself to this point. With tears of blood and pain I am calling everyone to pray and make others pray. Mankind live in obstinacy of sin but My Eternal Father's wrath is near. The world will be tormented by great calamities. This will be a time for despair for the impious with Lucifer's blasphemy, they will wish to be covered by mountains and they will try to seek refuge in caverns but to no avail. This is for all who refuse to repent when there is time.

The rulers of the nations have been transformed into veritable incarnate demons and while they speak of peace, they prepare the most sophisticated armaments for destruction of people and nations. Mankind have transformed the Earth into a scene of crimes. So many scandals lead to ruin, so many souls into corruption.

Do not be disturbed by the incomprehension and miseries which

surround you. I want your soul to be simple. This is the way your complete surrender pleases Me. With tears of blood I speak to you. My Eternal Father is merciful but mankind has lost its senses – drugged and blinded.

Time is coming when I will no longer hold My Eternal Father’s arm of Divine Justice.

My daughter, My word is a command, it serves to save mankind. I use you because it pleases Me. I guide the work I have entrusted to you through My Apostle of the last days.

Heed my words in him. I want your complete abandonment. All your sufferings are useful for appeasing My Eternal Father’s wrath.

I am bleeding from pain and My Heart is torn to pieces by this corrupted mankind. What more could I have suffered for the salvation of mankind.

DIVINE APPEAL 224

5th March 1998

I give so many messages to the world but the world rejects them.

My daughter, pray a great deal and watch with Me in the Sacrament of My Love at these dark hours. Have always daily hours of Adoration for the appeasement of the wrath of My Eternal Father and for company. Consolation of My painful Heart which is pierced by all kinds of insults and blasphemies.

I am bent over mankind, bleeding from pain. The times are terrible. Only destruction where the children of darkness are.

Pray and atone! You must crucify yourself with Me. My Eternal Father wants it this way. Do not be afraid. I have chosen you and have made you a living tabernacle in order to use you and bring you to overcome all obstacles. You have to be disposed to climb Calvary!

In the Sacrament of My Love, as I am exposed, I will pour the treasures of My Merciful Love to the souls of mankind. Time is coming when I will no longer hold back My Eternal Father's Justice. I give so many messages to the world but the world rejects them. Souls of sinners do nothing to repent from this great vertiginous ignominy and scandals of every kind.

Reflect on this: My Eternal Father is Justice and Power! You still have short time to detain His hand. If mankind does not convert, there will be a brandishing sword over all their heads! I assure you it is horrible to fall into My Eternal Father's hands; floods, earthquakes, demolition, eruptions, homicides, blood in all streets, atomic bombs, plagues and famine! Mankind does not want to listen to My Merciful warnings and so the Divine Sentence weighs down

on them! How much pain for this mankind. The diabolical army is free to march throughout the whole world.

Terrible and fearful days are coming soon. The Godless will be destroyed. Many nations will be purified and many of them will completely disappear from the face of the Earth.

Never in the history of mankind has it been like this.

Pray a great deal and atone. Pay attention and obey My words and call. You must obey all that I tell you.

You must heed My words and guidance through My Apostle.

I want mankind to know the seriousness of the present state of the world and understand the inexorable justice of My Eternal Father which is at hand.

Never before has the world needed prayers and atonement as in these tragic times.

Don't lose time. Pray before it is too late.
My daughter, watch with Me in the Sacrament of My Love. Pray, do reparation, penance and acts of contrition for other souls also. Never before has the world needed prayers and atonement as in these tragic times.

Don't lose time. Pray before it is too late. The majesty of my Eternal Father is outraged. The world has lost its senses. These times are worse than the times of Sodom and Gomorrah. Never has it been in the course of history of mankind. The pope, the Church, the souls I entrusted souls are all in danger and if there is no prayer the powers of the Red Lucifer will break loose and in the front lines, there will be souls I entrusted souls. My daughter I implore you to cloister them in your heart, with tears of blood these are my great warnings of immense Divine Mercy. I want all to be saved.

No one goes to perdition without his own consent. So many still in their childhood years are heading to perdition through the fault of their parents no longer wanting to be concerned about My Eternal Father. The demon is disposed to mislead all souls.

He wants to flatter all with his lies.

The rigours of my Eternal Father's Justice are awful! I am bleeding from pain, My heart is torn into pieces. Almost all of mankind abuse Me and spits on Me. In the Sacrament of My Love day and night I am whipped...

I have made you a living tabernacle in order to use you for souls. Do not wonder why My Love towards you means sufferings. Poor souls can only be saved by sufferings. You must clearly be aware why your sufferings are needed. Make reparations and sacrifices for souls. These are grave moments.

I suffered everything for the salvation of mankind. Do not lose heart in keeping watch with Me in nightly prayer. I need your company for the many injustices against Me in the Sacrament of My Love, there in My agony I have so many graces for souls burning Me but no one asks for them. Do not be afraid – I will guide you though My Apostle. I order you to do so even in spite of your affliction. It pleases Me to bring you from one end of the Earth to the other. I am shedding tears of blood for the whole of mankind. I command you to feel what I tell you.

Heed all My words from My Apostle.

The chalice is filled. Pray and do penance. The Red Lucifer has taken possession of souls, and the sinful mankind does not want to repent. My Divine Mercy is immense. Their repentance is sufficient. My Love for mankind is unlimited.

As I am exposed I will pour the treasures of My love and Mercy to the souls of mankind.

DIVINE APPEAL 226

When I accepted to conceal Myself in a white small Host, I knew what it would cost Me for Love of mankind.

My daughter, pray a great deal. I speak to you amid tears of blood, do acts of reparation, sacrifice and atone in this way to appease the wrath of My Eternal Father.

My great Love towards mankind has concealed Me in the Sacrament of My Love.

Keep watch with Me day and night. I am continuously receiving crowns of thorns. Passing through the milling crowds, with bowed head because of the many sacrileges which are committed against Me. Listen to Me and do not be afraid. It is I who wants it this way. Suffering is the manifestation of My Love.

I implore you to pray, it is urgent. Cloister souls in your heart; in the first line the souls I entrusted souls. I am totally theirs during consecration...

The Red Lucifer wants victory. Freemasonry hurls itself against the Church. These are times of overwhelming violence. The Earth will be covered with blood. The Churches will be persecuted. There will be many martyrs who will fall on the field of an arduous battle to defend the Holy Church. Great offenses will befall the Vatican and My Vicar will be a victim at the perfidious hands of those consecrated to Me. Beware! I am very sad and My Heart is filled with pain. Woe to those who have so many lies.

I pour My tears of blood over mankind. In this Sacrament of My Love I ask you for meditation on the evil which is being provoked

in My presence; they are racing towards the precipice of perdition willingly.

Mankind like Judas betrays My Heart and drags souls down to perdition. My daughter, pray and suffer with My Church. I want mankind to know the seriousness of the present state of the world and to understand the inexorable Justice of My Eternal Father.

The Earth is crumbling like quicksand and the whole world is grieved by great calamities!

I implore you, keep Me company, pray and do penance in this Secret hour.

I will always reveal My desires to you. I have saved the world through suffering on the Cross. You know that sin is an infinite offense against My Heart. Mankind has united itself with the Red Lucifer. The souls I entrusted are tranquil and worry less. They step over Me and permit everything. Cloister them in your heart. I order you to pray and do penance for souls even in spite of your affliction.

In the Prison of My Tabernacle My great Love is overcome by no obstacles. When I accepted to conceal Myself in a white small Host, I knew what it would cost Me for Love of mankind.

Do not fix your eyes and heart in your misery and nothingness. I know you in and out, allow My graces to lead you to quench My thirst for so many wandering souls to salvation.

Pray with no fear. Do not allow cowardness to put obstacles before My Graces and will for you. My word is a command. I have given you many signs of My presence in you. Pay attention and obey My call.

You must pray, listen and heed My words from My Apostle of the last days.

DIVINE APPEAL 227

Do not lose any single moment for the salvation of souls, time is short.

My daughter, watch with Me. These are dark hours, in the Sacrament of My Love keep Me company. Pray a great deal. Cloister souls in your heart; in the first line the souls I entrusted souls. I thirst for souls. I need you to quench My thirst.

Listen to My call!

Make reparation and sacrifices for souls. You must understand why your sufferings are needed. You can only save souls by sufferings. Do not lose any single moment for the salvation of souls, time is short.

These are grave moments. The world has never been like this in the course of history. Pray a great deal and cross yourself frequently with the sign of the cross. I implore you always to respect Thursdays as days of My special graces. I need your total obedience. You must heed My words and guidance from My Apostle. You must regard these days as days of reparation. These times of prayers.

Mankind hurls torrents of blasphemies and lies against the Church!

This perverse world is like a persecuting dragon. He will try to trap all those who believe and refuse this idolatry! Many souls who denied My name will believe in these malicious works. Mankind with its diabolical behaviours bring down upon itself punishments and scourges, plagues, famine, war, cosmic cataclysms, threats of Divine Judgment. These are the image of the deadly weapons!

My Divine Mercy is great if they repent and do penance but mankind walks at the side of the Red Lucifer. Their souls live in the mud of the Earth. They free themselves. What is most terrible is that the Red Lucifer wishes to destroy the faith and trust of My chosen souls.

Pray without ceasing; do not be afraid. I will always make you feel in your heart the illuminating effect of My Divine Presence in the Blessed Sacrament of My Love. In your soul I have erected an altar. I ask you to bear and endure sufferings patiently not only for yourself but for so many souls in need of salvation. Embrace Me and serve Me loyally.

Mothers kill their own children in their wombs: the Justice of My Eternal Father is awesome. He suffers the pain of the snuffed-out lives of defenceless creatures: so many of them thrown down the drains that cry for vengeance before My Eternal Father.

My daughter, listen well to what I tell you. Pray without ceasing and keep watch with Me in the Sacrament of My Love, even though it costs you many tears you must listen to Me.

It is urgent. This is the Apocalyptical hour; if mankind do not repent and return to Me, they will know only desolation. I am so disfigured, drenched with blood, I walk through the multitude of souls amid tears of blood. I implore you My daughter to listen to My anguished call. Pray, do penance and atone and do acts of reparation and contrition for others to save their souls and I assure you will obtain My Eternal Father's predilection.

The world advances towards the precipice from one day to the next. I call you to reflect deeply upon what is happening. There is too much hatred in today's society. Multitude of souls are on the brink of the pit. Mankind do not want to believe their hearts are invaded by the Red Lucifer. There are no signs of repentance. My Mercy is followed by Divine Justice. I am bent over all mankind.

Never before has the world needed prayers and penance as in these tragic times. Mothers kill their own children in their wombs: the Justice of My Eternal Father is awesome. He suffers the pain of the snuffed-out lives of defenceless creatures: so many of them thrown down the drains that cry for vengeance before My Eternal Father.

The world is desolate because of iniquitous evil of falsehood. I am so blasphemed and profaned in My Sacred places, the good live a lethargic life among so many bushes which they have no strength to overcome. Time plants weeds and ignominy. The souls I entrusted souls should remain immune to such contagion, to fight to win souls before it is too late. Many are lost and My life and blood becomes in vain for them.

In the Sacrament of My Love I must be exposed for as I am exposed I will pour the treasures of My Love and Mercy to the souls. Do not lose time. Pray, pray, do not be afraid or tire.

The world has lost its senses and these times are even worse than that of the great deluge. Materialism advances on all sides with unbridled corruption and has pushed mankind towards a frightful abyss of devastation.

Immersed in a chain of scandals the world is a swampland of muck and mire. It will be at the Mercy of the Most severe trials of Divine Justice.

Pray a great deal and cloister souls in your heart. My word is a command, it serves to save souls.

I want complete obedience from you. You must heed each word from My Apostle. I have fixed My gaze upon you through him. I will not abandon you. Do not tire. Do all what I ask you without wanting to know how and when, but I will let your sufferings be increased at the same time showering you with my graces. Quench My thirst with souls. My Divine Mercy is immense. Their repentance is sufficient. I wait for them day and night.

Time is coming when I will put the whole world in its casket.

The souls I love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption.

My daughter, listen to what I make you write. Be very attentive. I speak to you and write carefully what I tell you.

Pray a great deal, sacrifice, atone and keep Me company in the Sacrament of My Love. It is I who ask you this.

I want mankind to know the seriousness of the present state of the world and to understand the inexorable Divine Justice of My Eternal Father. He has been attacked in all His Power and all the heavens are outraged.

The souls I love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. They do not think that they cause Me so much pain. I speak to you amid tears of blood bending over mankind. In many ways I have warned them but they continue along the ways of perdition. My daughter, I implore you to pray and cloister souls in your heart; in the first line the souls I entrusted souls. For the sake of souls accept above all what could humiliate you, trials that place you in contradiction with the world and all who surround you. Do not fear of being belittled in the eyes of others.

What happened to Me? I was abused and covered with shame in front of everyone. Do not pay attention to everything you are told. Heed My words which are of the utmost authority and security in confused times like these. Sheep with no guide, with no shepherd,

to whom would you go if I were not here. Listen to Me and obey in My Apostle of the last days. Heed and obey My words in him. I need your total obedience. Accept all that causes you moral sufferings for the sake of My work. You have My favour.

Pray more and do penance in these secret hours.

Abandon yourself in My heart and do what I have commanded you. The time has ripened in so many years of sufferings.

What more could I have suffered for mankind. My Divine Mercy is followed by My Divine Justice.

Live as if everyday were your last, because only in this way you will be prepared.

My daughter, pray a great deal and watch with Me. In the Sacrament of My Love I am so lonely in so many empty churches at these dark hours. I have come to you afflicted, imploring you to offer all your sufferings united to My heart's merits for restitution of the scandals of others.

The world cries when suffering, but I tell you, oh souls that follow Me by narrow path, one day the world will see them walking in spacious and flourishing meadows.

Pray, atone and do penance.

Many hearts are still distant from Me and My will! How many are so attached to their pride and egoism! Nevertheless, I love all mankind. I have lowered myself to this level for each and every soul, but woe to those who disdain My word! They have a serious responsibility on their shoulders.

I assure you we are really at the end and time is reaping what has been sown. Neither presume to know exactly when it will be nor look to know how much time it will take. Live as if everyday were your last, because only in this way you will be prepared. Listen to Me, it is not in vain!...

You will be horrified! Myself in the Holy Eucharist under both species will be profaned with blasphemy and public immorality. Truly I tell you I am forced to walk through the dirty streets, My

head crowned with thorns, My eyes in tears of blood and My heart afflicted and broken.

My daughter, I implore you to reflect deeply on the serious tragedy which threatens this mankind because of its degeneration.

Pray, do penance and expiate evil, be at peace, be confident, and always abandon yourself in My heart.

The Red Lucifer is destroying all of mankind and the calamity of evil envelops all of them. This is a serious moment and mankind is threatened by the terrible wrath which it has provoked. Pray and do not tire or waste My precious moments for salvation of souls. I need your total obedience, heed My words from My Apostle.

The revolution has already begun a long time ago and it cannot be stopped by human hands! There is Red Lucifer's power which walks in their midst. They are commanded by his Legion and they destroy everything that falls in their hands.

My daughter, pray a great deal and watch with Me in the Sacrament of My Love. I am so crucified, abused, blasphemed and denied: Understand this immense suffering!

I wish to speak to you and to explain something to you!

I have given Myself to your heart; offer Me everything, continuously, living with Me in the same host.

You must live like a tabernacle, at My disposition and that of all mankind in reparation for sins of all kinds.

This is My command to you! Day and nights I wait for souls!

My Divine Mercy is immense. Their repentance is sufficient. I ask for Faith, intimacy and confidence. I implore you to cloister souls in your heart; in the first line the souls I entrusted souls. I give so many warnings to this mankind who do not see that with their own hands they are destroying the world, blindfolded and unscrupulous.

The revolution has already begun a long time ago and it cannot be stopped by human hands! There is Red Lucifer's power which walks in their midst. They are commanded by his Legion and they destroy everything that falls in their hands.

Deadly weapons are hidden everywhere in the world. Evil has grown

and My Eternal Father's hand weighs over their heads.

Time is coming when men will no longer be listened to. They will not want to listen to the salutary Doctrine, but rather follow their own desires.

They will procure many and new masters, all of whom are false prophets!

I implore you to pray a great deal, penance and reparation. I order you to be always ready to share My passion and be attentive. Heed My words from My Apostle of the last days and live in deep humility.

I have seen my Eternal Father with a CLUB in hand and looking very severe, glance at the Earth and repeat these words: "In few minutes I will destroy this Earth of mire, insults, hideous blasphemy, scandal, infamy, infanticide and sacrilege. How much Evil! I will soon destroy everything if the world is not converted."

My daughter, pray a great deal and watch with Me in the Sacrament of My Love. These are dark hours.

Listen to Me, do not be afraid, it is I who wants it this way! Do not tire. Do what I ask you, without wanting to know how and when. Abandon yourself in My Will recognizing your nothingness and your honesty, allowing complete freedom and being at the command of My Will and I will guide you and My Apostle of the last days will guide you in your enterprise.

The Red Lucifer torments you, he is cunning and clever. He is very aggressive to you because when you win just a single soul for Me he loses. He is very aware of the fact that his time is very short. He is preparing a great deception for all My Eternal Father's creation.

I implore you My daughter pray without ceasing, do reparation, penance, acts of contrition not only for yourself but also for souls. Be perfect and humble, you should prepare yourself always for My Eucharistic celebrations. It is the greatest prayer which you will never understand its greatness. Follow Me along the painful way to Calvary where I shed My blood. Adore it and offer it to My Eternal Father so that it may serve for the salvation of souls. I tell you My Eternal Father's anger is overflowing. The Red Lucifer has imprisoned the souls. Their eyes are covered with mire.

I have seen My Eternal Father with a CLUB in hand and looking very severe, glance at the Earth and repeat these words:

Do penance for souls. I speak with you amid tears of blood. Pray and make others pray! Sacrifice and atone and make others atone. In this way My Eternal Father’s anger will be appeased. In the Sacrament of My Love as I am exposed I will pour the treasures of My mercy in the souls of mankind. Speak to My Apostle to help souls form cenacles and unite to pray in order to save the world. All nature is asking for vengeance.

Cross yourself moment to moment with the sign of the Cross. Cloister souls in your heart; in the first line the souls I entrusted souls.

I want complete obedience from you. Listen to My Apostle. Suffer and learn, time is short. These are grave moments. I must accomplish many signs in your heart, do not be afraid. I have erected an altar in your heart.

My daughter, listen to what I tell you. You must be very attentive.

Watch with Me in the Sacrament of My Love. These are dark hours.

The present times demand accelerated action. My pain is immense. Mankind has not become aware of the scourge that threatens it. Countless number are Godless; they deny Me. Many doubt My Eternal Father. They do not know Him and willingly refuse to accept and know Him. Whoever does not listen to My merciful call will receive the blows of the scourge.

Pray a great deal, atone and do acts of contrition not only for yourself.

Woe to those who have so many lies! I am very sad and My heart is filled with pain. I speak to you amid tears of blood. The Majesty of My Eternal Father is outraged.

All creation is asking and crying for vengeance because of mankind. For all this, time is approaching, it is unthinkable to mankind. I

assure you, what will happen has never been from the beginning of creation until this day. It is urgent time for every single person to live their life daily as the last day.

Mankind moves hastily with raging diabolical evil and the Red Lucifer has taken possession of their hearts. I have so many graces in My hands! Endeavour to entreat with faith. I listen to every soul with favour. I love mankind, and Divine Mercy is followed by My Divine Justice. If mankind returns to My Heart, I will forgive all their sins!

Do not be afraid. Pray and cloister souls in your heart. I order you to do so in spite of your affliction. Keep in mind your nothingness and misery gives place to My Mercy towards you. Listen to Me, do not want to know why.

A diabolical hand threatens the whole of mankind. The time of the great trial will also come for the Church: Cardinals will oppose cardinals, Bishops against Bishops! Satan the Red Lucifer marches triumphantly in the midst of their ranks due to their hubris and lack of charity!

My daughter, listen well and write down what I tell you. You must surrender yourself to My will. I look and come for atoning souls. Pray a great deal. Keep watch with Me in the Sacrament of My Love. Cloister souls in your heart; in the first line the souls I entrusted souls. You must be a soul-host, a living Tabernacle continuously prepared to go up to Calvary.

You must follow along My way of the Cross. Sacrifice and atone. Treasure My Blood together with your sufferings, offer them to My Eternal Father to implore His Mercy. Be a fervent soul, light and salt of the Earth in silence, by means of your life of simplicity and humility so that you might be able with your prayers make fervent souls flourish.

So unite your soul to mine, let us atone for so many offenses against My Eternal Father. My daughter, I implore you to follow Me to the point of your complete immolation. Bear your cross as I bore mine out of Love of mankind. Suffer out of Love. Pray and forgive. Do not be disturbed by the incomprehension and miseries which surround you, only listen to My anguished call for salvation of souls. Mankind must be aware that the terrible reality is urgent. A diabolical hand threatens the whole of mankind. The time of the great trial will also come for the Church: Cardinals will oppose Cardinals, Bishops

against Bishops! Satan the Red Lucifer marches triumphantly in the midst of their ranks due to their hubris and lack of charity!

The whole world is living a terrible reality, the true apocalypse. These are dark days! My Eternal Father is Merciful, but mankind has lost its senses – drugged and Godless! Time is coming when I will no longer hold back the arm of My Eternal Father’s Justice.

Pray and atone for souls. Do not misuse any sufferings as you must appease Divine Justice. Woe to those who do not believe My warnings and words, also those who hinder this work of mine!

Do not be afraid and do not lose this precious time. You must obey and never doubt, heed each and every word from My Apostle. It pleases me to lead you through him. You must not want to know why. Be prepared for anything. All your miseries are known to Me and My compassion for them is great, more than what you will ever understand.

It is urgent! The whole world advances towards the precipice from one day to the next. Mankind does not want to heed My merciful begging and calling.

My daughter, listen to My words and write them. With an anguished heart I call mankind to repent before it is too late. Pray, atone, do penance and acts of contrition even for other poor souls.

It is urgent! The whole world advances towards the precipice from one day to the next. Mankind does not want to heed My merciful begging and calling. Their hearts are invaded by the Red Lucifer. I gaze on mankind and there are no signs of repentance. My Divine Mercy is followed by Divine Justice.

My daughter, listen to my anguished call. I have lowered myself to this level for Love of the poor mankind. I am offended, disfigured, drenched with blood, walking through the multitude of souls.

I implore you to reflect seriously upon what is happening in all mankind. I tell you it is unthinkable to souls. The nations will be razed to the ground. Pray without ceasing, continuously follow attentively each word in the Holy Sacrifice of the Mass, receive me in Holy communion. Go often to confession! Abandon yourself in my heart. I thirst for souls and I beg you to quench my thirst.

I beg for souls. Cloister them in your heart. Do what I have commanded you! My words to you serve to save souls. Do not concern yourself with your miseries and nothingness. Keep Me company in the Sacrament of My Love. As I am exposed I will pour the treasures of My Loving Mercy to the souls of mankind. Talk to

TRANSFIGURATION

6th August 1998

Through you I speak to My church and I unmask the deceiving spirit which has infiltrated the souls I have entrusted souls to whom I have confided My church.

My daughter, watch with Me in the Sacrament of My Love. Cloister souls in your heart in the first line the souls I entrusted souls. Through you I speak to My church and I unmask the deceiving spirit which has infiltrated the souls I have entrusted souls to whom I have confided My church.

There is a struggle that the world cannot see: a struggle between the spirit of My Eternal Father and the Red Lucifer. My daughter, the moment is nearing when I will no longer ask for anything, but rather I will take everything with all the force of My Eternal Father.

The souls I entrusted souls and all those consecrated to Me, if they do not change their lives and become humble and charitable and detached from the vanity of the world, will perish in My Divine Justice. They do not believe in My afflicted appeal. Together with My Mother, I pour tears and blood over mankind! Like a beggar I ask for meditation on the evil which is being provoked in the presence of My Eternal Father. They are racing towards the precipice of perdition!

I am bleeding from pain, and My heart is torn into pieces by this corrupted mankind! I urgently ask for prayers. Acts of reparation, confessions, adoration in the Sacrament of My Love and Holy Rosaries. Remember that I am here visible and that I am stretching out a helping hand. I am always the Lamb of My Eternal Father who

takes away the sins of the world. Do not be troubled how you should Love Me and serve Me.

For I am all simplicity. You have to be disposed to climb Calvary. Pray a great deal and offer all for souls that I love so much. Time plants weeds and ignominy! The good people live a lethargic life among so many bushes which they have no strength to overcome.

Be patient always and listen to Me. I enlighten you through My Apostle! I need your complete obedience to him. In him I will guide you in everything.

What more could I have suffered for salvation of mankind. Pray and keep Me watch.

DIVINE APPEAL 240

I want all mankind to be saved and nobody goes to perdition without his own consent. It is urgent, pray, do penance, reparation.

My daughter, listen to Me. Pray a great deal and watch with Me in the Sacrament of My Love. These are dark hours. Put into practice what I have told you. My word is a command, it serves to save souls. I assure you, we are really at the End and time is reaping what has been sown. Neither presume to know the dates nor look to know how it will be! Live as if everyday were your last because only in this way you will be prepared. Listen to Me attentively, it is not in vain!

These are great warnings of immense Divine Mercy obtained through the anguish of My bleeding heart. I want all mankind to be saved and nobody goes to perdition without his own consent. It is urgent, pray, do penance, reparation. Follow each and every word in the Holy Sacrifice of the Mass. I implore you to quench My Thirst with souls. No one can escape My Eternal Father's Divine Justice.

These are grave moments. Divine Justice is such a difficult enterprise that only Myself who was made man and victim for sinners has been able to put it into practice: First with the Sacrifice of the Cross and then with the one of the Altar for the continuous renewal of what I fulfilled on Calvary. You must obey My words. I order you to do so! Do not be afraid. It is I who want it this way!

Be obedient to My guidance through My Apostle, heed his words. I want your complete abandonment. Be always ready to atone for the sins of the world. Suffer, do penance and be faithful.

I am continuously reliving My crowning with thorns, passing

through the milling crowds with My bowed head because of so many sacrileges which are committed.

Who will esteem My tears of blood?

Red brigades infiltrated in the Government. The people accomplices to the violence; kidnappings; thieves of all kinds; the red Lucifer directs them to perdition.

My daughter, listen well to what I tell you. Do not be afraid. I order you to do so in spite of your misery feelings.

In the Sacrament of My Love keep Me company. Pray a great deal and atone. Let even your breath be for that. My arm falls inexorably, I only grant short time. I call on souls to listen to My voice and convert before it is too late. I am bent over mankind speaking amid tears of blood.

The Red Lucifer has taken possession of so many hearts and souls and instigates them to believe that My Eternal Father does not exist. It is urgent for mankind to become conscious of the terrible reality.

My daughter, I implore you to pray, do penance, acts of contrition also for other poor souls. Go to confession, attend Holy Sacrifice of Mass with all your attention. Receive Me in the Holy Communion and keep Me company in Adoration. As I am exposed I will pour the treasure of My Merciful Love to the souls of poor mankind. It is not My wish for mankind to perish. Do not be afraid of sufferings – I speak to you amid tears of blood.

Communism will triumph because of Godless rules; many magistrates will perish. Freemasonry in Churches, Prelates without dignity. Their ignoble hearts offend My Eternal Father's Heart deeply.

Red brigades infiltrated in the Government. The people accomplices to the violence; kidnappings; thieves of all kinds; the red Lucifer directs them to perdition.

I implore My Apostle of the last days to let souls be aware that with tears in My heart I am calling everyone to pray and make others pray. I ask for Holy Sacrifice of Masses of atonement. I protect and watch over him. I will enlighten him so that he will be content.

Pray without losing time. The time has run out; this is the apocalyptical hour; if they do not return to Me, they will only know desolation.

I am bleeding from pain and My heart torn into pieces. The dictators of the Earth, truly infernal monsters, will destroy My churches and the Sacred Tabernacles. In this Sacrilegious Struggle due to unbridled pleasure, savage impulses and the bloody opposition, everything made by hands of men will be destroyed.

The world has lost its senses and these times are even worse than that of the great deluge.

Day and night I am on the watch for souls in the prison of My Tabernacle yet so many including souls I entrusted souls do not believe in My Real Presence.

I implore you to pray and do penance in these secret hours. Abandon yourself completely in My Will. Your heart will always be pierced by the sufferings of the world. Suffer! Sufferings elevate you to Eternal Love. Obey My Apostle. This is My command to you! You must live like a tabernacle at My Disposition.

My desire is that mankind be converted through prayer and Sacraments, Holy Masses of atonement, confessions, penance, Rosaries. If not then unthinkable punishment will befall mankind which does not want to listen to Me.

Pray and keep watch with Me in the Sacrament of My Love. I will let your sufferings be increased. I also will shower My Apostle with graces to strengthen your soul. Try to use it well. The Red Lucifer knows that your strength comes from Me, so he strives to deprive you of it. Offer your sufferings united to My heart's merits for the restitution of the scandals of others in the first line the souls I entrusted souls.

I assure him these are grave moments whereby mankind has to be conscious that the Red Lucifer has darkened the spirits which had already been turbid. Evil turns against itself like a horrible serpentine monster that coils itself around souls.

Pray a great deal. Cloister souls in your heart. Do not waste any of My precious time for salvation of poor souls who without prayers will only end up into perdition whereby they are lost forever. I pour My tears of blood in you that they may not lose their Eternity for ever.

My daughter, pray and do penance, acts of contrition not only for yourself. In the hermitage you will obtain My Eternal Father's predilection.

Painful swords will always pierce your heart, but I beg you to allow Me to use you without thinking what next but only under obedience to My Apostle.

I only beg him to give good chance for My grace.

In the Sacrament of My Love keep Me company and watch with Me during these dark hours. Do not be afraid even if you receive insults!

I know everything, My Eternal Father permits obstacles. You must be tested and so be strengthened, ready to be crucified with recollection, uniting yourself to My will. Only in this way will you win the painful battles of your apostolate to call lost souls. Do not be disturbed by the incomprehension and miseries which surround you. This is the only way your complete surrender pleases Me. I want your soul to be simple.

My daughter, pray a great deal. I have given and are giving messages in all parts of the world with tears of blood and mankind is not conscious of this terrible reality!

The whole world is living in a terrible reality. The true apocalypse. These are dark days.

Time is coming when I will no longer hold back My Eternal Father's Justice. Murders, scandals, divorce, free abortion laws, all these have accelerated the punishments. Do penance My daughter offering to My Eternal Father the crosses of each day, both great and small. Do not misuse any sufferings as you must appease My Eternal Father's Divine Justice.

I have already chosen you as My living Tabernacle which may appease the wrath of My Eternal Father.

A great calamity is being prepared which will affect all of humanity because men are blind, refusing to listen to My painful appeal. The world grows worse and worse. The great cataclysm, which will simultaneously come upon Earth, will be terribly ghastly as if it were the end of the world. But the final hour has not yet even though it is not far away.

According to My desire, everyone must come to pray in order to save the world and to implore for mitigation of the evil in mankind.

All those who want to believe and who live prepared to await the moment of Divine Justice must retreat from worldly diversions, vanity, useless television programmes as well as be purified in the Holy Spirit with a great Love of the Holy Eucharist; receive Holy communion, Holy Confessions, Adoration; as I am exposed I will pour the treasures of My Divine Mercy to souls, Rosary and penance... penance... penance, if only they want to have strength to endure and survive.

In My mercy you will find the source of Light and Love. You must obey all that I tell you through My Apostle of the last days. I guide him the way I want never doubt.

My daughter, pray a great deal. Watch with Me in the Sacrament of My Love, these are dark hours. Pay attention to all what I tell you.

I am the Lord of revelation. I have come to exhort sinners. I speak to you amid tears of blood. The hour is drawing near and the Church will be crazed with the pride of violence. How much pain to Me!

The diabolical army is free to march throughout the world.

I speak to My Apostle of the last days. I urgently ask from him. I have given him a mission and a mandate that he must fulfil. I am guiding him. I will give him a word and with it he will deal with souls to My right path. "I have seen My Eternal Father with a Club in hand looking very severe glance at the Earth and repeat these words: 'In few minutes I will destroy this Earth of mire insults, hideous blasphemy, scandal, infanticide and sacrilege. How much evil. I will soon destroy everything if the world is not converted.'" My Eternal Father's Justice will be inexorable with all those who live without remembering Him.

Blessed are those who listen to My voice and prepare for My coming. I am continuously receiving My crowning of thorns passing through the milling crowds with bowed head because of the many Sacrileges which are committed.

I am bent over all mankind. I am bleeding from pain and My heart is torn into pieces.

I offer so many messages with painful events; mankind remains indifferent as if it were an idle call. Who will esteem My tears of blood? Not even good souls think of them. All is silence, paralysed as if My Eternal Father does not exist. I would want My voice, full of affliction, to fly to the very ends of the Earth saying be attentive, attentive... the time to settle accounts has arrived!

My Divine Mercy will be followed by Divine Justice.

I implore you My daughter to listen to and make Holy Sacrifice of Masses being celebrated, receive Me in the Holy communion, do penance and reparation. Unite yourself to My suffering heart. Pray

If there are no prayers the powers of the Red Lucifer will break loose and in the front lines will be souls I entrusted souls.

My daughter, pray a great deal, watch with Me in the Sacrament of My Love. I have lowered Myself to this level for Love of mankind.

I am speaking to you amid tears of blood. I am very hurt because mankind follows the way of perdition, materialism advances on all sides with unbridled corruption and has pushed mankind towards a frightful abyss of devastation. Immersed in a chain of scandals, the world is a swampland of muck and mire. It will be at the Mercy of most severe trials of My Divine Justice. Since long ago I have warned mankind in many ways but they do not listen. Pray a great deal, never before has the world needed prayers and penance as in these tragic times. If there are no prayers the powers of the Red Lucifer will break loose and in the front lines will be souls I entrusted souls.

You will soon see terrifying signs in the world, which will cause confusion, tears, mourning, suffering as strong earthquakes will bury entire cities and nations.

I want you to accompany Me, be very attentive as I speak to you. You must make restitution and be on the cross with Me. My daughter, pray and suffer with My Church.

I want mankind to know the seriousness of the state of the world, and to understand the inexorable Justice of My Eternal Father. He has been attacked in all His Power and His Majesty is outraged, and no response given to the voice of the Holy Spirit.

I must accomplish many signs in your heart. You will be rejected and mortified. I want your complete obedience to my Apostle of the last days. Participate in the Holy Sacrifice of Mass together with receiving My Holy communion, atone, do penance. Listen to Me, listen to My Apostle!

DIVINE APPEAL 249

My heart is pierced with suffering, no one is repenting.

My daughter, pray a great deal, watch with Me in the Sacrament of My Love. I need your company. Listen to My painful voice. I speak to you amid tears of blood.

My heart is pierced with suffering, no one is repenting. There is only avarice in acquiring new lands in order to dominate them like thievish wolves. If mankind do not cease to offend My Eternal Father, Divine Justice will send to Earth, in the not too distant future, its due punishment. It will be the worst ever seen in the history of mankind.

The flock is about to be dispersed! There will come a fearful moment when I will speak with My Judge... voice and pronouncing the verdict over an anxious and drugged mankind, to shorten the lives of creatures who will receive their just sentence. This will be a time of despair for the impious. With shouts and satanic blasphemy they will beg to be covered with the mountains and they will try to seek refuge in caverns, but to no avail. All those who refuse to repent from their sins will perish in a sea of fire!

The rulers of the nations have been transformed into veritable incarnate demons and while they speak of peace, they prepare the most sophisticated armaments for the destruction of souls. Mankind have transformed the Earth into a scene of crimes. So many scandals lead to ruin, so many souls to corruption!

With tears of blood I am bending over the world, pray a great deal, do acts of reparation and penance. Deny yourself strong for the sole reason of serving Me. Immerse yourself in the most high spirit of

contemplation. Live as I want you to and do not be afraid.

I want your complete obedience to My Apostle, what I have accomplished in you is a great grace! Listen to Me always, I have fixed My gaze upon you. Follow Me to Calvary. Suffer and learn. Abandon yourself to My Will. I have erected an altar in your heart on which the fire of My Love would burn continuously.

Cloister souls in your heart, in the first line the souls I entrusted souls. My daughter, sacrifice and atone. In this way My Eternal Father's anger will be appeased. The Red Lucifer has imprisoned the poor souls that live immorality, their eyes are covered with mire.

The world is growing from bad to worse. Paganism is triumphing. The red Lucifer is making every effort to abolish the Holy Sacrifice of the Mass. My Divine Justice grants them a little time to make amends and meditate. Penance and prayer. Blessed are those who listen to My Voice.

Do not lose time. Pray a great deal before it is too late. Heed My words from My Apostle. What more could I have to suffer for the salvation of mankind.

My daughter, pray a great deal. In the Sacrament of My Love keep Me company. Watch with Me, these are dark hours. Do acts of reparation, let even your breath repair, do acts of contrition not only for yourself.

I speak to you amid tears of blood. I have lowered Myself to this level to exhort poor sinners to change their lives.

The hour is drawing near when My Eternal Father's Justice will be inexorable with all those who live without remembering My Eternal Father. The fallacies in their brutal conceptions of life will constitute their sentence!

Time plants weeds and ignominy! My heart sheds tears of blood. The few who are good live a lethargic life among so many bushes which they have no strength to overcome.

I urgently call everyone to prayer and to do much penance, assist at Holy Sacrifice of the Mass of Restitution, to make chains of prayers and Holy communions!

Time is coming when I will no longer hold back My Eternal Father's Justice because sinners do nothing to repent from this great vertiginous ignominy and scandals of every kind!

Mankind does not want to listen to My words and My Divine Justice weights down on them!

The diabolical army is free to march throughout the world! The Red Lucifer works in Rome with the strongest infernal Legions! The strong Rock in Rome infiltrated into Vatican, marching amid the ranks of high prelates!

Dark and fearful days are approaching. Rulers talk about peace and they prepare themselves for war. Mankind will fall in this mire of errors! Mankind have lost My Eternal Father's life, they are dominated by the Spirit of the red Lucifer. My Eternal Father's Justice weighs over a slime-splattered mankind. The roads are washed in their own blood.

If mankind do not repent, a terrible scourge of fire will descend from heaven. It will be a very fearful moment. Many nations will be purified and many of them will completely disappear from the face of the Earth!

My daughter, do not be afraid, reflect how painful a struggle My heart underwent, a struggle on the result of which hung the salvation of the whole world. My heart fought resisting even unto blood and overcame: It conquered only in prayer. Pray a great deal.

Do penance, you still have time to stop the hand of My Eternal Father. Live as I want you to. I want your complete obedience to My Apostle of the last days. Immerse yourself in the most high spirit of contemplation.

What more could I have suffered for the Salvation of mankind. My Eternal Father will not be mocked forever.

My daughter, be patient and listen to Me. Watch with Me in the Sacrament of My Love. These are dark hours. I request you to pray, it is urgent, in order to be able to atone. I wait and watch all nights and days in the tabernacle for Love of souls.

Pray a great deal, the Red Lucifer has taken possession of souls. I speak to you amid tears of blood. The Red Lucifer is very astute, instilling to the souls the idea that My Eternal Father does not exist, that they can act by their own accord!

My daughter, you have only to obey My Will and My words through My guidance from My Apostle of the last days because My Eternal Father has His designs for you and you must abandon yourself completely.

I am bleeding from pain. My heart is torn into pieces by this corrupted mankind! I am bent over mankind but the times are terrible. Destruction where the children of darkness are, almost all of mankind abuses Me, despising Me, not believing in Me and My words. They only know of the most deadly weapons: the dictators of the Earth truly infernal monsters will destroy the Churches and My Sacred Tabernacles. In this sacrilegious struggle, due to the unbridled pleasures, savage impulses and bloody opposition, everything made by the hand of men will be destroyed.

Sparks of fire of rain will fall down from heaven and everyone will be in terror! My Eternal Father's wrath is upon mankind.

At the moment I felt all the tortures of My passion burst overwhelmingly upon Me, the calumnies, insults, abuses, the scourging, crown of thorns, thirst and the Cross. All these pressed upon My painful heart. What more could I have suffered for mankind. Cloister souls in your heart in the first line the souls I entrusted souls. I want these plagues of sins to be appeased with prayers, reparation and penances daily.

As I am exposed in the Sacrament of My Love I will pour all the treasures of My Love and Mercy into the human souls. In My Love and Mercy you will find the source of Light. Do not lose My precious time for salvation of souls. These are grave hours. Time is coming soon when I will no longer detain the arm of My Eternal Father. Suffer out of Love for Me. Pray and forgive. Pray and atone. Some malicious propaganda has spread many errors throughout the world provoking many persecutions in the world. The flock is about to be dispersed! Men live in the obstinacy of sin, but My Eternal Father's wrath is near and the whole world will be tormented by great calamities; revolutions, strong bloody earthquakes, famines, epidemics, and terrible hurricanes will force the seas and rivers to overflow.

The world will be entirely transformed by a terrible war! The most deadly weapons will destroy mankind. It is unthinkable what My Eternal Father will do. Live each day as the last day.

Pray and repair.

The Holy Sacrifice of the Mass is the greatest prayer, for all your lifetime you will never understand its greatness.

Pray a great deal. Watch with Me. In the Sacrament of My Love keep Me company. I thirst, quench My thirst with souls. Time is reaping what has been sown. My daughter, I implore you to be consumed with a desire to Love, in this way nothing will be a burden to you. All your human miseries are known to Me and My Love and care is great for them.

I have lowered myself to this level for Love of mankind. It pleased Me to remain under the appearance of a white host since I am not only the Bread of Life but I am Life Itself.

In the Sacrament of My Love it was unknown to Me how much this institution would cost Me. In the prison of My Tabernacle I wait all nights and days for souls to come and get all the graces they need.

I pour My tears of blood in pain, when I am forced to say! The world renews My wounds in My hand and in My feet and it sullies My countenance.

To the souls I entrusted souls I am totally theirs and very obedient to

their word when they summon Me from heaven to Earth.

My daughter, I implore you, do not lose time, pray, repair, do acts of reparation not only for yourself; do penance – all this before it is too late. For Love of mankind I am present in the Sacrament of My Love, day and night I long and wait for souls in the prison of My tabernacle yet mankind offend My Eternal Father so much. I want mankind to know the seriousness of the present state of the world and to understand the inexorable Justice of My Eternal Father. It is urgent.

Mankind like Judas betrays My heart and drags souls down to perdition to chase blindly after them.

Listen to Me, do not be afraid. It is I who want it this way! I want your complete abandon. You have to live for My church alone. This is My command. Be obedient and attentive to My Apostle of the last days. You must obey My words in him. I order you to do so!

Pray a great deal, if mankind do not cease offending My Eternal Father, Divine Justice will send to Earth in the not too distant future its due punishment. It will be the worst ever seen in human history. I want mankind to know the first blow is near.

My Eternal Father will not be mocked forever.

If mankind do not repent, a terrible scourge of fire will descend from heaven. It will be a fearful moment. The Godless will be destroyed. Many nations will be purified and many of them will completely disappear from the face of the Earth!

My daughter, listen well, I am the Lord of the revelation! With an anguished heart I beg you to do penance, acts of reparation and contrition for mankind.

In the Sacrament of My Love keep Me company. I am bent over all mankind. But the times are terrible: I am bleeding from pain and My heart is torn into pieces by this corrupted mankind!

My daughter, pray a great deal and do not tire. Dark and fearful days are approaching. Rulers of the world talk about peace and they prepare themselves for war. Mankind will fall in this mire of errors!

Men have lost My Eternal Father's life. They are dominated by the spirit of the Red Lucifer. My Eternal Father's Justice weighs over a slime-splattered humanity. The roads are washed in their own blood. Many diseases will come and also hunger, earthquakes, deluges, wars!

If mankind do not repent, a terrible scourge of fire will descend from heaven. It will be a fearful moment. The Godless will be destroyed. Many nations will be purified and many of them will completely disappear from the face of the Earth!

Almost all mankind abuses Me, despising Me, not believing in Me. They only know of the most deadly weapon; the dictators of the Earth, truly infernal monsters, will destroy My churches and the

Sacred Tabernacles. In this Sacrilegious struggle, due to unbridled pleasure, savage impulses and bloody opposition, everything made by the hand of men will be destroyed.

Do not lose time, it is precious, pray and atone before it is too late because the heavy darkness is surrounding the whole Earth. The world has lost its senses, and the times are even worse than that of the great deluge.

Many revolutions will break out, and the roads will be blood-washed. The pope will suffer very much. But the punishment of the impious will not delay and that day will be fearful in a terrible way.

I want you to submit yourself totally to My Will, do not be afraid! I want your complete obedience to My Apostle, listen and heed his words to you. What I have accomplished in you is a very great grace!

Many swords will wound your heart because of My Love. Pray, keep Me company in the Sacrament of My Love, atone, do penance and pray the Rosary. Cloister all souls in your heart.

This is the Apocalyptical hour; if mankind don't return to My heart, they will only know desolation. I want it this way. Every one must come to pray in order to obtain heavenly protection.

My daughter, listen well, with an anguished heart I beg you; be prepared for the Sacrifice which I expect of you; many swords shall pierce your heart. You My daughter must atone and make others atone for the sins which are committed. The majesty of My Eternal Father is outraged, never before has it been in the history of mankind. It is very urgent for mankind to become conscious of this terrible reality. I do not want mankind to perish in the Eternal Fire.

This is the Apocalyptical hour; if mankind don't return to My heart, they will only know desolation. I want it this way. Every one must come to pray in order to obtain heavenly protection.

My word is a command, it serves to save souls, for this I want you and My Apostle of the last days to form a group of small hosts which atone and pray a great deal with fervour and also sacrifice and do penance for so many souls who are on the brink of the pit. They also must keep Me company and watch with Me in the Sacrament of my Love, they must be always humble and teach love, serve and make other poor souls to pray and atone before it is too late for their salvation.

My Apostle of the last days must know that this is very urgent. The group of small hosts will be called "The Servants of Jesus Present in The Blessed Sacrament". They must be formed well and slowly, after long formation they must take seriously and sincerely four vows that is:

Chastity, poverty, obedience and service to Jesus present in the Blessed Sacrament.

How many of My consecrated men and women pierce My heart day and night! Their dishonesty is a diabolical leaven. They have lost their dignity and their light of reason.

My daughter, pray a great deal and atone, watch with Me in the Sacrament of My Love. Do not be disturbed by the incomprehension and miseries which surround you. I want your soul to be simple. This is the way your complete surrender pleases Me. My daughter, My Eternal Father is very merciful, but mankind has lost its senses – drugged and Godless!

Time is coming when I will no longer hold back the arm of My Eternal Father. His Divine Justice.

Listen to Me. Do not be afraid of your misery and nothingness. It is I who want this way! You are an instrument in My hands and I want your complete abandon. You have to live for My Church alone. This is My command. Be obedient and the providence will come.

In this grave hour, My heart bleeds. In My mercy, mankind will find source of Light and of Love. Otherwise, find the Eternal fires.

My daughter, I implore you and My Apostle of the last days to form the group of “small Hosts”. I have erected an altar in your heart. They will have a serious responsibility on their shoulders. How many of the souls I entrusted souls are going to perdition! How many of My consecrated men and women pierce My heart day and night! Their dishonesty is a diabolical leaven. They have lost their dignity and their light of reason. I implore My Apostle of the last days to make the “small hosts”; make these poor consecrated return

to Me before it is late. The chalice is filled. He must speak to them in a very serious way.

He has to establish for them the prayer-shifts, night and day, the Holy Masses of atonement. According to My desire, everyone must come to pray in order to save the world and to implore for mitigation of the evil in mankind.

The Holy Hour must be prepared and prayed as also Rosaries, meditation, Adoration and listening to Me in the Sacrament of My Love. Also to keep company. I have it prepared for a long time now. It is I who want it so.

I say to My Apostle of the last days not to be afraid or surprised. I am at his side Myself. The wrath of My Eternal Father must be appeased. I speak to you amid the tears of blood.

I bless My Apostle, you My daughter, together with all the persons who I will send to work and contribute for this work.

It is not enough to fast – to fast should include abstinence from anger, grumbling, the fast of tongue from unkind words from your lips.

Watch with me in the Sacrament of My Love. You must walk the way of self-denial. Do not fix your eyes and heart in your misery and weaknesses. Allow My Grace to lead you. How long will you

The time is grave. My heart is pierced with great pain bleeding freshly each second – countless number of souls I entrusted souls have left and will still continue to leave their Sacred Ministry; countless of them do not acknowledge the true meaning of My true Presence in the Most Holy Eucharist.

My daughter, these are dark hours, watch with Me and pray a great deal. Like a beggar – I beg for prayers, acts of reparation.

Cloister souls in your heart, in the first line the souls I have entrusted souls. Do not be afraid of seeing so many flagellations. My blood flows through my tears – I want to cover the corrupt world. The red Lucifer has darkened the Spirits which have already been turbid. Evil turns against itself like a horrible serpentine monster that unconsciously coils around souls.

The time is grave. My heart is pierced with great pain bleeding freshly each second – countless number of souls I entrusted souls have left and will still continue to leave their Sacred Ministry; countless of them do not acknowledge the true meaning of My true Presence in the Most Holy Eucharist.

I implore you My daughter to spend more time with Me in the prison of My Tabernacle. Pray, do acts of reparation and fast not only from food. Repent not only for yourself.

You must heed all the words and direction from My Apostle of the last days. This is My command to you, it serves to save souls; you have to be always obedient to me through him.

With tears of blood, I tell the world to repent. I need My Apostle of the last days to speak out. I am leading him along a lengthy path of pain and toil. He must tell the souls I entrusted souls that I am very humble and obedient to them during consecration, yet they continue to abuse and ignore Me, My Divine Love and My Messages of My Divine Mercy, which will be followed by My Divine Justice.

He must tell them this situation will get worse. They continue to sin and in doing so, lead so many countless number of souls to sin and end up into perdition.

This is a terrible anguish because they do not want to repent or heed My call.

I ask My Apostle of the last days to make “small hosts” to atone for the crimes which are committed each moment by the blinded souls who are already on the brink of the pit.

Scandals due to the fact that there is no prayer, fasting and atonement. They are crazed demons and thieves of all classes. People of high rank! How much pain! I bear.

The diabolical army is marching freely through the whole world. Pray a great deal. My Divine Mercy will be followed by My Divine Justice.

I bless you.

Countless number of souls are on the brink of the pit. This situation will get worse, many will suffer to die. My daughter, pray a great deal and watch with Me in this dark sad house.

My Church is suffering and bleeding, it will still suffer more and more. The souls I entrusted souls go against My teaching. They pierce My heart.

I have lowered Myself to this level to remain day and night in the prison of My Tabernacle for Love of the whole mankind. Countless number of souls I entrusted souls do not acknowledge My true Presence in the Most Holy Eucharist.

The souls I entrusted souls abandon their vocation and drag down other souls entrusted to souls, countless number of Religious and lay people who offer them themselves for their pleasures!

My daughter, watch with Me, these are dark hours. I speak to you amid My tears of blood. Do not be afraid.

I want you to sacrifice, you must be humble. At every call you must come with Me up to Calvary. I am bleeding from pain and My heart is torn into pieces by this corrupted mankind!

I am bent over mankind, these are terrible times! My daughter I order you, you must live like a Tabernacle at my disposition and that of all mankind in reparation for sins of all kinds. This is My command to you!

The souls I entrusted souls abandon their vocation and drag down other souls entrusted to souls, countless number of Religious and lay people who offer them themselves for their pleasures! Countless number of souls go to perdition because of their dishonesty! How cold is this mankind!

One after another their eyes are blindfolded, they approach the highest of precipices! If they do not repent and believe, they will go to perdition. The Red Lucifer tells them do not believe. I pour My tears of blood over them, countless number of souls are on the brink of the pit!

What more could I have suffered for mankind. My love for them is unlimited, I want to save them. I am desolate.

I tell My Apostle of the last days to speak out, I have prepared him. He must insist to everyone that I Love them and forgive them. I am Jesus crucified. My Mercy is immense. I wait for them. I tell him to tell them My Love for mankind has cost Me to lower Myself to this level to veil Myself and remain in the small white Host. Their repentance is sufficient.

I ask My Apostle of the last days to speak out, not to be silent because these are hours of the terrible abandonment! Sparks of fire will rain down from heaven and everyone will be in terror! The hour is drawing near, My church will be crazed with pride of violence. My Eternal Father's Justice will be inexorable with all those who live without remembering Him. Because they do not want to live My Life. The fallacies in their brutal conceptions of life will constitute their sentence!

The souls I entrusted souls have degraded the nobility of their Sacred Ministry through living in superficiality, and not holding fast to the greatness of the gift received. They allow the Red Lucifer to instigate them.

Pray a great deal. Keep watch with Me, do reparation.

To My Apostle of the last days, I have given him a mission and a mandate that he must fulfil! I have prepared him. His prayers and Sacrifices are pleasant to My Heart. I grant him what he asks for. All his sufferings are useful for appeasing My Eternal Father's Anger! My Divine Mercy is followed by My Divine Justice. Soon I will put the whole world in its own casket.

Do not waste My precious time to save mankind. Pray. Pray and you will obtain My Eternal Father's predilection. Be always mindful of Me in the prison of My Tabernacle. I live there in silence, love and peace yet very thirsty of souls.

My daughter, pray a great deal; watch with Me, these are dark hours. I am bleeding from pain and My heart is torn into pieces by this corrupted mankind! I am very hurt and disfigured with very painful wounds because persons and nations follow the way of perdition. Materialism advances on all sides with unbridled corruption and has pushed mankind towards a frightful abyss of devastation.

I beg you to cloister souls in your heart. Pray and do penance. Do not waste My precious time to save mankind. Pray. Pray and you will obtain My Eternal Father's predilection. Be always mindful of Me in the prison of My Tabernacle. I live there in silence, love and peace yet very thirsty of souls. Be not afraid.

Amid My tears of blood I want My Apostle of the last days to know that the world is at the edge of the precipice. He must speak out to souls. The times are getting worse and worse. They must be converted. My Divine Mercy is great if they repent.

This perverse world is like a persecuting dragon. He will try to trap all those who believe and refuse this idolatry! Countless souls I entrusted souls are on the brink of the pit. Among them there is a diabolical transformation and they scandalize so many souls of good will.

I am with My Apostle of the last days in all what he does. I have

given him many signs of My Presence in him!

I have appointed him to reconcile those poor souls who are in serious difficulty. Through his word and example, he must bestow great peace on their hearts! I bless him to insist on My behalf.

Pray a great deal. So many souls allow themselves to become discouraged and they stop praying. In this way they allow the Red Lucifer to take his opportunity to fill their hearts with more evil, they are blinded. The goal of the Red Lucifer is only to separate them from My Eternal Father.

There is much need of prayer in this world that suffers from lack of faith.

My daughter, watch with Me, keep Me company these are dark hours. I am within you, why should you be afraid. I have given you many signs of My presence in you! You must always be obedient, humble and serene.

Pray, pray, pray a great deal, My blood is flowing and I want to convert this corrupt world.

The souls I love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. I am ignored and neglected. Most is that the souls I entrusted souls and those consecrated to Me do all they can to step on My very painful head. In the Sacrament of My Love I remain day and night there loving and waiting with all My Divine grace for poor souls of mankind.

I implore you My daughter to pray and make reparation and sacrifice and do confessions not only for yourself. Repent, Repent, Repent! For those poor souls who have refused to repent and make sacrifices. Don't be surprised that your life is always a place of suffering. I beg for souls.

Mankind must renounce sin! The world is riddled with all kinds of corruption! I can no longer detain the arm of Divine Justice.

My daughter, watch with Me; these are dark hours. Pray a great deal, amid tears of blood I speak to you. I thirst for souls. My Divine Love and Mercy is great if mankind repent and do penance, but they walk at the Red Lucifer's side.

My daughter, look and see what is happening in this world! Mankind must renounce sin! The world is riddled with all kinds of corruption! I can no longer detain the arm of Divine Justice. Listen to Me patiently, do not be afraid.

I pour My tears of blood over mankind, what more could I have suffered for mankind.

My Churches are reduced to languid meeting places. The obstinacy of some centuries ago continues to exist and dominate. This perverse world is like a persecuting dragon. Mankind hurls torrents of blasphemies and lies against the Church!

Many souls who have denied My name will believe in these malicious works. Among them, there is a diabolical transformation and they scandalize the other nations and mankind.

My daughter pray, pray, pray, do penance, acts of reparation and contrition not only for yourself. Be aware, reflect deeply, these are grave moments. Never has it been like this in the history of mankind.

Mankind with its behaviour diabolical brings down upon itself

punishments and scourges: plagues, famine, war, cosmic cataclysms, threats of divine judgment. These are the images of the deadly weapons!

Like a beggar I plead and beg for souls, almost all of mankind abuses Me. I am bent over them but the times are terrible: I am bleeding from pain and My heart is torn into pieces by this corrupted mankind!

I implore My Apostle of the last days to speak out to these souls. I want from him “small hosts” to atone for the crimes which are committed everyday in the first line by the souls I entrusted souls. In monasteries and convents, tongues and lips which receive me in the Holy Communion are used for very bad unkind words daily. In confession very few repent sincerely. I need My Apostle to speak this, I will give him strength to do so. I will increase my graces in him! Although I will let his suffering be increased. I see that he is using well the grace of total reliance on me. The Red Lucifer knows of this therefore he strives to deprive him of it with all his strength. I am with him! I will sow in his soul the seeds of My graces. I need many prayers and Holy Sacrifices of Masses of atonement for the salvation of these poor souls.

You must obey all what he warns you. I guide him to lead you along your painful spiritual path.

*The devil instigates them: That My Eternal Father does not exist!
How much pain I feel.*

My daughter, pray a great deal, watch with Me in these dark hours. My Eternal Father is profaned also in Sacred Places. He has been forgotten and denied by so many souls!

Evil grows to monstrous proportions for those who have the duty of stopping this desolating course of immorality! This Earth will change but nothing is done to change evil!

The majority of the souls I entrusted souls have degraded the nobility of their ministry through living in superficiality and not holding fast to the greatness of the gifts received with an exaggerated freedom and without scruples. The devil instigates them: That My Eternal Father does not exist! How much pain I feel.

I speak to you amid the tears of blood, pray, pray, pray. The Red Lucifer works in strongest infernal legions of My strong Rock in Rome infiltrated into Vatican, marching amid the ranks of high prelates. My daughter, pray so that My Eternal Father may shorten the black hour of this tremendous justice for those self-seeking persons. The exuberance of prostitution together with divorce, drugs, free extermination of the poor and the innocent babies in the sewers, crimes of all kinds.

Mankind does not want to listen to My words and My Divine sentence weighs down upon them how much pain to Me. What could I have suffered for this mankind.

My daughter, meditate on this: My Eternal Father is Justice and Power. Mankind have still time to detain His hand and if you do not convert yourselves there will be in all the streets atomic bombs, plagues, floods, earthquakes, demolition, eruptions, homicides. It is horrible to fall into My Eternal Father's hands!

I urgently ask My Apostle of the last days to call everyone to prayer and to do much penance, to assist Holy Masses of Restitution, to make chains of Rosaries of Prayers and Holy Communions!

I speak to My Apostle of the last days. I will give him a word and with it he must lead all souls along the straight path!

Many souls are lost but he must help them! Many swords will pierce his heart and he has to be disposed to climb up to Calvary!

My Eternal Father has entrusted this work to him because he must reconcile souls and save them! I will send persons who will help him and will love him very much. My daughter, I want your complete abandonment. I guide you through My Apostle of the last days. All your sufferings are useful for appeasing My Eternal Father's Anger. Pray, Pray, Pray. The word of My Eternal Father addresses everyone to do penance and pray! Every soul should embrace the image of My heart.

My daughter, pray a great deal, these are dark hours. Keep watch with Me in the Sacrament of My Love. I thirst for souls like a beggar – I beg you to cloister souls in your heart.

The word of My Eternal Father addresses everyone to do penance and pray! Every soul should embrace the image of My heart.

Pray for My Apostle of the last days for he has to fight the ancient enemy of mankind with the weapons of Faith and unity to counteract on the cry of the Red Lucifer. But to serve My Eternal Father, he has to make others repeat and repeat: “MAY IT BE DONE IN ME ACCORDING TO YOUR WORD”.

My daughter, My Eternal Father has promised victory over the Red Lucifer who leads people to deny Him and I, and My Mother of Mankind will crush the infernal dragon’s head. If only mankind would return to My Heart of burning Love and Divine Mercy. To the contrary, flames will be cast down from heaven which will destroy all sinners: abysses, mountains and flaming lava will swallow up the entire villages. Earthquakes, floods, electrocutions, tempestous seas, suicides, drugs and illness of all kinds.

I speak to the Apostle of the last days and make his word to echo throughout. I am very hurt because mankind and nations follow the way to perdition. Materialism advances on all sides with unbridled corruption and has pushed mankind toward frightful abyss of devastation. Immersed in a chain of scandals, the world is

The condescending participation of doctors in the extermination of the defenceless human lives – My Eternal Father's Majesty is outraged.

My daughter, I am very hurt because mankind and nations follow the way to perdition.

Pray, pray, pray! The souls struggle with the Red Lucifer who imprisons them. He insinuates to them do not believe, they are lies, do not believe in punishments! Pray and do penance. Listen well My daughter, donations will be given to you in order to build the Holy Place of Reparation where My Apostle of the last days will settle the “small hosts” which atone and pray with fervour. Be prepared for the sacrifice which I will ask from you; many swords will pierce your heart, you must atone and make others atone for the many sins which are committed.

The evil mothers who kill their children in their wombs; the justice of My Eternal Father is awesome and no doctor, no medicine can cure the children, only My Eternal Father can do all things. But the condescending participation of doctors in the extermination of the defenceless human lives – My Eternal Father's Majesty is outraged.

I suffer the pain of the snuffed out lives of defenceless creatures, so many human lives thrown down the drains that cry out for vengeance before God My Eternal Father.

My daughter, don't lose My precious time for salvation of mankind. I speak to My Apostle of the last days, he must echo out – speak out. Violence and drugs have destroyed the youth. The Red Lucifer has taken possession of their hearts and instigates them to believe

that My Eternal Father does not exist. They go along the streets like animals without shame and they are blind because of the mire, their souls are possessed by Lucifer's spirits.

My Apostle of the last days has to be prepared to climb up to Calvary. He must tell souls My Divine Mercy is immense. Their repentance is sufficient.

My Divine Mercy will be followed by My Divine Justice.

I bless you.

DIVINE APPEAL 269

26th November 2009

2.55 a.m.

I have given My messages in all parts of the world with My tears of blood. Mankind is not conscious of this terrible reality! It is urgent. My Divine Mercy will be followed by My Divine Justice.

My daughter, these are dark hours. Watch with Me in the Sacrament of My Love.

Listen to Me – pray a great deal and do reparation for this poor mankind I have come amid.

The spirits are plunging deeper in darkness. Evil is triumphing and everyone is withdrawing into his own shell altogether barren of an unfaltering word.

My daughter, above all accept all whatever which could humiliate you – I alone have the absolute right over you. Do not fear – I want you to keep me awake in the prison of My tabernacle. I am so lonely in so many empty churches. Do not be afraid of being belittled in the eyes of others! I was abused and covered with shame in front of everyone.

I want souls to be saved through the Sacrament of My Love. Heed My Words from My Apostle of the last days. Pure and simple you should be. Be sincere with your manner of speech, pure and simple – your word should express what exactly you have in your heart.

I beg My Apostle of the last days to suffer out of Love of Me; sacrifice and atone. Make Hosts for Me. I have made him a fervent soul, light and salt of the Earth by means of his life and simplicity. He has to follow Me to the point of his complete immolation. He has to bear his cross as I bore mine out of Love of mankind.

My daughter, suffer out of Love of Me in the Blessed Sacrament. Pray and forgive. With your prayers bring Me souls.

I beg My Apostle of the last days to make small Hosts – to do reparation and penance. He must get them to pray. If there is no prayer and My afflicted word is not heeded, continuous kidnappings will take place; with bloodshed and streets covered with blood. The souls are allied with Red Lucifer.

I have given My messages in all parts of the world with My tears of blood. Mankind is not conscious of this terrible reality! It is urgent. My Divine Mercy will be followed by My Divine Justice.

I bless you.

Mankind must renounce sin! Pray! Pray! Pray! Do acts of reparation and contrition not only for yourself but for so many countless number of souls who are in the brink of the pit.

My daughter, pray a great deal, watch with Me; these are dark hours. Listen to Me, look and see what is happening in this world!

Mankind must renounce sin! Pray! Pray! Pray! Do acts of reparation and contrition not only for yourself but for so many countless number of souls who are in the brink of the pit. Mankind hurls torrents of blasphemies and lies against My church!

My daughter, how much bitterness! This perverse world is like a persecuting dragon. He will try to trap all those who believe and refuse this idolatry! Many souls who have believed in these malicious works have denied My name. Pray a great deal and do penance. Cloister souls in your heart.

I thirst for souls. Mankind with its diabolical behaviour brings down upon itself punishments and scourges, plagues, famine, war, cosmic cataclysms, threats of Divine Judgment. These are images of the deadly weapons!

I speak to My Apostle of the last days – I have given him My special grace to persevere. I walk along with him. I now order him to echo out, shout to the souls. Make small hosts. He must let mankind know that My Divine Mercy is great if they repent and do penance, but countless number of them walk at Red Lucifer's side.

I have appointed him to reconcile those souls who have and are in

serious difficulty. I want him to insist on My behalf; the Church will not be able to flourish again if she does not return to a life of humanity!

I want and bless My Apostle of the last days – I need him to send this desire of mine to the whole world! By his word and example, he must bestow great peace on their hearts! If they do not repent, it pours blood tears to Me because it is riddled with all kinds of corruption.

Time is coming when I will no longer hold or detain the arm of My Eternal Father's Justice.

Dark and fearful moments are approaching. Rulers, My Apostle must speak about, of peace, mankind will fall in the mire of errors! Mankind have lost My Eternal Father's life. They are dominated by the Spirits of the Red Lucifer. My Eternal Father's Justice weighs over a slime-splattered mankind! The roads are washed in their own blood, many diseases will come, and also hunger, earthquakes, deluges, war!

Together with My Apostle, pray a great deal. Heed his words, I guide him to guide you.

My Divine Mercy is followed by My Divine Justice. I will not be mocked forever.

I bless you.

I need Masses of atonement. The heavenly Majesty of My Eternal Father is outraged.

My daughter, pray a great deal, these are dark hours. Keep watch with Me, these are dark hours – cloister souls in your heart and bring them to Me. I thirst for souls.

I am so crucified and abused, blasphemed, denied: My daughter understand this immense suffering. I speak to you amid tears of blood.

I can find you truly alone and able to understand Me in every moment!

The time has ripened in so many years of sufferings. Now you are mine alone! I have given Myself to your heart. Offer Me everything continuously, living with Me in the same Host!

You must be like a Tabernacle; live at My disposition and of all mankind in reparation for all sins of all kinds. This is My command to you!

I speak to My Apostle of the last days. I need him to listen to Me. The spirits are plunging deeper into darkness. Evil is triumphing and everyone is withdrawing into his own shell, altogether barren of an unflinching word.

My Apostle of the last days should tell the souls I entrusted souls that they be sincere with their manner of speech, pure and simple. Yes or no without evasiveness. Their word should express exactly

what they have in their heart, because I hold in abomination those who are hypocrites and deceitful.

I tell My Apostle of the last days not to pay attention to everything he is told! He must heed My words which are of the utmost authority and security in confused times like these – I have given him My precious grace to lead these souls for peace.

He will be horrified! In the Sacrament of My Love both species will be and is still profaned in so many places and churches. People in mortal sin feed on Me.

I am forced to walk through the streets. My head crowned with thorns, My eyes in tears of blood, My heart afflicted and broken.

I beg My Apostle of the last day to make small Hosts and I thirst for souls – I need Masses of atonement. The heavenly Majesty of My Eternal Father is outraged.

My daughter, pray and do penance not only for yourself, say the Rosary. Expiate evil. Heed the words from My Apostle of the last days.

I will not be mocked forever.

I bless you.

DIVINE APPEAL 272

I thirst for souls, like a beggar I beg for souls. I pour My tears of blood over them. What more could I have suffered for the salvation of mankind.

My daughter, pray and watch with Me in these dark hours. I am bent over all mankind. But times are terrible: distraction where the children of darkness are, all kinds of scandal!

I am bleeding from pain. My heart is torn into pieces by this corrupted mankind! Almost all of mankind abuses Me despising Me, not believing in My Eternal Father. They only know of the most deadly weapons – the dictators of the earth truly infernal monsters, will destroy the Church, Churches and Sacred Tabernacles. In this sacrilegious struggle due to unbridled pleasures, savage impulses and the bloody opposition – everything made by the hand of man will be destroyed. Sparks of fire will rain down from heaven, and every one will be in terror!

I implore My Apostle of the last days to speak out and not to be silent, he has to echo My voice out, because these are the hours of the terrible abandonment! I want him to make “small hosts” and atone for the crimes which are committed everyday; divorces and family scandals due to the fact that there is no prayer in the families.

My daughter, pray a great deal and do penance, acts of reparation. Do confession not only for yourself alone. I thirst for souls, like a beggar I beg for souls. I pour My tears of blood over them. What more could I have suffered for the salvation of mankind. Mankind have lost My Eternal Father’s way. They are dominated by the spirit

of the Red Lucifer. My Eternal Father's Justice weighs over a slimesplattered mankind! The roads are washed in their own blood. Many diseases will come and also hunger, earthquakes, deluges, wars!

Dark and fearful days are approaching. I bless My Apostle of the last days to talk about peace. The sinning youth advance without a pause; thieves, kidnappings! Politicians have taken a mistaken road, dragging with them! Cruel fight!

My daughter, you must be obedient. I have given My Apostle of the last days all the grace to lead and direct you along a holy spiritual way. I use him to warn you, pay attention and obey My call. Do not waste this precious time for the salvation of souls.

My Divine Mercy will be followed by My Divine Justice. I bless you.

I am Jesus crucified; I wait for them! My Divine Mercy is immense. Their repentance is sufficient.

My daughter, I come to you amid tears of blood. In the Sacrament of My Love watch with Me, these are dark hours, cloister souls in your heart, I thirst.

The souls struggle with the Red Lucifer who imprisons them. He insinuates to them; do not believe... they are lies... do not believe in punishments! I pour My tears of blood over mankind, countless number are on the brink of the pit. Pray a great deal, like a beggar I beg for the poor souls. How cold is this mankind. What more could I have suffered for them.

My daughter, you must be like a Tabernacle; live at My disposition and of all mankind in reparation for sins of all kinds. You must heed the words of My Apostle of the last days. This is My command to you. See every person in My afflicted countenance!

He must speak out to insist to everyone that I love them and forgive them. I am Jesus Crucified; I wait for them! My Divine Mercy is immense. Their repentance is sufficient. My Apostle must pray, pray, pray and speak out. The priests abandon their vocation and Sacred Ministry and drag down other priests, religious and lay people who offer themselves for their pleasures!

Many of these souls go to perdition because of their dishonesty! And I call My Apostle and I have given him grace to come with Me up to Calvary. My love for him is unlimited.

My daughter, participate in the Holy Sacrifice of Mass, together

with the Holy Communion, atone and do penance, pray the Holy Rosary daily. Many swords will wound your heart. You will be rejected and mortified. They offend you because of My Love, but do not be afraid! I want complete obedience from you. I fixed My gaze upon you.

Do not lose time, pray a great deal before it is too late because the heavy darkness is surrounding the whole earth. Mankind offend My Eternal Father very much.

The world have lost its senses and the times are worse than that of the great deluge. Never has it been like this in the history of mankind.

My Divine Mercy is followed by My Divine Justice. I will not be mocked forever.

I bless you.

DIVINE APPEAL 274

8th April 2010

3.50 a.m.

But if mankind repent deeply and pray sincerely, the wrath of My Eternal Father will be appeased; if not the streets will be filled with corpses and death will sweep all parts of the world.

My daughter, pray pray pray. In the Sacrament of My Love watch with Me, these are dark hours. I thirst for souls. Cloister them in your heart, you must do reparation without ceasing and without thinking what this will cost you. The time is grave. My Merciful warnings are not heeded. This is a terrible anguish because souls do not want to repent. The Red Lucifer has darkened the Spirits which had already been turbid; evil turns against itself like a horrible serpentine monster that unconsciously coils around souls.

My daughter, I speak to you amid tears of blood. The Majesty of My Eternal Father is outraged, do not waste any time. I want you to repent for souls. Do not repent only for yourself, like a beggar – I beg for souls. Do as much acts of reparation.

To My Apostle of the last days, I want him to speak out in a loud voice. He has to make My warnings known to this corrupt mankind, they have to know that if there is no barrier of fortitude, resolute and tenacious to avoid the catastrophe, then there will be punishments of all kinds for all mankind. This cloud will destroy sinning mankind; flames will be unleashed from heaven, fearful hailstorms will swoop down on mankind, signs from heaven; you remain in complete darkness; the seas will rise up causing death and desolation; awful earthquakes; an atomic war, diseases of admonishment. In this way they will repent! But if mankind repent deeply and pray sincerely, the wrath of My Eternal Father will be appeased; if not the streets

will be filled with corpses and death will sweep all parts of the world.

I ask My Apostle of the last days to make “Small Hosts” and atone for the crimes which are committed daily. At every call he must climb with Me up to Calvary. I give him all My Love and grace!

My daughter, I want your sacrifice, your humility, your submission. You must heed all the direction from My Apostle. I want your total obedience, my word is a command, it serves to save mankind. Do not be afraid.

If mankind do not repent, very soon I will put it in its own casket.

I bless you.

The bad example of parents prepare their families for scandal and infidelity instead of preparing them for virtue and prayer which is almost dead to the lips of many persons.

My daughter, pray unceasingly, these are dark hours. I implore you to keep watch with Me, cloister souls in your heart. Open it for My Love and Divine Mercy for mankind. Write what I tell you.

In the Sacrament of My Love bring Me souls. I thirst for them. I speak to you amid tears of blood. I have lowered Myself this way for My great Love for mankind. My heart is pierced. I beg for much prayer to appease the wrath of My Eternal Father. His Majesty is outraged. If mankind continue to sin and ignore My messages and My Divine warnings, then they will obtain his predilection.

My daughter, do not lose time, it is very precious. Pray a great deal and do penance before it is too late because the world have lost its senses. This situation will get worse. The world has never before needed prayer as in these tragic times. Suffering is taking place and will still continue. It pierces My heart terribly. Sinful mankind have caused so many innocent victims to suffer and die because of hard and obstinate hearts.

I implore My Apostle of the last days to echo out. Prayers must be said unceasingly, penance, fasting. I want him to make “small hosts” to atone for the world.

The bad example of parents prepare their families for scandal and infidelity instead of preparing them for virtue and prayer which is almost dead to the lips of many persons. It has stained and dried

up the source of sanctity and joy of the home sanctuary! This is the reason why the world is no longer worthy of pardon, but rather fire of destruction and death.

What more could I have suffered for this mankind.

My Eternal Father will not be mocked forever.

I bless you.

My daughter, pray a great deal and do penance and acts of reparation for the souls I entrusted souls. I am so obedient to them. I am totally theirs at the moment of consecration in the Holy Mass.

My daughter, pray a great deal and do penance. In the Sacrament of My Love keep watch with Me as I remain a prisoner in the Tabernacles of the world. I am so lonely, longing for souls. As I am exposed I will pour the treasures of My Divine Mercy to souls.

I pour My tears of blood over mankind. The souls struggle with the Red Lucifer who imprisons them. He insinuates to them, do not believe – they are lies. They neither pray or believe.

My daughter, pray a great deal and do penance and acts of reparation for the souls I entrusted souls. I am so obedient to them. I am totally theirs at the moment of consecration in the Holy Mass. I am close beside them in the hardships of their daily life and in their sufferings, yet they step on Me, abuse Me, ignore Me. I love them so much but in return this is what they think – they are more important than Me. I speak to them in silence, loving voice and Divine Mercy, but they do not listen to Me. They plug their ears with the mud of self-love, vanity, contagious pride, pleasures of the world and haughtiness. They have allowed themselves to be blinded by the Red Lucifer. In this way they mislead so many souls on the road to perdition. I am very hurt.

I implore My Apostle of the last days to make “Small Hosts” for atonement. I want him to speak out to these souls I entrusted souls, I guide him, give him grace and words to tell them. I bless him

and as he will always speak, I am beside him. He has to tell them that I know they abandon their vocation and drag down other souls entrusted souls; religious and lay people who offer themselves for their pleasures! Countless number of souls go to perdition because of their dishonesty!

My blood flows and wants to cover the corrupt world. There will be no other way of salvation because there are so many who do not want to hear My Loving and Merciful call. I am pierced by many swords.

My Divine Mercy will be followed by My Divine Justice.

I bless you.

A world revolution is on the verge of exploding and no mankind arm can stop it. Misery, famine, misfortune, persecutions, illness, earthquakes, chaos, floods, destruction, world devastation, hail-fire, tumultuous seas, blood-washed streets.

My daughter, pray a great deal and never tire. Pray and do penance in these dark and secret hours. In the Sacrament of My Love watch with Me. I am with you and I want your total obedience and perfection. Write what I tell you. You must heed all the direction given by My Apostle of the last days.

I guide and give him grace to direct you. Do not be afraid. Pray and obey him. In your sufferings quell the plague of sin which contaminates the whole world.

I am shedding tears of blood for the whole of mankind. I have lowered Myself to this level for the Love of mankind. I give you light so that you may see what I show you. Pray without complains and worries. So many souls are on the brink of the pit. My Eternal Father's anger is overflowing. The chalice is filled! Mankind only sees pleasure and evil ways.

My Heart is overflowing with blood. Be very attentive to what I tell you. My word is a command, it serves to save mankind. Time is very short. Pray, pray, pray a great deal, do acts of reparation. A world revolution is on the verge of exploding and no mankind arm can stop it. Misery, famine, misfortune, persecutions, illness, earthquakes, chaos, floods, destruction, world devastation, hail-fire, tumultuous seas, blood-washed streets.

My daughter, I want My Apostle of the last days to speak to the Churches. The Red Lucifer has blinded them. He has to make “Small Hosts” for atonement.

I want him to echo out and let them know it is time to pray. These are grave moments, he has to reach out to their conscience! Blindfolds have covered their eyes. I am warning. Pray and do penance before it is too late. The Red Lucifer has taken possession of souls and mankind does not want to repent.

I shed tears of blood with pain.

My Apostle should not wait. I give the grace in the first line to the souls I entrusted souls. It will be too late when they finally see the evil that envelops them. Bitter ingratitude has wounded My heart. They do not want to believe and do not want to repent. The greater the sins, the greater the punishments, which have already begun. The scandals have offended Me so much. Drenched with blood I am walking through the multitude of souls. My Divine Justice is not afar.

What more could I have suffered for the salvation of mankind.

It is very urgent the time has run out. Pray, pray, pray, this is the apocalyptic hour.

My daughter, pray a great deal. In the Sacrament of Love watch with Me, these are dark hours. Do not be afraid and do not waste this precious time for the salvation of souls. Day and night I remain in the prison of My Tabernacle with tears of blood in My heart. I am calling mankind to pray and do penance. My Eternal Father's Majesty is outraged. I do not want mankind to perish in eternal fire.

My daughter, I am calling you to silence, indeed spirit of contemplation. You must cloister souls in your heart. I thirst. I am begging for souls. Countless number of souls are on the brink of the pit.

It is very urgent; the time has run out. Pray, pray, pray, this is the apocalyptic hour. Freemasonry in the churches, prelates without dignity. Mankind have lost My Eternal Father's life. They are dominated by the Spirit of the Red Lucifer. My Eternal Father's Justice weighs over a slimes-splattered mankind. The roads are washed in their own blood. Red brigades infiltrated in the Government! The people accomplices to the violence. Kidnappings, thieves of all kinds! The Red Lucifer directs them to perdition.

My daughter, pray without losing time. Deny yourself and make yourself strong for the sole reason, cloister souls in your heart. In the most high spirit of contemplation immerse yourself, I order you. I need your total obedience, you must heed all the direction from My Apostle of the last days. I lead him to guide. I want it this way.

I implore My Apostle of the last days to speak out. It is urgent, he has to tell souls to convert and return to My bleeding heart. In the Sacrament of My Love I have so many graces but mankind has refused to collaborate with Me. As I am exposed I will pour the treasures of My Love to mankind.

He has to tell these souls to look around and see all the darkness and hatred which envelops them. I call them to repent and come back to My sheepfold before it is too late. This is a serious moment. Mankind is threatened by terrible punishments which it has provoked.

I implore My Apostle of the last days to make “Small Hosts” for atonement. The holy hour must be prayed. Rosaries, meditation, Adoration in the Most Holy Sacrament of My Love. I want all this to appease the wrath of My Eternal Father. The world grows worse and worse. Everyday should be lived as the last day. The word of My Eternal Father and the Church must be respected.

In this grave hour My heart bleeds with pain. Too many blasphemies and I am apostated. Woe to those who do not listen to My suffering call! Repent, Repent! It is so horrible to fall into the hands of My Eternal Father. What more could I have suffered for the salvation of mankind.

I bless you.

I give many signs. My heart is overflowing. The chalice is filled!

My daughter, these are dark hours, keep watch with Me. Listen to Me. I am all Mercy. I am shedding tears of blood for the whole of mankind, for love of mankind. I am above this earth.

I give many signs. My heart is overflowing. The chalice is filled! Mankind only sees pleasure and evil ways. Good people are scarce and they do not pray sincerely and fast. There are not enough chosen ones to save them from the Red Lucifer.

Do not be afraid. Pray without ceasing. I thirst for souls. Be very attentive to what I tell you: A world revolution is on the verge of exploding and no human arm can stop it. Misery, famine, chaos, illness, floods, persecutions, misfortune, earthquakes, destruction, world devastation, hail fire, blood-washed streets, tumultuous seas. It is high time to pray, do acts of reparation, fasting, penance, Holy sacrifice. Pray, pray, pray.

I shed tears of blood, the world is full of terror. The Red Lucifer has taken the possession of souls and the sinful mankind does not want to repent.

My daughter, never tire to pray. I want perfection. Abandon yourself completely in My call. I order you to do so even in spite of your affliction. I put in the highest spirit of contemplation in deep silence. Mankind has united itself to the red Lucifer. The souls I entrusted souls are tranquil and worryless. They step all over Me and permit everything. My Apostle of the last days must tell them to open their eyes.

My arm falls inexorably and I only grant them a short time to reflect. In the Sacrament of My Love I remain day and night in the prison of My Tabernacle with so many graces for souls. I am so blasphemed, abused and stepped on.

As I am Exposed I will pour the treasures of My loving mercy to the souls of mankind. My daughter pray and do penance and reparation during this Secret hour. Do not lose this precious time for salvation of souls. Countless number are on the brink of the pit. Sin is an infinite offense against My heart.

I implore My Apostle of the last days to echo out to souls, this must reach out to the parishes. I have chosen him as an instrument of My hands in a very unique way. I will always bring him from one end of the earth to the other. I give him the word to speak. I give him light so that he can see what I show him. My daughter, I order you to listen and heed his words. I guide him to guide you. I need your total obedience with no questions. You must be humble. Your heart will always be pierced by the suffering of the world. Suffer! Suffering elevates you to Eternal Love.

What more could I have suffered for the salvation of mankind!

In a few minutes I will destroy this earth of mire, insults, hideous blasphemy, scandal, infamy, infanticide and sacrilege. How much evil. I will soon destroy everything if the world is not converted.

My daughter, watch with Me, these are dark hours. Pray and do penance. Like a beggar I lower Myself to this level to beg for souls. Do not be afraid. It is I who is making use of you. The Red Lucifer torments you, he is very aggressive because he is very aware his time is short. In this situation be calm and strong. I give special Grace to My Apostle of the last days to guide you in your enterprise.

I implore you to make acts of Reparation. In the Sacrament of My Love keep Me company. I remain in the prison of My Tabernacle day and night for love of souls. With great pain I pour My tears of blood over mankind. Offer your daily sufferings to My Eternal Father so that it may serve for the salvation of souls. So many are on the brink of the pit. My Eternal Father's anger is overflowing. I have seen him with a club in hand and looking very severe glance at the earth and repeat these words:

“In a few minutes I will destroy this earth of mire, insults, hideous blasphemy, scandal, infamy, infanticide and sacrilege. How much evil. I will soon destroy everything if the world is not converted.”

My daughter, pray a great deal and do penance. I speak with you amid tears of blood. Sacrifice and atone.

My Apostle of the last days should make others pray and atone. He should make “Small Hosts” pray for atonement. In this way My Eternal Father's anger will be appeased. Pray a great deal in the

first line for the souls I have entrusted souls. What great pain to Me. The Red Lucifer has imprisoned the souls that live in immorality, the fashion and the Church. Their eyes are covered with mire. My celestial Mother shed tears of blood with terrible pain.

The souls I Love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. They do not think that they cause Me so much pain. My gaze does not penetrate them. They do not want to humble themselves again and repent, to beg forgiveness for the blood which I have shed on the Cross. I want to cleanse them from their sins. My heart cries to forgive. If they continue to live in corruption with no repenting, then there will be no Mercy, but rather tears in all the nations, mourning, earthquakes, punishment, floods, sickness of all kinds!

These poor people are blind and deaf to My Merciful calling! The air is contaminated and everything is full of sin.

My Divine Mercy is followed by My Divine Justice. I implore My Apostle of the last days to make “Small Hosts” to atone for the crimes which are committed every day, divorces and family scandals, due to the fact there is no prayer in families.

Ordain a daily hour of Adoration to be celebrated for the appeasement of the wrath of My Eternal Father and for the consolation of my bleeding heart pierced by all kinds of insults and blasphemies. Drugged and dishonest young girls on the streets like animals with no shame at all! Youth in perdition!

What a pain. Very soon I am going to put the whole world in its own casket.

I bless you.

The scandals have offended Me so much that I am in great pain, drenched with blood. I walk through this multitude of souls.

My daughter, pray, pray, pray, watch with Me in the Sacrament of My Love. I want you to offer everything to Me. I speak to you amid tears of blood. I implore you to allow Me complete freedom. Abandon yourself in My Will. I want to erect an altar in your heart on which the fire of My Love would burn continuously. I want it to be pure and untouched by anything that could stain it. Whenever you call Me, I will be very near you in order to fill you with My Love. Whenever you hear offenses and infamy against you, offer them to My Eternal Father for the purity of the souls I entrusted souls. By means also for those consecrated souls! I am very hurt. Countless number of souls are on the brink of the pit. What more could I have suffered for the salvation of mankind.

The souls struggle with the Red Lucifer who imprisons them. He insinuates to them: do not believe. They do not renounce their pleasures, their immoral passion! Drugged and Godless, they use violence like beasts, thieves, mysterious murders of those who are kidnapped, blood flowing in all directions, magistrates accused of dishonesty, poor souls! One after another, their eyes blindfolded, they approach the highest of precipices!

My daughter, participate daily in the Holy Sacrifice of Mass; together with Holy communion atone and do reparation and penance, pray the Holy Rosary and the Stations of the Cross daily. Many swords will wound your heart. They offend you because of My Love. You will be rejected and mortified, but do not be afraid! I want complete

obedience from you. You must listen and heed all the direction and guidance from My Apostle of the last days. I have given him grace to lead you along. You must listen to him with humility and patience.

I implore My Apostle of the last days to make “Small Hosts” to atone for the crimes which are committed daily. I am with him and I will guide him. I have chosen him to exalt him and to take him to all parts of the world. He must echo out to the Church. This is a serious moment and mankind is threatened by terrible punishment which it has provoked.

I lead My Apostle to follow Me along the painful way to Calvary where I shed blood. He may adore it and offer it to My Eternal Father so that it may serve for the salvation of souls. My Eternal Father’s anger is overflowing. The Spirits are plunging deeper in darkness. Evil is triumphing and everyone is withdrawing into his own shell, altogether barren of an unfaltering word.

The one thing which can still save the world is prayers, penance and reparation.

My daughter, pray and watch with Me in the Sacrament of My Love.

Listen to Me very attentively. I have a very important message to give you. You must do what I tell you to do. The one thing which can still save the world is prayers, penance and reparation. I pour My tears of blood over mankind. The world is full of terror, the streets are streaming with blood. The Red Lucifer has taken possession of souls and the sinful mankind does not want to repent.

My Apostle of the last days should proclaim My message to parts of the world in the first line the souls I entrusted souls. It is time to pray and do penance. I give him My grace to reach their consciences!

I am warning mankind the Churches will be destroyed. The souls of goodwill who serve, love and speak My Truth will be imprisoned and cruelly murdered. I am above this earth, for Love of mankind I give many signs. My heart is overflowing with blood, and I can no longer hold back My Eternal Father's arm, his anger is overflowing. The Chalice is filled! Mankind only sees pleasure and evil ways. Good people are scarce.

My daughter, I command you to feel what I tell you. I covered you. I give you light so that you might see what I show you. Do not be afraid. Pray pray, pray, and do penance and reparation. Do not confess only for yourself, you must cloister souls in your heart. Bring me souls, I thirst.

These are grave moments. The world is growing from bad to worse; paganism is triumphing, the Red Lucifer is making every effort to abolish the Holy Sacrifice of the Mass, the souls I entrusted souls offend My Eternal Father with their licentious habits. My Divine Justice, they have forgotten. My Divine Mercy still grants them a little time to make amends and meditate. Penance and prayer! Set to work immediately because tomorrow might be too late, because of the grave proportions which iniquity has taken!

I implore My Apostle of the last days to pray with My Mother and never tire. I am with him. I have chosen him as an instrument of My hands for peace to console Me and glorify Me. His heart will always be filled and pierced by so many sufferings of the world. My Eternal Father wants him to hurry in making and erecting the “Small Hosts”, it is a dangerous hour.

The Divine Justice is such a difficult enterprise.

In the Sacrament of My Love, inside the prison of My Tabernacle, I am continuously receiving thorns. I am passing through the milling crowds with bowed head, because of the many sacrileges which are committed. My daughter, I want your complete abandon. This is My command. Be obedient. You have to heed all My guidance from My Apostle. I give him words to lead you. It is I who want it this way. My command serves to save mankind. Be always prepared for the sacrifices which I expect from you. You must pray and atone. This is the apocalyptical hour. It is very urgent. If they do not return to Me, they will only know desolation. The flock is about to be dispersed!

Many signs never seen before will occur in the world as a warning to mankind to tell them that the measure is filled. There will come a fearful moment when I will speak with My Judges voice. I implore My Apostle to echo this out.

My Eternal Father will not be mocked forever.

I bless you.

DIVINE APPEAL 283

20th January 2011

3.50 a.m.

I have saved the world through suffering on the cross. You know that sin is an infinite offense against My Eternal Father's Love. I wish you to atone for their sins.

My daughter, pray, pray, pray, and never tire. In the Sacrament of My Love keep Me company. I am with you and I want perfection.

Abandon yourself completely to and in My call so that I may act in you for the salvation of countless number of souls who are on the brink of the pit. Wrench souls from the Red Lucifer in order to lead them to the shelter of My heart. I will reveal My desires to you. I have saved the world through suffering on the cross. You know that sin is an infinite offense against My Eternal Father's Love. I wish you to atone for their sins.

Pray and do penance in this secret hour. Hide Me in your heart, this is My desire for you. Suffer! Suffering elevates you to eternal love. Your light discerns good from evil. Your presence appeases the anger of the one who listens to you. He is appeased and knows Me. Abandon yourself in My will.

My daughter, I want My Apostle of the last days to be lily in this difficult hour for he accompanies Me. I pour My tears of blood. The world is full of terror; the streets are streaming with blood. The Red Lucifer has taken possession of souls and the sinful mankind does not want to repent. My Apostle of the last days should proclaim this message and not abandon it. This must reach the parishes.

I am shedding tears of blood for the whole of mankind. I give many warnings through many signs. My heart is overflowing with blood

and can no longer hold My Eternal Father's arm. The chalice is filled!

I give My Apostle of the last days the light so that he might see what I show him in secret silence. I give him the word to speak.

My daughter, pray, pray, pray and do penance. My Divine Mercy is followed by My Divine Justice.

I bless you.

DIVINE APPEAL 284

Undated Message.

I am here to tell the world I love it. My Divine Mercy is followed by My Divine Justice.

My daughter, keep Me in these dark hours. Keep watch with Me. The times are getting worse and worse. Terrible danger is threatening the Church. Things will get very bad that mankind will think all is lost. This is still My time of Divine Mercy but My Mercy is followed by My Divine Justice.

I will not be mocked forever.

Tell My Apostle of the last days to pray – offer Holy Sacrifices of Mass for My dear Apostolic church. I tell him Love is Eternal for love pours out from My Father's Heart upon all mankind. My love is the strength of My Apostle.

Do not be discouraged when you suffer. Pray, pray, pray with faith.

I am here to tell the world I love it. My Divine Mercy is followed by My Divine Justice.

And also for other consecrated souls.

Pray a great deal My daughter and cloister souls in your heart; in the first line the souls I entrusted souls.

1st November 1996

I implore you to quench my thirst for souls. Cloister souls in your heart, in the first line the souls I entrusted souls. So many souls consecrated to Me leave intact the plenitude of My graces. They reject My feelings. I see them as they are. What more could I have done. Did I suffer for the salvation of mankind in vain?

22nd November 1996

Time is short. I pour My tears of blood over mankind to see countless number of souls who have been completely blinded by the love of money and earthly things and pleasures which will last for a very short time.

Make hours of Adoration and Reparation, silent prayer and Rosary. This will decrease in proportion to the favour which people will pray for sinners. Do not lose any single soul that I have entrusted to you. Cloister souls in your heart in the first line the souls I entrusted souls. Countless number of them are at the brink of the pit. My Divine Mercy is great if they Repent and do penance.

I give My loving warning to this sinful mankind.

12th December 1996

Red Lucifer stalks among the cardinals, the Bishops, the prelates, consecrated souls and lay people. Among them there is a diabolical transformation.

In convents I receive terrible whips from the tongues and lips. Always your lips are still Bloody after receiving Me in the Sacrament of My Love. Countless number of them have no time for Me. They do everything in their allocated time. Every moment will pass away except the moment spent for Me.

May I implore you to cloister souls in your heart in the first line the souls I entrusted souls. Do not be surprised or frightened that you now hear My serious voice and strange in the Abyss of your soul. No one can cross My plans. Place your confidence totally in Me.

2nd January 1997

My daughter, I implore you not to be disturbed by the incomprehension and miseries which surround you. Do not be afraid even if you receive insults. You must pray and cloister souls in your heart in the first line the souls I entrusted souls. Do not waste any of My

precious time for the salvation of souls. You have to atone and do acts of reparation and contrition not only for yourself. Repent for so many souls are on the brink of the pit. This is My painful appeal before it is too late. This is a terrible reality. It is unthinkable to mankind. Be aware. Do not misuse any suffering. It is all useful for the salvation of souls and appeasing the Divine Justice.

9th January 1997

Do reparation, acts of contrition and repent even for other souls. The hour is drawing near and My Eternal Father's Justice will be inexorable. The fallacies in their brutal conceptions of life will constitute their sentences. I pour My tears of blood over mankind. Evil grows to monstrous proportions for those who have the duty of stopping this desolating course of immorality. I am so profaned in My Church and sacred places. Nature itself is asking for vengeance. Pray and sacrifice to appease the wrath of My Eternal Father.

Cross yourself often with the sign of the Cross. The Red Lucifer together with a large number of demons are loosed from their pit. Slowly by slowly they are blinding souls even those consecrated to me. Woe to those who do not rely on My grace. Several religious orders will lose all faith as a result they lose so many souls. Those who hope in Me sincerely will not hope in vain for he who listens to My clemency words and warnings will find salvation.

Countless number of souls pray but live in the world and by the world. They have no place for Me in their hearts. Through this they end up in perdition.

I implore you to cloister souls in your heart without fear in the first line the souls I entrusted souls. I repose Myself Sacramentally in your heart for the sake of souls. I want your complete abandonment and your complete will. You must embrace souls in your prayers. I assure you everything will pass away except what you are doing and

will do for the salvation of souls. Only the time spent for Me will remain.

In the prison of My Tabernacles I remain day and night. I have lowered Myself to you and all souls with even a noble gesture. For I am Love itself.

What more could I have suffered for the salvation of mankind.

25th September 1997

Mankind has united itself to the Red Lucifer. Countless number of the souls I entrusted souls are tranquil and worry-less, they step over Me and permit everything. My arm falls inexorably and time is very short. Time is at hand when the whole earth will tremble and all mankind will be shaken.

16th October 1997

I tell you My Divine Justice is approaching in a very frightful way. Who will esteem My painful tears of blood. The Red Lucifer is making every effort to abolish My Holy Sacrifice of the Mass. The souls I entrusted souls offend Me with their licentious habits. I am continuously receiving crown of thorns and whips passing through the milling crowds with bowed head.

I implore you to cloister souls in your heart in the first line the souls I entrusted souls. Countless number are on the brink of the pit. It is urgent. When time comes no one will escape My Eternal Father's Justice.

I have lowered myself to this level for love of mankind. These are My warnings obtained through My anguish because I do not want any souls to fall into perdition but no one goes there without his own consent.

23rd October 1997

Countless number abuse, ridicule and blaspheme Me in the Sacrament of My Love and other different ways. They cannot believe in Me. They only know the most deadly weapons. The dictators of the Earth including souls I entrusted souls. Truly infernal monsters will destroy My Churches and Sacred Tabernacles.

In this sacrilegious struggle due to savage impulses and the bloody opposition everything made by the hands of mankind will be destroyed.

29th October 1997

Cloister in your heart in the first line the souls I entrusted souls. Do not lose any single soul that I have entrusted to you, be a fervent soul.

20th November 1997

Time is coming soon when I will no longer hold back My Eternal Father's hand. The Red Lucifer has blinded mankind, he already instigates that My Eternal Father does not exist! That perdition does not exist! Others say do not listen to the souls I entrusted souls. I assure you that this all is to make mankind be lost forever. Pray a great deal and cloister souls in your heart in the first line the souls I entrusted souls. Pray for the Holy Father daily. He is persecuted much by the children of darkness.

Never before has the world needed prayers, penance and reparation as in these tragic times. Immersed in a chain of scandals, the world is a swampland of muck and mire. It will be at the mercy of the most severe trials of Divine Justice.

27th November 1997

Cloister souls in your heart; in the first line, the souls I entrusted souls. I am completely theirs at the moment of consecration in the holy Mass. With tears of blood I am bent over all mankind. I am

bleeding from pain and My heart is torn into pieces. I implore you to quench My thirst. This is the apocalyptic hour; it is urgent for mankind to be conscious of this terrible reality. 5th December 1997

I pour My tears of blood over all mankind. Like a beggar I ask you to quench My thirst for souls. Pray a great deal and cloister souls in your heart; in the first line the souls I entrusted souls. My left hand points to the warning and my right hand to a miracle.

1st January 1998

I am bent over mankind. Bleeding from pain, my heart is torn into pieces by this corrupt mankind! Pray intensely, atone and cloister souls in your heart in the first line the souls entrusted souls. These are grave hours, woe to those who persist in doubting my painful admonitions!

15th January 1998

Through you My daughter I speak to My Apostle of the last days. I unmask the deceiving spirits which has infiltrated into the souls consecrated priests to whom I have confided My Church. There is a struggle that the world cannot see! A struggle between the Spirit of My Eternal Father and the Spirit of the Red Lucifer who is our enemy.

My daughter, the moment is nearing when I will no longer ask for anything but rather I will take everything with all the power of God.

The Cardinals, Bishops, Priests and religious if they do not change their lives and become humble and charitable, detached from the vanity of this world, will perish in My Divine Justice. Countless number of them do not believe in My afflicted appeal. Together with My mother I pour tears of blood over mankind!

22nd January 1998

Cloister souls in your heart in the first line the souls I entrusted souls. I shed tears of blood over them. Countless number, a blindfold has covered their souls and eyes. It is time to pray a great deal for them. My Eternal Father's anger is overflowing. The Chalice is filled! My church will be obfuscated....

29th January 1998

I implore you to cloister souls in your heart in the first line, the souls I entrusted souls. Participate in the Holy Sacrifice of the Mass, Atone, do penance and acts of contrition even for other poor souls. For the sake of souls suffer and learn united with My sufferings. I speak to you amid tears of blood. I am bent over the Earth.

19th February 1998

If penance is not done and they do not pray, the chastisement will be ghastly. If souls I entrusted souls do not listen to My anguished call, they will lead mankind to great and unthinkable sufferings. You must pray and do not lose My precious time. Be aware of the terrible reality which is urgent.

A diabolical hand threatens the whole world. The time of the great trial will come. It will also come for the church. Cardinals will oppose Cardinals, Bishops against Bishops. The red Lucifer marches triumphantly in the midst of their ranks due to their hubris and lack of charity. There will be deaths everywhere because of the errors committed by the obstinate followers of the red Lucifer.

Prayer is urgent. According to My desire, everyone must pray to implore for the mitigation of the evil in this mankind. The holy hours must be prayed, meditations and Adoration to Me in the Sacrament of My Love.

As I am exposed, I will pour the treasures of My mercy to the souls. I am bleeding from pain.

2nd April 1998

Don't lose time. Pray before it is too late. The majesty of My Eternal Father is outraged. The world has lost its senses. These times are worse than the times of Sodom and Gomorrah. Never has it been in the course of history of mankind. The pope, the Church, the souls I entrusted souls are all in danger and if there is no prayer the powers of the Red Lucifer will break loose and in the front lines, there will be souls I entrusted souls. My daughter I implore you to cloister them in your heart; with tears of blood these are My great warnings of immense Divine Mercy. I want all to be saved.

No one goes to perdition without his own consent. So many still in their childhood years are heading to perdition through the fault of their parents no longer wanting to be concerned about My Eternal father. The demon is disposed to mislead all souls.

9th April 1998

I implore you to pray it is urgent. Cloister souls in your heart in the first line the souls entrusted souls. I am totally theirs during consecration.

The Red Lucifer wants victory. Freemasonry hurls itself against the Church. These are times of overwhelming violence. The Earth will be covered with blood. The Churches will be persecuted. There will be many martyrs who will fall on the field of an arduous battle to defend the Holy Church. Great offenses will befall the Vatican and

My Vicar will be a victim at the perfidious hands of those consecrated to Me. Beware! I am very sad and My heart is filled with pain. Woe to those who have so many lies.

9th April 1998

I will always reveal My desires to you. I have saved the world through suffering on the Cross. You know that sin is an infinite offense against My heart. Mankind has united itself with the Red Lucifer. The souls I entrusted souls are tranquil and worry-less. They step over Me and permit everything. Cloister them in your heart. I order you to pray and do penance for souls even in spite of your affliction.

In the Prison of My Tabernacle My great Love is overcome by no obstacles. When I accepted to conceal Myself in a white small Host, I knew what it would cost Me for Love of mankind.

7th May 1998

Never before has the world needed prayers and penance as in these tragic times. Mothers kill their own children in their wombs. The Justice of My Eternal Father is awesome. He suffers the pain of the snuffed-out life of defenceless creatures; so many of them thrown down the drains that cry for vengeance before My Eternal Father. The world is desolate because of iniquitous evil of falsehood. I am so blasphemed and profaned in My Sacred places, the good live a lethargic life among so many bushes which they have no strength to overcome. Time plants weeds and ignominy. The souls I entrusted souls should remain immune to such contagion, to fight to win souls before it is too late. Many are lost and my life and blood becomes in vain for them.

In the Sacrament of My Love I must be Exposed for as I am exposed I will pour the treasure of my Love and mercy to the souls. Do not lose time. Pray, pray do not be afraid or tire.

I give so many warnings to this mankind who do not see that with their own hand they are destroying the world blind folded and unscrupulous.

18th June 1998

Cross yourself moment to moment with the sign of the Cross. Cloister souls in your heart in the first line the souls I entrusted souls.

25th June 1998

I implore you to cloister souls in your heart in the first line the souls I entrusted souls. Pray with fervour. Be always a living Tabernacle, exposed to continuous humiliations and crucifixions. You must atone for souls, you must live moments of desertion like Myself in the praetorium; with your humility you must bring souls to My heart in your prayers. You must submit yourself to My Will; always be attentive to and heed My words from My Apostle.

16th July 1998

My daughter, listen well and write down what I tell you. You must surrender yourself to My will. I look and come for atoning souls. Pray a great deal. Keep watch with Me in the Sacrament of My Love. Cloister souls in your heart in the first line the souls I entrusted souls. You must be a souls-host, a living Tabernacle continuously prepared to go up to Calvary.

6th August 1998

My daughter, watch with Me in the Sacrament of My Love. Cloister souls in your heart in the first line the souls I entrusted souls. Through you I speak to My church and I unmask the deceiving spirit which has infiltrated the souls I have entrusted souls to whom I have confided My church.

The souls I entrusted souls and all those consecrated to Me, if they do not change their lives and become humble and charitable and detached from the vanity of the world, will perish in My Divine Justice. They do not believe in My afflicted appeal. Together with My Mother, I pour tears and blood over mankind! Like a beggar I ask for meditation on the evil which is being provoked in the presence of My Eternal Father. They are racing towards the precipice of perdition!

24th September 1998

The world has lost its senses and these times are even worse than that of the great deluge.

Day and night I am on the watch for souls in the prison of My Tabernacle yet so many including souls I entrusted souls do not believe in My real Presence.

15th October 1998

In the hermitage atone for the crimes which are committed day and nights. Scandals in the world due to the great fact that there is no sincere prayers in the souls consecrated to Me and in families. You must let My Apostle know that this work must be under his protection. It is the work which I have already made. Mankind must be saved through prayers, penance, reparation and sufferings. You must relent for souls.

29th October 1998

Pray and keep watch with Me in the Sacrament of My Love. I will let your sufferings be increased. I also will shower My Apostle with graces to strengthen your soul. Try to use it well. The Red Lucifer knows that your strength comes from Me, so he strives to deprive you of it. Offer your sufferings united to My heart's merits for the restitution of the scandals of others in the first line the souls I entrusted souls.

28th January 1999

Pray a great deal without ceasing, the souls I entrusted souls and the religious souls if they do not change, become humble, charitable and detached from the vanity of this world, they will perish in My Divine Justice. I pour My tears of blood over mankind! They do not believe in My afflicted appeal; together with My Mother, and like a beggar, I ask for meditation on the evil which is being provoked in the presence of My Eternal Father.

4th February 1999

I am speaking to you amid tears of blood. I am very hurt because mankind follows the way of perdition, materialism advances on all sides with unbridled corruption and has pushed mankind towards a frightful abyss of devastation. Immersed in a chain of scandals the world is a swampland of muck and mire. It will be at the Mercy of most severe trials of My Divine Justice since long ago I have warned mankind in many ways but they do not listen. Pray a great deal, never before has the world needed prayers and penance as in these tragic times; if there is no prayers the powers of the Red Lucifer will break loose and in the front lines will be souls I entrusted souls.

11th February 1999

Cloister souls in your heart, in the first line the souls I entrusted souls. My daughter, sacrifice and atone. In this way My Eternal Father's anger will be appeased. The Red Lucifer has imprisoned the poor souls that live immorality, their eyes are covered with mire.

25th February 1999

At the moment I felt all the tortures of My passion burst overwhelmingly upon Me the calumnies, insults, abuses, the scourging, crown of thorns, thirst and the Cross. All these passed upon My painful heart. What more could I have suffered for mankind. Cloister souls in your heart in the first line the souls I entrusted souls. I want these plagues of sins to be appeased with prayers, reparation and penances daily.

1st April 1999

To the souls I entrusted souls I am totally theirs and very obedient to their word when they summon Me from heaven to Earth.

16th November 2000

My daughter, I implore you and My Apostle of the last days to form the group of “small Hosts”. I have erected an altar in your heart. They will have a serious responsibility on their shoulders. How many of the souls I entrusted souls are going to perdition! How many of My consecrated men and women pierce My heart day and night! Their dishonesty is a diabolical leaven. They have lost their dignity and their light of reason. I implore My Apostle of the last days to make the “small hosts” make this poor consecrated return to Me before it is late. The chalice is filled. He must speak to them in a very serious way.

1st June 2001

Part of your mission involves praying and cloistering in your heart the souls I entrusted souls. My Apostle is one of them. Through him I will instruct you each step of the way. It is for you to be very obedient only.

28th July 2005

Tell My Apostle of the Last days that he may teach the poor souls to know My clemency – I want the need and desire for reparation to be re-awakened and grow among the souls I entrusted souls, religious, faithful and all souls – for the Majesty of My Eternal Father is profaned. The world is full of sin – I want the world to be saved.

18th June 2006

The time is grave. My heart is pierced with great pain bleeding freshly each second – countless number of souls I entrusted souls have left and will still continue to leave their Sacred Ministry; countless of them do not acknowledge the true meaning of My true Presence in the Most Holy Eucharist.

With tears of blood, I tell the world to repent. I need My Apostle of the last days to speak out. I am leading him along a lengthy path of pain and toil. He must tell the souls I entrusted souls that I am very humble and obedient to them during consecration, yet they continue to abuse and ignore Me, My Divine Love and My Messages of My Divine Mercy, which will be followed by My Divine Justice.

He must tell them this situation will get worse. They continue to sin and in doing so, lead so many countless number of souls to sin and end up into perdition.

This is a terrible anguish because they do not want to repent or heed My call.

22nd May 2008

My Church is suffering and bleeding; it will still suffer more and more. The souls I entrusted souls go against My teaching. They pierce My heart.

I have lowered Myself to this level to remain day and night in the prison of My Tabernacle for Love of the whole mankind. Countless number of souls entrusted souls do not acknowledge My true Presence in the Most Holy Eucharist.

Be always attentive and obedient to My Apostle of the last days. You must heed all what he tells you. I have given him My grace and wisdom to guide you along My Road. You must not waste any of My precious time for conversion of souls before it is too late. The Red Lucifer is very busy trying to destroy you in all ways. Do not be afraid. I am protecting you. Abandon yourself totally to Me in prayer. I guide you through My Apostle of the last days, heed his words always. My Apostle has to tell the souls I entrusted souls to always be humble and obedient as I am obedient to them during consecration. They must ask for pardon and do reparation for the

misuse of My Mercy, especially for the abuse of My Sacraments, especially the Sacrament of penance and the Holy Eucharist.

11th June 2009

The souls I entrusted souls abandon their vocation and drag down other souls entrusted to souls, countless number of religious and lay people who offer them themselves for their pleasures! Countless number of souls go to perdition because of their dishonesty! How cold is this mankind!

One after another their eyes are blindfolded, they approach the highest of precipices! If they do not repent and believe, they will go to perdition. The Red Lucifer tells them do not believe. I pour My tears of blood over them, countless number of souls are on the brink of the pit!

The souls I entrusted souls have degraded the nobility of their Sacred Ministry through living in superficiality, and not holding fast to the greatness of the gift received. They allow the Red Lucifer to instigate them.

Pray a great deal. Keep watch with Me, do reparation .

25th June 2009

This perverse world is like a persecuting dragon. He will try to trap all those who believe and refuse this idolatry! Countless souls I entrusted souls are on brink of the pit. Among them there is a diabolical transformation and they scandalize so many souls of good will.

9th July 2009

The souls I love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them

to evil. I am ignored and neglected. Most is that the souls I entrusted souls and those consecrated to Me do all they can to step on My very painful head. In the Sacrament of My Love I remain day and night there loving and waiting with all My Divine grace for poor souls of mankind.

30th July 2009

I implore My Apostle of the last days to speak out to these souls. I want from him “small hosts” to atone for the crimes which are committed everyday in the first line by the souls I entrusted souls. In monasteries and convents tongues and lips which receive Me in the Holy communion are used for very bad unkind words daily. In confession very few repent sincerely. I need My Apostle to speak this, I will give him strength to do so. I will increase My graces in him! Although I will let his suffering be increased. I see that he is using well the grace of total reliance on Me. The Red Lucifer knows of this therefore he strives to deprive him of it with all his strength. I am with him! I will sow in his soul the seeds of My graces. I need many prayers and Holy Sacrifices of Masses of atonement for the salvation of these poor souls.

20th August 2009

The majority of the souls entrusted souls have degraded the nobility of ministry through living in superficiality and not holding fast to the greatness of the gifts received with an exaggerated freedom and without scruples. The devil instigates them that My Eternal Father does not exist! How much pain I feel.

18th February 2010

My Apostle of the last days should tell the souls I entrusted souls that they be sincere with their manner of speech, pure and simple. Yes or no without evasiveness. Their word should express exactly what they have in their heart, because I hold in abomination those who are hypocrites and deceitful.

25th March 2010

He must speak out to insist to everyone that I love them and forgive them. I am Jesus crucified; I wait for them! My Divine Mercy is immense. Their repentance is sufficient. My Apostle must pray, pray, pray and speak out. The priests abandon their vocation and Sacred Ministry and drag down other priests, religious and lay people who offer themselves for their pleasures!

Many of these souls go to perdition because of their dishonesty! And I call My Apostle and I have given him grace to come with Me up to Calvary. My love for him is unlimited.

29th April 2010

My daughter, pray a great deal and do penance and acts of reparation for the souls I entrusted souls. I am so obedient to them. I am totally theirs at the moment of consecration in the Holy Mass. I am close beside them in the hardships of their daily life and in their sufferings, yet they step on Me, abuse Me, ignore Me. I Love them so much but in return this is what they think – they are more important than Me. I speak to them in silence, loving voice and Divine Mercy, but they do not listen to Me. They plug their ears with the mud of self-love vanity, contagious pride, pleasure of the world and haughtiness. They have allowed themselves to be blinded by the Red Lucifer. In this way they mislead so many souls on the road to perdition. I am very hurt.

I implore My Apostle of the last days to make “Small Hosts” for atonement. I want him to speak out to these souls I entrusted souls, I guide him, give him grace and words to tell them. I bless him and as he will always speak, I am beside him. He has to tell them that I know they abandon their vocation and drag down other souls entrusted souls; religious and lay people who offer themselves for their pleasure! Countless number of souls go to perdition because of their dishonesty!

6th May 2010

My Apostle should not wait. I give the grace in the first line to the souls I entrusted souls. It will be too late when they finally see the evil that envelops them. Bitter ingratitude has wounded My heart. They do not want to believe and do not want to repent. The greater the sins, the greater the punishments, which have already begun. The scandals have offended Me so much. Drenched with blood I am walking through the multitude of souls. My Divine Justice is not afar.

What more could I have suffered for the salvation of mankind.

17th June 2010

My daughter, never tire to pray. I want perfection. Abandon yourself completely in My call. I order you to do so even in spite of your affliction. I put in the highest spirit of contemplation in deep silence. Mankind has united itself to the red Lucifer. The souls I entrusted souls are tranquil and worry-less. They step all over Me and permit everything. My Apostle of the last days must tell them to open their eyes.

My arm falls inexorably and I only grant them a short time to reflect. In the Sacrament of My Love I remain day and night in the prison of My Tabernacle with so many graces for souls. I am so blasphemed, abused and stepped on.

8th July 2010

The souls I Love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. They do not think that they cause Me so much pain. My gaze does not penetrate them. They do not want to humble themselves again and repent, to beg forgiveness for the blood which I have shed on the cross. I want to cleanse them from their sins. My heart cries to

forgive. If they continue to live in corruption with no repenting, then there will be no Mercy, but rather tears in all the nations, mourning, earthquakes, punishment, floods, sickness of all kinds!

These poor people are blind and deaf to My Merciful calling! The air is contaminated and everything is full of sin.

14th July 2010

My daughter pray, pray, pray, watch with Me in the Sacrament of My Love. I want you to offer everything to Me. I speak to you amid tears of blood. I implore you to allow Me complete freedom. Abandon yourself in My Will. I want to erect an altar in your heart on which the fire of My Love would burn continuously. I want it to be pure and untouched by anything that could stain it. Whenever you call Me, I will be very near you in order to fill you with My love. Whenever you hear offenses and infamy against you, offer them to My Eternal Father for the purity of the souls I entrusted souls. By means also for those consecrated souls! I am very hurt. Countless number of souls are on the brink of the pit. What more could I have suffered for the salvation of mankind.

22nd July 2010

My Apostle of the last days should proclaim My message to parts of the world in the first line the souls I entrusted souls. It is time to pray and do penance. I give him my grace to reach their consciences!

These are grave moments. The world is growing from bad to worse; paganism is triumphing, the Red Lucifer is making every effort to abolish the Holy Sacrifice of the Mass, the souls I entrusted souls offend My Eternal Father with their licentious habits. My Divine Justice they have forgotten. My Divine Mercy still grants them a little time to make amends and meditate. Penance and prayer! Set to work immediately because tomorrow might be too late, because of the grave proportions which iniquity has taken!

4.2 ADORATION OF JESUS IN THE MOST HOLY EUCHARIST

Jesus calls us to adore Him in the exposition of the Holy Eucharist, that is, in the Sacrament of His Love. All the messages of the Divine Appeal have this urgent request. The selection below is but a small number and does not encompass everything. However, it tells us that in adoring Jesus in the Holy Eucharist we are sure to receive God's Mercy which humanity is in great need of at this present time.

17th December 1998

All those who want to believe and who live prepared to await the moment of Divine Justice must retreat from worldly diversions, vanity, useless television programmes as well as be purified in the Holy Spirit with a great Love of the Holy Eucharist; receive Holy communion, Holy Confessions, Adoration; as I am exposed I will pour the treasures of My Divine Mercy to souls, Rosary and penance... penance... penance, if only they want to have strength to endure and survive.

25th February 1999

Do not lose this precious time for salvation of souls. Countless number are on the brink of the pit. Sin is an infinite offense against My heart.

4.3 HOLY MASS

Jesus calls us to participate in the Holy Sacrifice of Mass as a means of atonement and reparation. In the messages, Jesus asks Sr. Anna Ali and therefore each and every one of us to participate in the Holy Sacrifice of Mass and to pay attention to every word in the Mass. The message of 4th March 1999 tells us that Mass is the greatest prayer and for all our lifetime we will never understand its greatness.

12th December 1996

All those who want to believe and are prepared to await the moment of Divine Justice must pray and do penance. The holy hours, Masses of Atonement, Rosaries, Meditation and Adoration of the Sacrament of My Love.

16th October 1997

I tell you My Divine Justice is approaching in a very frightful way. Who will esteem My painful tears of blood. The Red Lucifer is making every effort to abolish My Holy Sacrifice of the Mass. The souls I entrusted souls offend Me with their licentious habits. I am continuously receiving crown of thorns and whips passing through the milling crowds with bowed head.

27th November 1997

Cloister souls in your heart; in the first line the souls I entrusted souls. I am completely theirs at the moment of consecration in the Holy Mass. With tears of blood I am bent over all mankind. I am bleeding from pain and My heart is torn into pieces. I implore you to quench My thirst. This is the apocalyptic hour; it is urgent for

mankind to be conscious of this terrible reality. Pray and atone. Do not lose any minute of this precious time. My desire is that mankind be converted through prayers, sacraments, confessions, holy sacrifices of the Mass and rosaries. If not then I will no longer retain the Divine Justice of My Eternal Father.

5th December 1997

The Red Lucifer is labouring hard to abolish the Holy Sacrifice of the Mass. I want mankind to listen to the voice of My mercy. Surrender yourself without thinking of what will happen to you. I need your true love to My Apostle of the last days.

29th April 2010

My daughter, pray a great deal and do penance and acts of reparation for the souls I entrusted souls. I am so obedient to them. I am totally theirs at the moment of consecration in the Holy Mass. I love them so much but in return this is what they think – they are more important than Me. I speak to them in silence, loving voice and Divine Mercy, but they do not listen to Me. Tell My Apostle of the last days to pray – offer Holy Sacrifices of Mass for My dear Apostolic church. I tell him Love is Eternal for love pours out from My Father’s Heart upon all mankind. My Love is the strength of My Apostle.

4.4 THE ROSARY

Jesus calls us in the Divine Appeals to pray the Rosary as a powerful means of reparation and atonement for our sins and those of our families and the entire world.

22nd November 1996

Make hours of Adoration and Reparation, silent prayer and Rosaries. These will decrease in proportion to the fervour which people will pray for sinners. Do not lose any single soul that I have entrusted to you. Cloister souls in your heart; in the first line the souls I entrusted souls. Countless number of them are at the brink of the pit. My Divine Mercy is great if they Repent and do penance.

27th November 1997

14th January 1999

These are grave moments. Churches will be sacked! You must obey My words through My Apostle. Do not be afraid it is I who want it this way. I want your complete abandonment. You have to live for My church alone. This is My command. Do penance, prayer, acts of reparation, adoration, attend attentively My Holy Eucharistic celebration and Holy Rosary. These are great warnings of immense Divine Mercy. No one can escape My Eternal Father's Divine Justice. Mankind live a lethargic life among so many bushes which they have not strength to overcome.

26th August 1999

Many swords will wound your heart because of My Love. Pray, keep Me company in the Sacrament of My Love, atone, do penance and pray the Rosary. Cloister all souls in your heart.

16th November 2000

The Holy Hour must be prepared and prayed as also Rosaries, meditation, Adoration and listening to Me in the Sacrament of My Love. Also to keep company. I have it prepared for a long time now. It is I who want it so.

1st June 2001

This dark night I assure you of My infinite Divine Mercy. I will also be speaking to you in the silence of your heart if you allow Me your attention and fasting. Let your strength and your perseverance be in the Most Holy Eucharist. Every week you must receive the Sacrament of Penance, Reconciliation as it was from the beginning, adoration, meditation and Rosary. My daughter, participate in the Holy Sacrifice of Mass, together with the Holy Communion, atone and do penance, pray the Holy Rosary daily. Many swords will wound your heart. You will be rejected and mortified. They offend you because of My Love, but do not be afraid! I want complete obedience from you. I fixed My gaze upon you.

13th May 2010

I implore My Apostle of the last days to make “Small Hosts” for atonement. The holy hour must be prayed. Rosaries, meditation, Adoration in the Most Holy Sacrament of My Love. I want all this to appease the wrath of My Eternal Father. The world grows worse and worse. Everyday should be lived as the last day. The word of My Eternal Father and the Church must be respected.

14th July 2010

My daughter, participate daily in the Holy Sacrifice of Mass together with Holy communion, atone and do reparation and penance, pray the Holy Rosary and the Stations of the Cross daily. Many swords will wound your heart. They offend you because of My Love. You will be rejected and mortified, but do not be afraid! I want complete obedience from you. You must listen and heed all the direction and

guidance from My Apostle of the last days. I have given him grace to lead you along. You must listen to him with humility and patience.

4.5 CONFESSION

Jesus asks for frequent and sincere confessions.

27th November 1997

Cloister souls in your heart; in the first line the souls I entrusted souls. I am completely theirs at the moment of consecration in the Holy Mass. With tears of blood I am bent over all mankind. I am bleeding from pain and My heart is torn into pieces. I implore you to quench My thirst. This is the apocalyptic hour; it is urgent for mankind to be conscious of this terrible reality. Pray and atone. Do not lose any minute of this precious time. My desire is that mankind be converted through prayers, sacraments, confessions, holy sacrifices of the Mass and rosaries. If not then I will no longer retain the Divine Justice of My Eternal Father.

22nd February 1998

Pray, atone, do penance and acts of reparation. Go to confession. Receive Me and do acts of reparation not only for yourself.

24th July 1998

I implore you to reflect seriously upon what is happening in all mankind. I tell you it is unthinkable to souls. The nations will be Razed to the ground. Pray without ceasing, continuously follow attentively each word in the Holy Sacrifice of the Mass, receive Me in Holy Communion. Go often to confession! Abandon yourself in My heart. I thirst for souls and I beg you to quench My thirst.

6th August 1998

I am bleeding from pain, and My heart is torn into pieces by this corrupted mankind! I urgently ask for prayers. Acts of reparation,

confessions, adoration in the Sacrament of My Love and Holy Rosaries. Remember that I am here visible and that I am stretching out a helping hand. I am always the Lamb of My Eternal Father who takes away the sins of the world. Do not be troubled how you should Love Me and serve Me.

24th September 1998

My daughter, I implore you to pray, do penance, acts of contrition also for other poor souls. Go to confession, attend Holy Sacrifice of Mass with all your attention. Receive Me in the Holy Communion and keep Me company in Adoration. As I am exposed I will pour the treasure of My Merciful Love to the souls of poor mankind. It is not My wish for mankind to perish. Do not be afraid of sufferings – I speak to you amid tears of blood.

29th October 1998

My desire is that mankind be converted through prayer and Sacraments, Holy Masses of atonement, confessions, penance, Rosaries. If not then unthinkable punishment will befall mankind which does not want to listen to Me.

17th December 1998

All those who want to believe and who live prepared to await the moment of Divine Justice must retreat from worldly diversions, vanity, useless television programmes as well as be purified in the Holy Spirit with a great Love of the Holy Eucharist; receive Holy communion, Holy Confessions, Adoration; as I am exposed I will pour the treasures of My Divine Mercy to souls, Rosary and penance... penance... penance, if only they want to have strength to endure and survive.

1st June 2001

This dark night I assure you of My infinite Divine Mercy. I will also be speaking to you in the silence of your heart if you allow Me

your attention and fasting. Let your strength and your perseverance be in the Most Holy Eucharist. Every week you must receive the Sacrament of Penance, Reconciliation as it was from the beginning, adoration, meditation and Rosary. You must always come with a sincere penitent heart to receive My Body and Blood with reverence because I am all holiness from whom you can hide nothing. You must pray with total simplicity – My ways are simple.

22nd May 2008

Be always attentive and obedient to My Apostle of the last days. You must heed all what he tells you. I have given him My grace and wisdom to guide you along My Road. You must not waste any of My precious time for conversion of souls before it is too late. The Red Lucifer is very busy trying to destroy you in all ways. Do not be afraid. I am protecting you. Abandon yourself totally to Me in prayer. I guide you through My Apostle of the last days, heed his words always. My Apostle has to tell the souls I entrusted souls to always be humble and obedient as I am obedient to them during consecration. They must ask for pardon and do reparation for the misuse of My Mercy, especially for the abuse of My Sacraments, especially the Sacrament of penance and the Holy Eucharist.

9th July 2009

I implore you My daughter to pray and make reparation and sacrifice and do confessions not only for yourself. Repent, Repent, Repent! For those poor souls who have refused to repent and make sacrifices. Don't be surprised that your life is always a place of suffering. I beg for souls.

30th July 2009

I implore My Apostle of the last days to speak out to these souls. I want from him “small hosts” to atone for the crimes which are committed everyday in the first line by the souls I entrusted souls. In monasteries and convents, tongues and lips which receive Me in

the Holy Communion are used for very bad unkind words daily. In confession very few repent sincerely. I need My Apostle to speak this, I will give him strength to do so. I will increase My graces in him! Although I will let his suffering be increased. I see that he is using well the grace of total reliance on Me. The Red Lucifer knows of this therefore he strives to deprive him of it with all his strength. I am with him! I will sow in his soul the seeds of My graces. I need many prayers and Holy Sacrifices of Masses of atonement for the salvation of these poor souls.

18th March 2010

My daughter, pray a great deal and do penance, acts of reparation. Do confession not only for yourself alone. I thirst for souls, like a beggar I beg for souls. I pour My tears of blood over them. What more could I have suffered for the salvation of mankind. Mankind have lost My Eternal Father's way. They are dominated by the spirit of the Red Lucifer. My Eternal Father's Justice weighs over a slimesplattered mankind! The roads are washed in their own blood. Many diseases will come and also hunger, earthquakes, deluges, wars!

4.6 FASTING

In the Divine Appeal, we are asked to fast as part of reparation and atonement. Jesus also tells us to fast not only from food but also from uncharitable conversations and words, anger and grumbling.

1st June 2001

This dark night I assure you of My infinite Divine Mercy. I will also be speaking to you in the silence of your heart if you allow Me your attention and fasting. Let your strength and your perseverance be in the Most Holy Eucharist. Every week you must receive the Sacrament of Penance, Reconciliation as it was from the beginning, adoration, meditation and Rosary. You must always come with a sincere penitent heart to receive My Body and Blood with reverence because I am all holiness from whom you can hide nothing. You must pray with total simplicity – My ways are simple.

28th July 2005

It is not enough to fast – to fast should include abstinence from anger, grumbling, the fast of tongue from unkind words from your lips.

18th June 2006

I implore you, My daughter, to spend more time with Me in the prison of My Tabernacle. Pray, do acts of reparation and fast not only from food. Repent not only for yourself.

I ask My Apostle of the last days to make “small hosts” to atone for the crimes which are committed each moment by the blinded souls who are already on the brink of the pit.

Scandals due to the fact that there is no prayer, fasting and atonement. They are crazed demons and thieves of all classes. People of high rank! How much pain! I bear.

22nd April 2010

My daughter, do not lose time, it is very precious. Pray a great deal and do penance before it is too late because the world have lost its senses. This situation will get worse. The world has never before needed prayer as in these tragic times. Suffering is taking place and will still continue. It pierces My heart terribly. Sinful mankind have caused so many innocent victims to suffer and die because of hard and obstinate hearts.

I implore My Apostle of the last days to echo out. Prayers must be said unceasingly, penance, fasting. I want him to make “small hosts” to atone for the world.

17th June 2010

I give many signs. My heart is overflowing. The chalice is filled! Mankind only sees pleasure and evil ways. Good people are scarce and they do not pray sincerely and fast. There are not enough chosen ones to save them from the Red Lucifer.

Do not be afraid. Pray without ceasing. I thirst for souls. Be very attentive to what I tell you: A world revolution is on the verge of exploding and no human arm can stop it. Misery, famine, chaos, illness, floods, persecutions, misfortune, earthquakes, destruction, world devastation, hail fire, blood-washed streets, tumultuous seas. It is high time to pray, do acts of reparation, fasting, penance, Holy sacrifice. Pray, pray, pray.

4.7 CENACLES OF PRAYER

Jesus asks that cenacles of prayer are formed so that people unite to pray in reparation and atonement for sins in order to save the world.

18th June 1998

Do penance for souls. I speak with you amid tears of blood. Pray and make others pray! Sacrifice and atone and make others atone. In this way My Eternal Father's anger will be appeased. In the Sacrament of My Love as I am exposed I will pour the treasures of My mercy in the souls of mankind. Speak to My Apostle to help souls form cenacles and unite to pray in order to save the world. All nature is asking for vengeance.

4.8 FAMILIES

The following quotes touch on family and family related problems. Jesus calls us to sincere prayer in families.

26th October 1996

Do not lose time, pray a great deal and do reparation before it is too late. The earth has lost its senses. I assure you the rigours of My Eternal Father's Justice are awful! Blood is shed and will still be shed for so many sins, diseases, earthquakes, tidal wave, family-devastating thieves. The Red Lucifer has sworn to flatter souls with his lies. He continues his march for blood and death!

2nd April 1998

No one goes to perdition without his own consent. So many still in their childhood years are heading to perdition through the fault of their parents no longer wanting to be concerned about My Eternal Father. The demon is disposed to mislead all souls.

7th May 1998

Never before has the world needed prayers and penance as in these tragic times. Mothers kill their own children in their wombs: the Justice of My Eternal Father is awesome. He suffers the pain of the snuffed-out lives of defenceless creatures: so many of them thrown down the drains that cry for vengeance before My Eternal Father. The world is desolate because of iniquitous evil of falsehood. I am so blasphemed and profaned in My Sacred places, the good live a lethargic life among so many bushes which they have no strength to overcome. Time plants weeds and ignominy. The souls I entrusted should remain immune to such contagion, to fight to win souls before it is too late. Many are lost and My life and blood becomes in vain for them.

In the Sacrament of My Love I must be exposed for as I am exposed I will pour the treasures of My Love and Mercy to the souls. Do not lose time. Pray, pray, do not be afraid or tire.

15th October 1998

In the hermitage, atone for the crimes which are committed day and nights. Scandals in the world due to the great fact that there is no sincere prayers in the souls consecrated to me and in families. You must let My Apostle know that this work must be under his protection. It is the work which I have already made. Mankind must be saved through prayers, penance, reparation and sufferings. You must relent for souls.

17th December 1998

Time is coming when I will no longer hold back My Eternal Father's Justice. Murders, scandals, divorce, free abortion laws, all these have accelerated the punishments. Do penance, My daughter, offering to My Eternal Father the crosses of each day, both great and small. Do not misuse any sufferings as you must appease My Eternal Father's Divine Justice.

All those who want to believe and who live prepared to await the moment of Divine Justice must retreat from worldly diversions, vanity, useless television programmes as well as be purified in the Holy Spirit with a great Love of the Holy Eucharist; receive Holy communion, Holy Confessions, Adoration; as I am exposed I will pour the treasures of My Divine Mercy to souls, Rosary and penance... penance... penance, if only they want to have strength to endure and survive.

20th August 2009

I speak to you amid the tears of blood, pray, pray, pray. The Red Lucifer works in strongest infernal legions of My strong Rock in Rome infiltrated into Vatican, marching amid the ranks of high prelates. My daughter, pray so that My Eternal Father may shorten the black hour of this tremendous justice for those self-seeking persons. The exuberance of prostitution together with divorce, drugs, free extermination of the poor and the innocent babies in the sewers, crimes of all kinds.

3rd September 2009

The evil mothers who kill their children in their wombs; the justice of My Eternal Father is awesome and no doctor, no medicine can cure the children only My Eternal Father can do all things. But the condescending participation of doctors in the extermination of the defenceless human lives – My Eternal Father's Majesty is outraged.

I suffer the pain of the snuffed-out lives of defenceless creatures, so many human lives thrown down the drains that cry out for vengeance before God My Eternal Father.

My daughter, don't lose My precious time for salvation of mankind. I speak to My Apostle of the last days, he must echo out – speak out. Violence and drugs have destroyed the youth. The Red Lucifer has taken possession of their hearts and instigates them to believe that My Eternal Father does not exist. They go along the streets like animals without shame and they are blind because of the mire, their

souls are possessed by Lucifer's spirits.

18th March 2010

I implore My Apostle of the last days to speak out and not to be silent, he has to echo My voice out, because these are the hours of the terrible abandonment! I want him to make "small hosts" and atone for the crimes which are committed everyday; divorces and family scandals due to the fact that there is no prayer in the families.

Dark and fearful days are approaching. I bless My Apostle of the last days to talk about peace. The sinning youth advance without a pause; thieves, kidnappings! Politicians have taken a mistaken road, dragging with them! Cruel fight!

22nd April 2010

The bad example of parents prepare their families for the scandal and infidelity instead of preparing them for virtue and prayer which is almost dead to the lips of many persons. It has stained and dried up the source of sanctity and joy of the home sanctuary! This is the reason why the world is no longer worthy of pardon, but rather fire of destruction and death.

8th July 2010

My Divine Mercy is followed by My Divine Justice. I implore My Apostle of the last days to make "Small Hosts" to atone for the crimes which are committed every day, divorces and family scandals, due to the fact there is no prayer in families.

Ordain a daily hour of Adoration to be celebrated for the appeasement of the wrath of My Eternal Father and for the consolation of my bleeding heart pierced by all kinds of insults and blasphemies. Drugged and dishonest young girls on the streets like animals with no shame at all! Youth in perdition!

What a pain. Very soon I am going to put the whole world in its own casket.

Brief Biography of Sister Anna Ali of the Most Holy Eucharist

Sr. Anna Ali was born on 29th December 1966 at Kipkelion in Kericho District as the first born child of the late Ali Abdulrahmani and Prisca Nyambura. She attended Kipkelion Primary School and Koru Girls Secondary School where she obtained her Form Four Certificate.

She entered the convent in 1986 in the Pious Union of Jesus the Good Shepherd Congregation. She made her first religious profession on 7th September 1991 in Rome. While in Rome she had her first vision of Jesus in early August 1987. On Corpus Christi Thursday 1988, Jesus appeared to Sister Anna Ali in tears of blood. On both occasions she requested Jesus if she could photograph Him since she could not draw. Jesus allowed Himself to be photographed by Sr. Anna and gave the following reasons: "Listen to Me. I am above this earth. I allow Myself to be seen after many warnings" (12.15 a.m., 3rd April 1988); "I make Myself visible in order to bring back souls" (10th April 1988); "I love mankind and I make Myself visible in order to give My warnings of mercy" (12th April 1988); and "Many do not listen to Me because they do not believe in My reality" (23rd April 1988).

The first Divine Appeal message was written on 8th September 1987 after Jesus instructed her to write the messages. She described that whenever Jesus came, He came with His own powerful light and the room was filled with a sweet fragrance, which remained in the room for a long time.

She left the Pious Union of Jesus the Good Shepherd in 1996 and became a hermit living under the care and spiritual guidance of Rev. Bishop Cornelius arap Korir of the Catholic Diocese of Eldoret. Sr. Anna Ali took private final vows with Rev. Bishop Cornelius arap Korir and took on the title of Sr. Anna Ali of the Most Holy Eucharist as instructed by Jesus in the Divine Appeal message of 15th October 1998. For 25 years till her death, Sr. Anna Ali shed tears of blood every Thursday from midnight of every Wednesday to the whole of Thursday. This phenomena started after her vision of Jesus in tears of blood.

Sr. Anna Ali was born to eternal life on 6th June 2012. Her body was laid to rest on 16th June 2012 at St. Patrick's Catholic Parish, Burnt Forest, in the Catholic Diocese of Eldoret.

The message of the Divine Appeals is a message of mercy that calls us to repentance, reparation and atonement for our sins. Jesus asks for sincere prayer for the conversion of humanity. He asks for consolation and adoration in the Most Holy Eucharist. He says, "In the Sacrament of My Love I must be exposed for as I am exposed I will pour the treasure of my Love and Mercy to the souls."

The messages also contain urgent warnings of mercy to mankind. Jesus says, "This is the apocalyptic hour; it is urgent for mankind to be conscious of this terrible reality"; "My Divine Mercy is followed by My Divine Justice"; and "My desire is that mankind be converted through prayers, sacraments, confessions, Holy sacrifice of the Mass and rosaries".
