INTRODUCTION

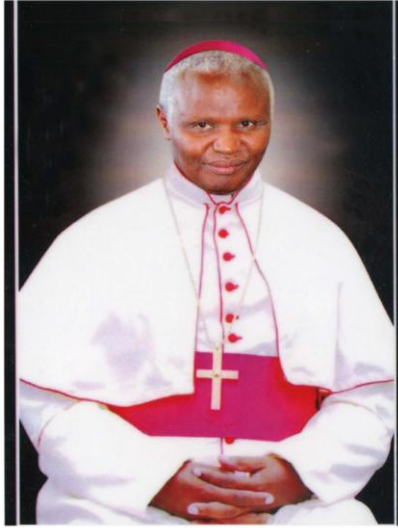

This little book contains excerpts from the messages found in Volume II of the book 'On the Eucharist: A Divine Appeal'. The Divine Appeals were dictated by Jesus to Sr. Anna Ali of the Most Holy Eucharist over a period of 25 years.

The Divine Appeal messages call us to repentance. Specifically, the ones contained in this little book call all Priests and consecrated souls to conversion and repentance. These messages also call on the laity to pray for Priests and all consecrated.

Kindly note that these are excerpts and therefore do not comprise the entire message of the date they are extracted from. Only the parts touching on consecrated souls have been extracted.

May the Holy Spirit move us to a true conversion as we read and contemplate these messages.

A Letter to My Brother Priests

Corpus Christi, Thursday

May 26th 2016

Eldoret, Kenya.

My Dear Brother Priests,

I present to you in this little book, a summary of quotes from the Divine Appeal messages that touch on us Priests and our vocation.

In the Divine Appeal messages, Jesus refers to Priests as 'souls entrusted souls'. This statement, 'Souls entrusted souls' reveals the graveness of our vocation. That He has entrusted us with the greatest responsibility of all time, that of ensuring that all souls of mankind are saved. The sole purpose then of our Priesthood is the salvation of souls.

In our consecration, we are provided with the grace and means through which we are to save souls:

- (i) Through the Holy Sacrifice of the Mass;
- (ii) Through the Sacraments and;
- (iii) Through our lives as good and positive examples to the rest of humanity.

“I call you to be fervent souls, light and salt of the Earth by means of your life. You may be able to make fervent souls

flourish.” Divine Appeal dated 19th February 1998

My Brother Priests, make no mistake then as to how you and I will be judged. For in the end, all that will matter is how many souls we helped save by the means and graces granted to us.

In the Divine Appeal Messages, Jesus speaks to us 'souls entrusted souls', in a serious voice. He speaks to us in a plain way so that there can be no misunderstanding of what He means. And it is clear that many of us have failed Him greatly and cause Him much grief. Indeed we continually cause Him to shed tears of blood.

It is for this reason, that I beg you to take these messages with great seriousness. Let us not read them quickly and take them lightly, or excuse our wrongs. Let us read them and take them with the seriousness they demand. Let us read them with the intention to amend our lives and by so doing bring many souls back to Christ.

Jesus tells us plainly in the Divine Appeal messages what we have done wrong. He lays bare our sins and offenses. It is a bitter pill to swallow but one that must not be sugar coated. For to do so, will be contrary to what Jesus is asking of us. That is, to always speak plainly, truthfully and with no hypocrisy, for the sake of salvation of souls.

“...tell the souls I entrusted souls that they be sincere with their manner of speech pure and simple. Yes or no without evasiveness. Their word should express exactly what they have in their heart, because I hold in abomination those who are

hypocrites and deceitful.” Divine Appeal message dated 18th February 2010

My Brother Priests, what is it we have done that has caused Jesus to shed tears of blood? In order to answer this question as directly and plainly as possible, I will quote Him:

“I have lowered myself to this level to remain day and night in the prison of My Tabernacle for Love of the whole mankind. Countless number of souls entrusted souls do not acknowledge my true Presence in the most Holy Eucharist.” Divine Appeal message dated 22nd May 2008

“The majority of the souls entrusted souls have degraded the nobility of ministry through living in superficiality and not holding fast to the greatness of the gifts received, with an exaggerated freedom and without scruples. The devil instigates them: That my Eternal Father does not exist! How much pain I feel” Divine Appeal message dated 20th August 2009

“The souls I entrusted souls offend Me with their licentious habits. I am continuously receiving crown of thorns and whips passing through the milling crowds with bowed head. I implore you to cloister souls in your heart, in the first line the souls I entrusted souls; countless number are on the brink of the pit. It is urgent. When time comes no one will escape My Eternal Father's Justice.” Divine Appeal message dated 16th October 1997

TO THE SOULS ENTRUSTED SOULS
- PRIESTS -

“ ...tell them that I know they abandon their vocation and drag down other souls entrusted souls; religious and lay people who offer themselves for their pleasure! Countless number of souls go to perdition because of their dishonesty!” Divine Appeal message dated 29th April 2010

“The time of the great trial will also come for the Church: Cardinals will oppose cardinals, Bishops against Bishops! Satan the Red Lucifer marches triumphantly in the midst of their ranks due to their hubris and lack of charity!” Divine Appeal message dated 16th July 1998

Matthew 11:15 He who has ears, let him hear.

My Brother Priests, time is short for saving souls. And we risk too, losing our own souls! Jesus tells us in the Divine Appeal messages that we are living in a time of Divine Mercy which will be followed by Divine Justice. The messages also tell us that we are already living in the last days and that it is prudent that we take action. The situation is grave. It is urgent. What are we to do?

God being Mercy and Love provides us with the answers in these same messages. He does not want us to be lost for eternity. He urges us to repent sincerely, repair and atone for our sins, and to change our lives. This is followed by a promise that He makes to us, that if we repent sincerely, He will forgive us and receive us back into His Sacred Heart.

“My Divine Mercy is immense. Their repentance is sufficient. My Love for mankind is unlimited.” Divine Appeal message dated 2nd April 1998.

Jesus also urges us to be humble and obedient like Him. Not to harbor pride in us. He asks us to be charitable to others and to be simple like Him.

“To the souls I entrusted souls I am totally theirs and very obedient to their word when they summon me from heaven to Earth.” Divine Appeal message dated 1st April 1999

“He must tell the souls I entrusted souls that I am very humble and obedient to them during consecration, yet they continue to abuse and ignore me, my Divine Love and my Messages of My Divine Mercy, which will be followed by My Divine Justice. He must tell them this situation will get worse. They continue to sin and in doing so, lead so many countless number of souls to sin and end up into perdition. This is a terrible anguish because they do not want to repent or heed my call.” Divine Appeal message dated 18th June 2006

“... tell the souls I entrusted souls to always be humble and obedient as I am obedient to them during consecration. They must ask for pardon and do reparation for the misuse of My Mercy, especially for the abuse of my Sacraments, especially the Sacrament of penance and the Holy Eucharist. Divine Appeal message dated 22nd May 2008

“... tell the souls I entrusted souls that they be sincere with their manner of speech pure and simple. Yes or no without evasiveness. Their word should express exactly what they have in their heart, because I hold in abomination those who are hypocrites and deceitful.” Divine Appeal message dated 18th February 2010

“Be a fervent soul, light and salt of the Earth in silence, by means of your life of simplicity and humility so that you might be able with your prayers make fervent souls flourish.” Divine Appeal message dated 16th July 1998

Matthew 5:13-16

13 “You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled underfoot. 14 “You are the light of the world. A town built on a hill cannot be hidden. 15 Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. 16 In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

“I am calling every soul of mankind to repent. My Divine Mercy is followed by my Divine Justice.” Divine Appeal dated 25th June 2009

We need to repent and change our ways. Every change needs grace. We cannot change our lives by our will alone. We need the grace of God to do so. I urge you then to run to Our Beloved Mother Mary. She is the dispenser of God's graces as many holy priests and saints who lived before us discovered. St. Louis Marie de Montfort in his book, 'The Secret of the Rosary', tells us that there is not a sin or a vice that cannot be overcome by the faithful recitation of the Rosary. He goes on to say that, if any sinner prays the Rosary daily, either of two things will happen. He will stop saying the Rosary or he will experience a complete conversion.

In more recent times, St. Padre Pio of Pietrelcina, a priest gifted with many graces said, "Love the Madonna and pray the Rosary, for her Rosary is the weapon against the evils of the world today. All graces given by God pass through the Blessed Mother." St. Padre Pio was also known to speak plainly and often sternly. In another occasion, he is quoted as saying "Some people are so foolish that they think they can go through life without the help of the Blessed Mother."

St. Pope John Paul the II, in his apostolic letter, *Rosarium Virginis Mariae*, No.43 said. "...Confidently take up the Rosary once again. Rediscover the Rosary in the light of scripture, in harmony with the Liturgy, and in the context of your daily lives".

My Brother Priests, let us then run to Our Blessed Mother. She is the Mother of Priests. Let us ask Her help in overcoming our sinfulness. Let us ask Her help for our true conversion and that of

TO THE SOULS ENTRUSTED SOULS
- PRIESTS -

those entrusted to us. Let us ask Her to protect our vocations as Priests consecrated to God. Like St. Padre Pio, let us have the Rosary in our hands always as the weapon of choice during these times. It is not a wonder that Jesus in the Divine Appeal frequently asks for many Rosaries for the conversion of sinners.

It is my prayer then that this little book will move you to act as our Master and Priest Jesus Christ desires, so that your vocation and mine may be pleasing to Him. That we, 'the souls entrusted souls' may live according to His Will, so that those entrusted to us may be converted too and live according to His Will. This way, we shall quench His thirst for souls. Let us live the vows of our priestly consecration faithfully. Let us bring back the nobility of the priesthood by our way of life. I leave you with the words of the Prophet Joel.

Joel 1:13-15

13 Put on sackcloth, you priests, and mourn; wail, you who minister before the altar. Come, spend the night in sackcloth, you who minister before my God; for the grain offerings and drink offerings are withheld from the house of your God. 14 Declare a holy fast; call a sacred assembly. Summon the elders and all who live in the land to the house of the Lord your God, and cry out to the Lord. 15 Alas for that day! For the day of the Lord is near; it will come like destruction from the Almighty.

*A Letter to Priests by Sr. Anna Ali
of the
Most Holy Eucharist.*

(Sr. Anna Ali wrote and read this letter to priests at a retreat in
Nakuru in the early nineties)

Dear Priests,

Today there is a craving need which ends up calling for a renewal in our commitment and dedication to the Blessed Sacrament. The Eucharist has a formative character. Through the devotion to the Blessed Sacrament, Priests hand on the love of Christ in all its wealth and diversity.

Conscious of this meaning, it gives me great joy to be able to share the following message with you Priests of the Catholic Diocese of Nakuru during the retreat, at which you intend to resolve to renew your commitment in the service of God.

TO CHRIST ENTRUST SOULS

The Lord says, “Oh how many souls could come closer to me if a Priest would hear the confessions and guide them with patience and understanding.”

Myself, Anna Ali, my heart trembles when I hear you say while in consecration, “This is my Body, do this in memory of me” and then further on “This is my Blood, do this in memory of me”.

When I see a Priest, I only think of Jesus Christ. Even if the Priest is weak, I respect him in my heart. This is one of my secret I reveal to you - the Priesthood is the love of the heart of Jesus Himself. I tell you the truth. Even when I could go to confession to

TO THE SOULS ENTRUSTED SOULS
- PRIESTS -

the angels who live with God, they cannot absolve me and they cannot consecrate the Bread and Wine to be the BODY, BLOOD, SOUL and DIVINITY of our Lord Jesus Christ.

Please I beg you, for the sake of Christ Himself, for the souls and for so many poor souls who are only saved through your sacred ministry, acknowledge Him. Take care of yourselves more than ever. Temptations are very close to you. The devil is very clever and cunning. He, together with his so many demons, is aware that his time is very short. He is fighting you and he will continue without ceasing. At present, more than ever, he is very aggressive. He is very busy trapping souls in his net and throwing them to hell. The Lord says to me, *“This is the Apocalyptic hour in the world. The diabolical army is marching very freely now.”*

Since He has chosen you, He will grant you all support if only you rely on Him alone. The Lord Jesus says this to you priest:

“As my Father sent me, I send you. He who listens to you, listens to me. He who despises you, despises me.”

Myself Anna, my heart burns always wishing if only a Priest would understand who he is to God and what Jesus expects of him. Just meditate on your Priesthood. I beg in fact. Jesus, the Son of the living God, is very obedient to you. Please take it serious to understand. If you ask God, you can understand but not fully. I have really cried many tears before the Lord asking Him to make a Catholic Priest understand who he is to God and to us poor

miserable like me.

Then He answered me this, *“If a Priest relies on Me fully and takes serious his Sacred ministry meditating on each word seriously, he can understand, but not fully. Very few understand.”*

He says:

“IF A PRIEST HERE ON EARTH UNDERSTANDS HIS SACRED MINISTRY COMPLETELY AND FULLY, THEN HE WOULD DIE OF LOVE.”

Anyway, for me Anna, I don't have much knowledge of God so I really don't know how to explain what he means when he says, *“He will die of Love.”*

I personally pray for you all to have zeal in working only for the salvation of souls. I know that the Sacred ministry of a Priest is very hard with loneliness, all types of ups and downs. The evil one does not sleep 24 hours. I advice you to rely entirely on Jesus Himself, the High Priest, and pray with confidence to him who is the source of all goodness. Do not fear the human weakness but allow Jesus to give you all the graces, then in this you will find that you have courage in self sacrifice.

Remember always, all life is a struggle and Christ says, *“You never chose me.”* He chose you. His love is greater than sin and weakness.

TO THE SOULS ENTRUSTED SOULS
- PRIESTS -

Also I ask you to keep yourselves always under the MANTLE and hands of the Blessed Mother of the High priest. The Blessed Virgin Mary as a Mother understands the problems of her sons in this present world. Never was it known in any age that anyone who fled to her protection was left unaided. So please ask her motherly protection.

I also pray for you through her intercession. I humbly beg you to join and help me in making reparation to the Lord for so many offenses, sacrileges and outrages done against Him and especially offenses committed against the Sacrament of the Holy Order.

God is omnipotent, if only you can call Him from heaven to the Altar on Earth and He comes very obediently to you; then what more can He not grant you if you ask?

When you don't rely on God, the devil is very happy then he traps you. All you do besides your office as a priest is lost time, at the end all what will remain is the time that you lived for God saving souls. The world, flesh pleasures and honours will pass away, but Christ will remain for all eternity.

I hope you are aware that your ministry is not only for Catholics. You save all kinds of souls. In the Eucharistic celebration I do hear you mention these words:

“Welcome into your Kingdom our departed brothers and sisters

and all those who have left this world in your friendship...”

Anna Ali trembles to hear these words. All souls benefit from that prayer. Muslims, Buddhists, pagans, Protestants, etc. Because you don't say, “Welcome into your Kingdom only Catholics.” Imagine 'ALL' those. So many souls are now in heaven through this prayer. You will be surprised to meet even those worshipping 'cows' in heaven through your prayers as a Catholic Priest.

To Anna Ali there is no human language to explain fully how great a Catholic Priest is. Please I am telling you this with tears in my heart. It is not a joke. I beg you to uphold and respect your dignity as Christ in the world of today.

Being a Priest Jesus has invested you with His own power that you may absolve our sins, we poor Christians. (Sacrament of Penance).

The Lord Jesus asks me to pray, do reparation, acts of contrition not only for myself but even for my brothers in the Priesthood. He says to me He is very obedient to the word of a Priest when he summons a call to Him during consecration. He comes immediately to earth and He totally surrenders Himself in your hands. Then you may give us in the Holy Communion; and you also confine Him in the Tabernacle for all of us to visit and adore Him. He remains there for us. With your own hands you may also treat Him unworthily. It is terrible when the one who called Him mistreats Him. So please watch with love.

TO THE SOULS ENTRUSTED SOULS
- PRIESTS -

The prayer of all prayers is the Holy Sacrifice of the Mass. Without a Catholic Priest in general we would not have the Seven Sacraments which support us on our journey in vale of tears in order to travel well till we reach heaven. So through you a Catholic Priest, God is with us in the Tabernacle (EMMANUEL).

It is sad. Pray also for your Brothers and other Priests. I have found that many fall into the net of the devil against their own wish and will.

“Satan has started a war against mankind such as has never been before.” This is noticeable in the attacks and offenses against Priesthood today.

Please I beg in your parishes to help the poor Christians to understand that Jesus in the Holy Eucharist has veiled Himself in a plain little Host in order to be easily approachable by Christians. Help them also to prepare for their last hours.

There are so many sinning souls who seek help at death but they can't find it. Let them know the importance of the last moment of their life on Earth.

Please I beg. *“Help them to visit Jesus in the Eucharist. May they not pass Him by. He became a prisoner in the Tabernacle, day and night He is there for all people.”*

The presence of JESUS CHRIST in the Eucharist is the most

overwhelming manifestation of God in our present world. It is the most embracing presence that we are given to experience. For He reveals Himself to us by unveiling to our senses in faith. He allows himself to be identified in that nature.

For us who really believe and adore Him with willingness we shall finally experience Heaven, that is, God's loving presence.

Also may we always examine the Scripture more closely, in order to be more convinced of the SILENT HAPPINESS that wells up within us when faced with Jesus Christ.

The Church and the whole world is in need of Eucharistic Adoration. Jesus waits day and night in the prison of the Tabernacle.

He is truly present in the Eucharist as He is in Heaven.

In the *Mysterium Fidei* Pope Paul the VI says:

“The Holy Eucharist is a Mystery of Faith.” So please I beg you my dear Brother Priests to be very serious of the fact you have souls to save and an ETERNITY that awaits you and all of us.

If one soul of a Priest goes to heaven it goes with a multitude of souls and if it goes to hell it goes with a multitude of souls.

Avoid evil with the grace of God so that one day you will reach heaven. You will be very excited and happy to see so many souls

TO THE SOULS ENTRUSTED SOULS
- PRIESTS -

unknown to you saved and reach heaven through your prayers, Mass Sacrifice and your sacred life as a priest.

Pope John Paul II says, *“THE CHURCH'S NEW EVANGELIZATION SHOULD BE BASED ON THE HOLY EUCHARIST.”*

To me the Holy Eucharist is the Most Precious TREASURE OF MY FAITH.

Grateful to you all in Jesus the Good Shepherd.

Sr. Anna Ali.

I implore you to quench My thirst for souls. Cloister souls in your heart, in the first line the souls I entrusted souls. So many souls consecrated to Me leave intact the plenitude of My graces. They reject My feelings. I see them as they are. What more could I have done. Did I suffer for the salvation of mankind in vain?

1st November 1996.

3

Time is short. I pour My tears of blood over mankind to see countless number of souls who have been completely blinded by the love of money and earthly things and pleasures which will last for a very short time.

Make hours of Adoration and Reparation, silent prayer and Rosary. This will decrease in proportion to the favour which people will pray for sinners. Do not lose any single soul that I have entrusted to you. Cloister souls in your heart in the first line the souls I entrusted souls. Countless number of them are at the brink of the pit. My Divine Mercy is great if they Repent and do penance. I give My loving warning to this sinful mankind.

Red Lucifer stalks among the cardinals, the Bishops, the prelates, consecrated souls and lay people. Among them there is a diabolical transformation.

In convents I receive terrible whips from the tongues and lips. Always your lips are still Bloody after receiving Me in the Sacrament of My Love. Countless number of them have no time for Me. They do everything in their allocated time. Every moment will pass away except the moment spent for Me.

May I implore you to cloister souls in your heart in the first line the souls I entrusted souls. Do not be surprised or frightened that you now hear My serious voice and strange in the Abyss of your soul. No one can cross My plans. Place your confidence totally in Me.

Cloister souls in your heart. I implore you in the first line the souls I entrusted souls. They must know that the Anger of My Eternal Father cannot be averted any more. I want them to heed My words of love and clemency. In the Sacrament of My Love I remain in the prison of My Tabernacle and My graces are piling up because no one is asking or needing them. Yet the Red Lucifer is making a sweeping conquest among souls. Multitude fall in his net against their will. Pray and do penance. My grace will help you if you strive to be perfect.

6

My daughter, I implore you not to be disturbed by the incomprehension and miseries which surround you. Do not be afraid even if you receive insults. You must pray and cloister souls in your heart in the first line the souls I entrusted souls. Do not waste any of My precious time for the salvation of souls. You have to atone and do acts of reparation and contrition not only for yourself. Repent for so many souls are on the brink of the pit. This is My painful appeal before it is too late. This is a terrible reality. It is unthinkable to mankind. Be aware. Do not misuse any suffering. It is all useful for the salvation of souls and appeasing the Divine Justice.

2nd January 1997

7

Do reparation, acts of contrition and repent even for other souls. The hour is drawing near and My Eternal Father's Justice will be inexorable. The fallacies in their brutal conceptions of life will constitute their sentences. I pour My tears of blood over mankind. Evil grows to monstrous proportions for those who have the duty of stopping this desolating course of immorality. I am so profaned in My Church and sacred places. Nature itself is asking for vengeance. Pray and sacrifice to appease the wrath of My Eternal Father.

Cross yourself often with the sign of the Cross. The Red Lucifer together with a large number of demons are loosed from their pit. Slowly by slowly they are blinding souls even those consecrated to me. Woe to those who do not rely on My grace. Several religious orders will lose all faith as a result they lose so many souls. Those who hope in Me sincerely will not hope in vain for he who listens to My clemency words and warnings will find salvation.

Countless number of souls pray but live in the world and by the world. They have no place for Me in their hearts. Through this they end up in perdition.

I implore you to cloister souls in your heart without fear in the first line the souls I entrusted souls. I repose Myself Sacramentally in your heart for the sake of souls. I want your complete abandonment and your complete will. You must embrace souls in your prayers. I assure you everything will pass away except what you are doing and will do for the salvation of souls. Only the time spent for Me will remain.

In the prison of My Tabernacles I remain day and night. I have lowered Myself to you and all souls with even a noble gesture. For I am Love itself.

What more could I have suffered for the salvation of mankind.

I implore you to cloister souls in your heart in the first line the souls I entrusted souls. Countless number are on the brink of the pit. It is urgent. When time comes no one will escape My Eternal Father's Justice.

I have lowered myself to this level for love of mankind. These are My warnings obtained through My anguish because I do not want any souls to fall into perdition but no one goes there without his own consent.

In this sacrilegious struggle due to savage impulses and the bloody opposition everything made by the hands of mankind will be destroyed.

Pray a great deal and cloister souls in your heart in the first line the souls I entrusted souls. Pray for the Holy Father daily. He is persecuted much by the children of darkness.

Never before has the world needed prayers, penance and reparation as in these tragic times. Immersed in a chain of scandals, the world is a swampland of muck and mire. It will be at the mercy of the most severe trials of Divine Justice.

Through you My daughter I speak to My Apostle of the last days. I unmask the deceiving spirits which has infiltrated into the souls consecrated priests to whom I have confided My Church. There is a struggle that the world cannot see! A struggle between the Spirit of My Eternal Father and the Spirit of the Red Lucifer who is our enemy.

My daughter, the moment is nearing when I will no longer ask for anything but rather I will take everything with all the power of God.

The Cardinals, Bishops, Priests and religious if they do not change their lives and become humble and charitable, detached from the vanity of this world, will perish in My Divine Justice. Countless number of them do not believe in My afflicted appeal. Together with My mother I pour tears of blood over mankind!

15th January 1998

17

Cloister souls in your heart in the first line the souls I entrusted souls.

I shed tears of blood over them. Countless number, a blindfold has covered their souls and eyes. It is time to pray a great deal for them. My Eternal Father's anger is overflowing. The Chalice is filled! My church ill be obfuscated...

22nd January 1998

18

Implore you to cloister souls in your heart in the first line, the souls I entrusted souls. Participate in the Holy Sacrifice of the Mass, Atonement, do penance and acts of contrition even for other poor souls. For the sake of souls suffer and learn united with My sufferings. I speak to you amid tears of blood. I am bent over the Earth.

29th January 1998

19

If penance is not done and they do not pray, the chastisement will be ghastly. If souls I entrusted souls do not listen to My anguished call, they will lead mankind to great and unthinkable sufferings. You must pray and do not lose My precious time. Be aware of the terrible reality which is urgent.

A diabolical hand threatens the whole world. The time of the great trial will come. It will also come for the church. Cardinals will oppose Cardinals, Bishops against Bishops. The red Lucifer marches triumphantly in the midst of their ranks due to their hubris and lack of charity. There will be deaths everywhere because of the errors committed by the obstinate followers of the red Lucifer.

Prayer is urgent. According to My desire, everyone must pray to implore for the mitigation of the evil in this mankind. The holy hours must be prayed, meditations and Adoration to Me in the Sacrament of My Love.

Don't lose time. Pray before it is too late. The majesty of My Eternal Father is outraged. The world has lost its senses. These times are worse than the times of Sodom and Gomorrah. Never has it been in the course of history of mankind. The pope, the Church , the souls I entrusted souls are all in danger and if there is no prayer the powers of the Red Lucifer will break loose and in the front lines, there will be souls I entrusted souls. My daughter I implore you to cloister them in your heart; with tears of blood these are My great warnings of immense Divine Mercy. I want all to be saved.

No one goes to perdition without his own consent. So many still in their childhood years are heading to perdition through the fault of their parents no longer wanting to be concerned about My Eternal father. The demon is disposed to mislead all souls.

2nd April 1998

21

I implore you to pray it is urgent. Cloister souls in your heart in the first line the souls entrusted souls. I am totally theirs during consecration.

The Red Lucifer wants victory. Freemasonry hurls itself against the Church. These are times of overwhelming violence. The Earth will be covered with blood. The Churches will be persecuted. There will be many martyrs who will fall on the field of an arduous battle to defend the Holy Church. Great offenses will befall the Vatican and My Vicar will be a victim at the perfidious hands of those consecrated to Me. Beware! I am very sad and My heart is filled with pain. Woe to those who have so many lies.

9th April 1998

22

I will always reveal My desires to you. I have saved the world through suffering on the Cross. You know that sin is an infinite offense against My heart. Mankind has united itself with the Red Lucifer. The souls I entrusted souls are tranquil and worry-less. They step over Me and permit everything. Cloister them in your heart. I order you to pray and do penance for souls even in spite of your affliction.

In the Prison of My Tabernacle My great Love is overcome by no obstacles. When I accepted to conceal Myself in a white small Host, I knew what it would cost Me for Love of mankind.

9th April 1998

23

Never before has the world needed prayers and penance as in these tragic times. Mothers kill their own children in their wombs. The Justice of My Eternal Father is awesome. He suffers the pain of the snuffed-out life of defenceless creatures; so many of them thrown down the drains that cry for vengeance before My Eternal Father. The world is desolate because of iniquitous evil of falsehood. I am so blasphemed and profaned in My Sacred places, the good live a lethargic life among so many bushes which they have no strength to overcome. Time plants weeds and ignominy. The souls I entrusted souls should remain immune to such contagion, to fight to win souls before it is too late. Many are lost and my life and blood becomes in vain for them.

In the Sacrament of My Love I must be Exposed for as I am exposed I will pour the treasure of my Love and mercy to the souls. Do not lose time. Pray, pray do not be afraid or tire.

7th May 1998

24

My Divine Mercy is immense. Their repentance is sufficient. I ask for Faith, intimacy and confidence. I implore you to cloister souls in your heart in the first line the souls I entrusted souls. I give so many warnings to this mankind who do not see that with their own hand they are destroying the world blind folded and unscrupulous.

25

Cross yourself moment to moment with the sign of the Cross. Cloister souls in your heart in the first line the souls I entrusted souls.

18th June 1998

26

Implore you to cloister souls in your heart in the first line the souls I entrusted souls. Pray with fervour. Be always a living Tabernacle, exposed to continuous humiliations and crucifixions. You must atone for souls, you must live moments of desertion like Myself in the praetorium; with your humility you must bring souls to My heart in your prayers. You must submit yourself to My Will; always be attentive to and heed My words from My Apostle.

25th June 1998

27

My daughter, listen well and write down what I tell you. You must surrender yourself to My will. I look and come for atoning souls. Pray a great deal. Keep watch with Me in the Sacrament of My Love. Cloister souls in your heart in the first line the souls I entrusted souls. You must be a souls-host, a living Tabernacle continuously prepared to go up to Calvary.

16th July 1998

28

My daughter, watch with Me in the Sacrament of My Love. Cloister souls in your heart in the first line the souls I entrusted souls. Through you I speak to My church and I unmask the deceiving spirit which has infiltrated the souls I have entrusted souls to whom I have confided My church.

The souls I entrusted souls and all those consecrated to Me, if they do not change their lives and become humble and charitable and detached from the vanity of the world, will perish in My Divine Justice. They do not believe in My afflicted appeal. Together with My Mother, I pour tears and blood over mankind! Like a beggar I ask for meditation on the evil which is being provoked in the presence of My Eternal Father. They are racing towards the precipice of perdition!

In the hermitage atone for the crimes which are committed day and nights. Scandals in the world due to the great fact that there is no sincere prayers in the souls consecrated to Me and in families. You must let My Apostle know that this work must be under his protection. It is the work which I have already made. Mankind must be saved through prayers, penance, reparation and sufferings. You must relent for souls.

Offer your sufferings united to My heart's merits for the restitution of the scandals of others in the first line the souls I entrusted souls.

I am speaking to you amid tears of blood. I am very hurt because mankind follows the way of perdition, materialism advances on all sides with unbridled corruption and has pushed mankind towards a frightful abyss of devastation. Immersed in a chain of scandals the world is a swampland of muck and mire. It will be at the Mercy of most severe trials of My Divine Justice since long ago I have warned mankind in many ways but they do not listen. Pray a great deal, never before has the world needed prayers and penance as in these tragic times; if there is no prayers the powers of the Red Lucifer will break loose and in the front lines will be souls I entrusted souls.

My daughter, I implore you and My Apostle of the last days to form the group of “small Hosts”. I have erected an altar in your heart. They will have a serious responsibility on their shoulders. How many of the souls I entrusted souls are going to perdition! How many of My consecrated men and women pierce My heart day and night! Their dishonesty is a diabolical leaven. They have lost their dignity and their light of reason. I implore My Apostle of the last days to make the “small hosts” make this poor consecrated return to Me before it is late. The chalice is filled. He must speak to them in a very serious way.

The time is grave. My heart is pierced with great pain bleeding freshly each second – countless number of souls I entrusted souls have left and will still continue to leave their Sacred Ministry; countless of them do not acknowledge the true meaning of My true Presence in the Most Holy Eucharist.

With tears of blood, I tell the world to repent. I need My Apostle of the last days to speak out. I am leading him along a lengthy path of pain and toil. He must tell the souls I entrusted souls that I am very humble and obedient to them during consecration, yet they continue to abuse and ignore Me, My Divine Love and My Messages of My Divine Mercy, which will be followed by My Divine Justice.

He must tell them this situation will get worse. They continue to sin and in doing so, lead so many countless number of souls to sin and end up into perdition.

I have lowered Myself to this level to remain day and night in the prison of My Tabernacle for Love of the whole mankind. Countless number of souls entrusted souls do not acknowledge My true Presence in the Most Holy Eucharist.

Be always attentive and obedient to My Apostle of the last days. You must heed all what he tells you. I have given him My grace and wisdom to guide you along My Road. You must not waste any of My precious time for conversion of souls before it is too late. The Red Lucifer is very busy trying to destroy you in all ways. Do not be afraid. I am protecting you. Abandon yourself totally to Me in prayer. I guide you through My Apostle of the last days, heed his words always. The souls I entrusted souls abandon their vocation and drag down other souls entrusted to souls, countless number of religious and lay people who offer themselves for their pleasures! Countless number of souls go to perdition because of their dishonesty! How cold is this mankind!

One after another their eyes are blindfolded, they approach the highest of precipices! If they do not repent and believe, they will go to perdition. The Red Lucifer tells them do not believe. I pour My tears of blood over them, countless number of souls are on the brink of the pit!

The souls I entrusted souls have degraded the nobility of their Sacred Ministry through living in superficiality, and not holding fast to the greatness of the gift received. They allow the Red Lucifer to instigate them.

Pray a great deal. Keep watch with Me, do reparation.

11th June 2009

43

This perverse world is like a persecuting dragon. He will try to trap all those who believe and refuse this idolatry! Countless souls I entrusted souls are on brink of the pit. Among them there is a diabolical transformation and they scandalize so many souls of good will.

25th June 2009

44

The souls I love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. I am ignored and neglected. Most is that the souls I entrusted souls and those consecrated to Me do all they can to step on My very painful head. In the Sacrament of My Love I remain day and night there loving and waiting with all My Divine grace for poor souls of mankind.

9th July 2009

45

Implore My Apostle of the last days to speak out to these souls. I want from him “small hosts” to atone for the crimes which are committed everyday in the first line by the souls I entrusted souls. In monasteries and convents tongues and lips which receive Me in the Holy communion are used for very bad unkind words daily. In confession very few repent sincerely. I need My Apostle to speak this, I will give him strength to do so. I will increase My graces in him! Although I will let his suffering be increased. I see that he is using well the grace of total reliance on Me. The Red Lucifer knows of this therefore he strives to deprive him of it with all his strength. I am with him! I will sow in his soul the seeds of My graces. I need many prayers and Holy Sacrifices of Masses of atonement for the salvation of these poor souls.

30th July 2009

46

The majority of the souls entrusted souls have degraded the nobility of ministry through living in superficiality and not holding fast to the greatness of the gifts received with an exaggerated freedom and without scruples. The devil instigates them that My Eternal Father does not exist! How much pain I feel.

20th August 2009

47

My Apostle of the last days should tell the souls I entrusted souls that they be sincere with their manner of speech, pure and simple. Yes or no without evasiveness. Their word should express exactly what they have in their heart, because I hold in abomination those who are hypocrites and deceitful.

18th February 2010

48

He must speak out to insist to everyone that I love them and forgive them. I am Jesus crucified; I wait for them! My Divine Mercy is immense. Their repentance is sufficient. My Apostle must pray, pray, pray and speak out. The priests abandon their vocation and Sacred Ministry and drag down other priests, religious and lay people who offer themselves for their pleasures!

Many of these souls go to perdition because of their dishonesty! And I call My Apostle and I have given him grace to come with Me up to Calvary. My love for him is unlimited.

25th March 2010

49

My daughter, pray a great deal and do penance and acts of reparation for the souls I entrusted souls.

I am so obedient to them. I am totally theirs at the moment of consecration in the Holy Mass. I am close beside them in the hardships of their daily life and in their sufferings, yet they step on Me, abuse Me, ignore Me. I Love them so much but in return this is what they think – they are more important than Me. I speak to them in silence, loving voice and Divine Mercy, but they do not listen to Me. They plug their ears with the mud of self-love vanity, contagious pride, pleasure of the world and haughtiness. They have allowed themselves to be blinded by the Red Lucifer. In this way they mislead so many souls on the road to perdition. I am very hurt.

I implore My Apostle of the last days to make “Small Hosts” for atonement. I want him to speak out to these souls I entrusted souls, I guide him, give him grace and words to tell them. I bless him and as he will always speak, I am beside him. He has to tell them that I know they abandon their vocation and drag down other souls entrusted souls; religious and lay people who offer themselves for their pleasure!

My Apostle should not wait. I give the grace in the first line to the souls I entrusted souls. It will be too late when they finally see the evil that envelops them. Bitter ingratitude has wounded My heart. They do not want to believe and do not want to repent. The greater the sins, the greater the punishments, which have already begun. The scandals have offended Me so much. Drenched with blood I am walking through the multitude of souls. My Divine Justice is not afar.

What more could I have suffered for the salvation of mankind.

My daughter, never tire to pray. I want perfection.

Abandon yourself completely in My call. I order you to do so even in spite of your affliction. I put in the highest spirit of contemplation in deep silence. Mankind has united itself to the red Lucifer. The souls I entrusted souls are tranquil and worry-less. They step all over Me and permit everything. My Apostle of the last days must tell them to open their eyes.

My arm falls inexorably and I only grant them a short time to reflect. In the Sacrament of My Love I remain day and night in the prison of My Tabernacle with so many graces for souls. I am so blasphemed, abused and stepped on.

17th June 2010

The souls I Love so much do not understand that the tyrant has stolen their hearts, locking them up in the prison of scandal and all kinds of malicious corruption. Both hatred and emptiness have fettered them to evil. They do not think that they cause Me so much pain. My gaze does not penetrate them. They do not want to humble themselves again and repent, to beg forgiveness for the blood which I have shed on the cross. I want to cleanse them from their sins. My heart cries to forgive. If they continue to live in corruption with no repenting, then there will be no Mercy, but rather tears in all the nations, mourning, earthquakes, punishment, floods, sickness of all kinds!

These poor people are blind and deaf to My Merciful calling!
The air is contaminated and everything is full of sin.

8th July 2010

53

My daughter pray, pray, pray, watch with Me in the Sacrament of My Love. I want you to offer everything to Me. I speak to you amid tears of blood. I implore you to allow Me complete freedom. Abandon yourself in My Will. I want to erect an altar in your heart on which the fire of My Love would burn continuously. I want it to be pure and untouched by anything that could stain it. Whenever you call Me, I will be very near you in order to fill you with My love. Whenever you hear offenses and infamy against you, offer them to My Eternal Father for the purity of the souls I entrusted souls. By means also for those consecrated souls! I am very hurt. Countless number of souls are on the brink of the pit. What more could I have suffered for the salvation of mankind.

14th July 2010

54

My Apostle of the last days should proclaim My message to parts of the world in the first line the souls I entrusted souls. It is time to pray and do penance. I give him my grace to reach their consciences!

These are grave moments. The world is growing from bad to worse; paganism is triumphing, the Red Lucifer is making every effort to abolish the Holy Sacrifice of the Mass, the souls I entrusted souls offend My Eternal Father with their licentious habits. My Divine Justice they have forgotten. My Divine Mercy still grants them a little time to make amends and meditate. Penance and prayer! Set to work immediately because tomorrow might be too late, because of the grave proportions which iniquity has taken!

These poor people are blind and deaf to My Merciful calling!
The air is contaminated and everything is full of sin.
